INTRODUCTION AND GENERAL INFORMATION

MESSAGE FROM THE PRESIDENT

Since 1959, we have been equipping students to make a difference. Our distinctly Christian commitment to the pursuit of truth, the development of the whole person, and the worthiness of Christian service provides both the foundation and the future focus of Randall University.

We continuously strive to be a Great Commission university where we are witnesses of Jesus Christ in Jerusalem, Judea, Samaria, and the uttermost parts of the world. This is why everything that we do is in connection with our mission statement:

“Randall University is a Christian institution of higher education committed to the intellectual, spiritual, social, moral, and physical development of its students. It seeks to prepare students to serve the Lord Jesus Christ both in the church and in society at large.”

We believe that there is a place on our campus for those who are seeking higher education in a Christian context. Perhaps Randall University is the place for you.

Thank you for considering Randall University. The choice of a college is among the most important choices you will make. Give us an opportunity to tell you what Randall can do for you.

I invite you to come and share our mission. Come and live our mission.

In Christ,

Robert G. Thompson
President, Randall University

Philosophy, Mission, And Purpose Statements

PHILOSOPHY OF EDUCATION

Believing that all truth is God's truth and that a college exists for teachers and students to pursue God's truth with freedom and responsibility, the intent of Randall University is to facilitate this pursuit. The person of Jesus Christ embodies the Randall University philosophy of education. He said, "I am the way (ontology – What is real), the truth (epistemology – What is true), and the life (axiology – What is good)." Randall University exists so that all faculty and students may know Him and make Him known.

MISSION STATEMENT

Randall University is currently located in Moore, Oklahoma. It is a faith-based institution that supports the following mission: "Randall University is a Christian institution of higher education committed to the intellectual, spiritual, social, moral, and physical development of its students. It seeks to prepare students to serve the Lord Jesus Christ, both in the church and in society at large."

PURPOSE STATEMENTS

INTELLECTUAL

- I-1 To serve members of the Free Will Baptist denomination and others who desire an education in the Free Will Baptist tradition by providing courses of study leading to an Associates, Baccalaureate and Masters degree.
- I-2 To provide an appropriate general education core for all degree-seeking students.
- I-3 To provide a climate of learning where the student may develop the lifelong habit of critical thinking in the search for truth.
- I-4 To offer students opportunities to improve communication through computing, oral, and writing competencies.

SPIRITUAL

- S-1 To assist students in understanding their relationship to God and strengthening their personal commitment to Jesus Christ.
- S-2 To help students cultivate habits of prayer, Bible study, and personal obedience to the teachings of Scripture.
- S-3 To foster in each student a commitment to service in a local church.
- S-4 To encourage student participation and support for world evangelization.

SOCIAL

- SO-1 To equip students to function as responsible citizens.
- SO-2 To encourage students to understand and appreciate other peoples and cultures.
- SO-3 To provide students opportunities for developing and using leadership skills.

MORAL

- M-1 To encourage students to adopt a Biblical approach to all relationships.
- M-2 To challenge students to take personal responsibility for their decisions by developing a lifestyle characterized by integrity.

PHYSICAL

- P-1 To help students achieve physical fitness and health.
- P-2 To maintain a campus environment free of tobacco, alcohol, and illegal drugs.
- P-3 To provide students opportunities for athletic competition and assist students to develop habits of good sportsmanship.

The Mission and Purpose Statements of Randall University are the foundational guide for the institution. The intent of the policies, procedures, and practices of the University are to fulfill the Mission and Purpose Statements.

Students are required to become familiar with the Mission and Purpose Statements prior to admission to Randall University.

ACCREDITATIONS

Transnational Association of Christian Colleges and Schools (TRACS): Randall University is a member of the Transnational Association of Christian Colleges and Schools (TRACS) [15935 Forest Road, Forest, VA 24551; Telephone: 434.525.9539; e-mail: info@tracs.org] having been awarded Reaffirmation II of its Accredited status as a Category III institution by the TRACS Accreditation Commission on April 29, 2014. This status is effective for a period of ten years. TRACS (www.tracs.org) is recognized by the United States Department of Education (<http://ope.ed.gov/accreditation/Search.aspx>), the Council for Higher Education Accreditation (<http://www.chea.org/search/default.asp>) and the International Network for Quality Assurance Agencies in Higher Education (INQAAHE). Students may contact TRACS with a complaint, but only after exhausting the due process of the institution.

Transfer of credit is the prerogative of the receiving institution, and students who intend to transfer should consult that institution and work through their Randall University academic advisor to insure a smooth transition.

California Bureau for Private Postsecondary Education (BPPE): Randall University is approved to operate an accredited institution within the State of California. Programs at the certificate, associate, bachelor, and master degree levels are approved as presented in the Randall University catalog. The BPPE website link is: <http://bppe.ca.gov>.

Office of Educational Quality and Accountability (OEQA): On July 19, 2017, the Office of Educational Quality and Accountability (formerly Oklahoma Commission of Teacher Preparation) voted to approve a five-year certification of the

Teacher Education Program at Randall University. The OEQA website link is: <http://www.ok.gov/ecqa/>.

The Office of Educational Quality and Accountability (OEQA), 840 Research Parkway, Suite 455, Oklahoma City, Oklahoma 73104, is recognized as the approval body of teacher education programs in Oklahoma colleges and universities.

Veterans Administration: The University is approved by the State Approving Agency to offer training to eligible veterans and other persons under provision of Section 1775 (a) (1), USC 38. Approval has been given for training of students under the 1976: Survivors' and Dependents' Educational Assistance (DEA).

AFFILIATIONS

Association Christian Schools International (ACSI): ACSI exists to strengthen Christian schools and equip Christian educators worldwide as they prepare students academically and inspire them to become devoted followers of Jesus Christ. Randall became an ACSI member organization in 2021 due to shared compatibility of values and like-minded institutional missions. Currently, Randall is a candidate Higher Education Accredited Program (HEAP) institution and anticipates an on-site accreditation visit during the 22-23 academic year.

Council for Higher Education Accreditation (CHEA): CHEA is a national advocate and institutional voice for academic quality through accreditation, CHEA is a U.S. association of degree-granting colleges and universities and recognizes institutional and programmatic accrediting organizations. CHEA is the only national organization focused exclusively on higher education accreditation and quality assurance. Randall became a member organization in 2022. RU administrative personnel participate in CHEA training to ensure the development and implementation of best academic practices.

National Association of Independent Colleges and Universities (NAICU): NAICU is the only national organization *solely focused* on representing private, nonprofit higher education on public policy issues in Washington, D.C. As one of the six major presidential higher education associations, NAICU's institutional membership is comprised of presidents from accredited private, nonprofit colleges and universities.

National Christian College Athletic Association (NCCAA): The National Christian College Athletic Association, a 501(c)3 not-for-profit association, was incorporated to provide a Christian-based organization that functions uniquely as a national and international agency for the promotion of outreach and ministry, and for the maintenance, enhancement, and promotion of intercollegiate athletic competition with a Christian perspective (<http://www.thenccaa.org/>).

Oklahoma Independent Colleges and Universities (OICU): The OICU is the only statewide organization that serves exclusively the interest of independent higher education within the state of Oklahoma. The Presidents of the

accredited institutions in Oklahoma organized the Oklahoma Association of Independent Colleges and Universities in 1981 (<http://www.oicu.org/>). The institutional presidents continue to lead and direct OICU to advance educational quality and student success within Oklahoma private higher education institutions.

HISTORY OF THE UNIVERSITY

Free Will Baptists envisioned an institution of Christian higher education in Oklahoma, even before statehood. The records of the Indian Territory Association of Free Will Baptists (1905) read: "We believe in encouraging a higher system of education among the Free Will Baptists." The merger of the northern movement of Free Will Baptists (known also as the Randall Movement, Free Baptists, or Anti-slavery Baptists) with Northern Baptists in 1911, left a scattered remnant of churches which did not participate in the merger, and those churches lost access to the historic Free Will Baptist schools, such as, Bates College in Maine and Hillsdale College in Michigan. However, the educational void was filled when the Co-operative General Association of Free Will Baptists in the west opened Tecumseh College in Tecumseh, Oklahoma in 1917. The first president was John H. Wolfe, a graduate of Hillsdale College in Michigan. The school was destroyed by fire in 1927 and was never completely rebuilt due to the depression, dust bowl days, World War II, and the Korean Conflict.

During the decades after the fire at Tecumseh College, the churches of Oklahoma continued to keep the higher education dream alive. Numerous resolutions over the decades encouraged support of and participation in the Bible Institute sponsored by the Oklahoma State Association of Free Will Baptists. A series of Bible institutes were taught in the various geographic areas by a rotation through the district associations, but Oklahoma Free Will Baptists had a vision for an institution of higher learning

These Bible institutes eventually developed into Oklahoma Bible College (OBC). The official launch of OBC began in the basement of the First Free Will Baptist Church in Tulsa in January, 1959. In a quest to find a permanent home for the infant college, it was moved to Wagoner in the fall of 1959, then to the Northwest Free Will Baptist Church in Oklahoma City in the fall of 1961, and finally to the Capitol Hill Free Will Baptist Church of Oklahoma City in the fall of 1962.

On September 13, 1966, the college began operations on the present campus located three miles south of Moore, Oklahoma. An early president of the college, Dr. Don W. Payne (1961-1966), noted that the college began with "no library, no equipment, no facilities, no income, yet had one priceless asset: a company of committed Christians with an urgent sense of mission, persons of purpose and zeal, confident that God is all-sufficient."

Having secured a permanent home for the college, the founding church articulated a vision of higher education which embraced the study of the liberal arts. In 1971, as a symbolic gesture, the governing board renamed the institution Hillsdale Free Will Baptist College in honor of

Hillsdale College in Hillsdale, Michigan, which began as a Free Will Baptist institution in 1844. (Hillsdale College in Michigan is no longer affiliated with Free Will Baptists.) Hillsdale continued to educate men and women to support the ministry and mission opportunities of Free Will Baptists worldwide, but the enrollment of students in non-ministry degree programs proliferated.

Randall Graduate School was founded in 2002. Currently the graduate school offers the Master of Arts in Ministry (MA) and the Masters in Public Administration (MPA). The Oklahoma Commission for Teacher Preparation (a division of the OK Dept. of Education) approved Hillsdale as the 23rd Teacher Education College in the State of Oklahoma on Thursday, June 13, 2013. The School of Education is authorized to offer degrees in Elementary and Secondary Education leading to a state certified teaching credential.

In order to eliminate admissions conflicts, internet confusion, and legal concerns between Hillsdale College (Michigan) and Hillsdale Free Will Baptist College (Oklahoma), the Board of Trustees proposed a new name to the Oklahoma State Association of Free Will Baptists in October of 2015 and by unanimous vote the body approved the name Randall University, effective July 1, 2016.

Randall University is intent on propagating the legacy of American Revolutionary War veteran and pioneer preacher Benjamin Randall (February 7, 1749 – October 22, 1808). In his life, Rev. Randall was submitted to the authority of the Bible, committed to building the Church (planting over 50 in 28 years on horseback), and convinced that the gospel of Christ includes the ‘whosoever’ from John 3:16 (all peoples from every tribe, nation, and language). Randall University is focused on equipping students to take the Gospel of Christ everywhere that they go (Matthew 28:18-20) and live the Great Commandment (Mark 12:28-31) through whatever they do.

The University is currently organized into 3 undergraduate schools (Arts & Sciences, Christian Ministry, and Education), plus the Randall School of Professional and Graduate Studies (includes online programs). This structure gives students the opportunity to earn 12 baccalaureate degrees in more than 24 concentrations, plus two masters degrees: the Master of Arts in Ministry and the Masters in Public Administration. The Oklahoma Department of Education accredits Randall University for elementary and secondary education degrees leading to teacher certification.

ACCREDITATION HISTORY

State accreditation was gained in 1970 for the two-year program. The four-year B.A. in Theology was added in the fall of 1972 with the first graduating class in May, 1974. This program also received state accreditation allowing graduates the opportunity for admission into a graduate program. Students can now transfer the two-year A.A. degree to a senior college majoring in any field they desire, or they can continue at Randall working for the baccalaureate degree. Candidacy status with the Transnational Association of Christian Colleges and Schools was gained in September of 1995, and for the first time Randall (at the time Hillsdale) was recognized by a national accrediting agency. Accreditation with TRACS followed on January 1, 1999. In 2002, Randall received approval from TRACS to offer the masters degree. In 2014, Randall received a full 10 year reaffirmation of its accreditation from the Transnational Association of Christian Colleges and Schools.

