Occupations in the barber industry generally require continued standing or sitting and constant use of the upper torso, shoulders, arms, wrist and hands, upper back and neck. Certain individuals may have allergies or sensitivities to the typical chemical products used in barber occupations. A student must be physically capable of performing all required activities conducted at the school and complying with all safety policies and procedures.

HEALTH WARNING:

Exposure to chemicals used in the Barber industry may cause cancer and birth defects or other reproductive harm to you and your unborn child. In addition, the physical demands required by the school curriculum could place unwanted stress on the mother and child during pregnancy. Please consider this and consult with your physician regarding these issues prior to enrolling and signing the enrollment agreement.

INDUSTRY EARNINGS

As with any career, the amount of income one can earn in the beauty and wellness industry is directly related to the amount of effort one applies to their career. Minimum efforts most likely will result in minimum earnings, while maximum efforts can lead to much higher levels of compensation. One's ability to earn income in the barber industry is very dependent upon one's ability to communicate, present oneself professionally, develop great people skills, maintain a positive attitude and perform excellent barber skills of the trade. The ABCSD curriculum is designed to teach students these skills to help them obtain an entry level position upon graduation and licensing, but the effort students put forth to learn these skills is solely up to them. In addition to the above earning considerations, earnings levels can depend on work location, tipping habits, competition, the discretion of your employer and/or the position held. Accordingly, since earnings are dependent on the efforts of the individual and other factors, ABCSD does not make any express or implied claim about the salary or wages that you may earn after completing your designated educational program.

This program may result in freelance or self-employment. The work available to graduates of this program is usually for freelance or self-employment. This type of work may not be consistent. The period of employment can range from one day to weeks to several months. Hours worked in a day or week may be more/less than the traditional 8-hour work day or 40-hour work week. You can expect to spend unpaid time expanding your networks, advertising, promoting your services, or honing your skills. Once graduates begin to work freelance or are self-employed, they will be asked to provide documentation that they are employed as such so that they may be counted as placed for our job placement records. Students initialing this disclosure understand that either a majority or all of this school's graduates are employed in this manner and understand what comprises this work style.

Please see our School Performance Fact Sheet as it relates to the outcomes in the educational program you select. The School Performance Fact Sheet will contain wage and salary data for particular career occupations.

GENERAL EMPLOYER'S REQUIREMENTS

It is best if each barber has the ability to meet requirements set forth by employer or place of business. Most successful barber shops wish to employ skilled barbers with professional attitudes and work ethics. To be hired or contracted by a licensed barber establishment, it is recommended that as a barber you are skilled in barbering, punctual, willing to work an agreed upon schedule, comply with State Board rules and regulations and have excellent customer service.

DISTANCE TRAINING

Our College does not offer distance training.

SATISFACTORY ACADEMIC PROGRESS (SAP) POLICY

Associated Barber College of San Diego expects all students to maintain Satisfactory Academic Progress (SAP) as established by this institution. Any prospective student should read and consider the SAP policy before enrollment. The school's SAP policy is applied consistently to all students enrolled in a specific program and scheduled for a particular category of attendance (part-time/full-time). SAP evaluation periods are based on actual hours of attendance.

SAP applies to all students regardless of whether they are receiving Title IV financial aid. Federal Regulations require that all schools participating in any Title IV Federal Financial Aid program must adhere to an approved SAP policy. As a Title IV Financial Aid recipient, you must maintain SAP to remain eligible to receive Title IV Federal Financial Aid.

Evaluation Procedures

Students will receive a printed copy of their SAP at each evaluation point. A signed copy will also be maintained in the student's file. This will ensure that each student is notified of their SAP progress and how it impacts the student's eligibility for Title IV Funds. Evaluation points are listed below:

- Barbering: When a student completes 450, 900 1200 and 1350 clock hours
- Barber Crossover: When a student completes 150 and 350 clocked scheduled hours

Standards for SAP:

Quantitative (time-based) and Qualitative (grade-based) Standards:

1. Maintain a cumulative academic average of "C" (75%) or better on all tests, work projects (operations), final practical assessment and other required course work.
2. Maintain a cumulative average attendance level of 67% of the contracted hours indicated on their enrollment contract. For example, a student scheduled to complete 35 hours per week would have to maintain an average weekly attendance of at least 23 hours per week ($35 \times .67 = 23$). To determine your rate (pace) of attendance divide the cumulative number of hours completed by the scheduled hours to date.

