STUDENT'S RIGHT TO CANCEL

The Student has the right to cancel this contract for school, without any penalty or obligation, and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later less the application fee, not to exceed two hundred and fifty dollars (\$250.00). If you cancel, any payment made on your behalf will be returned to the payee within forty five (45) days following the School's receipt of the Student's written and dated cancellation. If the School gave the Student any equipment, the Student may return the equipment within ten days of the date the Student signed the cancellation notice. If the Student does not return the equipment within this 30-day period, the school may keep an amount out of what the Student paid that equals the documented cost of the equipment. The School is required to refund any amount over that as provided above and the Student may keep the equipment. To cancel the contract for school, the student must mail or deliver a signed and dated copy of the cancellation notice, or fax. **REMEMBER, THE STUDENT MUST CANCEL IN WRITING.** The Student does not have the right to cancel by just telephoning the school or by not coming to class. Once purchased, the equipment and materials specified on the Equipment Schedule become the property of the student unless the materials are returned in usable condition (excluding health or sanitary items) within thirty (30) days following the date of the Students' withdrawal from school. The School will refund only the amount that exceeds the documented cost of those materials. Clearly recognized health and sanitary restrictions prevent the school from accepting the return of the equipment and or materials so specified on the Equipment Schedule. Cost of medical or other examinations, if required, are to be borne by the Student. School agrees charges collected from the Student, which the schools holds for the purpose of paying to any other public or private person, firm, organization or agency, such as for a bond, license application, or examination fees, or any similar fees or charges, shall, where the Student cancels or withdraws from the course at any time prior to completion, be refunded in full. Such charges are not subject to any refund if the School has paid them prior to the receipt of notice of withdrawal or cancellation. The School reserves the right to change or modify, without notification, the program content, equipment, staff or materials and organization as necessary for the ongoing improvement of the program in order to keep pace with technological progress and to improve instructional quality, with approval of the Schools licensing agent, if necessary. Such changes will not diminish the quality of any program or result in tuition increases for the duration of this agreement. The Student may be terminated from enrollment, at the discretion of the School Director, if the Student's behavior, attendance or dress does not conform to the requirements, rules, and regulations of the school as set out in the catalog. The Student release holds harmless and indemnifies the School and its agents from and against all liabilities and other expenses which may be imposed upon, incurred by, or asserted against it or them by any reason of bodily injury, or property damage or loss which the Student