LOCATION AND DESCRIPTION

Randall University is located on a 39.5-acre campus adjacent to Interstate 35, in the city of Moore, Oklahoma. The University has a multimillion-dollar plant which includes the John H. West Administration Building composed of classrooms and administrative offices; 4 student dormitories housing approximately 120 students and living quarters for the dormitory supervisor: Willey Hall, Barnard Hall, Friends Hall, and Yandell Hall; 16 single bedroom apartments: Randall Hall and Palmer Hall, 8 units each; Oller Annex, a science lab/classroom; activities building consisting of a student center, offices, fitness training center, and a gymnasium; the Geri Ann Hull Learning Resource Center/Classroom Building, a 2-story library, classrooms, and faculty offices; a faculty duplex; and a five-bedroom house that houses missionaries in residence. The Bill J. and Alma Lou Barber Conference Center is on the east side of the quad (Administration, Library/Classroom, Activity, and Conference Center Building). The Barber Conference Center contains an 850-seat auditorium, a recital hall, a cafeteria, classrooms, and offices. Outdoor amenities include a nine-hole disc golf course, hammocking area, and sand volleyball court, in addition to our baseball and soccer fields.

GOVERNANCE

Randall University is owned and operated by the Oklahoma State Association of Free Will Baptists. The Oklahoma State Association exercises its operational control through the University’s Board of Trustees. Members of the Board are elected by the Free Will Baptist state associations in Oklahoma, Missouri, Arkansas, and Texas. The Board of Trustees is responsible for the overall governance and control of the institution. It establishes the policies and procedures that govern the operations of the university, selects the president, and approves the annual budget.

DEMOGRAPHICS

Randall University annually serves approximately 300 students, which includes non-traditional, traditional, and

online students. The University is a private, not-for profit institution that serves suburban, urban, and rural populations with the following backgrounds: 67% European-American, 16% African American, 9% American Indian or Alaskan Native, 7% Hispanic, and 1% Unknown.

The faculty includes over fifty full-time and part-time members in the areas of ministry, letters, business, psychology, music, English, mathematics, social studies, science, foreign languages, and communication. Bachelor's degrees are offered for ministry, business, letters, psychology, teacher education, exercise science, and multidisciplinary studies. Master's degrees are offered for ministry and public administration.

BIOGRAPHY OF BENJAMIN RANDALL

Benjamin Randall

Benjamin Randall (February 7, 1749 – October 22, 1808) was converted during the Great Awakening as a result of the preaching ministry of George Whitfield. Rev. Randall served in the New Hampshire militia during the American Revolutionary War. The first Benjamin Randall biographer, quoted Rev. Randall's journal in recounting his conversion experience:

"I saw in Him (Jesus) a universal love, a universal atonement, a universal call to mankind, and was confident that none would ever perish, but those who refused to obey it (Buzzell, John. *The Life of Elder Benjamin Randel, principally taken from documents written by himself.* Limerick, ME: Hobbs, Woodman, and Co. 1827)."

Rev. Randall's theological departure from the Calvinistic norm of his era occurred at the point of his conversion. Today Free Will Baptists are known for believing John 3:16 to be literally true, that God's love sent Jesus to die for the sins of humanity so that everyone no matter what tribe, nation, or language has the opportunity to respond to saving grace through faith in Jesus Christ.

Rev. Randall went on to found a church in New Durham, New Hampshire that we now recognize as the first Free Will Baptist Church in New England. Rev. Randall was instrumental in planting more than 50 churches throughout the region in his 28 years as a circuit riding preacher. The churches were organized into quarterly and yearly meetings that became a force in the revivals of the nineteenth century, missions, and education.

Benjamin Randall is recognized as the leader of the Free Will Baptists, an indigenous American religious movement which ordained persons of color and women in the early days of the nineteenth century. The Free Will Baptists (also known as Free, General, Open Communion, and Antislavery Baptists) were aggressive church planters on the American frontier and embraced missions among immigrant and freedmen populations, as well as, spreading the gospel internationally. Randallite Free Will Baptists were known for their opposition

to slavery forming anti-slave societies, prohibiting slave owners from holding membership in the church, and publicly promoting abolition through the "Morningstar" (the official newspaper of the movement).

In addition, Free Will Baptists founded non-discriminatory institutions of higher education admitting men and women of different ethnic backgrounds such as: Bates College, ME (1855); Hillsdale College, MI (1844); Storer College, WV (1865); and Tecumseh College (1917), OK. Tecumseh College was the first Free Will Baptist College out of the Randall movement west of the Mississippi. Randall University traces its roots back to Tecumseh College.

RANDALL UNIVERSITY SYMBOLS

RANDALL UNIVERSITY FLAG

The Randall Republic encircles the world and includes alumni living and working in countries around the globe. The Randall Flag features school colors Blue and Gold embracing the Red cross of Christ. The meaning of each color with the Latin word in parenthesis follows:

- Blue – Truth (Veritas): Saints are true blue
- Gold – Virtue or character (Virtus): Saints have character
- Red – Mission or calling (Vocare): Saints are called to follow Christ

The original flag design was endorsed by Dr. Wade T. Jernigan who served on the founding Christian Education Board that helped to birth Oklahoma Bible College (OBC) in 1959. OBC became Hillsdale FWB College which grew into what today is Randall University.

RANDALL SAINTS

The teams at Randall University have always been known as the Saints. Some wonder, why the Saints? The rationale arises from the belief that every Christian man or woman should strive to be the best disciple of Christ as possible. The Apostle Paul told the Church that we are: "Beloved by God and called to be Saints," Romans 1:7a.

The gladiator helmet on top of the 'S' is the helmet of salvation (Ephesians 6:17). These warrior saints are the martyrs who faced overwhelming odds in the Roman coliseum. The Christian saints include the men, women, and children who have willingly given their lives for Christ throughout history, even today. In reality these are God's Gladiators who stand or fight regardless of the odds. These are the heroes of whom the Bible says, "the world is not worthy" (Hebrews 11:33-40).

RANDALL FIGHT SONG

WHEN THE SAINTS GO MARCHING IN

Adapted By Timothy W. Eaton, Ph.D.*

“When the Saints Go Marching In” a spiritual that has been modified by numerous musicians, but the royalty checks were mailed to the most prolific songwriter in Arkansas. The lyricist Luther G. Presley is the focus for Bob Sallee in his article: “He Wrote ‘When the Saints Go Marching In’ for \$5,” (Arkansas Democrat-Gazette, April 21, 1998). Luther Presley was born west of Rose Bud and grew up with gospel music at the Free Will Baptist Church. Luther wrote over 1,500 songs. My favorite and his is “I’d Rather Have Jesus,” but there is no doubt about the most famous, “When the Saints Go Marching In.”

I am sure that Mr. Presley had no idea that “When the Saints ...” would become the battle tune for Randall University. Especially since the song is older than Randall, but many a Randall Saint has sung or raised their hands in victory to our fight song, “When the Saints Go Marching In.”

* Note: Thanks to Arkansas native Dr. Alton Loveless, my boyhood pastor, for the information on Luther Presley and his Free Will Baptist connection.

SAINTS FIGHT SONG:

When The Saints Go Marching In

Chorus:

Oh when the saints go marching in,
 When the saints go marching in,
Oh Lord I want to be in that number,
 When the saints go marching in.

Verse 1:

And when the sun refuse to shine,
And when the sun refuse to shine,
Oh Lord I want to be in that number,
 When the saints go marching in.

Verse 2:

Oh when the trumpet sounds the call,
Oh when the trumpet sounds the call,
Oh Lord I want to be in that number,
 When the saints go marching in.

POLICY ON FIREARMS, FIREWORKS OR WEAPONS

Possession or use of firearms/fireworks or incendiary devices is expressly forbidden. The City of Moore prohibits the sale, storage, discharge, or transportation of fireworks under the Fire Prevention Code. The Oklahoma Self-Defense Act, enacted in 1995, allows any entity to control the possession of weapons on any property owned by the entity.

No weapons of any type will be permitted on campus.

POLICY ON PREVENTION OF ALCOHOL AND DRUG ABUSE ON CAMPUS AND IN THE WORKPLACE

Randall University seeks to assure the health and well-being of all students and employees and to maintain an environment that supports and encourages the pursuit and dissemination of knowledge. Those goals are damaged by illegal drug and alcohol use. Therefore, to further these goals it has been, and shall continue to be, the policy of Randall University to prohibit the illegal use, possession, sale, delivery, and/or manufacture of drugs, or the possession, use, or sale of alcohol by any student or employee of the University.

The University’s policies and programs are intended to emphasize:

1. the incompatibility of the use or sale of illegal drugs and alcohol with the goals of the University;
2. the legal consequences of involvement with illegal drugs and alcohol;
3. the medical implications of the use of illegal drugs and alcohol; and,
4. the ways in which illegal drugs and alcohol jeopardize an individual’s present accomplishments and future opportunities with the University.

The University will establish and maintain a program of education designed to help all members of the University community avoid involvement with illegal drugs and alcohol.

The University will provide information about drug and alcohol counseling and rehabilitation services available to members of the University community. Persons who voluntarily avail themselves of University services shall be assured that applicable professional standards of confidentiality will be observed.

The University shall take all actions necessary, consistent with state and federal law and applicable University policy, to eliminate illegal drugs and alcohol from the University community. University policy on illegal drugs and alcohol use will be publicized in student and faculty handbooks, student orientation materials, letters to students and parents, residence hall meetings, and faculty and employee meetings.

Students, faculty members, administrators, and other employees are responsible as citizens for knowing about and complying with the provisions of Oklahoma law that makes it a crime to possess, sell, deliver, or manufacture drugs designated collectively as “controlled substances” in Title 63, Section 2-401 et seq of the Oklahoma Statutes. Any member of the University community who violates that law is subject both to prosecution and punishment by the civil authorities and to disciplinary proceedings against the student or employee when the alleged conduct is deemed to affect the interest of the University.

Penalties will be imposed by Randall University in accordance with procedural safeguards applicable to disciplinary action against students (see Student Handbook, “Enforcement of School Policies”) and employees (see Employee Handbook).

This summary of the University policy on the prevention of alcohol and drug use on campus and in the workplace is based on the Drug-Free Workplace Act of 1988 (P.L. 100-690, Title V, Subtitle D) and the Drug-Free Schools and Communities Act Amendments of 1989 (P.L. 101-226). This policy is expressed in its entirety in the [Student Handbook](#) and [Employee Handbook](#).

Our institution maintains the FERPA provision 99.31 that states disclosure to parents of students under 21 if the institution determines that the student has committed a violation of its drug or alcohol rules or policies.

NONDISCRIMINATION POLICY

Randall University does not discriminate on the basis of race, color, national origin, sex, disability or age in its programs and activities. Randall University reserves the right to, and does, maintain student educational and behavioral employment requirements and standards, which are based upon religious considerations consistent with its role and mission.

In response to Title VII of the Civil Rights Act of 1964 and Executive Order 11246 of September 24, 1965, the policy of the college with regard to this matter is as follows. The college takes affirmative action in the recruitment of faculty members.

A. Randall University, in all manner and respects, is an Equal Opportunity Employer and shall offer a program of Equal Educational Opportunity.

B. Randall University, in compliance with Title VI of the Civil Rights Act of 1964, Executive Order 11246 as amended, Title IX of the Education Amendments of 1972, and other federal laws and regulations, does not discriminate on the basis of race, color, national origin, sex, age, disability, or status as a veteran in any of its policies or procedures. This includes-but is not limited to-admissions, employment, financial aid, and educational services.

The following persons have been designated to handle inquiries regarding the nondiscrimination policies:

Brooks McMullan
Director of Student Affairs
3701 S. I-35 Service Rd

RANDALL NONDISCRIMINATION GRIEVANCE PROCEDURE

Students who believe they have been treated unfairly or have a grievance should contact the Director of Student Affairs. The Director of Student Affairs is responsible for ensuring that students are afforded due process and that proper channels for grievances are insured. Simply go to <https://ru.edu/student-complaints-and-appeals/> to file a complaint or go to the suggestion box located in the Lee Lobby for students who would like to anonymously voice a complaint or concern.

