Coba Academy defines its academic year as 900 clock hours and 26 weeks.

Transfer Students- Midpoint of the contracted hours or the established evaluation periods, whichever comes first.

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have had at least one evaluation by midpoint in the program.

Attendance Progress Evaluations

Students are required to attend a minimum of 75% of the hours possible based on the applicable attendance schedule to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 75% cumulative attendance since the beginning of the program which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

Maximum Timeframe

The maximum timeframe is defined as the period, no longer than 133 percent of the published length of the program as measured by cumulative number of clock hours in which the student is required to complete and expressed in calendar time.

Maximum timeframes are as follows:

Cosmetology (Day 40)	1600 hours X 133% = 2218	maximum hours
	10 months X 133% = 13	maximum months
Cosmetology (Day 32)	1600 hours X 133% = 2218	maximum hours
	13 months X 133% = 18	maximum months
Cosmetology (Day 30)	1600 hours X 133% = 2218	maximum hours
	14 months X 133% = 19	maximum months
Cosmetology (Night 25)	1600 hours X 133% = 2218	maximum hours
	16 months X 133% = 21	maximum months
Esthetics (Day 30)	600 hours X 133% = 798	maximum hours
	5 months X 133% = 7	maximum months
Esthetics (Night 25)	600 hours X 133% = 798	maximum hours
	6 months X 133% = 8	maximum months
Barbering (Day 40)	1500 hours X 133% = 1995	maximum hours
	10 months X 133% = 13	maximum months
Barbering (Night 25)	1500 hours X 133% = 1995	maximum hours
	15 months X 133% = 20	maximum months

The maximum time allowed for transfer students who need less than the full program requirements or part-time students will be determined based on 75% of the scheduled contracted hours.

Any approved transfer hours from another institution that are accepted toward the student's educational program are counted as both attempted and completed hours for determining when the allowable maximum timeframe has been exhausted. Transfer hours are not included in the attendance percentage when evaluating SAP for a transfer student.

Students who have not completed the program within the maximum timeframe will be dropped from the program.

Academic Progress Evaluations

All SAP evaluations are based on scheduled hours of attendance. SAP evaluation periods are based on actual contracted hours attended at the Academy. The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward program completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted, and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the program of study. Practical skills are evaluated according to text procedures and set forth in practical skills

evaluation criteria adopted by the school. Students must maintain a written grade average of 75% and pass a FINAL written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

Written Exams			Practical Grades Practical operations will be graded on the following scale:		
90-100%	A	(Excellent)	8/8 Points	Pass	100%
80-89 %	B	(Above Average)	7/8 Points	Pass	88%
75-79 %	C	(Average)	6/8 Points	Pass	75%
74-69 %	D	(Below Average)	5/8 Point	Fail	63%
0-59 %	F	(Fail)	4/8 Points	Fail	50%

Determination of Progress Status

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

Warning

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

Probation – An Appeal must be submitted to the Financial Aid Director and the Appeal must be granted

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

Appeal Procedure

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed, and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the

student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

Re-Establishment of Satisfactory Academic Progress

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

Interruptions, Course Incompletes, Withdrawals

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

Noncredit, Remedial Courses, Repetitions

Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

Transfer Hours

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted. Satisfactory Academic Progress evaluation periods are based on actual contracted hours at Coba Academy.

Re-Entering Students

Students who are re-entering school after prior leave of absence or cessation of enrollment will re-enter the school in the same progress status as when they left.

ATTENDANCE POLICY

The school issues a daily timecard to each student. This timecard is used to keep an account of class hours and practical operations. An instructor & student must initial the timecard to verify that the hours and credit are valid at the end of each day. Timecards are kept at Coba Academy. On time Graduation Date includes a grace period of 64 Clock hours for Cosmetology and 60 Clock Hours for Barbering Students and 25 Clock hours for Esthetic Students to complete the program. The grace period for transfer students is determined on a case by case basis and at the sole and absolute discretion of the Director of Education. Additional training time beyond this date will cost the student the standard hourly rate as described in the Tuition and Fees section contained herein. All students are required to maintain a minimum 75% attendance rate to graduate from the program of study. Coba Academy does not recognize excused or unexcused absences.

Review of Attendance

Student is given access to the Coba Academy student portal to track attendance. Attendance is also reviewed during your SAP evaluation by a school administrator. Any student not in attendance for 14 calendar days without notification will be considered voluntarily withdrawn.

Tardy

Unless there are extenuating circumstances acceptable to the instructor, any student late for class by seven minutes or more will not be permitted to attend school until theory class has been completed.

