HISTORY OF UNIVERSAL COLLEGE OF BEAUTY, INC.

On, March 22, 1930, Mrs. Hazel D. Williams founded the HENRIETTA BEAUTYSCHOOL in Los Angeles, CA. Mrs. Williams had applied for admission to numerous Cosmetology schools in the Los Angeles area but was denied admission because of racial discrimination. She and her spouse, John C. Williams, Sr., decided to open their own school and named it HENRIETTA BEAUTYSCHOOL, after a friend, Henrietta Kent who had given them financial assistance. The HENRIETTA BEAUTYSCHOOL was the first school west of the Rocky Mountains to develop a course of study specifically designed to meet the hair care needs of African-Americans. Many of the minority Cosmetologists in Los Angeles graduated from the HENRIETTA BEAUTYSCHOOL.

In 1956, Mrs. Williams and her spouse, John C. Williams decided to retire. Prior to the closure of Henrietta's Beauty School, their son John, Jr. a graduate of Henrietta's and his spouse Joneal, also a graduate of Henrietta Beauty School, continued Mama Williams' legacy by opening up their own school at Vermont and Manchester. They renamed it **UNIVERSAL COLLEGE OF BEAUTY, INC. – Vermont**-it became the main campus for all of the other branches. The demand by the community for quality Cosmetology education prompted John and Joneal to open **UNIVERSAL COLLEGE OF BEAUTY, INC., -Leimert** at Vernon and Crenshaw in August, 1985. In 1988, Mrs. Hazel Williams passed. However, in the spirit of continuing the family tradition, John's son, Kenneth Williams, joined the family business as Director of the Vermont Campus.

Joneal Williams was a native of Charlotte, NC and it had been her dream to open a Cosmetology School in her home town to serve the educational needs of her community. Her dream was realized in October, 1988 with the opening of **UNIVERSAL COLLEGE OF BEAUTY**, in Charlotte, NC which was dedicated to the memory of Mrs. Hazel Williams.

The family Cosmetology schools continued to grow and thrive graduating many Cosmetologists. Unfortunately, on February 7, 1993, John's spouse, Joneal and their son "Chip" were tragically killed in an automobile accident in Charlotte. The family was devastated, but in the Williams family tradition of surviving adversity, and to keep Mrs. Hazel Williams and now Joneal's dreams alive, Kenneth's spouse, Belinda Williams joined the family business as the Director of the Leimert Campus. The schools continued to graduate successful Cosmetologists.

In, August, 1997, another family dream was realized with the opening of **UNIVERSAL COLLEGE OF BEAUTY, INC.- Compton, CA**. Subsequently, in November 1998, Loretta C. Williams, spouse of John C. Williams, joined the family business as Chief Administrative Officer and later became School Director of the Compton Campus. The Charlotte, NC campus was closed May, 2005.

Following 15 years of service to students and residents of Compton, the Compton campus closed permanently on June 30, 2012. This campus is not accredited by NACCAS.

On March 22, 2019 UNIVERSAL COLLEGE OF BEAUTY, INC., celebrated 89 years of service to the community. Following 50 years of service, our Vermont location closed August, 2015. This campus is not accredited by NACCAS. We plan to open a new campus in the city of Inglewood, CA in 2018.

Unfortunately, on April 9, 2019, John C. Williams, Present/CEO passed away. His son, Kenneth J. Williams is now the President/CEO of Universal College of Beauty,

“What you do speaks so loud, I can't hear what you say” Mrs. Hazel D. Williams

FACILITIES

The Leimert Campus is a two story building measuring 5600 square feet. All of our buildings are spacious, air-conditioned, modern facilities with many benefits for our staff and students. Our schools simulate salon conditions to help our students “learn by doing”, with modern equipment and a variety of supplies that help enhance the student’s product knowledge. A student lounge or break area is provided for student use with facilities for eating and taking breaks. Each student is assigned a locker in which to keep their uniforms, tools, products, and other personal items. Our student’s are taught to manage the reception desk by logging in patrons, answering the telephone and operating the cash register. They are then assigned on a daily basis to actually practice this task. They learn how to do inventory control and assist in operating the school’s supply system. Our objective is to help the student to become “salon ready”.

This campus maintains a library which includes videos, handout and other resource materials a student may need to enhance their knowledge. A check out system is utilized. Our school has a Computer Lab for all of our students to practice taking sample State Board exams.

ATTENDANCE STATUS/POLICY(Ed.Code#94909(a)(8)(D)

Attendance must be maintained at an average of 67% of the scheduled attendance if the student is expected to complete the course of study within the 1.5 times of the period of time stated in the enrollment agreement. An absence may be excused by calling-in the same day prior to the beginning of class or with appropriate documentation. Students are required to make-up the lessons, and exams missed due to absenteeism. Excessive tardiness and or absenteeism will be reviewed by the Director to determine possible corrective action. Absence of three (3) days or more without notification may be considered cause for suspension. Any student absent more than the twenty –one (21) consecutive days without notifying Instructor or Director may be withdrawn if the behavior continues it may result in suspension or dismissal. Full time students are required to be enrolled and attend a minimum of 30 hours per week. Part time enrollment requires that students attend a minimum of 19 hours per week.

