**STUDENT'S RIGHT TO CANCEL**

**NOTICE OF CANCELLATION**

You have the right to **cancel this enrollment agreement for and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later for educational service, any equipment or other goods and services.** Business day means a day on which you were scheduled to attend a class. Cancellation occurs when you give written notice of cancellation at School address shown on the front page of this Catalog or as noted on the Enrollment Agreement. You can do this by mail, in person, by FAX or telegram. The notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed with postage prepaid. This notice need not take any particular form; it needs only to state you wish to cancel the agreement. You will be given two notices of cancellation forms on the first day of class. If you cancel your enrollment, the School will refund any money that you paid within 30 days after your notice is received.

If School has given you any equipment, you shall return it to School within 30 days following the date of your notice of cancellation or withdrawal. If you fail to return this equipment in good condition within the 30-day period, School may retain that portion of payment paid by you up to a lesser amount of the documented cost or the pro rata portion (to 60% of course completion, after 60%, the documented cost), and deduct the amount from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation.

You have the right to withdraw from School at any time. If you withdraw from the course of instruction after the cancellation period as in Par 1, School will remit a refund less a registration fee, not to exceed the lesser amount of 5% of the total costs or \$75.00 within 30 days following your withdrawal. You are obligated to pay only for educational services rendered and unreturned equipment. The refund shall be the amount you paid for instruction multiplied by fraction. The numerator of which is the number of hours of instruction, which you have not received, but for which you have paid, the denominator of which is the total number of hours of instruction for which you have paid. If you obtain books, uniform(s) and/or equipment, as specifically noted in this catalog and/or on your Enrollment Agreement, and return it in good condition within 30 days following the date of your withdrawal, the school shall refund the amount paid by you for equipment. If you fail to return equipment in good condition, within 30 days, School may retain lesser amount of a pro rata portion as described below (up to 60% of course completion) or the documented cost of the listed equipment. (For 2<sup>nd</sup> term or re-enrolled students, "the documented cost"). You are liable for the amount, if any, by which (the pro rata or documented cost) for equipment exceeds the refund amount. If the amount you have paid is more than the amount that you owe, then a refund will be made within 30 days of withdrawal. If the amount that you owe is more than the amount that you paid, then you will have to make arrangements to pay the balance.

**NOTE:** YOU WILL RECEIVE 2 COPIES OF THE NOTICE OF CANCELLATION ON THE DAY YOU START CLASSES

**HYPOTHETICAL REFUND EXAMPLE:**

Assume you, upon enrollment in a 400 hour course, pay \$2,000 for tuition, \$100 for registration, and \$150 (fair market value) for equipment and withdraw after completing 100 hours (25%) without returning the equipment you obtained.

\$2100 (\$2,000 Tuition + \$100 Registration Fee) Amount Paid - \$75.00 Registration Fee Retained by the School, X (.75) or 300 Hours of Instruction Paid for & Not Received (Divided by) – 400 Hours of Instruction for which you have paid = \$1,518.75 Actual Refund Amount.

If you return the equipment in good condition within 30 days following withdrawal, School shall refund the charge for the equipment as described above. The actual refund amount would then be (\$1518.75+\$150) = \$1668.75.

For programs over 12 months, if you withdraw prior to the next 12 month period, all charges collected for the next period will be refunded.

For the purpose of determining the amount you owe, you shall be deemed to have withdrawn from the course when any of the following occurs:

- (a) You notify School of your withdrawal or the actual date of withdrawal;
- (b) School terminates your enrollment;
- © You fail to attend classes for a three-week period (21 school days);

(7471) You fail to return from a leave of absence.

In this case, the date of withdrawal shall be deemed to be the last date of recorded attendance.

If any portion of your tuition was paid from loan proceeds, the refund will be sent to the lender or agency that guaranteed the loan. Any remaining refund amount will first be used to repay any student financial aid obligations programs from which you received benefits, to the extent of benefits received. Any remaining amount will be paid to you.

\*Registration fee is non-refundable after the seventh day of attendance.

\*\*Student tuition recovery fund is non-refundable after the seventh day of attendance.

**Tuition Assistance: At the present time, Computer Institute of Technology does not offer financial aid programs**

## **DEFINITIONS**

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year. Published : December 1, 2016 Page 7 of 9 LOGO INSTITUTION