MAKEUP HOUR POLICY

Students are eligible to make-up hours only in their last payment period and only if the Student's absences exceed the Grace Period that is in their Enrollment Agreement. If eligible, the Student must meet with a School Official to receive approval to make-up hours, agree to a plan and a make-up schedule to get them back on track to preserve their Scheduled Graduation Date. The School Official will determine the Student's eligibility in its sole and absolute discretion. For example, approval may be withheld if the student has excessive absences and the Scheduled Graduation Date cannot be preserved within a reasonable schedule for make-up hours.

Should a student's request be approved the student must maintain the schedule and plan developed with the school official. Failure to maintain attendance as specified by the schedule and plan will result in the termination of the Student's approval to make-up hours and the Student will only be allowed to complete training hours within the Student's schedule.

A student must follow all school policies while making up hours, such as dressing in a professional manner or taking the appropriate schedule lunch breaks. Student must adhere to their contract schedule and the approved makeup hours scheduled in order to receive full credit. Failure to committing to the makeup hour schedule will result in makeup hour privileges to be revoked. In addition, if make-up hours are approved, they will be based on a "complete day" scheduled for the makeup day(s) approved. For example, if Student is approved to make-up hours on a Saturday, the Student must attend a full shift from 8:30AM to 5PM. Tardiness is unacceptable while makeup up hours.

Failure to meet these requirements could terminate this agreement and result in the student not receiving credit for hours attended. Approval for make-up hours does not relieve or modify the student's participation in class. Completion of all tests and practical evaluations that are a part of the curriculum are to be submitted and/or performed during your original contract schedule. **MAKING-UP HOURS DOES NOT RELIEVE THE STUDENT FROM CHARGES THAT HAVE ACCRUED FOR ABSENSES AFTER GRACE PERIOD HAS BEEN EXHAUSTED. COBA ACADEMY RESERVES THE RIGHT TO DETERMINE A STUDENT'S ELIGIBILITY TO MAKEUP HOURS IN ITS SOLE AND ABSOLUTE DISCRETION.**

LEAVE OF ABSENCE ("LOA") POLICY

Students may request a Leave of Absence (LOA) for unexpected absences, not limited to, serious illness, death in the family or other emergency circumstance. Requests for a LOA must be submitted at least one week prior to date(s) being requested unless unforeseen circumstances prevent the student from doing so.

- A LOA may only be granted for either a **Cosmetology** or **Barbering** Student 90 days after the start date unless mitigating circumstances exist.
- A LOA may only be granted for an **Esthetics** Student 45 days after the start date unless mitigating circumstances exist.

The combined length of all LOA's within the 12-month period may not under any circumstances exceed 180 days. No additional institutional charges are assessed during an approved LOA and the expected Completion Date must be extended for the same number of approved days in the LOA. This will constitute an addendum to your existing enrollment agreement. Coba Academy reserves the right to determine a student's eligibility for LOA in its sole and absolute discretion.

Students must submit a written request outlining the reason for the LOA, duration of LOA including the requested return date and any applicable documentation to support the request. LOA requests for medical purposes require medical documentation, including, but not limited to, the physician's release and authorization to return to Coba Academy. All requests for LOA must be signed and dated by the student and submitted to School Officials for evaluation. Written requests are reviewed on an individual basis and all determinations are with consideration given to the following criteria made at Coba Academy's sole and absolute discretion.

- (1) Student eligibility for Leave of Absence
- (2) Complete and Compliant written request
- (3) Reason for LOA request
- (4) Any other applicable factors or considerations and
- (5) Reasonable expectations that the student will return upon completion of the LOA.

Prior to approving a LOA, any student who has received a Federal Student Loan must receive counseling regarding any impact that the LOA may have on loans.

Failure to Return From LOA

A student who fails to return to class as scheduled following a LOA will be terminated from the program. As required by federal statute and regulation the student's last date of attendance prior to the LOA will be used to determine the amount of tuition and Title IV Funds the college earned. A student who has received Federal Student Loans must be made aware that failure to return from an approved LOA, depending on the length of the LOA, may have an adverse impact on the student's loan repayment schedule.

Students will only be eligible for Federal Pell Grant while on LOAs. Students will not be eligible for any of their student loans while on a LOA.

Federal Loan programs provide students with a grace period which delays the student obligation to begin repaying their loan debt for up to 6 months (180 days) from the last day of attendance. If a student takes a lengthy LOA and fails to return to school after its conclusion, some or all the grace period may be exhausted forcing the borrower to begin making payments immediately.

CHANGE OF STATUS

Students unable to attend their scheduled hours (full or part time), must request a change of status in writing from the Management prior to attending more or less hours.

OTHER SCHOOL POLICIES

Other school policies and information will be given to the prospective student during the Enrollment Interview. These policies and information include but are not limited to:

ACCOUNTING OF STUDENT HOURS AND OPERATIONS

Students must clock in and out at the required times and record all hours of classroom attendance. The Instructor must present the timecard to the student for verification of accuracy and signature from both the Instructor and student, before leaving for the day. The student's initials are verifying and/or acknowledging the accuracy of their timecards. The timecards are not to be removed from the premises at any time.