STUDENT CLOCK HOUR POLICY

The California State Board of Barbering and Cosmetology will only recognize time clock punched hours of attendance. As a result of this requirement this school can only give credit to students who record their attendance by using the time clock to punch in and out at the start and end of their class day. Students are given up to seven (7) minutes to clock in and receive credit for the quarter (1/4) hour. This seven minute applies to starting the class day. Once theory classes have begun no one will be allowed to enter the theory class room. At the completion of the week, a new time card is prepared from the current weekly time card. The daily hours and operations earned are transferred to the cumulative column. At the end of the week the cumulative figures are then entered into the final column and on the next weeks' time card the final totals are transferred to the prior column of the next weeks' time card. The time card must be signed by the student and the Instructor and turned in on each Tuesday.

Time cards reflect the student's daily record of hours and operations. It is important the all of a student's hours and operations are recorded properly and accurately. The attendance personnel must be able to read the time cards so that the hours are correctly transferred to the roster.

The time cards are the property of Universal and must remain at the Universal at all times. After a student clocks in, they are required to maintain applied effort. Personal grooming, without instructor's permission, leaving the building and reading material not related to Cosmetology and Instructor Training is not tolerated, if this occurs the student will be asked to stop such activity or to punch out for the remainder of the day. Continued activities of this nature could result in a student's termination.

The following is a guideline for the Instructor to issue credits:

1. Each theory must be initialed in the proper category. If that category is complete, the Instructor may issue credit in a comparative category.
2. The portion of the time card reflecting hours are in Theory hours earned and any classes the Instructor has demonstrated.
3. The portion of the time reflecting operations are to be applied efforts of the students as they manually perform practical subjects.
4. Some practical operations may take longer to perform according to the student's pace and ability.

NOTE: The following time frame is given by the State board for each operation:

Shampoo/set = 1 ½ hours; Scalp treatment = ½ to 1 hours; Permanent wave = 2 to 2 ½ hours; Facial = 1 ½ to 2 hours; Manicure = ½ hour and Hair cut = ½ to 1 hour.

LEAVE OF ABSENCE POLICY: (Ed.Code#94909(a)(8)(E)

Occasionally, students may experience extended personal, medical or other problems that make it difficult to attend class. During the leave of absence, the student is not considered withdrawn and no refund calculation is required if:

- The institution has a formal policy regarding leaves of absences
- The student followed the institution’s policy in requesting the leaves of absences

Requirements for LOA’s:

- LOA must be submitted in advance in writing unless unforeseen circumstances prevent the student from doing so. For example, if a student were injured in a car accident and needed a few weeks to recover before returning to institution, the student would not have been able to request the LOA in advance
- An institution may grant an LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances if the institution documents the reason for its decision and collects the request from the student at a later date. In this example the beginning date of the approved LOA would be determined by the institution to be the first date the student was unable to attend the institution because of the accident.
- Include the reason for the student’s request and include the student’s signature and must approved by the School Director.
- There must be a reasonable expectation that the student will return from the LOA.

An LOA request form must include the start and end date of the leave of absence. Leaves of absence must not exceed 180 days in 12 months. It must extend students’ contract period by same number of days taken in LOA. All changes to enrollment agreement must be initialed by all parties or an addendum must be signed by all parties. Student’s should not request a Leave of Absence unless they absolutely need to be off school for a period of more than 20 days consecutively.

(For Financial aid recipients leaves are limited to a total of 180 days within a 12 month period, these 12 months initiate from the first day the student goes on the first leave).. Student’s on LOA’s will not be assessed any additional charges of tuition and will retain all credit for clock hours and work projects completed and will be returned to the academic progress status they held prior to the start of the leave of absence. Students who fail to return from a LOA will be considered dismissed as of the last class day of attendance.

The refund calculation will be based on the student’s last day of attendance All refunds due will be issued to the student or appropriate agencies and paid within 30 days of the last day of attendance.

Subsequent charges will be posted as needed.

CREDIT SLIP POLICY:

Due to limitations of Pell Grants and that this institution does not participate in the loan program, the school recognizes that students are unable to financially pay the balance of their tuition. The enrollment agreement specifies students can agree to the payment plan outlined in the enrollment OR voluntarily agree to utilize the value of the patron credit slips to pay the tuition balance. During orientation students receive written notification that the value of the slips will not be credited to their tuition account until the completion of their contracted hours.

Students may make payments by cash, check or money order. Federal student financial is available to those that qualify to cover educational expenses. Financial aid may be in the form of grants (no repayment required) and student loans (THIS INSTITUTION CHOOSES NOT TO PARTICIPATE IN THE STUDENT LOAN PROGRAM). It is the policy of this institution to request from the student whenever possible, to contribute toward their school charges by utilizing the institution's credit slip policy or making monthly or weekly installments in accordance to their means. All estimates of available funds from financial aid will be first used to cover institutional charges; if funds remain available, they will be disbursed directly to the student. BRUSH-UP

SATISFACTORY ACADEMIC PROGRESS (SAP)

STANDARDS: This policy is applied consistently to ALL students (Title, non -Title IV recipients and students under VA benefits) enrolled in a specific program and schedule. Information regarding the SAP guidelines is provided to students during Orientation and prior to signing an enrollment agreement.

