The school is not responsible for missing items or belongings. Please do not leave personal belongings unattended.

PERSONAL SUPPLIES AND SERVICES

Students wishing to purchase supplies or services must first get permission from their Instructor and all supplies and services must be paid for. If a service is performed free of charge the service must be performed at the student's primary campus.

DUTIES

A duty roster will be made monthly for all classroom/clinic duties. This will be done on a rotating basis for fairness to all students. Your duties are an assignment as part of your training. Instructors will check all duties at the end of the day.

DISPENSARY AND SUPPLY ROOM

Students are responsible for the proper up-keep of the clients' chemical service files and for all supplies. Towels must be clean and ready for use both day and night.

CLIENT SERVICES

Students are ***never*** to leave a client unattended – it could be dangerous to the client and is unprofessional.

WEAPONS IN SCHOOL

Weapons of any type are strictly forbidden in school. Students caught with a weapon in school will be sent home immediately, the weapons will be turned over to the local police department, and a decision will be made as to whether the student will be allowed to return to school.

Violation of the above rules and standards may result in disciplinary action up to and including termination from school.

The school reserves the right to terminate any student whose personal conduct – towards school staff or fellow students - is deemed unsatisfactory.

Re-admittance to the school will be at the School Director's discretion.

A student's termination from one school applies to all campuses.

TARDINESS

The school will allow 5 un-excused lates per month. If you are going to be late, a courtesy phone call is required. Please call and give your message to a **School Official - Not a student**. Over 5 un-excused lates per month will result in a suspension. Saturdays have a closed-door late policy after 9:30am. If the Student does not show up by 9:30am on Saturday they may not attend for that day. Time is calculated on the quarter hour. Students who return more than 15 minutes late from lunch or break may be sent home for the day.

ATTENDANCE AND ABSENTEEISM

The student should be aware that absenteeism for more than 14 consecutive days without contacting the school can result in the student being terminated from the program. Time is calculated on the quarter hour.

The contracted date of graduation may be changed throughout your program because of unexpected school closures. Make-up hours may not reverse your revised graduation date. 5% of your contract time for scheduled hours is allowed for absenteeism and/or tardiness. Once a student has used all time allotted for absenteeism, they will be required to purchase additional training hours, at the current hourly tuition rate. Payment arrangements must be made with the School Director at that time.

All students should be in their class location 5 minutes prior to starting class. At this time the student should be completely prepared for class – all materials needed in hand, hair and make-up done, and completely dressed for the school day. Students are required to call in if not attending school for the day. When calling in, you must speak with a School Official.

LIABILITY

Straight Perm Beauty School.com assumes no responsibility for loss or damage to personal property, or for personal injury, which may occur while on the campus grounds or on a field trip.

LEAVE OF ABSENCE

Leaves of Absence can be granted in cases of emergency or medical problems, which cause attendance to be impossible or impractical. A student, who is **granted** a Leave of Absence by **the school**, is not considered to have withdrawn from the school. A Leave of Absence will not affect the student's maximum time frame for completion however it will affect their scheduled graduation date.

- A. Esthetics and Manicure students may be granted 1 Leave of Absence during their course of study.
- B. Cosmetology Students may request 2 Leaves of Absence during their course of study.

In order to be placed on Leave of Absence, the student must:

- B. Be approved by the School Director.
- C. Must be in Satisfactory Progress.
- D. Leaves must be a minimum of 14 days
- E. There must be at least a period of 30 days between leaves.

Students may not arbitrarily decide to "take" a leave of absence

There will be no additional charges for a Leave of Absence. If the student fails to return or contact the School Director on the documented return date, the student will be considered to have withdrawn from school as of that date.

Exceptions to this policy due to extenuating circumstances may be approved by the School Director.

STUDENT GRIEVANCE PROCEDURE

Students who encounter difficulties, problems, or have complaints, should first bring the matter to the attention of their Instructor. If the Instructor is unable to resolve the situation, the student is to meet with the School Manager. If the matter is still not resolved, it should be brought to the attention of the Chief Academic Officer for final resolution. Students are encouraged, at all times, to verbally communicate their concerns to members of the faculty and administration for amicable solutions. A written grievance, addressed to the Chief Academic Officer, must be received from the student within 48 hours after the incident occurs.

The procedure is as follows:

1. The written grievance must be submitted to the Chief Academic Officer within 48 hours of the incident. The Chief Academic

- Officer will verify that the student has made a verbal attempt to resolve the concern with the instructor other staff member.
2. If the student has followed the above steps, the Chief Academic Officer will submit a written response back to you within 48 hours.
 3. Should the student disagree with the decision of the Director; an appeal must be filed within 10 business days.
 4. An appeal committee will be formed and provide written notice to the student of its decision within a reasonable time frame (no more than 15 days). The appeal committee will be comprised of 2 staff members and 2 student government representatives. Each member of the appeal board must sign a confidentiality agreement.
 5. The decision of the committee shall be final.
 6. The availability and use of this grievance procedure does not prevent a person from filing a complaint of discrimination on the basis of disability with the U. S. Department of Education's Office for Civil Rights and/or a student or any member of the public may file a complaint about this institution with the Bureau for Private Postsecondary Education by calling (888-370-7589) or by completing a complaint form, which can be obtained on the Bureau's Internet Web site, www.bppe.ca.gov.