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important to keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in the teach-out plan approved by the Bureau or did not complete the chosen teach-out plan approved by the Bureau. closed before the program of instruction was completed.
2. You were enrolled at an institution or a location of the institution within the 120-day period before the closure of the institution, or location of the institution, or were enrolled in an educational program within the 120-day period before the program was discontinued.

You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.

5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.

William D. Ford Federal Direct Loan (Federal Direct Loan) Programs

There are applications available at the school. The school's Financial Aid Director (FAD) or Financial Aid Officer (FAO) can determine your eligibility. Repayment is based on the amount of loan and could be as low as \$55.00 per month. Repayment begins 6 months after the student stops attending school. Details on all Financial Aid programs are available at the Academy to all prospective financial aid students are expected to arrange a personal planning meeting with the FAA. Direct Loan funds are those lent directly to students by the U.S. Department of Education and must be repaid with interest. These low interest loans are used to help cover the costs of higher education. Coba Academy will review the results of the Free Application Federal Student Aid (FAFSA) to determine the maximum amount that may be borrowed. These are **two types** of Direct Loans that may be available:

FEDERAL DIRECT SUBSIDIZED LOAN: are loans for which the federal government pays the interest while the student is in school, during deferment, and during the grace period. These loans are for students who demonstrate financial need based on the federal formula and the cost of education including indirect cost established by Coba Academy. Direct Subsidized Loans (Max Amount \$3,500)

FEDERAL DIRECT UNSUBSIDIZED LOAN: is available to all eligible students regardless of income. Unlike the subsidized loan program, interest that accrues on this loan is the responsibility of the borrower during your loan term. How to Apply for Financial Aid

As a rule, an in-person interview with a financial aid representative is mandatory. Coba Academy uses the *Free Application for Federal Student Aid* (FAFSA) form as the foundation for all federal aid programs. Procedures for applying for federal assistance are as follows:

- (1) Obtain a Checklist of items to bring to a scheduled in-person appointment with the Financial Aid Administrator.
- (2) Complete the FAFSA on the studentaid.gov website. Always have the supporting documentation as you are completing the FAFSA application.
- (3) The FAFSA output document named the ISIR will come directly to the school. The Academy may request additional documentation and will issue a Financial Aid Estimate of financial assistance.
- (4) An Offer Letter will be presented upon final evaluation of the FA documents and confirmed enrollment. You will also receive a College Financial Plan for your records.
- (5) The Federal Pell Grant is normally processed after 7 days of enrollment.

(6) Federal Direct Loans are processed 30 days after enrollment for first-time Direct Loan borrowers.

How Awards Are Determined

The U.S. Department of Education processes your FAFSA application that determines an Expected Family Contribution (EFC). The EFC determines the Federal Pell Grant eligibility and Subsidized Loan eligibility. In addition, the student's need determines the Direct Unsubsidized Loan.

Responsibility

If a student obtains a loan to pay for the program, that student will have the responsibility to pay the full amount of the loan plus interest, less the amount of any refund.

REFUNDS

Student's Right to Cancel

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first-class session (first day of classes), or the seventh calendar day after enrollment (seven calendar days from the date when enrollment agreement was signed), whichever is later.

The registration fee is a non-refundable item. Equipment, books, supplies, tools, uniforms, kits, and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student and will represent a liability to the student.

The notice of cancellation shall be in writing and submitted directly to a School Official. A withdrawal may be initiated by the student's written notice or by the institution due to student's academics or conduct, including, but not necessarily limited to student's lack of attendance.

Refund Policy

After the cancellation period, the institution provides a pro rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. Once more than 60 percent of the enrollment period in the entire program has elapsed (including absences), there will be no refund to the student. If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds.

registration fee is a non-refundable item. Equipment, books, supplies, tools, uniforms, kits, and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student and will represent a liability to the student.

If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and equipment received. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. See Refunds section below. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance. Official withdrawal date is on the student's notification or school's determination.

Determination of Withdrawal from School

The withdrawal date shall be the last date of recorded attendance. The student would be determined to have withdrawn from school on the earliest of:

- The date you notify a school official of your intent to withdraw. Only the Operations Manager/ Director of Education would be authorized to accept a notification of your intent to withdraw.
- The date the school terminates your enrollment due to academic failure or for violation of its rules and policies stated in the catalog.
- The date you fail to attend classes for a two-week period and fail to inform the school that you are not withdrawing.
- The date you failed to return as scheduled from an approved leave of absence. The withdrawal date shall be the last date of recorded attendance. The date of the determination of withdrawal will be the scheduled date of return from LOA.