This procedure is applicable to complaints alleging discrimination, harassment, and retaliation on the bases of race, color, national origin, sex, disability and age. Any student, prospective student or employee that feels that they have been discriminated against or harassed based on race, color, national origin, sex, disability, or age should contact in writing: Director of Student Affairs, 3701 S. I-35 Service Road, Moore, OK. 73160. In the event that the Director of Student Affairs is involved in the accusation of harassment or discrimination, the complainant should contact: President, 3701 S. I-35 Service Road, Moore, OK 73160.

The complainant should describe the date, time, persons involved, place and circumstances surrounding the incident. The form should be signed by the complainant. All complaints received will be promptly, thoroughly and impartially investigated, and decided within 60 days. The complainant's identity will be kept confidential.

The complainant will be kept informed in writing at each stage of the **COMPLAINT** process:

- 1) Acknowledgment of receipt of the complaint;
- 2) Report of findings of the investigation. If discrimination has occurred, appropriate, corrective and remedial actions will be taken;
- 3) If the complainant is not satisfied with the resolution of the complaint, the complainant may appeal to the Randall Board of Trustees. An appeal can be made in writing to the Chairman of the Board of Trustees, 3701 S. I-35 Service Road, Moore, OK 73160.

The complainant will be kept informed in writing at each stage of the **APPEAL** process:

- 1) Acknowledgement of receipt of the appeal;
- 2) Report of findings of the investigation and any corrective or remedial actions taken by the Board of Trustees;
- 3) If the complainant is not satisfied with the resolution of the complaint, the complainant can appeal to the State Regent's Students Complaints page: <https://www.okhighered.org/current-college-students/complaints.shtml>

4) The complainant can also file with the U.S. Department of Education and mail the complaint to the Office of Civil Rights,

8930 Ward Parkway, Suite 2037, Kansas City, Missouri 64114-3302 or contact them at: 816-268-0550 or OCK.KansasCity@ed.gov.

Under no circumstances will there be any retaliation against the complainant or persons who participate in related proceeding by any Randall employee.

SEXUAL HARASSMENT POLICY AND GRIEVANCE PROCEDURES

Randall University is committed to maintaining a safe and professional educational environment in which students and faculty are not subjected to sexual harassment. The University does not tolerate actions and/or words which are regarded as sexual harassment or sexual violence against any student or University employee.

Sexual harassment is unwelcome conduct of a sexual nature. It can be verbal, visual, physical, or communicated in writing or electronically. Although sexual harassment may violate state or federal law, Randall University may consider conduct to be sexual harassment even though it may not rise to the level of illegal sex discrimination.

Sexual harassment includes but is not limited to the following:

- Unwelcome sexual advances
- Requests for dates or sexual favors
- Unwelcome physical contact of a sexual nature
- Sexual violence (such as rape or assault)
- Continued or repeated verbal abuse of a sexual nature, such as suggestive comments and sexually explicit jokes that are considered offensive by the other individual
- Sexually degrading language used to insult another person
- Remarks of a sexual nature used to describe a person's body or clothing. This includes comments about an individual's body or appearance that go beyond a mere compliment, including off-color jokes that are clearly unwanted and considered offensive by the other individual.
- Fostering a work or academic environment that is intimidating, hostile, or offensive because of unwanted sexually oriented conversation, suggestions, requests, demands, physical contacts or attention
- Public display of sexually oriented pictures, drawings, or calendars
- Offensive physical contact such as unwelcome touching, pinching, or brushing against the body of another person
- Actions or words which indicate that benefits will be gained or lost based on one's response to sexual advances
- Disseminating false information about a person's sexual conduct
- Making false accusations against another person regarding sexual harassment

Sexual harassment may be committed by one student against another student, by a faculty member or other employee against a student, or by a student against a faculty member or other employee. Because members of the faculty and administration of the university hold positions that involve the legitimate exercise of power and authority over others, they should exercise care in the use of that power and authority. It is the responsibility of members of the faculty and administration to insure that their conduct and words cannot reasonably be perceived as sexually coercive, abusive, or exploitive.

Criminal Complaint Procedure

Sexual harassment may constitute a violation of the laws of the state of Oklahoma, and the complainant must decide whether or not to file a criminal complaint. Any student, prospective student, or employee who wishes to file a criminal complaint alleging sexual harassment or violence should call 911 or contact the Police Department of the City of Moore, Oklahoma. The non-emergency number is 405-793-5171.

Institutional Complaint Procedure

Any student, prospective student, or employee may file a complaint of sexual harassment with the University. The following people have been designated to handle inquiries regarding Randall University's policy on sexual harassment.

RANDALL UNIVERSITY SUPPORTS BIBLICAL MARRIAGE

Randall University is subject to the Biblical belief system of our founding body, Free Will Baptists. In order to clarify Free Will Baptists have defined their historic Christian position on Biblical Marriage:

Biblical Marriage Statement: Adopted by the National Association of Free Will Baptists in July, 2008.

Both Scripture and nature as designed by God affirm the lifelong, covenantal union of one man, being male as created by God, and one woman, being female as created by God, in a one-flesh relationship. This one-flesh relationship is emblematic of the union of Christ and His church. It is the sole and beautiful context of the divine plan for the marital relationship of man and woman as image-bearers of God, as well as the foundation for the family as the basic, divinely ordained unit of human society.

Violations of this one-flesh union, whether heterosexual or homosexual, premarital or extramarital, contravene the divine plan for the family and for the conception and rearing of children, bringing spiritual despair, guilt, and death to individuals and cultures.

Genesis 1:26-28; 2:18, 20-25; Exodus 20:14; Deuteronomy 5:18; Matthew 19:4-6; Romans 1:18-32; 1 Corinthians 7:1-5; Ephesians 5:21-33; 1 Thessalonians 4:3-5; Hebrews 13:4.

CATALOG INFORMATION

It is the student's responsibility to have knowledge of the contents of the University Catalog, including requirements, policies, and regulations. The University reserves the right to revise curricula, policies, financial arrangements, etc., as such changes become necessary or desirable.

EXCEPTIONS TO POLICIES

Any request for an exception to any Randall University policy must be requested in writing to: EXCEPTIONS. The

Administrator responsible for the area in question will review the matter and make a decision on the request. Requests for exceptions to policies that affect areas beyond the Administrator's area of supervision or that affect general institutional policies will be referred to the Administrative Committee of the University. Rulings on requests for exceptions in academic matters may take into consideration the current policies established by the Oklahoma State Regents for Higher Education. A response will be directed to the student or employee within one week from the receipt of the request and, in some cases, a formal letter may also follow.

The request should include the person's contact information and be addressed to

ADMISSIONS

Randall University is committed to educating and preparing students to make a positive impact on the church and society. The moral character of all applicants must be good. The secondary prerequisite is academic achievement.

HIGH SCHOOL CURRICULAR REQUIREMENTS

Curricular requirements for regular admission to the University are as follows:

- 4 units English (Grammar, Composition, Literature)
- 2 units Lab Science (Biology, Chemistry, Physics, or lab science certified by the school district; General science with or without a lab may not be used to meet this requirement.)
- 3 units Mathematics (Algebra I, Algebra II, Math Analysis, Geometry, Trigonometry, Calculus)
- 3 units History and Citizenship Skills (including one unit of American History and two additional units from the subjects of History, Economics, Geography, Government, non-Western Culture)
- 3 Additional units of subjects listed above or selected from the following: Computer Science or Foreign Language.

Students who did not complete these required courses in high school will be assigned appropriate remedial work by the Assessment Committee. Curricular deficiencies must be remediated in the first 24 hours of enrollment.

In addition to the above requirements, the following subjects are recommended for University preparation:

- 2 additional units: fine arts (music, art, drama, and speech)
- 1 additional unit: lab science (as described above)
- 1 additional unit: mathematics (as described above)

PLANNING SUGGESTIONS

1. High school students are encouraged to take the ACT or SAT in the spring of their junior year and apply early in their senior year. Register for the ACT on-line at actstudent.org. Randall University's school code for the ACT is 3413.
2. In January of the high school senior year, students should file the Free Application for Federal Student Aid (FAFSA) which is required for grants, loans, college work study, and most scholarships. Apply on-line at fafsa.ed.gov. Receipt of financial aid is dependent on acceptance for admission. **Scholarship preference is given to those filing prior to March 1.** State grants are generally awarded by March each year and are dependent of FAFSA filing date and score. Randall University's school code for the FAFSA is 010266.
3. Transfer students are encouraged to apply for admission at least three months prior to date of entry.

CANDIDATES FOR ADMISSION

1. Graduates of high school with a minimum of a 'C' average, or satisfactory scores on entrance exams, American College Test (ACT) or Scholastic Aptitude Test (SAT).
2. Persons with a GED Certificate from a State Department of Education.
3. Transfer students from other colleges (see Students on Probation or Suspension).

Based on a review of credentials, students may be admitted on regular, conditional, or provisional admission status. Randall University reserves the right to restrict or deny admission to any person, otherwise eligible, for reasons determined to be in the best interest of the institution by the officers thereof. This reserved right shall be administered in a manner strictly consistent with state and federal non-discrimination laws. See the following sections: Admission Status Restrictions, Freshman Admission Requirements, and Transfer Admission Requirements.

ADMISSION STATUS RESTRICTIONS

The University is aware that all students have not had the same opportunities for academic preparation and character formation. In recognition of extenuating circumstances, three types of admission have been established: regular, conditional, or provisional status.

Regular Admission: Granted to students who have met the criteria for admissions. The student is eligible for enrollment and subject to the academic placement recommendations of the Admissions Committee.

Conditional Admission: Granted to students who have not completed the required admission documents. A student admitted conditionally is given permission to enroll and complete only one semester. If the student is unable to submit the required admission documents or resolve the doubt discovered in the application process, he or she will not be permitted to enroll in courses beyond one semester at this institution.

Provisional Admission: Granted to students who do not meet the criteria for a candidate for regular admission, or who have an ACT Composite Score 18 or below, or who transfer from another college while on academic probation. The student is limited to no more than 14 credit hours. Randall University reserves the right to limit the number of students given provisional admission.

Non-Degree Admission: Granted to students who are not candidates for degrees and may be given special enrollment permission. This category includes the following: students taking only audit courses, students who have at least a bachelor's degree, high school students concurrently enrolled in the University, or adults over 21 years of age who do not meet the regular admissions requirements. These students will be allowed to take no more than 9 credit hours under the Non-Degree Seeking status. Beyond that all students

must meet the conditions/requirements for Regular or Provisional Admissions. All official documentation must be received before further enrollment is permitted.

ADMISSION DOCUMENTS

Admission to all degree programs of Randall University requires the submission of the following documents:

1. **Application for Admission.** A non-refundable fee (fee waived for fall applications received before April 1) must accompany the application form. International students see page 14.
2. **Transcripts.**
High School Transcript. Both freshmen and college transfer applicants with fewer than 24 semester credit hours must submit a high school transcript to the Admissions Office. Freshman applicants may be admitted on the basis of an incomplete but official transcript, which shows grades through at least 6 semesters. Upon graduation, the student should request that a final, official transcript be sent to Randall University, bearing the signature of a school official, graduation date, complete grade record, standardized test scores, school seal, and class rank when possible.
College Transcripts. Transfer applicants must request that an official transcript from each college or university attended be sent directly from the institution to the Randall University Admissions Office. New freshmen who have taken concurrent college work must also request an official transcript from each college or university attended. Any student who fails to report work taken at another institution is subject to immediate expulsion from the University.
3. **VA Educational Benefits.** Per Title 38 CFR 21.4253.21.4254 and 41.4263, VA law requires that every new student interested in utilizing VA Education benefits provide Randall University with all prior transfer courses, credits and previous military or civilian training and experience for evaluation and review as appropriate for the student's declared degree program. This includes military transcripts. All transcripts must be official and should be given to Randall University on or before the first day of class. A grace period of 5 weeks will be granted. After that time, Randall University will terminate benefits if required transcripts are not received.
4. **Test Scores.** New freshmen are expected to submit satisfactory scores on either the American College Test (ACT) or Scholastic Aptitude Test (SAT). A composite score of 18 or below will require a decision of the Admissions Committee. Students without an entrance exam score will be conditionally admitted and will be expected to take the Residual ACT. Those who have participated in the ACT may be admitted conditionally; Supplementary Academic Instruction (SAI) courses may be added upon receipt of the scores. Transfer students with fewer than 24 semester hours are also required to participate in ACT testing on the Randall University campus or a national test site. Students who submit SAT scores should understand that they will be converted to equivalent ACT scores. The equivalency information may be obtained from the Admissions Office upon request.