SATISFACTORY ACADEMIC & ATTENDANCE PROGRESS EVALUATION POLICY

The student must meet both attendance and academic requirements to be considered making satisfactory progress at mid-point of the program/course to be eligible to receive Title IV assistance. If the student's cumulative grade average is 75% or above, and attendance is 66.67% of the hours required, the student will be determined as making satisfactory progress. At the completion of each quarter of training the student must demonstrate the ability to complete all program requirements within the allotted time frame by scheduled attendance/make-up work.

PROBATION

Students who do not have an average grade of 75% and/or 66.67% of the hours required at 300/450 hours, 900 hours and 1200 hours will be placed on academic/attendance probation. While on probation, financial aid funds maybe dispersed to eligible students. The student on probation will be given a period of 30 school days to improve performance. If the student during this time improves on their % and is not yet in Satisfactory Progress they may be given an additional 30 days. However, if the student doesn't meet the minimum of Satisfactory Progress at the end of 60 days they will be terminated from their program. At anytime during the probationary period if the student fails to improve they may be terminated from the school at anytime. The student may request an appeal.

Straight Perm Beauty School.Com reserves the right to place students on Probation or automatically withdraw a student due to lack of attendance, unsatisfactory academic, bad behavior and/or due to a violation of school rules.

INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

UNOFFICIAL WITHDRAWAL

If the student fails to attend the institution for more than 14 consecutive days, the institution will consider the student a drop and automatically withdraw him/her from the program. The date of withdrawal will be determined as the twentieth day the student was absent from school. The institution will send the student a letter of withdrawal on the date of withdrawal determination.

AUTOMATIC WITHDRAWAL

A student will automatically be withdrawn from the program for the following reasons:

- Failure to attend school for 14 consecutive class days.
- Failure to return from an approved leave of absence on the scheduled return date. Students who fail to return from a LOA will be considered dismissed, and the withdrawal date for the purposes of calculating a refund will be determined by the student's last day of attendance.
- Failure to maintain satisfactory progress for two consecutive evaluation periods.
- Failure to fulfill financial agreements
- Failure to abide by school rules and regulations

Passing grades on this exam is the final step to being granted a professional license.

HANDICAPPED STUDENTS

Access for handicapped students to the institution's facilities is available at the college. This institution does offer programs for the handicapped student depending on the physical ability of the handicapped student.

HEALTH AND PHYSICAL CONSIDERATIONS

Generally, the professional in the beauty field must be in good physical health for he/she will be working in direct contact with customers. In most aspects of the beauty culture field there is a great deal of standing, walking, pushing, bending and stretching, and sometimes for long periods of time. A person must consider his/her physical limitations in terms of making a career choice that involves extensive training. We promote the acceptance of students with physical limitations or disabilities if these students (their parents or physician) believe they can fulfill training demands.

STUDENT TUITION RECOVERY FUND (STRF) 76215:

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120-day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF. A student whose loan is revived by a loan holder or debt collector after a period of

no collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

Student Bill of Rights and Considerations Prior to Enrollment

This document must be given to enrolling veterans and eligible persons when using GI Bill education benefits at a private postsecondary institution approved for the training of veterans by the California State Approving Agency. This is provided for informational purposes only and is intended to give you guidance in order to optimize the use of your VA education benefits:

- You have the right to investigate training alternatives. Be aware that tuition charged by institutions offering similar training programs can vary greatly. You may also seek payment of GI Bill benefits for other types of training or career objectives, including Apprenticeship/OJT and Entrepreneurships.
- You have the right to fully explore a program prior to enrolling. You may check out the school's facilities and equipment, inquire about instructors' qualifications and class sizes, observe a class, and talk to current students. You may also ask to contact recent graduates to learn about their experiences with the school.
- You have the right to check with the Better Business Bureau, or other consumer protection agency, to find out if complaints have been filed against the school. You also have the right to verify the school's standing with any accrediting association and/or licensing agency.
- You have to right to clear information about the value of the training. Are the credits transferable to other institutions you may attend in the future? Will the training satisfy requirements for employment, or is it necessary for the position you are seeking?
- You are entitled to clear data about the program's success rate. The institution will provide you with the completion and placement rates for the most recent years for which data is available. You will be given the definition of a "placement," including the length of time in the position. You will also be provided with the average starting salary.
- You are entitled to a clear statement of the total cost for completion of the program, including tuition, equipment and fees. Page 2
- You are entitled to a clear explanation, without coercion, of all financial aid options, before you sign up for any student loans.
- You are responsible for paying off a loan whether or not you complete the program. Failure to pay off a loan can lead to financial problems, including inability to get a future loan or grant for another training program, inability to get credit to buy a car or home, or garnishment of wages through the employer. You must begin repayment of the loan in accordance with the terms detailed within the financial aid documents.
- You have the right to read and understand the contract, and all other materials, before signing up.
- You are entitled to a clear explanation of the school's cancellation/withdrawal policy and procedures, to understand how to withdraw or cancel, and be informed of any financial obligations you will incur.
- You are entitled to a clear explanation of the school's refund policy, which can vary greatly. If you withdraw from a course after the first day of class, an overpayment of VA benefits can result. It is not uncommon for schools to charge the entire tuition cost at the point when you have completed just 60 percent of the program. If an overpayment is assessed, the VA will send you a debt letter for the cost of the training you did not receive. For example, you may drop at the 60 percent point, and be asked by the VA to repay 40 percent of the cost of the tuition. A debt related to payment of the housing allowance may also be assessed. Ensure that you review the school's refund policy to understand the consequences of withdrawing before the end of the term.
- You have the right to contact the California State Approving Agency at www.csaave.ca.gov or the state consumer protection agency if you are unable to resolve a complaint with the school.