Only students who maintain satisfactory progress are eligible to receive Title IV assistance. The student must:

1. Maintain a cumulative academic average of “C” (70%) or better at the end of each evaluation period, per the grading scale below:

Grade	Letter Equivalent	Level
90-100%	A.....	Excellent
80-89%	B.....	Above average
70-79%	C.....	Average
60-69%	D.....	Unsatisfactory (Below average)
59% and below	F.....	Fail

2. Maintain a cumulative average attendance level of at least (2/3) (67%) of the scheduled hours indicated on their enrollment contract at the end of each evaluation period. This ensures that there will be completion of the student's program within 150% of the scheduled course length which is the maximum time frame in which a student must complete the course. For example, a student scheduled to complete 30 hours per week would have to maintain an average weekly attendance of at least 20 hours per week (2/3 x 30 = 20). Regardless of the average level of attendance, students who have more than three consecutive weeks of absences, (21 days) will be dismissed.
3. This standard shall apply to all students except those on an approved Leave-of -Absence (LOA), see “LOA policy”, on page 13. An LOA will extend the contract period and maximum time frame by same number of days taken in the LOA.
4. Students meeting the minimum requirements for attendance and academic progress at any evaluation point will be considered to be making Satisfactory Academic Progress until the next evaluation period.

EXTRA CREDIT: Student's may receive extra credit for attending and participating Beauty/Trade Shows and community activities, **BUT**, must be under the supervision of an instructor for all hours awarded.

MAXIMUM TIME FRAME:

The maximum time frame, which does not exceed 150% of the course length, allowed for students is as follows:

100 % Completion:

<u>Course</u>	<u>Hours</u>	<u>Weeks</u>	<u>Hours</u>
Cosmetology	1600	55	1600
Instructor Training	600	20	600

150% Hours Completion:

<u>Course</u>	<u>Hours</u>	<u>Weeks</u>	<u>Hours</u>
Cosmetology	1600	80	2400
Instructor Training	600	30	900

EXTRA INSTRUCTION CHARGES

Each course/program has been scheduled for completion within an allotted time frame. A grace period of 14 days has been added to the calculated completion date for each program. It is not realistic to expect to receive an education for free. The institution has reserved space, equipment, and licensed instructors for each student and program. If a student does not graduate within the contract period, additional training will be billed at the rate of \$10.00 per hour for Cosmetology students and \$6:50per hour for Instructor Training students, or any part thereof, payable in advance, until graduation. Students will not be allowed to clock in until applicable weekly payments are made. Students are expected to complete their training within the time frame allowed as specified in the enrollment agreement. Students will receive progress reports and will be expected to maintain a 70% GPA and 67% attendance. This policy applies to students who surpass the maximum time frame.

NOTE: Length of time in course depends on number of hour's student contracts for on a monthly basis as specified in the enrollment agreement

ACADEMIC PROGRESS EVALUATIONS:

The qualitative element used to determine academic progress is a system of numerical grades as determined by academic learning. Academic learning is evaluated after each subject is completed. Practical skills are evaluated according to practical skills criteria as adopted by the institution and may be used toward course completion if satisfactory or better. If unsatisfactory, the skill will not be used and will be repeated. The first evaluation must occur no later than the mid-point of the course/program, whichever is sooner. (NOTE: All evaluations must be completed within seven (7) business days following the established evaluation points).

EVALUATION PERIODS:

Evaluation periods are similar in length whether in clock hours, weeks, or months.

Satisfactory Academic Progress will be assessed at the following benchmarks of actual attended hours:

Cosmetology:	450, 900, 1250 and 1600 hours
Instructor Training:	300 and 600 hours

DETERMINATION OF PROGRESS STATUS:

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making Satisfactory Academic Progress until next scheduled evaluation. Students in Satisfactory Academic Progress will be eligible to receive Title IV funds. Students will receive a hard- copy of their Satisfactory Progress Determination at the time of each of the evaluation periods.

WARNING PERIOD:

Students not considered meeting minimum standards for Satisfactory Academic Progress will be placed on warning status but are still deemed to be in Satisfactory Academic Progress and will continue to receive Title IV assistance for that one payment period. Financial aid status is assigned without an appeal or other action by that student. If at the end of the warning period, the student meets both the attendance and academic requirements, they will re-establish Satisfactory Academic Progress and eligibility for Title IV assistance will continue.

PROBATION:

Probationary status for students who are not meeting minimum standards for satisfactory academic progress may be allowed if:

- a. The institution evaluates the student's progress and determined that the student did not make satisfactory academic progress during the *warning* or previous evaluation period; and
- b. The student prevails upon appeal of a negative progress determination prior to being placed on probation; and
- c. The institution determines that satisfactory academic progress standards can be met by the end of the subsequent evaluation period; or
- d. The institution develops an academic plan for student that, if followed, will ensure that the student is able to meet the institution's satisfactory academic progress requirements by a specific point within the maximum timeframe established for the individual student. Students who are on probation may continue to receive Title IV funds during that payment period if the institution approves the appeal by:
 If the student meets the minimum attendance and academic requirements by the end of the probationary period, satisfactory progress will be re-established and Title IV funds will be disbursed for the next payment period. If the student has not met the minimum attendance and academic requirements by the end of the probationary period and if the institution has determined that the student did not meet the requirements specified in the academic plan for the student, the student will not be in Satisfactory Academic Progress, will not be eligible to receive Title IV funds and will be subject to termination.