Students over 21 who have not taken ACT or SAT may take an alternative form of placement testing offered at Randall University.

5. **References.** Both freshmen and college transfer applicants must submit two references. References must be someone that has known the applicant for at least two years and is not a family member.

BIBLICAL FOUNDATIONS STUDENT STATEMENT

(A complete disclosure is found in [A Treatise of the Faith and Practices of Free Will Baptists](#), and is available online at <https://nafwb.org/site/wp-content/uploads/2017/01/2016-FWB-Treatise.pdf>)

1. **God** - The one true and living God revealed in nature as the creator, preserver, and righteous governor of the universe. He is revealed in Scripture as the triune God—Father, Son, and Holy Spirit, the One personal, perfect, infinitely wise and good God existing in three persons. He is the Redeemer, Savior, Sanctifier, and Judge of men, the only proper object of worship whom all intelligent creatures are to love, adore, and obey.
Scripture References: Gen. 1:1; Ex. 3:14; 31:13; 34:14; Lev. 19:2; Deut. 6:4; 32:4; I Kings 8:27; Ps. 19:1-2; 22:18; 47:7; 90:2; 119:68; 145:10; Mal. 3:6; John 4:24; Acts 15:18; Rom. 16:27; I Cor. 8:4; Eph. 2:4; Heb. 12:23; 1 Jn. 5:7; Rev. 19:6. *Treatise of the Faith and Practices of Free Will Baptists: Part II, Chapters 2-3 and Articles of Faith 2,5.*
 - **Father** - He is infinite Spirit, the first person of the Godhead who is self-existent, eternal, unchangeable, everywhere present, all-knowing, all-powerful, independent, good, wise, holy, just, and merciful. He is the fountain of all perfection and happiness, exercising providential care and superintendence over all His creatures and governing the world in wisdom and mercy, according to the testimony of His Word. He is glorified

by the whole creation and is worthy to be loved and served by all intelligence.

Scripture References: Mt. 5:16, 48; 6:9, 14; 11:25; Lk. 10:21; John 4:23; 17:21; Eph. 4:6; 1 Jn. 5:7. *Treatise of the Faith and Practices of Free Will Baptists: Part II, Chapters 2-3 and Articles of Faith 2,5.*

- **Son** - Jesus Christ, the Son of God, is one with the Father in His divine nature. He is the second person of the Godhead and fills all the offices and performs the works of God. While possessing all divine perfections, He was miraculously conceived and born of the Virgin Mary and made of the seed of David according to the flesh, the only begotten of the Father, and the only incarnation of God. He is, therefore, God manifest in the flesh, in His divine nature truly God and in His human nature truly man, yet without sin. He is the mediator between God and man, once crucified; He is now risen and glorified, the ever present Savior and Lord.

Scripture References: Isa. 9:6; Luke 19:10; John 1:1-14; 4:42; 14:20; 16:30; Acts 1:11; Rom. 4:25; 9:5; 3:25-26; 5:18; 1 Cor. 15:22; Eph. 1:7, 17; 4:6; Col. 1:17; 2:8-10; 1 Tim. 3:16; 2 Tim. 4:1; Titus 2:13; Heb. 1:3-10; 2:17; 4:15; 7:25; 13:8; 1 Peter 2:21; 1 Jn. 3:13; 5:7, 20; Rev. 22:13. *Treatise of the Faith and Practices of Free Will Baptists: part II, Chapters 5-6 and Articles of Faith 2, 3, and 7.*

- **Holy Spirit** - The Holy Spirit, the third person of the Godhead, is one with the Father in His divine nature. The Bible ascribes to the Holy Spirit all the attributes of God. The Holy Spirit convicts humanity of its sin and draws all to Christ. The Holy Spirit indwells and fills the lives of all believers and endows them with spiritual gifts that are to be used in their personal service to God. There are no particular gifts that serve as visible evidence of the salvation or sanctification of the believer.

2. **The Bible** - The Scriptures of the Old and the New Testaments were written by holy men who were inspired by the Holy Spirit. They constitute God's full and complete word to man, the infallible rule and guide to Christian faith and practice. They are without error and trustworthy in all matters upon which they speak.

2.1 Special Creation - God created the universe in its present state by His spoken word and for His pleasure and glory and the enjoyment of His creatures.

2.2 Historicity - All historical matters in the Bible are to be considered as an accurate record. Scripture References: Ex. 4:15; 2 Sam. 23:2; Ps. 32:8; 119:151-160; Jer. 1:9; Matt. 5:17-18; John 10:35; 17:17; 1 Cor. 2:13; 2 Tim. 3:16-17; Heb. 1:1-2; 2 Pet. 1:18-21. *Treatise of the Faith and Practices of Free Will Baptists: Part II, Chapter 1, Appendix to Chapter 1, and Articles of Faith 1.*

3. **Sin** - Adam and Eve were created innocent, but by willful disobedience fell into a state of sin and condemnation. Their posterity, therefore, inherits a fallen nature of such tendencies that all who come to moral awareness, sin and become guilty before God. Scripture References: Gen. 8:21; Ps. 51:5; 58:3; John 1:13; 3:3-6; 6:44; Rom. 5:12; 8:7; 1 Cor. 2:14; Gal. 5:19-20; Eph. 2:3; Col. 1:14; Heb. 12:14; Titus 3:5. *Treatise of the Faith and Practices of Free Will Baptists: Part II, Chapter 4, Section II and Articles of Faith 6.*
4. **Redemption** - The Son of God, by His incarnation, life, sufferings, substitutionary death for sin, burial, and resurrection, effected for all a redemption from sin that is full and free and is the ground of salvation by faith. Jesus Christ died for our sins, was resurrected, and ascended to heaven, where He serves as the only mediator between God and man. Christ makes intercession for us until He comes again. Scripture References: Rom. 5:9, 18; 8:34; 2 Cor. 5:14; Eph. 1:7; 1 Tim. 2:6; 4:10; Titus 2:11; Heb. 7:25; 9:22-24; 2 Pet. 3:9; 1 Jn. 2:2. *Treatise of the Faith and Practices of Free Will Baptists: Part II, Chapters 6, 12, and Articles of Faith 7, 8.*
5. **Salvation** - Individuals, by virtue of any natural goodness and human work, cannot become the children of God. They are all dependent for salvation upon the freely-provided redemption of God that is effected through the blood of Christ, the regeneration of the believer through faith in Christ, and the operation of the Spirit. In salvation the free will of man is retained. All believers in Christ, who through grace persevere in holiness to the end of life, have promise of eternal salvation. Scripture References: Prov. 28:13; Isa. 45:22; Mark 16:15; John 1:7; 3:3-36; 5:24, 40; Acts 16:31; 17:30; Rom. 5:16; 8:16, 38, 39; 10:10; 2 Cor. 7:10; Gal. 2:20; Phil. 1:29; 1 Thess. 5:23; 1 Tim. 2:4; Titus 2:11; Heb. 11:1-6; 2 Peter 1:4. *Treatise of the Faith and Practices of Free Will Baptists: Part II, Chapters 8, 9, 10, 11, 12, 13, Appendix 13, and Articles of Faith 8, 9, 10, 11, 12.*
6. **Satan** - Satan, an evil being, is the evil accuser who slanders God to man and man to God. He is the tempter of men who continually solicits men to sin. He is to be resisted by submitting to God. Satan's final destiny is that of a conquered enemy who now abides under a perpetual curse, whereby he is finally to be cast alive into the lake of fire. There he is to be tormented forever, along with all who refuse repentance and faith in Jesus Christ. Scripture References: 1 Chr. 21:1; Matt. 13:19; Lk. 4:5-13; John 12:31; 2 Cor. 2:11; 4:4; 11:14; Eph. 2:2; 6:11-18; Heb. 2:14; James 4:7; 1 Pet. 5:8; Rev. 20:2. *Treatise of the Faith and Practices of Free Will Baptists: Part II, Chapters 4, 19, and Articles of Faith 6.*

7. **Last Things** - The Lord Jesus, who ascended on high and sits at the right hand of God, will bodily return to close the Gospel era, glorify His saints, and judge the world. At the last day there will be a bodily resurrection of the dead, and all men will be judged according to their works. Following the judgment, the righteous will enter into eternal life, and the wicked will be condemned to a state of endless punishment.

FRESHMAN ADMISSION REQUIREMENTS

After submitting the required admissions documents, applicants meeting the following criteria will satisfy the academic requirements for REGULAR admission to Randall University:

1. High school grade point average of at least 2.00 or 'C' average.
2. ACT composite score of 19 or above.

Freshmen who do not meet the above criteria may be considered for conditional or provisional admission. The Director of Admissions may require a personal interview prior to presenting the applicant to the Admissions Committee.

GENERAL PROCEDURES FOR FRESHMAN ADMISSION

In applying for admission to Randall University the student should:

1. Submit a completed application form provided by the University.
2. Submit a transcript of credits from the high school from which the student graduated, complete with class standing, grade points, and graduation date. A grade average below 2.00 ('C' average) will require a decision of the Admissions Committee.
3. Participate in the American College Testing (ACT) program (School code: 6744). A composite score of 18 or below will require a decision of the Admissions Committee.
4. Submit two references. References must be someone that has known the applicant for at least two years and is not a family member. For example from a teacher, school counselor, Coach, former employer or Church Pastor or other church staff member.

2020-2022 PROVISIONAL ADMISSION PROCEDURE

Given the COVID-19 Pandemic, the College Board canceled ACT and SAT test dates in April and June. Thus, for the 2020-2021 academic year, Randall University will waive the requirement for new freshman to submit ACT or SAT scores. The procedure will be as follows:

1. If a student already has test scores available, we will follow the admissions and placement procedures already in place at Randall University

2. If a student is unable to provide ACT/ SAT scores, we will follow the procedures below:

- a. Admission and placement will be evaluated by a committee composed of Admissions and Registrar's Office Personnel.
- b. The decision to admit or not will be based mostly on High School performance. A worksheet will be prepared with necessary high school information regarding courses and grades GPA etc.... The committee will evaluate each prospective student's situation with attention to 1) were they in college prep courses, 2) what grades did they receive in core courses (which will effect placement/ requirement for SAI enrollment), are there curricular deficiencies. Then students will be advised of the results for admission and placement in preparation for enrollment through their advisor.
- c. Students who don't meet admissions criteria will be placed in SAI courses for the subjects they are lacking in.
- d. Students may take Accuplacer if they wish to challenge the need for remediation
- e. Admission of a student will be determined by the Admissions office after the evaluation has been approved by the Registrar's Office. If they are unable to decide because the student evaluation is too close to call, or falls below GPA Requirements, The Admissions Committee will make the determination.

3. The GPA requirement for admissions is 2.0 and higher on a 4.0 scale. Anything below will go before the Admissions Committee.

TRANSFER STUDENT ADMISSION REQUIREMENTS

A student transferring from another institution must:

1. Submit a completed admission application form.
2. Submit official High School transcript if transferring in less than 60 hours or have not completed a 2 year program.
3. Submit official transcripts from any institutions of higher education the student has attended. Upon submission of ALL official transcripts, a degree audit will be completed by Randall University staff in order to establish a path toward graduation as well as a current grade point average (GPA). A grade point average below 2.00 ('C' average) will require a decision of the Admissions Committee. Students who have completed less than 60 college credit hours must also submit an official high school transcript. No transfer students will be considered for admission until presentation of their transcript(s) from the college(s) previously attended.
4. Submit ACT/SAT scores if fewer than 24 college credit hours have been completed.
5. Submit two references. References must be someone that has known the applicant for at least two years and is not a family member. For example, from a teacher,

coach, high school counselor, church staff member or employer.

