2017	11	7	18

Master of Acupuncture and Traditional Chinese Medicine (MATCM) Program Length: 4 years

Self-Employed / Freelance Positions

Calendar Year	Graduates Employed who are Self-Employed or Working Freelance	Total Graduates Employed in the Field
2018	6	12
2017	13	18

Institutional Employment

Calendar Year	Graduates Employed in the Field who are Employed by the Institution, an Employer Owned by the Institution, or an Employer	Total Graduates Employed in the Field
2018	3	12
2017	4	18

Student's Initials: _____ **Date:** _____

Initial only after you have had sufficient time to read and understand the information.

This program may result in freelance or self-employment.

- The work available to graduates of this program is usually for freelance or self-employment.
- This type of work may not be consistent.
- The period of employment can range from one day to weeks to several months.
- Hours worked in a day or week may be more or less than the traditional 8 hour work day or 40 hour work week.
- You can expect to spend unpaid time expanding your networks, advertising, promoting your services, or honing your skills.
- Once graduates begin to work freelance or are self-employed, they will be asked to provide documentation that they are employed as such so that they may be counted as placed for our job placement records.
- Students initialing this disclosure understand that either a majority or all of this school's graduates are employed in this manner and understand what comprises this work style.

Student's Initials: _____ **Date:** _____

Master of Acupuncture and Traditional Chinese Medicine (MATCM)
Program Length: 4 years

Cost of Educational Program

Total charges for the program for students completing on time in 2017: \$62,300

Total charges for the program for students completing on time in 2018: \$65,000

Total charges may be higher for students that do not complete on time.

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Federal Student Loan Debt

Calendar Year	Most recent three year cohort default rate, as reported by the United State Department of Education.	The percentage of enrolled students receiving federal student loans to pay for this program.	The average amount of federal student loan debt of graduates who took out federal student loans at this institution.	The percentage of graduates who took out federal student loans to pay for this program.
2018	2%	64%	\$120,139	73%
2017	2%	69.4%	\$121,517	45.5%

The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel this enrollment agreement and to obtain a refund of charges paid through the fourteenth (14th) calendar day of the trimester. The institution's policy stipulates that the refund shall be 100% if the student submits a completed ADD/DROP or Withdraw Request form which is received by the University Registrar on or within the **first 14 days of the trimester**. Cancellation will be effective based on the last day of class attended, if any. After the fourteenth day of the trimester, the refund is prorated as per the **"TUITION REFUND POLICY"** section of the MATCM /DAOM Program Academic Catalog and Student Handbook. After completing 75 percent or more of the course, the student will receive no refund. When a drop results in a status of less than half time and the student is a Federal Student Loan recipient, the tuition refund will be returned to lender. When the student is a Federal Student Loan recipient and fully withdraws from school or takes a leave of absence, the tuition refund is calculated in accordance with the United States Department of Education regulations and returned to the lender. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.