APPEAL PROCEDURE:

If a student is determined to not be making Satisfactory Academic Progress when placed on probation, the student may appeal the determination. The student must submit a written appeal to the school on the SAP appeal form with supporting documentation as to reasons why the determination should be reversed. This information should include what has changed about the student's situation, i.e. death in family, and injury or illness or any other circumstance that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed by School Director and an Instructor and a decision will be made and reported to the student within 15 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the Satisfactory Academic Progress determination will be reversed and Title IV aid will be reinstated.

INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS:

If enrollment is temporarily interrupted for a Leave of Absence (LOA), the student will return to school in the same progress status as prior to the Leave of Absence. Hours elapsed during a Leave of Absence will extend the student's contract period by the same number of days taken in the Leave of Absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same Satisfactory Academic Progress status as at the time of withdrawal.

NONCREDIT AND REMEDIAL COURSES:

Noncredit and remedial courses do not apply to this institution. Therefore, these items have no effect upon the school's Satisfactory Academic Progress standards.

TRANSFER HOURS:

Appropriate credit will be granted for prior training or experience in Cosmetology and Instructor Training upon review by college officials of its validity under the Cosmetology Act and regulations of California Board of Barbering and Cosmetology. This institution will accept transfer hours as follows: 1/4th (one-fourth) or 400 of Cosmetology student's transfer hours and 1/4th (one-fourth)

150 of Instructor Training hours. Students with more than these transfer hours will be required to furnish a written recommendation from their previous school and 2 personal recommendations. Transfer hours from another institution that are accepted toward the student's educational program are counted as both attempted and completed hours for the purpose of determining when the allowable maximum time-frame has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution.

BPPE Student Withdrawal, cancellation and refund policies: (Ed.Code#94919-94922)

Withdrawal Policy:

Student shall be advised that a notice of cancellation shall be in writing, and that a withdrawal may be effectuated by the student's written notice or by the student's conduct, including but not necessarily limited to, a student's lack of attendance.

1. Student (and in the case of a student under legal age, his/her parent or guardian) has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session (first day of class), or the seventh day after enrollment (seven days from the date when enrollment agreement was signed) whichever is later.
2. If a student is absent for three consecutive weeks and is not on an approved leave of absence, the student will be deemed a withdrawal even though he/she did not indicate that they were withdrawing.
3. Student failed to return on schedule from approved leave of absence.

Refund policy: This institution utilizes the Bureau for Private Postsecondary Education refund policy (Ed. Code 71750)

Applies to all terminations for any reason. A pro rata refund shall be no less than the total amount owed by the student for the portion of the educational program provided subtracted from the amount paid by the student, calculated as follows: (1) The amount owed equals the daily charge for the program (total institutional charge, divided by the number of days or hours in the program), multiplied by the number of days student attended, or was scheduled to attend, prior to withdrawal (2) Except as provided for in subsection (a) (3) of this section, all amounts in excess of what is owed as calculated in subdivision (a)(1) shall be refunded. (3) All amounts that the student has paid shall be subject to refund unless the enrollment agreement and the refund policy outlined in the catalog specify amounts paid for an application fee or deposit not more than \$250.00, books, supplies or equipment, and specify whether and under what circumstances those amounts are non-refundable. Except when an institution provides a 100% refund, any assessment paid is non-refundable. (4) Refund calculations are based on actual hours or scheduled hours. The institution shall pay or credit refunds within 45 days of a student's cancellation or withdrawal.

A registration fee of no more than \$175.00 is a non-refundable item. Equipment, books, supplies, tools, uniforms, kits and any other items issued and received by the student would not be returnable. Once received by the student, these items will belong to the student and will represent a liability to the student.

Cancellation policy:

If a student cancels the agreement, the school will refund any money that the student paid, less any deduction for registration fee and equipment received. If a student withdraws from school after the cancellation period, the refund policy described above will apply. If the amount the student has paid is more than the amount that the student owes for the time the student attended, then a refund will be made within 45 days of the official withdrawal date which is the student's last day of attendance. If the amount that the student owes is more than the amount the student has already paid, then the student will have to arrange with this institution to pay that balance. Official withdrawal date is student's last day of attendance.

Academic credits earned but not paid for will not be released by the institution.

Withdrawal Calculation:

Once the student has been determined by the institution to have withdrawn from the course of study, the institution will determine if the student received or was entitled to receive Federal Funds from the Title IV Funds from the Title IV Financial aid program available at the institution during the payment period (or enrollment period). If the answer is YES, the institution will conduct two distinctive and different calculations.

Return of Title IV Funds:

Special note to students receiving Unsubsidized/PLUS/Perkins loans, ACG/National SMART/Pell/SEOG grants or other aid, if you withdraw from school prior to the completion of the equivalent 60 % of the workload in any given payment period, a calculation using the percentage completed will be applied to the funds received or that could have been received that will determine the amount of aid the student earned. Unearned funds would be returned to the program in the order stated below by the school and /or the student. Student liability to loan funds will continue to be paid in accordance to the original promissory note terms. Funds owed by the student to the Grant programs are limited to 50% of the gross award per program received. Sample Calculation, completion of 25% of the payment period or enrollment period earns only 25% of the aid disbursed or that could have been disbursed. If applicable, this would be the first calculation to determine that amount of aid that the student would be eligible for from the Title IV Financial Aid programs. A second calculation would take place to determine the amount earned by institution during the period of enrollment. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including garnishing any income tax refund to which the person is entitled to, to reduce the balance owed on the loan. (2) The student may not be eligible to any other federal student financial aid at another institution or other government assistance until the loan is repaid. Amount owed, if any, by the student to the school or if there is an amount due from the institution as a refund to the Title IV aid program. Those refunds will be paid to the program funds in accordance to the order listed above, limited to the amount of funds that came from each aid program. Any monies due a student who withdraws from the institution shall be refunded within forty-five (45) days of a determination that a student has withdrawn, whether officially or unofficially.