6. Students transferring in with less than 24 college credit hours must complete IDIS 1001 Student Success Skills.

STUDENTS ON PROBATION OR SUSPENSION

Should the Admissions Committee allow students on academic probation to enroll, the first semester will be limited to provisional status, and the student must maintain satisfactory progress (see Academic Progress, p. 36). Students suspended from another college may be admitted by the Academic Affairs Committee.

INTERNATIONAL STUDENT ADMISSION PROCEDURES

International students who apply for admission must:

1. Complete the International Student Application for Admission online and submit a nonrefundable application fee to the Admissions Office.
2. Submit official transcript of complete secondary school with notarized translations if not in English. Official transcripts of all university work completed are required. If completed outside of the U.S. transcripts must be translated into English and evaluated by an approved credential evaluation service. These services can be located on the web at: www.ece.org, gceus.com, www.isilny.com, or wes.org. Transfer credits from outside the U.S. will be evaluated for acceptance on a Pass/ Fail basis.
3. If English is not the student's native language they are required to show proof of English proficiency by passing any English proficiency exam, by submitting a transcript from an English Language School, or by attending an English-Speaking school for at least one year. Proof of proficiency will be submitted to the Admissions Office.
4. Submit official ACT or SAT score report. If student is under 21 years of age, the ACT/SAT is required. The ACT/SAT is not required if the student is over 21 years of age. Our ACT school code is 3413. Our SAT school code is 6744. If your country does not offer the ACT and/or SAT, please email admissions@ru.edu for more information.
5. Provide an Affidavit of Financial Support and a statement from a bank that indicates the availability of funds for the student to attend school for at least one year is required. The affidavit is to be signed by the person verifying the bank statement and is willing and able to provide the student with financial support to cover their education and living expenses while in the U.S.
6. Applicants must submit 2 references. References must be someone that has known the applicant for at least two years and is not a family member. For example, a teacher, coach or other school faculty, an employer, or church Pastor or other staff member. References must be someone who can speak on the applicant's character. Reference forms can be found using the link below. References must be in English.
7. Copy of the page (or pages) of the student's passport that indicates their complete name, country of

citizenship, passport number, and passport expiration date.

8. Must secure and maintain medical/hospitalization coverage while enrolled at Randall University.
9. Completed I-901 and fee (\$200) after I-20 is received.
10. A valid I-20 is required for students already in the United States.
11. Transfer students require:
 - a. A valid I-94
 - b. A copy of their U.S. transfer transcript
 - c. Letter from transferring institution declaring financial standing, academic standing, and INS standing (have any reinstatements been required)
 - d. A valid I-20 (transfer students can provide, with written verification, a copy of their original I-20 from their transferring institution)
 - e. International transfer students are evaluated by the same academic standards as other transfer students

ADULT AND SPECIAL STUDENTS

Students who are not candidates for degrees may be given special enrollment permission. See Non-Degree Admission category under Admission Status Restrictions (p. 9).

HOME STUDY OR UNACCREDITED HIGH SCHOOLS

Applicants who are graduates of an unaccredited or home study high school program are eligible for admission under the following conditions:

1. The applicant must have taken the ACT or the SAT.
2. The applicant's high school class must have graduated.
3. The applicant must satisfy the high school curricular requirements as certified by the high school or, in case of home study, the parent.
4. Submit two references. References must be someone that has known the applicant for at least two years and is not a family member.

ABILITY-TO-BENEFIT

Randall University does not participate in Ability-to-Benefit. Applicants must have graduated high school, have a GED, and/or have twenty-four transferrable hours from an accredited college/university in order to be considered for admission.

REINSTATE ENROLLMENT POLICY

Former students who have not attended Randall University for a period of one 16-week semester (summers excluded) must be reinstated before enrollment. An application to reinstate enrollment, official transcripts of all work completed since leaving Randall University, and a personal interview are required for reinstatement. Students who are reinstated must complete the degree requirements as prescribed in the catalog in effect at the time of their previous enrollment.

READMISSION POLICY

Former students who have not attended Randall University for a period of two 16-week semesters or more (summers excluded) must be readmitted before enrollment. A readmission application, official transcripts of all work completed since leaving Randall University, and a personal interview are required for admission. Students who are readmitted must complete the degree requirements as prescribed in the catalog in effect at the time of readmission.

CONCURRENT ENROLLMENT

High school students meeting the requirements listed below may be admitted as concurrent students (not to exceed 12 hours per semester):

1. High School students from either public, private, home school, or unaccredited high schools who are 16 years of age or older.
2. Have either a minimum high school GPA of 3.0, an ACT score of 19 or higher, or an SAT score of 990 or higher (SAT scores will be converted to an ACT equivalent score). *Students with a high school GPA below 3.0 in the subjects of English, reading, mathematics, or science will be required to enroll in a corresponding SAI course.*

ACADEMIC PLACEMENT

Placement tests and ACT scores (School code: 3413) are used to determine placement in certain courses such as English, mathematics, reading, and science. The ACT scores used for placement are as follows:

ENGLISH		
ACT 18 and below Accuplacer score less than or equal to 259	ENGL 0010 ENGL 1113	English Composition SAI* English Composition I
ACT 19 to 25 plus 4 years H.S. English (A, B, C)	ENGL 1113	English Composition I
ACT 26 and above plus 4 years H.S. English (A, B)	ENGL 1213	English Composition II

MATH		
ACT 18 and below Accuplacer score less than or equal to 265	MATH 0010 MATH 1503	Mathematical Concepts SAI* Mathematical Concepts
ACT score of 19 and above	MATH 1503 or MATH 1533 or MATH 1553	Mathematical Concepts and Applications or Foundations of Geometry and Measurement or Functions and Modeling

ACT score of 19 and above Plus H.S. Algebra I & II (C) or acceptable placement test score	MATH 1513 or MATH 1553	College Algebra or Functions and Modeling
---	------------------------------------	---

READING		
ACT 18 and below Accuplacer score less than or equal to 250	ENGL 0000	Reading SAI*

SCIENCE		
ACT 18 and below	BIOL 0000 BIOL 1114	General Biology SAI* General Biology I

Note: Students who successfully score 251 and above in Reading and 266 and above in Math on the Accuplacer Test will not need to take General Biology SAI.

*If required, Supplemental Academic Instruction (SAI) must be passed to receive credit for co-requisite course.

TRANSFER CREDIT

Transfer work from other post-secondary institutions, whose accrediting agency is listed by the U.S. Department of Education as a nationally recognized accrediting agency, will be evaluated to apply as credit on degrees awarded at the University. Associate degrees earned at approved Oklahoma institutions of higher education will be accepted in their entirety. Transfer work completed outside of the U.S. will be evaluated for acceptance on a course by course, Pass/ Fail basis. In Oklahoma, credits earned by a student at an institution accredited by a recognized national accrediting agency may be reviewed on a course-by-course basis for possible transfer to an institution in The Oklahoma State System for Higher Education.

CONVERSION OF QUARTER HOURS

Randall University's standard for conversion of quarter hours to semester hours is 67% equivalency, rounded to the nearest whole credit.

DEGREE MILLS AND DIPLOMA MILLS

The following information is based on the publications of the Council for Higher Education Accreditation (CHEA) of which Randall University is a member.

If the answers to many of the following questions are "yes," the degree provider under consideration may be a "mill":

- Can degrees be purchased?
- Is there a claim of accreditation when there is no evidence of this status?
- Is there a claim of accreditation from a questionable accrediting organization?
- Does the operation lack state or federal licensure or authority to operate?
- Is little if any attendance required of students, either online or in class?

- Are few assignments required for students to earn credits?
- Is a very short period of time required to earn a degree?
- Are degrees available based solely on experience or resume review?
- Are there few requirements for graduation?
- Does the operation fail to provide any information about a campus or business location or address and rely, e.g., only on a post office box?
- Does the operation fail to provide a list of its faculty and their qualifications?
- Does the operation have a name similar to other well-known colleges and universities?
- Does the operation make claims in its publications for which there is no evidence?

Randall University will not transfer academic credit from a known degree mill.

There are institutions that may not be accredited but are not degree mills. For example, the institution may be seeking accreditation, but the process is not complete. Or a legitimate institution may choose not to be accredited for reasons that do not relate to quality (see Unaccredited Institutions of Higher Education).

UNACCREDITED INSTITUTIONS OF HIGHER EDUCATION

Academic credits from an unaccredited institution of higher education will be considered through the Academic Affairs Committee as an exception to policy. However, the student must make a written request to the Chief Academic Officer. It is the University's policy to deny requests for verification/validation letters (typically called "Wash letters") to individuals seeking to enter military chaplaincy.

CREDIT FOR EXTRA-INSTITUTIONAL LEARNING

Students may receive credit for examinations (i.e., CLEP) or other extra-institutional learning. See "Credit for Extra-Institutional Learning" in the Academic section of this Catalog. Randall University recognizes that many students have been involved in significant learning beyond their formal education. Students are encouraged to maximize the opportunity to receive Credit for Extra-Institutional Learning in order to meet degree requirements and advance toward more demanding subject matter.

The credit received through the procedures in the Credit for Extra-Institutional Learning category will be transcribed with the grade of 'CR' for credit and no honor points will be calculated into the student's Grade Point Average (GPA). A fee of \$50/credit hour will be charged for transcribing Credit for Extra-Institutional Learning. For more information, see page 40 and the appendix.

REGISTRATION

All students are expected to register on the official registration dates each year. Special permission is required

for carrying more than 17 hours per semester. Students with regular employment should curtail their academic load. No student may register after the last day to enroll. The University reserves the right to cancel any class with fewer than eight registrants.

ADMISSION TO CLASSES

Students are permitted to enter classes only after the completion of financial arrangements. A student who fails to complete such arrangements within two days after the official registration day will not be permitted to attend class.

EXCEPTIONS PROCEDURE

Any student who is denied admission may appeal the decision of the Admissions Office. The appeal must be presented in writing by the student to the Director of Admissions. Any pertinent information which the student believes may improve his/her position may be presented. The Director of Admissions will forward a recommendation to the Administrative Committee. The decision of the Administrative Committee will be final.

ASSESSMENT PLAN OUTLINE

Randall University believes in a value added approach to education. It is therefore extremely important to evaluate students in the following:

- Entry level assessment - high school grades, curriculum strength, ACT scores, and placement tests.
- General Education assessment - each sophomore who has completed 46 credit hours or more is required to participate in the ETS HEIghten tests. This provides a quantitative measure of the strength of the General Education program of the University.
- Course Assessments - Each instructor lists the academic requirements of their course in their course syllabus. Grades for each course are determined according to the student's academic performance.
- Program Specific Requirements - B.A. and B.S. degree students are required to fulfill certain academic, internship, and/or program specific requirements (e.g. portfolio, capstone, performance) as are outlined in their program of study. Students are evaluated upon the completion of each requirement. Key assessments have been identified for a specific program.

Students will participate in assessment as required for admission, course enrollment, college classification, and degree requirements. Furthermore, participation is expected for annual assessment activities, such as surveys (i.e. course evaluations, Student Satisfaction, library survey) and focus groups (i.e. Junior and Senior).

UNIVERSITY COSTS AND BUSINESS INFORMATION

Randall University desires to offer sound Christian education as a private institution at the lowest possible cost. To help reduce costs, the University, through the Admissions/Financial Aid Office, provides assistance to any student who may qualify for grants, loans, or scholarships. Registration will be considered incomplete and no student will be admitted to classes until arrangements for payment of the semester's expenses have been satisfactorily made. Registration for any semester can be completed only after arrangements have been made for any previous semester's costs (also see Withdrawals and Refunds).

NOTE: The University reserves the right to adjust cost at any time without notice.

Payment for tuition, fees, or books may be made by cash, check, MasterCard, or Visa.

Graduate students should consult the appropriate office for tuition information.