Completion of Course Within Designated Period of Time

- Full-time students attend 35-40 hours per week. Part-time students attend 30 hours per week. The State of California requires 1500 clock hours for Barbering Course and 400 Clock Hours for Barber Crossover Course.
3. Students are expected to complete their course within one and one-half times (150%) the length of the course as defined in the catalog. For example, a student who enrolls in the Barber program (1500 clock hours) must complete within 56 weeks and a student who enrolls in the Barber Crossover program (400 clock hours) must complete within 15 weeks. For determining the maximum time frame, transfer hours from another institution that are accepted toward the student's educational program are counted both as attempted and completed hours.
 4. Students must meet minimum academic and attendance requirements for each evaluation period of the course to be considered as making satisfactory academic progress until the next scheduled evaluation. SAP evaluation periods are based on actual clock hours.

Maximum Time Frame

Students must complete the educational program within the maximum time frame which is based on attending at least 67% of the scheduled hours.

<u>Course</u>	<u>Length</u>	<u>Maximum Time Frame</u>
Barbering- (40 hour schedule)	38 weeks	56 weeks
Barbering- (35 hour schedule)	43 weeks	64 weeks
Barbering- (30 hour schedule)	50 weeks	75 weeks
Barber Crossover – (40 Hours)	10 weeks	15 weeks

SATISFACTORY ACADEMIC PROGRESS (SAP) POLICY (con't)

Exceeding Maximum Time Frame

Students who exceed the maximum time frame may be terminated at the Director's discretion.

Grading System

Students are evaluated on a regular basis in theory and practical work. The evaluations are measured on a standard percentile basis and the percentage equated to a letter grade. SAP forms are issued to the students upon completion of each increment of the course hours as explained above for student's review. This SAP form reflects the overall Attendance and Academic progress of the student. Students must maintain a minimum of 75% cumulative grade average or practical evaluation to maintain satisfactory academic progress status. The system detailed below is the system utilized in the school:

Grading Scale	
90% - 100%	Excellent
89% - 80%	Above Average
79% - 75%	Average
Below 75%	Failing - Unsatisfactory

Theory work is tested on all chapters of the textbook. Practical work is graded as each service is completed. An instructor will notify you immediately if the service resulted in failing work.

Determination of Progress Status

Students meeting the minimum requirements for academics and attendance at the evaluation point are making satisfactory progress until the next scheduled evaluation.

WARNING

If a student fails to meet satisfactory academic progress standards for either attendance or academics at any evaluation point, the student will automatically be placed on a Warning and will remain in that status until the next evaluation point. At this warning a written academic plan will be agreed to by student and Director. (If both parties cannot agree on the academic plan, enrollment may be terminated.) The student will be counseled regarding actions required. A student placed on a SAP Warning status may continue to receive FSA funds. The student will be counseled on the potential loss of eligibility of FSA funds, if applicable, and will be advised on steps necessary to correct the academic deficiency and be reinstated to good academic standing. If at the next evaluation period, the SAP standards are not met the student may appeal. The student will be placed on Probation and loses FSA eligibility (if applicable), unless the appeal is deemed successful.

PROBATION/APPEAL / REINSTATEMENT AND REESTABLISHING ELIGIBILITY PROCEDURES

A student who fails to meet satisfactory academic program after SAP Warning will be placed on Probation and loses FSA eligibility (if applicable). A student may appeal a probation determination of unsatisfactory SAP if they have a reason as to why they did not make satisfactory progress and if they can document that the circumstance(s) which caused them to have an unsatisfactory progress. The basis for filing an appeal, such as, death of a relative, injury or illness of the student, or other special circumstances must be documented. The written appeal must also include a statement of what has changed in the student's situation that will allow the student to meet the standards for SAP by the beginning of the next evaluation period.

SATISFACTORY ACADEMIC PROGRESS (SAP) POLICY (con't)

The student must submit a written appeal as to why he/she failed to make SAP to the school administration within five (5) business days of not making satisfactory progress or termination. If the student fails to appeal this decision, the decision will stand. If a student is terminated for gross misconduct, which includes, but is not limited to, reporting to school under the influence of alcohol or illegal drugs, cheating, stealing, insubordination, and threats and/or bullying, such termination is final and may not be appealed.

An appeal hearing will take place within five (5) business days of receipt of the written appeal. This hearing will be attended by the student, parent/guardian (if the student is a dependent minor), the student's instructor, and Director. A decision on the student's appeal will be within three (3) business days by the Director of Education and will be communicated to the student in writing. This decision will be final.

If the student's appeal is approved, eligibility for FSA funds will be reinstated for one evaluation period and the student will continue Probation status until the beginning of the next evaluation point. The original academic plan will be revisited with the student and revised to ensure conformance with the expected minimum SAP standards.

Students who do not appeal a determination of unsatisfactory progress and termination of FSA funds, or whose appeal has been denied, may continue school on Probation status for one evaluation period as a cash paying student. But the end of the Probation period, all students on Probation status will be required to have satisfied all standards for SAP. Students who fail to meet the standards for SAP by the end of the Probation period maybe terminated from school. Students who successfully meet the standards for SAP by the end of the Probation period will be reinstated to good academic standing and will regain their previous eligibility for FSA funds.