Refunds

If any refunds are due based on the Return of Title IV calculation or based on the institutional refund policy calculation, any refunds will be made as soon as possible but not later than 45 days from determination of withdrawal date in the order stated in section CFR 34 section 668.22. The order of payment of refunds is:

1. Unsubsidized Loans from FFLEP or Direct Loan
2. Subsidized Loans from FELP or Direct Loan
3. Perkins Loans
4. PLUS (Graduate Students) FFLEP or Direct Loan
5. PLUS (Parent) FFLEP or Direct Loan
6. Pell Grant
7. Academic Competitiveness Grant (ACG)
8. National SMART Grant
9. Federal SEOG
10. Other

This order would apply in accordance to the aid programs available at the institution.

Post Withdrawal Disbursement:

If the calculation shows that the received less aid than what the student earned within the payment period or enrollment period, than the student would be notified of the amount of Grant

funds to be used to cover institutional charges incurred by the student, or the available amount from Grant funds for direct disbursement of the student for other educational expenses. If loan funds are involved in this calculation, the institution will notify the student or parent of the loan amount it wishes to utilize to cover educational charges, the financial aid program where the funds are coming from and the student will be reminded of the responsibilities involved in receiving loan funds.

Policy for Financial Balances:

- A. **If student has a FINANCIAL BALANCE**, the school will notify the student within 10 to 21 days of the students’ withdrawal or termination date. Once the balance is received by the school the student will be given a Proof of Training and the Record of Withdrawal.
- B. **If the student DOES NOT HAVE A FINANCIAL BALANCE**, the school will give the student a Proof of Training and Record of Withdrawal within 10 to 21 days of the students’ withdrawal or termination.

Hypothetical Refund Example according to the State Pro-rata policy

Assume that a student upon enrollment in a 1600 clock hour course, pays \$6,800.00 for tuition, \$75.00 for registration and \$400.00 documented cost to school, for equipment as specified in the enrollment agreement and withdraws after completing 600 hours without returning the equipment due to sanitary reasons. The pro rata refund to the student would be \$4250.00 based on the calculation below. If the student returns the equipment (if it was returnable) in good condition within 30 days following his/her withdrawal, the school would refund the charge for the equipment returned.

Less cost of un-returnable equipment	525.00	Hourly charge	4.25	Tuition owed 600 x \$4.25	\$2,550.00
Equals amount paid for Instruction	\$6800.00			Refund due	\$4250.00

Financial aid is awarded to students who have “need”. The social security number is used to verify students' identities to process the awarding of funds, the collection of funds and the tracing of individuals who have borrowed funds from federal, state or private programs.

The U.S. Department of Education Title IV Student Financial Aid Program:

This institution is approved for and does participate in the following USDE Title IV programs, intended to defray the costs of attending for those students eligible for financial aid considerations:

APPLICATION PROCEDURES

Financial Aid applications for this institution consists of the following:

Free Application for Federal Student Aid (FAFSA). Forms and assistance in completing them are available at this institution during school hours. This form needs to be completed as instructed on the form. Documentation to substantiate the date entered on the form may be required by the Financial Aid Office. In addition to the FAFSA, the institution requires a series of forms that apply to the individual student aid program and to the student's individual family circumstances.

Federal PELL Grant Program

Funds received under this program ARE NOT subject to repayment from the student.

DEADLINE: FAFSA applications must be received by June 30 of the award year, for which the application is intended for. SAR or ISIR must be submitted to the financial aid office by September 29 of the award year from which aid is requested, or the student's last day of

enrollment in 2019-20 whichever comes first. A valid ISIR required signatures of student, spouse and/or parents, when the ISIR has been corrected

RENEWAL PROCESS: A FPELL Grant award received for one award year, (July 1 to June 30 of the following year) **is not** automatically renewed for the next award year. Student's must re-apply for the FPELL Grant and submit a copy of the **new** SAR or ISIR to the Financial Aid Office.

MAXIMUM ANNUAL AWARD: \$6,095.

DISBURSEMENT/ISSUANCE Made on the basis of per payment period via a check payable to the student and direct credit to the student's tuition account.