ONLINE FORMS

All students (graduate and undergraduate, residential, off-campus, or exclusively online) must complete the following online forms each semester before their enrollment is considered completed. Failure to complete all of these forms will result in a **HOLD** being placed on the student's account which will prevent the student from using MySaint (Populi) or seeing their grades.

www.ru.edu/emergencycontact - emergency contact form
www.ru.edu/register - student enrollment forms
www.ru.edu/businessoffice - student account billing forms

INSTALLMENT PAYMENTS

All fees and charges are due and payable at enrollment. If a student cannot pay all charges at time of enrollment, arrangements may be made for monthly payments through the Randall University Tuition Management Plan. (Students will be charged an upfront 4% service charge to enter the Tuition Management Plan) Any accounts not paid in full by the last day of classes of the term will be considered delinquent and are subject to collection efforts. In the event that a collection agency is obtained to collect the delinquent account, the student will be responsible for all collection fees (up to 33% in addition to the account balance).

If a student fails to set up a payment plan, the account will automatically go to a mandatory payment plan. This plan is a semester plan with the first payment due in the first month of each semester, and additional payments in each of the next 3 months thereafter to result in the balance being paid in full before finals begins for that semester.

A down payment is due no later than the first day of classes. The remaining payments are due each month on the 15th of the month through the next to last month of the semester. Payments can be automatically drafted from either checking or savings accounts at any financial institution, or automatically charged to Visa or MasterCard. The payment plan is as follows:

Fall and Spring Semesters

First payment at enrollment: 25% of all Tuition and Fees less expected Financial Aid

Second payment: 33% of account balance less expected Financial Aid

Third payment: 50% of account balance less expected Financial Aid

Fourth and final payment: 100% of account balance

If payment is not made by first of the following month, student will be ineligible to participate in school activities (sports, music, drama and ministry groups, etc.) until the account is current.

If an account is not current/paid in full on the first day of Finals, student will **NOT** be allowed to take Finals.

Summer and Mini Terms

First payment at enrollment: 50% of account balance

Second payment: 100% of account balance

In the event that payments are not made in accord with the payment plan, the student's account will be considered past due. Students with past due accounts may have a hold placed on their student record, which will prohibit you from registering for classes, participating in extracurricular activities, taking finals, and getting transcripts or diplomas.

Finance Charges

For a student to enroll in the Tuition Management Plan, there is a 4% predetermined service finance charge added to the student's total charges minus external and internal scheduled financial aid. The service charge will be assessed at the beginning of the current semester and payments will be calculated by equally dividing the total into 4 payments due at the predetermined dates and will conclude at the end of the current semester. The Tuition Management Plan and predetermined service finance charge will be calculated once Financial Aid has been applied to the student's account.

REGULATIONS ON STUDENT ACCOUNTS

Federal Student Aid Application Deadlines

The student is responsible for completion of the Free Application for Federal Student Aid (FAFSA) for the possible awarding of grants, loans, and scholarships. The student is obligated for the balance of the account. Should the student fail to complete the FAFSA by the semester deadline (Fall, October 15 or Spring, April 15), the student is responsible to pay the balance of the account. Failure to meet his/her account obligations will cause the beginning of disenrollment proceedings, and the student will be withdrawn from courses through the Academic Affairs Office/Administrative Committee.

Unpaid and Past Due Balances

Students are allowed to carry a balance of \$250 from fall semester to spring semester. If a student is unable to maintain the payment arrangements or has a past due account balance over \$250 on their Randall University account, he/she will not be allowed to take finals or re-enroll. Unpaid balances and past due balances will result in a **LOCK** being placed on the student's account which will prevent the student from using MySaint (Populi), registering for classes, participating in extracurricular activities, taking finals, and getting transcripts or diplomas. Balances must be zero at the conclusion of the spring semester.

DROPS, WITHDRAWALS AND REFUNDS

Add/Drop Deadline

The Add/Drop Deadline is the final day that a class can be added to or dropped from a student's schedule without signature of the Academic Dean. This add date is 1 week after the start of class and the drop date is 10 days after the start of class for 16-week courses and 5 days after the start of classes for 5 and 8-week courses.

Drops

In case a student drops a class prior to the add/drop deadline, the student will be entitled to a full refund of Tuition and Fees with the exception of the Book/Materials fee. A dropped class will not appear on the student's transcript.

Withdrawals

In the event a student must withdraw from a course after the add/drop deadline, all charges **will remain** on the student's

account. A withdrawn class will appear as a "W" on the student's transcript.

Summer and Winter Term Charges:

For Summer and Winter sessions, charges will remain on the student's account after the first day of classes.

Disciplinary Dismissal

In case a student is dismissed for disciplinary reasons, he/she is obligated for the balance of his/her payments including room and board.

STUDENT RETURN OF FUNDS

Complete Withdrawals From The University

(Forms for withdrawal from the University are available in the Office of the Registrar):

The refund policy listed below describe the financial obligations of students, who withdraw from all classes after the add/drop deadline, as it pertains to Financial Aid. Students are advised to read these refund policies carefully.

Refund Policy For Complete Withdrawal For All Students Who Are Not Title IV Aid Recipients:

See page 19: Drops, Withdrawals and Refunds.

Refund Regulations For Complete Withdrawal For All Students Who Are Title IV Aid Recipients:

Any student receiving Federal Title IV funds will be subject to the following policy regarding return of Federal Title IV funds:

- The University and the student will be required to return to the federal aid programs the amount of aid received that was in excess of the aid "earned" for the time period the student remained enrolled.
- The percentage of the semester completed is the percentage of aid earned: This is calculated by the number of days the student attended divided by the number of days in the payment period (i.e. semester). For example, if a student withdrew on the 20th day of a semester 107 days in length, the student would have only earned 19% of the aid he received ($20/107=0.19$).
- Students who remain enrolled through at least 60% of the payment period (semester) are considered to have earned 100% of the aid received and will not owe a repayment of Federal Title IV grant funds.
- If the University returns funds to the Title IV aid program, it could result in the student owing the University charges that were originally paid at the

time of disbursement. Students may also be required to return funds released to them for personal expenses.

- Unearned Title IV funds will be returned within 45 days of the date the school determined the student withdrew (special rules apply to Post-Withdrawal Disbursements, see below). Monies returned to the Title IV aid programs will be applied first to loans to reduce the loan debt of the student and/or parent borrower. (The calculations will be made using the 'R2T4' form provided by the U.S. Department of Education.) The school will also notify the student, by mailing a copy of the notice to the lender, that the funds have been returned on his or her behalf.
- Post-Withdrawal Disbursements are determined through the use of the 'R2T4' form and the 'Post-Withdrawal Disbursements Tracking Sheet' provided by the U.S. Department of Education. Title IV grant funds must be distributed within 45 days of the date the school determined the student withdrew. The disbursement of any loan funds requires the notification of the student within 30 days and acceptance by the student within 180 days of the withdrawal date determined by the school. Loans must be certified prior to withdrawal in order to be awarded.

Student Repayments Of The Overpayment (Unearned) Of Title IV Funds

The student is obligated to return any Title IV overpayment in the same order that is required for schools. The institution will notify the student within 30 days of withdrawal when he or she has received an overpayment of Title IV funds.

- In the notification the school will inform the student that: (1) The student owes an overpayment of Title IV funds. (2) The student's eligibility for additional Title IV funds will end if the student fails to take positive action by the 45th day following the date the school sent or was required to send notification to the student. (3) There are three positive actions a student can take to extend his or her eligibility for Title IV funds beyond 45 days; repay the overpayment in full to the school, sign a repayment agreement (maximum of 24 months), or the student may sign a repayment agreement with the Department.
- If the student fails to take positive action within the 45 day response period, the student's overpayment will be reported to the NSLDS and referred to the borrower Services for collection.
- Overpayments of less than \$50 are not subject to repayment.

FINANCIAL AID INFORMATION

School Code 010266

Financial aid programs at Randall University offer a variety of ways for almost every student to secure funds to attend college. The basic objective of financial aid programs is to provide assistance based on financial need. Financial aid consists of funds awarded to help meet a student's educational expenses. There are several types of aid offered at Randall University under federal and state programs. There are also a number of scholarships funded by the University, individuals, churches, and organizations.

Those who find financing their education a challenge should seek information from the Financial Aid Office about student aid available through the following programs:

GRANTS:

- Federal Pell Grants*
- Federal Supplemental Educational Opportunity Grant
- Oklahoma Higher Learning Access Program
- Oklahoma Tuition Aid Grant
- Oklahoma Tuition Equalization Grant
- Tribal Higher Education Grants
- Vocational Rehabilitation Grants

LOANS:

- Federal Stafford Loan
- Federal Parental Loan for Undergraduate Students (PLUS)

EMPLOYMENT:

- Federal College Work Study

*Note – Pell Grants may be received for students attending classes during a Summer semester if the student attempts the required number of credits based on their attendance from the previous Fall and Spring semesters. A student considered Full-Time during both the Fall and Spring semesters must attempt 6 credit hours for the Summer semester to be considered for the Pell Grant. Students attending less than Full-Time during the Fall and Spring semesters will be considered if they attempt 3 or more credit hours for the Summer semester.

Application for each program is made by first completing the Free Application for Federal Student Aid (FAFSA). The FAFSA application is available online at www.studentaid.gov. A student must:

- 1) complete the form, designating Randall University (010266) as an institution to receive the results.
- 2) complete a Funding Estimate through the Financial Aid Student Portal (Campus Ivy).
- 3) apply for loans, if desired, by completing a Master Promissory Note, Annual Loan Acknowledgement, and Entrance Counseling. Contact the RU Financial Aid Office for details or go to www.studentaid.gov.

Randall University will receive the results and will make a final determination of financial aid available to the student after receiving all requested documents.

Please note: Eligibility for institutional financial aid is dependent on Resident Cumulative GPA while federal and

state financial aid is dependent on Overall Cumulative GPA. Failing classes may cause a student to lose eligibility for financial aid.

PREFERENCE DATES FOR APPLICATIONS

- | | |
|------------|---|
| March 1 | Full academic year
(or fall semester only) |
| October 15 | Spring semester |

Because of the limited amount of funds in all aid programs, students applying by the mentioned dates will be given first preference. Applicants submitting any required documents after these dates will be considered only as funds are available.

VERIFICATION

To ensure fair and accurate awarding of Title IV funds, federal financial aid regulations require that Randall University complete the verification process on all selected applicants or a minimum of 30% of its financial aid applicant pool. This verification process is required by the Department of Education. Randall University carries out the verification process as required by the Department of Education. Other applicants will be selected on a case by case basis if deemed necessary for accurate processing.

If you are selected for verification, you will be notified by our Financial Aid Student Portal with instructions outlining the forms and documents you will need to submit. The required forms can be printed from our Randall University Financial Aid Student Portal website. Forms may also be available in the Financial Aid Office on the Randall University campus.

Once you are aware that you have been selected for verification, you will need to complete the forms as soon as possible and return them, along with all other required documents, to the Randall University Financial Aid Office or upload directly to the Financial Aid Student Portal website. We strongly recommend that verification forms and additional required documents be submitted no later than June 30 of the new award year. Failure to meet this deadline may delay the processing of the application and possibly reduce the amount of aid that is available.

FINANCIAL AID SATISFACTORY ACADEMIC PROGRESS REQUIREMENTS

To be eligible to receive financial aid, a student must demonstrate satisfactory academic progress as presented in the Randall University SAP policy. The student's entire academic record, whether receiving aid for each term of attendance, or not, must be reviewed to determine if a student meets Satisfactory Academic Progress policy standards. Final award determinations cannot be made until all final official transcripts are received by the Admissions Office for all transfer credits attempted. This policy is based

on requirements set in place by the US Department of Education, the Oklahoma State Regents for Higher Education, and the academic standards of Randall University. Please note that the financial aid community defines suspension and probation differently than the academic community. Financial aid awarded by the Randall University Financial Aid Office is affected by this SAP policy.

Students with identified learning disabilities would be best served by making it known to their academic advisor upon initial enrollment in order to be supported from the beginning of their academic career.

Undergraduate GPA (Qualitative Measure) Requirements:

- First-year students must earn a minimum 1.80 Cumulative GPA,
- Second-year students must earn a minimum 2.0 Cumulative GPA,
- Remaining years students must maintain a minimum 2.0 Cumulative GPA.