Results of the appeal and academic plan(s) are documented in the student's file.

LEAVE OF ABSENCE, INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

The Leave of Absence will extend the student's contract period by the same number of days taken in the leave and will result in no additional charges to the student. Course incompletes, repetitions, and non-credit remedial courses have no effect upon the school's satisfactory progress standards.

DETERMINATION OF WITHDRAW

ABCSD will determine a student's withdrawal as per the following:

- 1) a student who did not return from an approved Leave of Absence;
- 2) those who were terminated from enrollment by the school;
- 3) those who withdrew from the program and notified the school;
- 4) those who fail to attend classes for 14 calendar days.

RE-ENTRY POLICY

Students who withdraw prior to completion of the course of study and wish to re-enter within six months of the original formal withdrawal date will re-enter at the same progress status as applicable at the time of withdraw. All students who withdraw may re-enter into the program without the loss of clock hours and at the same status as they left provided it is within six (6) years from the date of their withdrawal. All student records are stored for six (6) years only and it is the responsibility of the student to maintain all documents received from the institution beyond the six-year period. The school reserves the right to evaluate the previous enrollment and to verify that the student was in good standing with ABCSD before the student is accepted for re-enrollment.

SATISFACTORY ACADEMIC PROGRESS (SAP) POLICY (con't)

If accepted by the school, the student will re-enter the same progress status as he/she left. All Re-entry students will be charged a Re-Enrollment Fee.

TRANSFER HOURS

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purposes of determining when the allowable maximum time frame has been exhausted. SAP evaluation periods are based on actual contracted hours at the school.

PRE-APPLICATION POLICY – Barbering Course

The California Board of Barbering and Cosmetology (BBC) has a pre-application process. This process allows a student to reserve his/her exam date within 2 months of graduation. The BBC has the sole discretion to grant the pre-exam date and grants the pre-application process to students whom have no prior criminal record and is in good standing with the BBC. ABCSD offers this process as a privilege to each student. It is totally the discretion of the school to pre-apply a student. The Pre-Application process is granted with (but not limited to) the following criteria:

ATTENDANCE POLICY

Your commitment to your agreed upon schedule is vital to your success in our barber school. We take our attendance policy seriously by enforcing the policy daily. Each student is asked to commit to a schedule prior to signing the enrollment agreement. The schedule will create the student a completion date on the contract. Good attendance will ensure graduation by the completion date. Our SAP policy states each student must maintain a cumulative average attendance level of 67% of the scheduled hours indicated on the enrollment agreement. However, if a student only maintains 67% of attendance, this will extend the length of their program, which result in over contract hour charges. All of our 1500 Hour students are required to attend school Tuesday- Saturday.

CHANGE IN SCHEDULE

You may request to change your schedule during your course. All schedule changes must be submitted in writing to the admissions office the week before the new schedule starts. All schedule changes must be approved by the Director or Associate Director. Once your schedule change is approved, the new schedule will start on the following Tuesday.

10:30 CLOCK – IN

All students must be clocked in by 10:30am. Students arriving after 10:30 will not be allowed to clock in for the day. NO EXCEPTIONS

SICK/LATE/PERSONAL TIME OFF

A student enrolled in Barbering 1500-hour course will be allowed 100 hours of absences within his/her 1500-hour course for sick/late/personal time off. A student enrolled in Barber Crossover 400 hour\ course will be allowed 24 hours of absences within his/her 400-hour course for sick/late/personal time off. The student's contract graduation date on the Enrollment Agreement includes sick/late/personal time off.

REQUEST FOR TIME OFF

If student knows in advance that they will need SICK/LATE/PERSONAL TIME OFF, a Request For Time Off Form must be submitted to the office and approved by the school administration. The request for time off must be less than 14 calendar days and will be taken from their remaining sick/late/personal time off.

LEAVING EARLY POLICY

In order to be granted time off for leaving early, student must submit the Request Time off Form to the school administration and wait for its approval.

EXTENDED LUNCHES

If a student needs to take an extended lunch, it needs to be approved by the school administration.

MAKE UP HOUR POLICY

If a student wants to stay longer than the daily scheduled time to leave to make-up time lost, it must be approved. Each student that wishes to make-up time lost, must see the school's administration for approval note.

MISSING STUDENTS

If student is clocked in and cannot be found during a period of time (15 minutes) they will not get credit for any hours on that day from that point on.

CLOCK HOUR POLICY

Each student's hand scan will be registered in our school's software on Orientation Day.