Federal Supplemental Educational Opportunity Grant (FSEOG)

Funds received under this program ARE NOT subject to repayment from the student

DEADLINE: Made on the basis of per payment period via a check to the student or via the student's tuition account. Priority for FSEOG funds will be given to those students with the lowest expected family contribution who will receive FPELL Grants. Because of this institution's policy of year round enrollment, funds will be allocated on a first-come, first serve basis for those individuals meeting this criteria. Professional judgment may be used for certain exceptions based on extenuating circumstances with appropriate documentation. Please refer to FSEOG the following selection criteria:

The institutional participation in the FSEOG is limited to the amount of funds given to the institution for an entire award year (July 1 to June30). Since the funds are limited it is practically impossible to award FESOG to all student's who apply for aid. Therefore, the institutional policy to select FSEOG recipients is as follows:

1. Students are selected from a group of students starting in school on the same starting date.
This institution has a continuing enrollment process in which student's may start school each TUESDAY of each month, subject to change depending on the school's schedule. In order to ensure a fair distribution of funds throughout the entire aware year, the institution will make SEOG awards using data from the year preceding the current year.
2. As of July 1, 2000, the first selection of SEOG recipients will be made from student's with "exceptional need", which are defined as student's that have an Expected Family Contributed (EPC) of zero and that would otherwise be eligible for the FPELL Grant Program during the same year.
3. If enrollment figures change, and/of additional funds become available to the institution, a second selection will be made from those student's eligible for the FPELL Grant Program with lowest Expected Family Contribution that enrolled during the last quarter of the award year.

All of the selections will be made from student's whose file has been completed with no issued pending regarding the student's eligibility for Federal Aid. Incomplete files will not be considered in the selection criteria due to possible lack of documentation. Awards will be made as long as funds are available throughout the award year.

Determining Need:

The information student reports on the FAFSA (Free Application for Federal Student Aid) when applying for aid, is used in a formula established by U.S. Congress which calculates the students' Expected Family Contribution (EFC). This institution utilizes the FAFSA for students applying for aid. This form will be processed by a contractor of the U.S. Department of Education at no cost to the student. The results will be provided in the form of an Electronic Student Aid Report (SAR) with the calculation of the EFC.

Cost of Attendance:

This institution uses the annual budgets published by the **CALIFORNIA STUDENT AID COMMISSION**. They estimate the amount it will cost a student to go to school during an academic year of approximately 9 months as stated below:

Elements included in the budget	Tuition	Actual cost
Registration Fee	Actual cost	
Books & Supplies	Actual cost	
Living cost allowance (monthly figures)	Student living	
With parents	off campus	
Room and Board	\$4,347	\$10,063
Transportation	1,071	1,206
Personal/misc.	3,114	2,853

(The cost of uniforms is included in the personal allowance)

Award Concept, Selection of Recipients & Packing Criteria:

The institution does not receive enough Campus-Based funds to satisfy all of the student financial needs. Therefore, the school emphasizes the **SELF-HELP CONCEPT** of student financial assistance. The SELF-HELP CONCEPT is on a first-come, first served basis when awarding eligible applicants. The SELF-HELP CONCEPT lists types of financial assistance in the following order:

1. Family contribution
2. Other resources
3. Federal Pell Grant

The institution awards from the Federal Supplemental Education Opportunity Grants in accordance with the following policy: The institution participation in the FSEOG is limited to the amount of funds given to the institution for an entire award year (July 1 to June30).

Due to limited amount of funds available to the institute, it is literally impossible to award FESOG to all students applying for aid. Therefore, the institutional policy to select FSEOG recipients is as follows:

This institution has a continuing enrollment process in which students may start each Tuesday of each week (subject to change depending on schedule of the institution.) In order to ensure a fair distribution of funds through the entire award year, the institution will make SEOG awards using data from the year presiding the current year by using student enrollment, EFC and Pell Grant date to determine how to distribute the SEOG funds available.

Based on last year's date, the institution expects an enrollment of 70 new students meeting the "exceptional need" criteria to be enrolled during the 7/1/18 to 6/30/19 period. Therefore, the awards to those students will be \$200.00 through the entire period. As of July 2, 2019, the first selection of SEOG recipients will be made from students with "exceptional need". Students with "exceptional need" are defined by this institution as student that have an expected family contribution (EFC) of zero (00000) that will otherwise be eligible for the FPELL Grant Program during the same award year. If enrollment figures change, and/or additional funds become available to the institution, a second selection will be made from those students ineligible for FPELL Grant Program with lowest EFC that enrolled during the last quarter of the award year (March-June).

Both selections will be made from students, whose file has been completed, with no issues pending regarding the student's eligibility for Federal Aid. Incomplete files will not be considered in the selection criteria due to possible lack of documentation. Awards will be made long as funds are available throughout the award year.

DEFINITIONS: The following definitions correspond to some common terms used within the financial aid terminology.

ACADEMIC YEAR: A period of not less than 26/30 weeks of instructional time with a minimum of 900 clock hours of instruction for a full time student. The midpoint of the academic year shall be a minimum of 13/15 weeks and at least 450 clock hours. In effect all students enrolled in courses with an academic year scheduled to be completed in less than 26/30 weeks, regardless of the number of clock hours would have aid eligibility reduced in proportion to the number of weeks and hours in the course of study in relation to the academic year.

CLOCK HOUR: A period of 50 to 60 minutes of supervised instruction during a 60 minute period

COST OF ATTENDANCE: Institutional charges for tuition, fee, books and supplies in addition to an estimated cost to the student for living allowances as room, board, transportation and personal combined compose the cost of attendance for an academic year or less as the cost of attendance or educational budget.