Undergraduate Credit Hour Requirements:

- Students must enroll in at least 12 credit hours per semester (or 24 credit hours for the year-Fall/Spring), if amount of aid received is based on full-time enrollment.
- Students must enroll in at least 9 credit hours per semester (or 18 hours for the year-Fall/Spring), if amount of aid received is based on three-quarter-time enrollment.
- Students must enroll in at least 6 credit hours per semester (or 12 hours for the year-Fall/Spring), if amount of aid received is based on half-time enrollment.
- Student must enroll in at least 3 credit hours per semester (or 6 hours for the year-Fall/Spring), if amount of aid received is based on quarter-time enrollment. Enrollment at this level makes a student ineligible for student loans.

Undergraduate Completion Rate (Quantitative Measure) and Maximum Time Frame Requirements:

- Students must earn no less than 68% of the attempted credit hours.
- Students must complete their degree program within 150% of the credit hours normally required to complete the degree program as published in the catalog for all Associates and Bachelors programs.
- At the evaluation point in which it becomes apparent that it is mathematically impossible for the degree to be completed within the maximum time frame, the student is no longer eligible for financial aid at that point.

The following charts are an example of the minimum progression requirement for most degrees offered at Randall

University. If a student is in a degree program which requires more than the typical amount of earned credits the progression will be calculated accordingly.

Associate’s Degree Minimum Progression Chart

Year	Hours Attempted	Minimum Earned
One	24	17
Two	48	33
Three	72	49
Four	96	64

Bachelor’s Degree Minimum Progression Chart

Year	Hours Attempted	Minimum Earned
One	24	17
Two	48	33
Three	72	49
Four	96	64
Five	120	82
Six	144	98
Seven	168	115
Eight	192	130

Once a student has earned a Bachelor’s Degree, they are no longer eligible for federal or state grant aid. They may still receive loans if they have not reached the lifetime aggregate limit for their enrollment status. However, they must still meet the Satisfactory Academic Progress policy requirements in order to remain eligible.

Masters GPA (Qualitative Measure) Requirements:

1. MA- Minimum GPA 3.0
2. MPA-Minimum GPA 3.0

Masters Credit Hour Requirements:

- MA and MPA students are considered as full time with 9 credit hours attempted each semester.
- 1. MA and MPA students must be enrolled in at least 6 hours (half time) within each semester to be eligible for federal student loans.
- 2. Since the Master’s degree programs are offered in a modular format, the student must have started the second 3 hour course in a semester in order to have loan funds disbursed for that semester.

Masters Completion Rate (Quantitative Measure) and Maximum Time Frame Requirements:

- MA and MPA students must earn no less than 68% of the attempted credit hours.
- MA and MPA students must complete their degree program within 150% of the credit hours normally required to complete the degree program as published in the catalog for all MA and MPA programs.

- At the evaluation point in which it becomes apparent that it is mathematically impossible for the degree to be completed within the maximum time frame the student is no longer eligible for financial aid at that point.

The following chart is an example of the minimum progression requirement for most Master’s level degrees offered at Randall University. If a student is in a degree program which requires more than the typical amount of earned credits, the progression will be calculated accordingly.

Master’s Degree Minimum Progression Chart

Year	Hours Attempted	Minimum Earned
One	18	12
Two	36	24
Three	54	37
Four	72	49

Grades Used in Determining Satisfactory Academic Progress

Earned Credit Hours: Completed courses with a grade of A, B, C, D, S, P, and CR will be counted toward Satisfactory Academic Progress calculations as credit hours earned.

Attempted Credit Hours: Grades of A, B, C, D, S, P, CR, I, W, X, F, U, NG, NP and AW all count toward Satisfactory Academic Progress calculations as credit hours attempted.

Academic Variables That May Affect Your SAP Status

Incomplete grades, missing grades, failing grades, course withdrawals: Courses with these grade designations all reduce a student’s Completion Rate ratio, because they are counted as attempted, but not earned credits. They also count in the calculation of the Maximum Time Frame measure of 150%. Incomplete grades and missing grades will all count as “F” in the GPA calculation at the time of SAP evaluation at the end of each academic year, which may result in a suspension status until any issues are resolved.

Remedial (Supplemental Academic Instruction) Courses (SAI): Initially courses with a “0” level designation are all included in the calculations of GPA and Completion Rate for SAP purposes. As the student establishes an academic record beyond remedial course work, these courses will drop out of the calculation as they do not count toward the graduation GPA. Remedial courses (SAI) are not included in the Maximum Time Frame calculation for SAP evaluation. A student can be enrolled in up to 30 credit hours of “0” level courses and be considered as enrolled full time for financial aid eligibility, as long they are officially accepted into an aid eligible degree program. Successful completion of remedial courses is required in order to continue with the degree program and maintain financial aid eligibility. Any grade less than a “C” is not considered successful completion for remedial courses.

Transfer Credits: Students who have attended other colleges and universities are required to submit academic transcripts

for all previously attempted coursework, even if no credits were earned. These transcripts are to be submitted to the Admissions Office and will be transcribed by the Registrar’s Office as part of the student’s permanent record. Once transfer credits are recorded, the Financial Aid Office will perform an SAP evaluation to determine if the student is eligible for financial aid. For SAP purposes, only transferred credits that apply to the current degree program will be included in the Completion Rate and Maximum Time Frame elements of the evaluation.

The exclusion of credits that do not apply to the current degree will be limited to a onetime review upon entering a degree program at Randall University. Any subsequent degree changes will not warrant a new degree review and all coursework after the initial degree review will count for SAP evaluation. Multiple degree changes may cause a student to reach the Maximum Time Frame limit thus causing them to lose eligibility before earning a degree.

Changes in Major, Double Majors and Minors: Students who change majors will have an SAP evaluation performed at the time of the change. Only previous coursework that applies to the new major will be considered for SAP Completion Rate and Maximum Time Frame elements. The exclusion of credits that do not apply to the new degree is limited to a onetime review upon entering the new degree program. Any subsequent degree changes will not warrant a new degree review and all coursework after the initial degree review will count for SAP evaluation. Multiple degree changes may cause a student to reach the Maximum Time Frame limit thus causing them to lose eligibility before earning a degree.

Students who are planning to pursue a double major or pursue a dual degree should carefully plan their academic course work with their academic adviser, to ensure that they remain eligible for financial aid. The best approach is to make sure to complete the requirements for both majors/degrees simultaneously in the same semester. Once the requirements for one major/degree have been satisfied the student will no longer be eligible for grant aid. Loans may still be available if a student has not met their lifetime aggregate loan limit.

Provisional Admittance: Students who are accepted conditionally into an eligible degree program due to late submission of documents, low test scores, or low transfer GPAs will be eligible for financial aid for one semester. At the close of that semester an SAP evaluation will be performed. If, at that point, the student has provided the required documentation and/or has proven their ability to receive acceptable grades in their degree program coursework, they will remain eligible for financial aid. Students with low incoming GPAs will continue to receive aid in probation status as long as they are making acceptable progress toward their degree and can reach the required Cumulative GPA within the Maximum Time Frame. If deemed necessary, a student may be placed on an Academic Plan to ensure that they achieve the minimum Cumulative GPA in order to graduate within the Maximum Time Frame. If the student is not making progress toward their degree, they will be placed on suspension and have the opportunity to appeal.

Repeated Courses: The US Department of Education allows for a previously passed course to be repeated, for the purpose of improving the grade, only once per previously passed course, and have it count as eligible for aid as part of a full-time enrollment status. For example, a student enrolled in 12 hours with one 3 credit hour course being a repeat of a previously passed course, would be eligible for aid based on full time status. If that same course is repeated again as part of a subsequent 12-hour semester, the student would only be considered for aid at a three-quarter time rate for that semester. For this purpose, “passed” means any grade higher than an “F”. These repeated courses all count as attempted credit hours each time they are retaken, but only count as earned credits once. Therefore, they will reduce the student’s Completion Rate ratio and count toward the calculation of the Maximum Time Frame measure of 150%. If the student withdraws from that repeat course it will not count as the “one” allowed repeat of a previously passed class, but will count as attempted and not earned. Using this option too often may result in failure to meet SAP resulting in Suspension from aid.

(See the ‘Repeat Courses’ policy in the Academic Section of the Catalog for how repeats are counted for retention/graduation GPA purposes as it is different from this Financial Aid Policy).

Repeating courses that were previously failed will always count as part of a full-time enrollment status for aid eligibility and will always count in the calculations for GPA, Completion Rate, and Maximum Time Frame measure. Having to repeat a high number of courses may result in failure to meet Satisfactory Academic Progress and a suspension of aid as explained in this policy.

Late Posted Grades or Grade Changes: A student who has appealed for a grade change will be required to submit a written request to have SAP recalculated after it has been confirmed that the Registrar’s Office has posted the approved grade change to their transcript.

Audited Courses: Courses taken as audits never count in the SAP calculations. Also, they do not count toward hours attempted for enrollment status determination.

Second Bachelor's Degree Students: Students enrolled in a second bachelor's degree program are required to submit a Credit Summary and letter signed by an academic advisor which states how many hours and (projected) semesters are required to complete the second degree. These students are NOT eligible for Grant aid but may still receive loan funds if they have not reached their lifetime aggregate loan limit.

Students Not Eligible for Financial Aid:

1. Unclassified or Special non-degree seeking Students
2. Correspondence Classes
3. High school students taking courses while concurrently enrolled in high school

Suspension, Probation, Reinstatement, and Academic Plans

NOTE: Financial Aid suspension and probation are separate and apart from academic probation and suspension as defined by the college academic community.

All applicants for financial aid will undergo an SAP evaluation at the end of each **Spring Semester** to determine the status of their academic progress. Each student will fall into one of these categories:

1) Good Standing: Status of a student making satisfactory academic progress in all elements of the SAP policy. Student receives financial aid, if otherwise eligible, according to Department of Ed standards. To maintain Good Standing status, a student must meet the minimum GPA and Completion Rate requirements at the end of each Spring Semester according to the policy stated above.

2) Financial Aid Suspension: Status of a student who fails to achieve the minimum GPA and/or Completion Rate elements of this Satisfactory Academic Progress policy or it has been deemed mathematically impossible for the student to earn their degree within the Maximum Time Frame. A student is not eligible to receive any financial aid, including loans, because he or she has failed to meet academic standards. A student placed on Financial Aid Suspension has the opportunity to appeal the loss of their Financial Aid eligibility.

A student placed on Financial Aid Suspension will receive a notification letter sent through their University email account and be offered an opportunity to appeal to the Financial Aid SAP Committee.

Students can initiate the appeals process in the Financial Aid Office by completing and submitting a Financial Aid Suspension Appeal Form with any requested supporting documentation. SAP appeals will be considered on a case-by-case basis where extenuating circumstances prevented the student from meeting the SAP requirements. Documentation of the circumstances and an explanation of how the student’s circumstances have changed to now enable them to meet the probationary terms is required. Appeals must be typed and must include an explanation from the student and one other person such as a doctor, clergy, family friend or someone outside the immediate family who is familiar with the circumstances.

Appealable Circumstances: Circumstances that are unusual and clearly could impact a student’s ability to meet SAP standards will be considered. Examples: Death of an immediate family member, student illness or accident that limits the student’s ability to attend classes, divorce, natural disaster directly impacting the student, medical issues of an immediate family member that requires the student’s care for an extended period of time.

3) Financial Aid Probation: If an appeal is granted, the student will be placed on Probation and an Academic Plan if deemed necessary. The student remains eligible for one payment period and will have an SAP evaluation at the end

of that payment period. If the student is not meeting SAP or the requirements of their Academic Plan at that point, they will again be placed on Financial Aid Suspension. If the student feels that extenuating circumstances have again limited their ability to meet SAP, they may appeal again.

4) Reinstatement of Financial Aid Eligibility: A student who has been placed on Financial Aid Suspension and chooses not to appeal or an appeal is denied, yet continues to be enrolled at their own expense, will be reinstated to eligibility for financial aid once they meet the requirements for Satisfactory Academic Progress.

5) Hold for Grades means if an aid application for the upcoming year is received before the end of the current Spring term, it will be held until Spring grades are reviewed. Students who fall into this category are:

- Students who were on financial aid probation for the current year.
- Students who were in good standing but did not meet the minimum GPA requirements after the current fall semester.

"Hold for Grades" students will be notified, after spring grades are reviewed, if they are suspended. Students found to be in good standing or placed on probation will be notified. These students may lose funds from the following programs; Tuition Waivers, Federal SEOG, and Federal Work-Study because those funds had been awarded to other eligible students before Spring grades were available.