Students must clock themselves in/out daily using the palm scan. Students are required to be clocked in for school promptly at the start of the scheduled day. The Board of Barbering and Cosmetology will only recognize time clock hours of attendance, which as a result the school can only give clock hour credit to students who record their attendance by using the palm scan to sign in and out at the start and end of their class day and lunch period. All governing agencies will only recognize time if the student is engaged in a learning environment. A learning environment is defined on our school campus and engaged in barber related education while on campus. A student must clock "IN" when entering and "OUT" when leaving the school's campus. After clocking in, you are required to maintain applied effort in education and refrain from personal grooming, leaving the building, reading material or activities not related to your training.

Each student MUST clock out when taking a lunch break. Students who fail clock in or out for their 30-minute lunch will be docked 1 hour per day. A thirty (30) minute lunch break shall be taken and clocked in/out when a student attends a 5-hour or more class day. Lunch breaks are taken between 11:30 – 1:30. If a student misses their lunch break, then they will be required to clock out after 5 hours. If the student attends less than 5-hour class day and desires to take a lunch break (30 minutes), then the student must have permission from an instructor.

Once theory classes have been started, no one will be allowed to enter the theory classroom until the classroom break.

It is the student's responsibility to adhere to the clock hour policy. Violation of this could result in immediate suspension.

LEAVE OF ABSENCE

Occasionally, students may experience extended personal, medical or other problems that make it difficult to attend class. The school may allow a student under such circumstances to take a Leave of Absence (LOA) from the program. The student must submit a written request for leave of absence in advance unless unforeseen circumstances prevent the student from doing so. The request must include the reason for the student's request, the dates of the requested LOA and the student's signature. Each leave of absence request will be considered on an individual basis and may be granted to a student at the discretion of the school. The student will not be charged any additional school charges as a result of the approved LOA.

Students may be granted one leave in a twelve-month period, for a minimum of two (2) weeks. The total time for Leave of Absence may not exceed 180 calendar days. Do not request a LOA unless you absolutely need one.

Students returning from an LOA will be returned to the academic progress standing they held prior to the start of the leave. Students who fail to return from an LOA on the approved date of return will be considered dismissed as of the last class day of attendance prior to the start of the leave. The withdrawal date for the purpose of calculating a refund is always the student's last day of attendance.

A student granted an LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at that time. With an approved LOA, the student's contract period will be extended by the same number of days taken in the LOA. An addendum to this change will be signed and dated by all parties.

ATTENDANCE, TARDY AND MAKE-UP POLICIES

During the first five weeks of attendance, we strongly recommend that you do not have any absences or tardies. During this time, you must keep a minimum of 80% attendance. If you need to be absent, it is your responsibility to contact the instructor and schedule a makeup lesson.

After the first four weeks of attendance, attendance must be maintained at an average of 67 percent of the scheduled attendance if the student is expected to complete the course of study within the maximum time frame of 150% of the program length. An absence may be excused by calling-in the same day prior to the beginning of class. Students are required to make-up for the lessons, and exams missed due to absenteeism with homework studies. Please see the instructor to schedule a make-up class. If the student is absent during two (2) consecutive calendar weeks, the school will withdraw him/her. The instructor in charge will review excessive tardiness or absences with the student to determine possible corrective action to the issue on hand.

DRESS CODE

Students are required to arrive to school each day in their clean issued uniform (white barber smock). Long pants are required with no holes or frays. Sweat pants for gym pants are not allowed. A shirt is required under the uniform. No hats of any kind are to be worn. No shorts or skirts above the knee are permitted. Shoes must be closed toe with a low heel. A work type shoe is recommended. Students must arrive to school appropriately groomed. Violation of Dress Code Policy will result in the student being sent home to correct his/her attire. If the student is sent home, the student will be required to clock out.

SCHOOL CLOSURE POLICY

ABCSD shall be considered in default of the enrollment agreement when an educational program is discontinued or canceled or the institution closes prior to completion of the educational program. If ABCSD is in default, student institutional charges may be refunded on a pro rata basis if the bureau determines that the school has made provision for students enrolled at the time of default to complete a comparable educational program at another institution at no additional charge to the students beyond the amount of the total charges in the original enrollment agreement. If ABCSD does not make that provision, a total refund of all institutional charges shall be made to students.

Prior to closing, ABCSD shall provide the bureau with the following: (1) Pertinent student records, including transcripts, as determined by the bureau, pursuant to regulations adopted by the bureau. (2) If ABCSD is an accredited institution, a plan for the retention of records and transcripts, approved by the institution's accrediting agency, that provides information as to how a student may obtain a transcript or any other information about the student's coursework and degrees completed. (b) Subdivision (a) applies to all private postsecondary institutions, including institutions that are otherwise exempt from this chapter pursuant to Article 4 (commencing with Section 94874).