CREDIT BALANCE: A credit balance occurs when tuition payments using Title IV funds have been received by the institution in excess of the amount of charges assessed to the student. Credit balances are paid within 14 business days from the day the credit balance was generated. Students must be responsible for budgeting their own funds and for securing that the funds are used for education related expenses. FSA regulations refer to the amount of aid that exceeds the allowable charges as a credit balance.

DEPENDENT STUDENT: She/he is an individual that does not meet the independent student criteria. This student is required to submit with his/her, student and parent's income an application, student and parent's income and assets information. Parent information relates to the parent that provides the majority of the student support when parents are separated or divorced.

DEPENDENT: He/she is an individual other than the spouse that has been supported and will continue to be supported (50% or more of the individual personal expenses) by the student and/or spouse. If that individual is and will continue to be supported by the student's parent(s), that individual would be a dependent of the parent (s) **NOT** a dependent of the student.

EXPECTED FAMILY CONTRIBUTION (EFC) is the application of the U.S. Congressional formula to the student's family income and assets entered in the FAFSA and used as the calculated amount that a family is expected to contribute to offset the student cost of attendance.

FINANCIAL AID ELIGIBILITY CITIZEN/NON CITIZEN: The student must be one of the following to receive Federal Student Aid:

- U.S. Citizen
- U.S. National
- U.S. permanent resident who has an I-151 or I-551 (Alien Registration Receipt Card- Green Card)
- Departure Record (I-94) from the U.S. Immigration and Naturalization Service (INS) showing one of the following designations:

WITHDRAWALS: Students are officially withdrawn on date of notification, date terminated by the institution, date of three consecutive weeks of absences or date when the student failed to return from an approved leave of absence.

RECOVERIES

Recoveries resulting from unearned Title IV funds are due from the student and must be paid in accordance to the terms stated in the promissory note of the student loans. If funds from the grants programs still due from the student, those funds are payable at the rate of 50%. Grant funds due from the student must be repaid within 45 days from the student's withdrawal date. Students may make repayment arrangements with the U.S. Department of Education within the 45 days and present proof of such arrangements to the institution. If no repayment is received nor arrangements are presented, the institution will refer the debt to the U.S. Department of Education. The student will no longer be eligible for aid until informed by the U.S. Department of Education.

REFUNDS

If any refunds are due based on the Return of Title IV calculation or the institutional refund policy calculation, any refunds will be made as soon as possible but not later than 45 days from the determination of withdrawal date in the order stated in section CFR34 section 668.2 2. The order of refunds is: (1) Unsubsidized Loans from FFELP or Direct Loan, 2) Subsidized Loans from FFELP or Direct Loan, 3) Perkins Loans, 4) PLUS (Graduate Students) FFELP or Direct Loans, 5) PLUS (Parent) FFELP or Direct Loan, 6) Pell Grant, 7) Academic Competitiveness Grant (ACG), 8) National SMART Grant, 9) Federal SEOG. This order would apply in accordance to the aid programs available at the institution.

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of loan plus interest, less the amount of any refund, and if the student has received student federal aid funds, the student is entitled to a refund of the moneys not paid from federal student financial aid program funds.

TRANSFER STUDENT (FINANCIAL AID TRANSCRIPT REQUIRED):

A student, who attended a Post-secondary institution before enrollment at this institution, is required to provide a Financial Aid history from each of the institutions attended within the last six months before the enrollment at this institution. If a financial aid history is required, no aid may be advanced from the loan proceeds. Aid from other programs may be advanced to cover the first payment period. No additional will be available to the student until all Financial Aid history are received by this institution.

STUDENT TRANSFER REQUESTS:

When a student requests a transfer to another school, the institution will prepare all of the academic and financial documentation requested by the student FOR A CHARGE NOT TO EXCEED \$15.00.

VERIFICATION PROCESS:

Federal regulations 34 C.F.R., Part 668, Subpart E, and dated March 14, 1986 executing legislation 20 U.S.C. 1094 governing Title IV programs require schools to verify applicant reported data. These regulations require schools to develop written policies for verification. The school is required to make these policies available to all applicants for financial aid, as well as prospective students upon request. This procedure is part of the Admissions and Counseling process.

To follow the regulations and achieve consistency governing this process, the following verification policies apply to all applicants for Title IV programs. Under the regulations, the school will not disburse FPELL or Campus-Based aid nor certify Stafford/PLUS loan applications, until completion of the verification process.

WHO MUST BE VERIFIED: The policy of this school is to verify those students by CPS (USDE contractor processing the FAFSA and calculating the EFC) as shown in the ISIR or SAR comment section indicated with an (*) next to the EFC. The institution's Financial Aid Office (FAO) may opt to select an applicant for verification even though it is not selected by CPS.

VERIFICATIONS EXCLUSIONS: Applicants excluded from verification include:

- Death of the student
- Not an aid recipient
- Applicant verified by another institution. Student's FAFSA data must be the same as it was at the previous institution, and the prior institution must provide a letter to this institution stating that it verified student's application and providing the same transaction number of the pertinent valid ISIR.
- Post enrollment. If student was selected for verification after ceasing to be enrolled at this institution and all (including late) disbursements were made.

