Refund Payment will be refunded within 30 days of receiving notification. Written notification of withdrawal from the student is not required for refund payment.

You can do this by mail, hand delivery, or telegram. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage paid. The written notice of cancellation need not take any particular form and however expressed, it is effective if it shows that you no longer wish to be bound by the Enrollment Agreement. You can use any written notice that you may wish.

Equipment Policy: Supplies are refundable if cancellation is made through attendance at the first class session or the seventh day after enrollment, whichever is later and is non refundable after the period allowed for cancellation of the Enrollment Agreement, which is until midnight of the seventh calendar day.

Withdrawal from program: You have the right to withdraw from a program of instruction at any time. If you withdraw from the program of instruction after the period allowed for cancellation of the Enrollment Agreement, which is until midnight of the seventh calendar day. The school will remit a refund less a registration fee not to exceed \$100.00 and all supplies if applicable within 30 days following your withdrawal. You are obligated to pay only for educational services rendered and for unreturned equipment. If student complete 60% or less of the program, the refund shall be the amount you paid for instruction multiplied by a fraction, the numerator of which is the number of hours of instruction which you have not received but for which you have paid and the denominator of which is the total number of the hours of instruction for which you have paid. For student completed more than 60% of the program, the institution will retain 100% of tuition. 1600 hours of the program, pays \$9,600 for tuition, \$100.00 for registration, and \$575.00, documented cost to school, for equipment as specified in the enrollment agreement and withdraws at scheduled to complete 500 hours without returning (due to sanitary reasons) the equipment he/she obtained. Hourly cost of Tuition \$9,600/ 1,600 = \$6	Hours of Tuition Paid \$9,600 / \$6 = 1600 hrs.	Hours paid for but not received 1,600 - 500 = 1,100 hrs.	Calculation of earned tuition 500 x 6 = \$3,000	Refund calculation of tuition 1,100 x 6 = \$6,600	Final refund calculation: Total paid \$10,275 Less: Adm. Fee 100 Equipment 575 Tuition 3,000 Total Refund \$6,600
--	--	---	--	--	---

Title IV Refund Policy

Federal Regulations dictate specific formulas to determine the amount of Title IV Aid earned by a student withdrawing from the course of study. Simply stated, if the student withdraws at or less than the sixty percent (60%) of the payment period in course, the students would have earned the same percentage of aid received. For example, if the student withdraws at fifty percent (50%) of the payment period, the student would have earned only 50% of the aid received or eligible to receive. To determine the percentage completed, the number of hours the student was scheduled to complete hours in the payment period will be divided by the total hours in the same payment period. Unearned aid will be returned to the programs in accordance to the guidance described in the regulations. All Title IV funds that the institution must return will be made no later than 45 calendar days after the date the school determines that the student withdrew. Withdrawing students will be responsible for institutional charges not covered by student aid.

If student completed more than 60% of a payment period, the student earns 100% of the disbursed Title IV funds or aid that could have been disbursed.

For the purpose of determining the amount you owe for the time you attended, you shall be deemed to have withdrawn from the course when any of the following occurs.

- a) Date when you notify the school of your intent to withdraw or the actual date of withdrawal.
- b) Date when the school terminates your enrollment agreement.
- c) Date when you fail to attend classes for a three-week period. In this case, the date of withdrawal shall be deemed to be the last date of recorded attendance.
- d) Date when you failed to return as schedule from an approved leave of absence. The withdrawal date will be the last date of attendance.

If any portion of your tuition was paid from the proceeds of a loan, then the refund will be sent to the lender or to the agency that guaranteed the loan, if any. Any remaining amount of refund will first be used to repay any student financial aid programs from which you received benefits, in proportion to the benefits received. Any remaining amount will be paid to you.

Student may be terminated for failure to comply with school rules and regulations governing conduct attendance, satisfactory academic progress or failure to honor financial obligation.