BANKRUPTCY

This Institution has no pending petition in bankruptcy nor is it operating as a debtor in possession. NOTIFICATION OF RIGHT UNDER FERPA

The Family Education Rights and Privacy Act (FERPA) is a Federal Law that protects the privacy of a student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students".

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR 99.31)
 - School officials with legitimate educational interest;
 - Other schools to which a student is transferring;
 - Specified officials for audit or evaluation purposes;
 - Appropriate parties in connection with financial aid to a student;
 - Organizations conducting certain studies for or on behalf of the school;
 - Accrediting organizations;
 - To comply with a judicial order or lawfully issued subpoena;
 - Appropriate officials in cases of health and safety emergencies; and
 - State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone, number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about the directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school. For additional information, you may call 1-800-USA-LEARN (1-800-872-5327) (voice). Individuals who use TDD may use the Federal Relay Service (</about/contacts/gen/index.html#frs>).

CAREER COUNSELING AND PERSONAL ATTENTION

Students are counseled individually, formally and informally, as often as necessary, but minimally at each SAP to review the student's progress and adjustment. Students are given personal attention and assistance at every stage of training from the first day of enrollment. At predetermined intervals, measuring instruments are utilized to evaluate the rate and quality of the student and remedial assignments are made when required. Particular attention is given for the preparation of the Board of Barbering Examination. Successful Barbers, Shop/Salon Owners and Stylists are scheduled to give demonstrations and to discuss career goals, etc., with the students. These activities supplement the daily counseling carried out by the instructors and supervisors. Students may request additional counseling sessions at any time.

Students are advised that the school maintains a current listing of job opening opportunities and the graduate is encouraged to check back with the school at any time after the graduate has passed the State Board exams and received their license for assistance with employment.

The graduate is also encouraged to keep in contact from time to time with the school to keep us abreast of his/her progress, employment status, and provide feedback on the scope of the training the student received at the school.

HOUSING

Associated Barber College of San Diego does not have dormitory facilities under its control. It is the student's responsibility to find their own housing, it is not the responsibility of the institution. The availability of housing depends on the housing market at the time of enrollment. Please refer to www.sandiego.gov/housing for information on housing near our College. This website will give you ample information on the availability of housing located reasonably near the institution's facilities and an estimation of the approximate cost or range of housing. San Diego's overall cost of living is 36% above the national average, with housing costs, including apartment rentals, taking up a large chunk of residents' finances. The median price of apartments is \$760, with the average price of all two-bedroom apartments for rent running at \$1,200. The vacancy rate tends to be very low—less than 1% in recent studies—which means it can be difficult to find good apartments in your price range.

LOCKERS

Our school provides each student with a locker. We will assign each student a locker on request. Please provide a lock with two keys. One key will be retained by the school. On graduation day, please clear out the locker and retrieve your second key. Any personal items left in lockers after one month of graduation will be donated to charity.

EVALUATION OF CREDIT FOR PREVIOUS TRAINING

ABCSD is governed by The California Board of Barbering and Cosmetology (BBC). BBC only grants credit for our courses if the previous training was taken in an approved California Barber or Cosmetology school. If this is the case, ABCSD will maintain a written record of the previous education and training of veterans and eligible persons. The student's record will clearly indicate that the credit has been granted, if appropriate, with the training period shortened proportionately and the student notified accordingly, per 21.4253 (d) (3). If there is not credit to be granted, ABCSD will have the student acknowledge no credit is granted prior to enrollment.

FEDERAL STUDENT AID (FSA)

ABCSD is approved for and participates in the Department of Education (ED), Title IV; Federal PELL Grant Program (FPELL) and Federal Direct Loan Program (FDLP), (Subsidized Federal Direct Loan, Unsubsidized Direct Loan, PLUS) is intended to defray the costs of attending for those students eligible for financial aid considerations.

ABCSD offers financial aid for students who qualify. Qualified students are able to apply for and receive Federal PELL Grant, Federal Direct Loan Program (FDLP) while attending college. FPELL is a gift from Federal Government for the students who qualify. Students do NOT need to pay back the FPELL. There are no payments due for the Subsidized and Unsubsidized loans until six (6) months after the student leaves school. This departure date refers to graduation, as well as early withdrawal. If the student does not finish the program, ABCSD will refund any unused tuition back to the lender; however, the student is responsible for any funds kept by ABCSD for tuition needs.

Financial aid is a mechanism that reduces out-of-pocket costs that the student and/or parents must pay to obtain a specific postsecondary education. Presented differently, financial aid is money made available to help students meet the cost of college attendance for both direct and indirect costs. Financial aid includes grants and loans. Grants do not have to be repaid. Financial aid is awarded to students who have "need". Need is the difference between the amount of money that the family will be expected to contribute to meet student costs and the cost of education at this school.