REQUIRED VERIFICATION ITEMS: Different data items apply to different applicants depending upon student dependency status and the Title IV programs used. Data items include:

For all applicants:

- Household size
- Number in college
- Supplemental Nutrition Assistance Program (SNAP, formerly food stamps)
- Child support paid

For non-tax filers:

- Income earned from work

For tax filers:

- Adjusted gross income (AGI)
- US income tax paid
- Education credits
- Untaxed IRA distributions
- Untaxed pensions
- IRA deductions
- Tax exempt interest

DOCUMENTATION REQUIRED:

AGI, taxes paid, and other tax data

The Department encourages students and parents to use the IRS Data Retrieval process to import data from their tax return **and not change it.** It is the fastest, easiest, and most secure method of meeting verification requirements.

For the retrieved data to be acceptable documentation of tax data, it is necessary that **neither students nor parents change the data after it is transferred from the IRS** – if the data is changed, the student/parent will need to provide other documentation as explained below.

If students cannot or will not use IRS Data Retrieval, either at initial FAFSA filing or through the FOTW correction process, they must document AGI, taxes paid and untaxed income by providing an IRS tax return transcript.

There are a few ways to request a tax transcript: online at www.irs.gov, by calling 1-800-908-9946 or by mailing or faxing the paper form 4506T-EZ which can be printed out from the IRS website.

Students or parents who file an amended return cannot use the IRS Retrieval process. Instead they must request a tax return transcript, but because that document only contains the information on the original return they must **also** request a tax account transcript, which contains only the data that was altered. Both documents together can then be used to complete verification. If the tax filer chooses to order them on paper, they must use IRS form 4506T rather than Form 4506T-EZ.

Also students and parents are required to complete and sign the verification worksheets developed by the Department which serve as signed statements and as verification of household size, number in college, receipt of SNAP benefits, child support paid, and income earned from work for non-tax filers. There are two distinctive verification forms. One is for independent students where student and spouse(if applicable) data is required. The second form is for dependent students where student and parental data is required.

Household size:

To document the household size (see instructions on FAFSA questions 72 and 93), the student needs to provide a statement signed by them and, if dependent, at least one parent that gives the name, age, and relationship to the student of each person in the household. **If the student completed the Department's verification worksheet, no further documentation for this item is required.**

Number in college:

Student can document this item (see instructions on FAFSA questions 73 and 94) with a statement signed by the student (and if they are dependent, at least one parent) that gives the name and age of each person in the household who is enrolled at least half time in an eligible college (excluding the parents of dependent students). The statement must also give the name of each college, and it can be written to document household size as well. **Completion of the Department's sample verification worksheet will satisfy the requirements for both items.**

SNAP benefits (food stamps)

IF the ISIR indicated that someone in the parents' or student's household received SNAP benefits in 2017 or 2018, the student must provide signed statement indicating receipt of the benefit. **A completed verification worksheet from the Department does this.** The institutional FAO at their option, may require the student to show documentation to satisfy this requirement.

Child support paid:

If the ISIR indicated that the student or parent paid child support, the student will need to provide a statement signed by the student, or, if they are dependent, either parent and giving the annual amount of the support, the names of those who paid it and whom it was paid to and the name(s) of the child(ren) it was paid for. **A completed verification worksheet accomplishes this.**

TIME PERIOD FOR PROVIDING DOCUMENTATION:

Applicants must provide the required documentation to the School's financial aid office within 90 days from the ISIR processing date but no later than 7/21/2019.

APPLICANT RESPONSIBILITIES: To be able to receive Title IV funds we require applicants to provide requested information during the time period(s) specified in these policies.

Applicants must certify that the following data items are correct as listed on the original application; if not correct, must update the data items, as of the date of verification:

- Number of family members in the household
- Number of family members in the household now enrolled as at least half-time students on postsecondary institutions
- Change in dependency status

Federal aid applicants of any Federal Student Aid program, whose dependency status changes during the Award Year must file a correction application. This process does not apply if the change occurs due to marriage. However, if the institutional FAO determines that an update due to marriage is required to better represent the student's ability to pay for college, the data must be updated changing all applicable elements on the FAFSA.

CONSEQUENCES OF FAILURE TO PROVIDE DOCUMENTATION WITHIN THE SPECIFIED TIME PERIOD(S): If the student cannot provide all required documentation within 90 days from the ISIR processed date or by July 31, 2019, whichever is the earlier, the school cannot complete the verification process. The school would advise the applicants via regular mail or by email that the student is no longer eligible for the preliminary financial aid awards offered to the student. The school then gives the applicants the following options:

- The student may continue training on a cash payment basis
- The student may withdraw, or
- The student may make other financial arrangements to cover the school cost.

INTERIM DISBURSEMENTS: The school may not make any interim disbursements. The Student must complete verification before disbursement of any Title IV funds.

TOLERANCES: Any discrepancy greater than \$25,000 MUST be resolved.

NOTIFICATION OF RESULTS OF VERIFICATION: The school shall notify the applicant of the results of the verification process within 30 days of the student's submission. The notification will take place using a new, if changed, award letter stating the awards by aid program amounts and expected disbursement dates. On this document the student and the parent has an opportunity to cancel all or part of the award from any loan program.

REFERRAL PROCEDURE: The school shall forward the U.S. Secretary of Education, a referral of discovered fraud cases.

EXTERNSHIP POLICY: Students enrolled in this institution may, upon completion of a minimum of 60% of the clock hours required for graduation in the course, work as an unpaid extern in a cosmetology establishment participating in the educational program of the institution.