Return of Title IV

Special note to students receiving Unsubsidized/Subsidized/PLUS/Perkins loans, ACG/National SMART/Pell/SEOG grants or other aid, if you withdraw from school prior to the completion of the equivalent to 60 percent of the workload in any given payment period, a calculation using the percentage completed will be applied to the funds received or that could have been received that will determine the amount of aid the student earned. Unearned funds would be returned to the program in the order stated below by the school and/or the student. Student liability to loan funds will continue to be paid in accordance with the original promissory note terms. Funds owed by the student to the Grant programs are limited to 50% of the gross award per program received. Sample Calculation, completion of 25% of the payment period or enrollment period earns only 25% of the aid disbursed or that could have been disbursed. If applicable, this would be the first calculation to determine the amount of aid that the student would be eligible for from the Title IV Financial Aid programs. A second calculation would take place to determine the amount earned by the institution during the period of enrollment. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including garnishing any income tax refund to which the person is entitled, to reduce the balance owed on the loan. (2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

Program Cancellation

If a program is cancelled subsequent to a student's enrollment the school shall at its option: 1) Provide a full refund of all money paid: or 2) Provide for completion of the program at schools in the neighborhood.

School Closure

If the school closes subsequent to a student's enrollment the school shall at its option: 1) Provide a full refund of all money paid; or 2) Provide for completion of the program at schools in the neighborhood.

Definitions

Discrimination is defined as treating individuals differently in the provision of employment opportunities, benefits or privileges; to create discriminatory work conditions; or to use discriminatory evaluative standards in employment if the basis of that discriminatory treatment is, in whole or in part, the person's race, color, national origin, age, religion, disability status, gender, sexual orientation, gender identity, or marital status.

Discrimination of this kind may also be strictly prohibited by a variety of federal, state, and local laws, including Title VII of the Civil Rights Act of 1964, the Age Discrimination Act of 1967 and the Americans with Disabilities Act of 1990. This policy is intended to comply with the prohibitions stated in these anti-discrimination laws.

Discrimination in violation of this policy will be subject to disciplinary measures up to and including termination.

Harassment is defined as any verbal or physical conduct designed to threaten, intimidate, or coerce an employee, co-worker, student, or any person within Coba Academy. The following examples of harassment are intended to be guidelines and are not exclusive when determining whether there has been a violation of this policy:

- Nonverbal harassment includes distribution or display of any written or graphic material that ridicules, denigrates, or shows hostility towards an individual or group because of national origin, race, color, religion, age, gender, sexual orientation, disability or appearance, sexual identity, marital status or other protected status.

Sexual Harassment is defined by the Equal Employment Opportunity Commission ("EEOC") as "unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature...when...submission to or rejection of such conduct is used as the basis for employment decisions...or such conduct has the purpose of...creating an intimidating, hostile or offensive working environment."

Sexual harassment may take many forms. The following examples of sexual harassment are intended to be guidelines and are not exclusive when determining whether there has been a violation of this policy:

- Verbal sexual harassment includes innuendos, suggestive comments, jokes of a sexual nature, sexual propositions, lewd remarks and threats, or requests for any type of sexual favor.
- Nonverbal sexual harassment includes the distribution or display of any written or graphic material, including calendars, posters and cartoons that are sexually suggestive or show hostility toward an individual or group because of sex; suggestive or insulting sounds, staring, whistling, obscene gestures, content in letters, notes, facsimiles, e-mails, photos, text messages, Internet postings, or other forms of communication that are sexual in nature and offensive.
- Physical sexual harassment includes unwelcome, unwanted physical contact, including touching, tickling, pinching, patting, brushing up against, hugging, cornering, kissing, fondling, and forced sexual intercourse or assault.

If you believe that you have experienced or witnessed harassment or discrimination, **you must** notify your instructor, supervisor, Coba Academy Owner, or the Title IX Coordinator as soon as possible after the incident. Supervisors will refer all complaints to the Title IX Coordinator for student-related complaints and to Coba Academy Owner if the complaint involves an employee. The complaint/grievance once received will be maintained in the student's and/or employee's permanent file, which has limited staff access, this includes verbal complaints.

All complaints involving a student will be referred to the campus's Title IX Coordinator. The Title IX Coordinator is listed below and has the responsibility of overseeing all Title IX complaints and identifying and addressing any patterns or systemic problems that arise during the review of such complaints.

If Coba Academy determines that unlawful harassment or sexual violence has occurred, immediate appropriate corrective action will be taken in accordance with the circumstances involved, and Coba Academy will take steps to prevent the recurrence of any harassment or discrimination. Any employee determined by Coba Academy to be responsible for unlawful harassment or discrimination will be subject to appropriate disciplinary action, up to and including termination.