GRANTS

Federal Pell Grant

The federal student grant program is designed to provide assistance to any eligible undergraduate pursuing a post-secondary school. The value of a 2017-2018 Pell Grant varies from \$606 to \$5,920 depending on the expected family contribution and cost of education. This program is the foundation for most financial aid awards.

LOANS

Direct Subsidized Loan

This program is a low rate, long-term loan program for undergraduate students who have demonstrated financial need. The U.S. Department of Education generally pays interest while the student is in school and during certain other periods. The maximum a student may borrow at ABCSD is \$3500 for the first academic year and the \$4,500 for the second academic year, which is subject to proration for the Barbering Program.

Federal Direct Subsidized interest rates are capped at a 4.45 percent interest rate for July 1, 2017 and June 30, 2018. Repayment is required to begin six months after the student completes or terminated his/her education or becomes less than a half-time student. The interest rate changes effective July 1, 2017 and can be obtained on-line at StudentAid.gov/interest or at the financial aid office.

Direct Unsubsidized Loan

This program is a federal loan program designed to allow students who do not qualify for federal interest subsidizes under the Direct Stafford loan program to obtain an unsubsidized loan. The borrower is responsible for all interest. Financial need is not required. The maximum amount an independent student may currently borrow at ABCSD is \$6,000 in addition to the Direct Stafford loan for the first and second academic years. The maximum amount a dependent student may currently borrow is \$2000. The second academic year loan amount is subject to proration for the Barber Program.

If a student does not qualify for a Direct Stafford Loan or some portion of the loan, he/she may borrow the remaining amount under Direct Unsubsidized program. The interest rate is capped at 4.45 percent interest rate first disbursed between July 1, 2017 and June 30, 2018. The interest rate changes effective July 1, 2017 and can be obtained on-line at StudentAid.gov/interest or at the financial aid office.

FEDERAL STUDENT AID (FSA) (con't)

Direct Plus Loans

This is a competitive interest rate loan that provides additional funds to help **parents** pay for the educational expenses of a dependent student. The interest rate is capped at 7.00 percent interest rate for loans first disbursed between July 1, 2017 and June 30, 2018. The interest rate changes effective July 1, 2017 and can be obtained on-line at StudentAid.gov/interest or at the financial aid office. Repayment begins approximately 60 days after the first disbursement of the loan. The maximum amount to borrow is based on the cost of attendance minus any estimated financial assistance awarded during the academic year.

The borrower is responsible for all interest and the student must be enrolled at least half-time. Financial need is not required and the borrower may not have adverse credit. An adverse credit situation will allow the student to borrow additional unsubsidized loan funds.

APPLICATION FOR FINANCIAL AID, PROCEDURES AND FORMS

The financial aid application is the Free Application for Federal Student Aid (FAFSA). This form needs to be completed as instructed on line at www.fafsa.gov. Documentation to substantiate the data entered on the form may be required by the financial aid office. Forms and assistance in completing them are available at ABCSD during the administrative office hours. In addition to the FAFSA, ABCSD requires a series of forms as they apply to the individual student aid program and to the student's individual family circumstances.

DEADLINE: FAFSA application must be submitted to FAFSA.ed.gov on or before October 1 in the prior year on which the application is intended. SAR or ISIR must be submitted to the financial aid office by August 29 of the award year from which aid is requested from, or your last day of enrollment in the previous award year, whichever comes first.

RENEWAL PROCESS: An SAR or ISIR is valid for one award year (July 1 to June 30 of the following year), and it is NOT automatically renewed for the next award year. Students must re-apply for the FPELL Grant and submit a copy of the NEW SAR or ISIR to the financial aid office.

DISBURSEMENTS: They are made on per payment period via electronic funds transfer (EFT). The funds will be applied as a direct credit to the student's tuition account. Excess proceeds are issued by check to the student and/or parent.

PROFESSIONAL JUDGMENT (PJ): Our Financial Aid Office may exercise Professional Judgment (PJ), on a case-by-case basis only, to alter the data elements used to calculate a student's Expected Family Contribution (EFC). Additional documents to support your request will be required for consideration and is not guaranteed acceptance.

For additional consumer information on Federal Financial Aid programs, request "Funding Education Beyond High School" published by U. S. Department of Education.

DETERMINING NEED

The information you report on the FAFSA form when you apply for aid, is used in a formula established by US Congress that calculates your Expected Family Contribution. ABCSD utilizes the Free Application for Federal Student Aid (FAFSA) for students applying for aid. This form will be processed by a contractor of the U.S. Department of Education at no cost to the student. The results will be provided in the form on an Electronic Student Aid Report (SAR) with the calculation of the Expected Family Contribution (EFC).

Financial Aid need equals the difference between the stated costs of attending the college minus the resources available to the student. Stated cost includes, tuition, fees, books,

VERIFICATION SELECTION, COMMENT CODE SELECTION OF INFORMATION

ABCSD has policies and procedures to verify certain applications that are selected by Central Processing System (CPS). In rare instances, ABCSD's financial aid office may elect to verify the application to resolve any questions he/she may have regarding what has been reported on the Free Application for Federal Student Aid (FASFA) or other documents provided in the student's file. Verification requirements (V1, V4, and V5) are applicable only to FSA recipients. ABCSD has chosen to verify 100% of its **selected** applicants. ABCSD will request students'/parents' tax transcripts of the applicant who is selected for verification by the U.S. Department of Education ("ED"). The selected applicant may be requested to provide other

FEDERAL STUDENT AID (FSA) (con't)

VERIFICATION SELECTION, COMMENT CODE SELECTION OF INFORMATION (con't)

pertinent document to complete the verification requirement within thirty days (1 month). CPS matches the application data to several databases, including the National Student Loan Data System (NSLDS) and other agencies to flag certain items. Items, which are questioned, must be resolved before disbursing funds to the student. When the CPS processes an application, it uses the applicant's social security number, name and date of birth to perform several edits with federal databases. Certain data match edit can result in comment code, or "C" code, that are indicated on the Institutional Student Information Record (ISIR) and must be researched and cleared prior to federal aid processing. If a "C" code is present on the ISIR, the financial aid office will request documentation from the student to determine eligibility. ABCSD's financial aid office is required to resolve any conflicting information for an applicant. Conflicting information is not exempt from verification requirements. ABCSD will not disburse FSA funds until the student has completed required verification and resolve conflicting data. No interim disbursement will be made. The student will be advised upon completion of the verification process.

DURATION OF AWARD

Financial Aid awards are made in two payment periods. These funds are posted to the student's account each payment when successfully completed. To continue eligible for receiving an award, a student must:

- Be in good standing with the school;
- Continue to demonstrate financial need;
- Maintain satisfactory academic progress;
- Complete all required financial aid applications each academic year.

Continued awards are contingent upon submitting a FAFSA timely and successfully completing the actual hours to receiving the subsequent payment period.

GRADE LEVEL DEFINITION

Grade Level 1 - A student's eligibility in the Barbering program is considered first level until the student has completed 900 clock hours and 26 weeks.

Grade Level 2- A student's eligibility in the Barbering program may progress to the second year funding, provided 900 clock hours and 26 weeks have been completed.

TUITION AND FEES REPAYMENT

Repayment – When a student received Title IV aid funds for living expenses and then withdraws, Financial Aid Assistant will determine if the amount owed by the student received in excess of calculated living expenses for the enrollment period.

TREATMENT OF TITLE IV FUNDS IF THE STUDENT WITHDRAWS FROM PROGRAM

Federal Regulations dictate specific formulas to determine the amount of Title IV Aid earned by a student withdrawing from the course of study. Simply stated, if the student withdraws before the sixty percent of the payment period in program, the student would have earned the same percentage of aid received. For example, if the student withdraws at fifty percent of the payment period, the student would have earned only 50 percent of the aid received or eligible to have received. To determine the percentage completed, the scheduled hours of class will be divided by the total hours in the payment period. Unearned aid will be returned to the programs in accordance to the guidelines described in the regulations. Withdrawing students will be responsible for institutional charges not covered by student aid. Delinquent school accounts will be assigned to a collection agency. Collection agency expenses will be added to the balance owed to the school.

FEDERAL STUDENT AID (FSA) (con't)

RETURN OF TITLE IV FUNDS

Special note to students receiving federal student aid Unsubsidized/Subsidized/PLUS/Pell Grants or other aid: If you withdraw from school prior to the completion of the equivalent to 60 percent of the clock hours in any given payment period up to the last day of attendance, a calculation using the percentage of clock hours completed will be applied to the funds received or that could have been received that will determine the amount of the aid the student earned. Unearned funds would be returned to the federal student aid program in the order stated below by the school and/or the student. Funds owed by the student to the Federal Grant programs are limited to 50% of the award per grant program received. Sample Calculation completion of 25% of the payment period earns only 25% of the federal student aid disbursed or that could have been disbursed for the payment period. If applicable, this would be the first calculation to determine the amount of aid that the student would be eligible for from the Title IV Financial Aid programs. A second calculation would take place to determine the amount earned by ABCSD during the payment period. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur: (1) the federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. (2) the student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

INSTITUTIONAL REFUND POLICY

You may withdraw from ABCSD at any time after the cancellation period (described above in Student's Right to Cancel Par. #1) and receive a pro-rata refund within 30 days of withdrawal if you have completed 60% or less of the payment period of attendance, which is based on scheduled clock hours up through the last day of attendance. Your refund will not include your registration fee (not to exceed \$100) or any opened/used books/tools/supplies. Any unopened/unused books/tools/supplies must be returned within 7 days of withdrawal for a full refund.

For the purposes of determining a refund under this section, a student's official cancellation or withdrawal shall occur on the earlier of the dates of any of the following circumstances:

- A student's application is denied by ABCSD, the applicant will be entitled to a full refund.
- The student notifies ABCSD of the student's intent to withdraw in writing.
- ABCSD terminates the student's enrollment for failure to maintain Satisfactory Progress; failure to abide the Conduct Policy or Student Rules of ABCSD, failure to abide the ABCSD's Attendance Policy and/or failure to meet financial obligations to ABCSD.
- The student has failed to attend class for 14 calendar days, as determined by palm scan not recorded in the student's clock hour attendance record.
- Failure to return from a Leave of Absence (LOA). The date of the student's withdrawal shall be the earlier of the scheduled date of return from the Leave of Absence or the date the student notifies ABCSD that the student will not be returning.

All refunds are calculated based on the student's last date of attendance and are based on scheduled hours in the payment period, not actual hours attended in the payment period.

If the student's tuition was paid from proceeds of a loan or third party, the refund shall be sent to the lender, third party or to the state or federal agency that guaranteed the loan. Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of benefits received, and any remaining amount shall be paid to the student.

INSTITUTIONAL REFUND POLICY (con't)

If the student defaults on a federal or state loan, both the following may occur:

a. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.

b. The student may not be eligible for any other federal student financial aid at another school or other government financial assistance at another school until the loan is repaid.

RETURN TO TITLE IV REFUND POLICY AND DISBTRIBUTION ORDER

ABCSD adheres to the refund policy as published in the school catalog. The refund distribution order is applied as follows:

1. Federal Direct Unsubsidized Stafford Loans
2. Federal Direct Loan Subsidized Stafford Loans
3. Federal Direct Loan PLUS Loan
4. Federal Pell Grant
5. Student

If all required Title IV funds are returned based on the Return to Title IV calculation and a credit balance exist, the credit balance must be refunded directly to the student. A student who graduate and a credit balance exist must provide written authorization to return funds to their Title IV loans. Without authorization excess proceeds will be sent directly to the student.

HYPOTHETICAL REFUND

This is a calculation mandated by the school itself. Registration and STRF fees are non-refundable.

HYPOTHETICAL REFUND EXAMPLE	
Assume you, upon enrollment in a 1500-hour course, paid \$5,000 for tuition & tools, \$100 for registration, \$0 for STRF fee, you did not return your books/tools of 1,482.15, and withdraw at 350 scheduled clock hours in the payment period... You were charged \$3,115.00 for the first period of enrollment:	
<u>Total Paid to School:</u>	= \$5,000.00
350 scheduled hours divided by 450 payment period = 0.777 = 100% Retained/Received	
<u>Tuition Earned by School:</u> 100% of \$3115.00	= \$ 3,115.00
<u>Tool Cost (issued tools/unreturned):</u>	= \$ 1,482.15
<u>Registration Fee:</u>	= \$ 100.00
<u>STRF Fee:</u>	= \$ 0
<u>Total Earned by School</u>	= <u>\$4,697.00</u>
Refund Due to Student:	= \$ 303.00

RIGHT TO WITHHOLD TRANSCRIPTS AND GRADES FOR NON-PAYMENT OF TUITION

A school may withhold a student's transcript or grades if the student is in default on student tuition contract. If the course of study consists of only one course, the school may withhold the grades or the transcript until the tuition obligation is paid in full.

STUDENT'S RIGHT TO CANCEL:

2. After the end of the cancellation period, you also have the right to stop at any time, and you have the right to receive a pro-rata refund if you have completed sixty (60) percent or less of scheduled clock hours in the payment period. Your refund rights are described in the contract and on Page 38 of this catalog. If you have lost your contract, ask the school for a description of the refund policy.
3. Cancellation occurs when the student gives written notice of cancellation to Associated Barber College of San Diego (ABCSD), 1333 5th Avenue San Diego, CA 92101 info@sandiegobarbercollege.com. You can do this by mail, in person, by fax or email.
4. The cancellation date will be determined by the postmark date, if mailed, or the delivery date if delivered or electronically sent.
5. This written notice need not take any particular form, it needs only to state you wish to cancel your enrollment agreement. If a student is rejected for training or if a course is cancelled, the student will receive a refund of all monies paid.
6. If the Enrollment Agreement is cancelled before the seven-day cancellation period, ABCSD will refund the student any money he/she paid, less registration fee of \$100 and less any cost for books/tools/supplies that the student has received (signed for).