GRANTS

Federal and State grants are available to qualified students having substantial financial need.

Federal Pell Grants

Federal Pell Grants are awarded to eligible under-graduate students who show financial need based on a standard formula. Funding is determined by the FAFSA.

Federal Supplemental Educational Opportunity Grant (SEOG).

SEOG awards are made to students who have exceptional need. Funding is limited and priority is given to students who receive a Federal Pell Grant.

OK Promise

OK Promise is a program administered by the Oklahoma State Regents for Higher Education. Students must apply and successfully complete this program during their high school attendance to be eligible. It will cover a portion of tuition at an accredited private college or university. OHLAP does not cover items such as required fees, books, supplies, or room and board.

Oklahoma Tuition Aid Grants (OTAG)

OTAG is a state grant administered by the Oklahoma State Regents for Higher Education. Students will receive an award letter from OTAG when it is determined that they are eligible. OTAG monies are disbursed by Randall University to

students' accounts. A student must be enrolled in a minimum of 6 hours to receive OTAG.

Oklahoma Tuition Equalization Grant (OTEG)

OTEG is a need-based grant program for Oklahoma residents enrolled as full-time undergraduates at Oklahoma not-for-profit, private, or independent institutions of higher education. This is a state grant administered by the Oklahoma State Regents for Higher Education.

Tribal Higher Education Grants

Tribal Higher Education Grants are available for Native American students and are funded by each individual tribe. Please apply early to the appropriate tribal agency.

Vocational Rehabilitation Grants

A student who has an employment handicap because of a physical or an emotional disability may apply for payment of tuition through the appropriate office of Rehabilitative Services Division of the Department of Human Services. In order to be eligible for this assistance, the handicap must be medically established, and the student's vocational objective must be approved by the appropriate counselor of the division.

LOANS

Federal Direct Stafford Loan Program

(Subsidized and Unsubsidized)

These loans are low interest loans made to a student by the Federal Government to help pay for the student's education after high school. The Subsidized loan is need based and eligibility is determined by the FAFSA and other aid awards. Maximum loan amount for a qualifying freshman is \$5500; sophomore is \$6500; junior or senior is \$7500. Students wishing to accept these loans must complete a Master Promissory Note and Entrance Counseling at www.studentaid.gov.

PLUS (PARENT LOAN FOR UNDERGRADUATE STUDENT) LOANS

PLUS loans are for parents who want to borrow to help pay for their children's education. PLUS loans provide additional funds for educational expense and are made by the Federal Government. Repayment normally begins 60 days after the last loan disbursement. PLUS Loans are credit based. If the application is denied, the student's Unsubsidized loan eligibility will increase.

STUDENT EMPLOYMENT

Students who demonstrate a need may be eligible for assistance through the work study program. Students are employed in various fields such as food services, grounds, building maintenance, and secretarial. Students normally work from 5 to 20 hours per week.

VETERANS BENEFITS

Randall University is accredited by the Oklahoma State Approving Agency to the Veterans Administration (VA) as an approved training institution. Certain veterans or service personnel, plus eligible dependents or survivors of same,

may qualify for federally enacted education benefits. The Registrars and Admissions Offices offers assistance and information on available programs, applications for benefits, admissions, enrollments, academic goals, career guidance, and special tutorial and financial benefits.

Per Title 38 CFR 21.4253,21.4254, and 41.4263, VA law requires that every new student interested in utilizing VA Education benefits provide Randall University with all prior transfer courses, credits, and previous military or civilian training and experience for evaluation and review as appropriate for the student's declared degree program. This includes military transcripts. All transcripts must be official and should be given to Randall University on or before the first day of class. A grace period of 5 weeks will be granted. After that time, Randall University will terminate benefits if required transcripts are not received. Randall University will evaluate these records and, when possible, grant appropriate credit for previous education and/or training, shorten the length of the training program, and notify the student regarding the amount of credit being granted for previous training. After the evaluation is completed, the student will be provided with a summary of the results.

To begin receiving payments for attendance, students must contact the Admissions and Registrars Offices and initiate the required documents. Students either making initial use of their educational benefits or re-applying after an interruption of at least one term can expect beginning VA payments as follows:

1. Request for advance payment (to be received by start of term) must be made with the Veteran Coordinator no less than thirty days prior to start of term.
2. Regular payments can be expected to start approximately eight weeks after term begins.

VA policy precludes pay for courses previously taken for credit and courses not leading to a degree. Additionally, if a student reduces his/her course enrollment after the initial certification at the start of the semester, VA may (based on the revised enrollment) require repayment of monies paid for that semester.

Leave of Absence

VA education benefits will be terminated while VA student is on a leave of absence for military service.

Title 38 Refund Policy for Veterans

Randall University has and maintains a refund policy for veterans, and other eligible persons, enrolled under the provisions of Title 38, that provides a refund for the unused portion of tuition, in the event the Title 38 student fails to enter the course, withdraws, or is discontinued at any time prior to completion. Such policy provides that the amount charged to the Title 38 student for tuition for a portion of the course shall not exceed the approximate pro-rata portion of the total charges for tuition that the length of the completed portion of the course bears to its total length. An amount not in excess of ten dollars (\$10.00) for an established registration fee is not subject to refund or pro-ration.

Refunds must be completed within 40 days per Code of Federal Regulation (CFR) 21.4255. University guidelines regarding withdrawals and refunds are included in the College Costs & Business Information section of the catalog.

SCHOLARSHIPS – MOORE CAMPUS

APPLICATION AND AWARD INFORMATION

The Scholarship Committee will begin awarding scholarships in March. All scholarship applications received by March 1 will be reviewed first. Awards will only be made to students who have been admitted. Some of our scholarships have limited funds and will be given as students apply and qualify. In order to have the greatest opportunity to receive scholarships, a student should have completed his/her admissions file and financial aid application by March 1. Scholarship awards are final and may not be traded. Any combination of scholarships cannot exceed the cost of tuition. All scholarships awarded are contingent upon satisfactory completion of the semester and the availability of funds; early withdrawal will result in the loss of scholarships awarded and recalculation of the student's account. Exceptions to any of the guidelines must be approved by the Administrative Committee.

Randall University has clarified that all in-house scholarships are general in nature and will not be restricted for use against tuition charges only. These scholarships will not be reported as reductions to the tuition charges of students filing for VA educational benefits.

These scholarships apply to On-Campus and Online courses of Randall University – Moore Campus (including Online and Professional Studies programs). Partnership Scholarships are awarded from and by the various partnerships and teaching sites. Please note that any institutional scholarship(s) and/or grant(s) may be revoked at any time by Randall University for any reason.

FRESHMAN SCHOLARSHIPS

These scholarships only apply to incoming freshmen. Students transferring in concurrent work or less than 24 hours of college work are considered incoming freshmen.

2022-2023 PROVISIONAL SCHOLARSHIP PROCEDURES

Randall University's current scholarship procedure awards freshmen ACT Merit scholarships based on student ACT scores and high school GPA.

The granting of these ACT Merit scholarships will be based on the following ACT/ SAT scores. Given the unique circumstances of COVID-19, including test center cancellations, if the student has been **unable** to take the ACT/SAT, then high school GPA will be used as a quantitative metric.

	ACT	High School GPA*
O'Donnell Scholarship	30 or higher	3.9 or higher
President's Scholarship	26-29	3.6-3.89
Dean's Scholarship	23-25	3.3-3.59
Faculty Scholarship	20-22	3.0-3.29

**Provisional for the 2022-2023 academic year*

GENERAL INSTITUTIONAL SCHOLARSHIPS

Departmental Scholarships

This scholarship is awarded to students by the various degree programs. Applications can be completed online or through the Admissions office or with the directors of each degree program. The scholarships vary in value from \$800 to \$5,000 per year. These scholarships are limited, therefore early application is encouraged. While Departmental Scholarships are renewed each semester as long as the student maintains requirements, including GPA (vary by department) awarded amounts may vary by academic year. Departmental Scholarships are available to students seeking either a Bachelor or Associate degree.

Dr. Thomas L. Marberry Christian Ministry Scholarship

Any student in the School of Christian Ministry is eligible to apply for the Marberry Christian Ministry Scholarship. Each student applying must complete the appropriate application and undergo a formal interview with delegated individuals from the Christian Ministry Department. This scholarship is awarded to such students who have evidenced a clear calling upon their lives to Christian ministry and exemplify obedience to that calling. Detailed requirements related to this scholarship are available from the School of Christian Ministry or the Financial Aid Office. Renewal of the scholarship is not guaranteed.

This is (up to the value of) a full-tuition scholarship for a student that is seeking a Christian Ministry degree. Applied to a maximum of 17 credit hours per semester. Student must maintain a cumulative resident GPA of 3.0 or higher. Student must fulfill all state and federal financial aid filings and meet all verification requirements. Also, the student will be required to represent Randall in five, non-stipend ministry events for each semester of enrollment (must be approved and assigned by designated individuals from the School of Christian Ministry). This scholarship is exclusive to all other

scholarships at Randall and is not stackable with other institutional scholarships and does not include books, fees, room, or board. This scholarship will be posted after all state and federal aid and/or VA or other educational benefits (including any scholarships) and will be reduced so that a student does not receive a refund (Loans will be excluded from this reduction process). Students will receive refunds that are caused due to loans. Any student who has received this scholarship (for a period of 60 credit hours or more) and changes to a non-Christian Ministry degree plan will forfeit any future institutional aid.

Free Will Baptist Student Scholarship

This scholarship is awarded to a student who has a church membership endorsement/certification from an affiliated Free Will Baptist Church. Student must fulfill all state and federal financial aid filings and meet all verification requirements. Student must maintain a Cumulative Resident GPA of 2.0 and enroll in a minimum of 12 hours per semester. The amount of the scholarship is \$1,000 per semester.

Free Will Baptist Minister Scholarship

This scholarship is awarded to undergraduate students who are ministers employed in a Free Will Baptist Church or their children (age 30 or younger; married or single). The amount of this scholarship is \$2,000 per year. The student must enroll in a minimum of 12 hours per semester and maintain a Cumulative Resident GPA of 2.5. (Students may receive either the Legacy Scholarship or the Free Will Baptist Minister Scholarship but not both scholarships during the same semester.)

International Scholarship

The International Student Scholarship is designed for those students from countries outside the United States who wish to attend Randall University and do not qualify for federal or state aid from the United States or any of its states or territories. The amount of this scholarship varies (maximum \$3000 per semester). Student must meet one (1) of the following criteria to be considered for this scholarship.

- Have an F-1 (Student) Visa and remain "in-status" during their time at Randall.
- Be currently covered under DACA requirements and submit an Affidavit of Intent form and DACA Eligibility Requirement Guidelines form, or
- Be currently DACA eligible and submit an Affidavit of Intent Form and DACA Eligibility Requirement Guidelines form.

All necessary Admissions documents must be fulfilled before the scholarship will be considered for awarding. Student must maintain "Full-Time" status for all semesters (Fall and/or Spring) and will forfeit the scholarship if they are not enrolled (at a minimum "Full-Time") for a period of no more than 3 months. Student shall maintain a Cumulative Resident GPA and semester GPA of 2.5 to receive the scholarship. Student shall be considered as an "Main-Campus" student. Any student failing to meet any of these requirements may be placed on probation or be stripped of receiving this scholarship. This scholarship may (potentially) be "stacked"

with other institutional scholarships, except for the Christian Ministry Tuition Scholarship.

Legacy Scholarship

This scholarship is awarded to the child or grandchild of a Hillsdale/Randall University alumnus or the child of a parent who is employed as a minister. The amount of this scholarship is \$800 per year. The student must enroll in a minimum of 12 hours per semester and maintain a Cumulative Resident GPA of 2.5. (Students may receive either the Legacy Scholarship or the Free Will Baptist Minister Scholarship but not both scholarships during the same semester.)

Refer-A-Saint Scholarship

The Refer-A-Saint Scholarship is a recruitment scholarship available to any new freshman or undergraduate transfer student. The amount of this scholarship is \$1,000 (\$500 per semester; only available first year). The student must enroll in a minimum of 12 hours per semester for their first full Academic Year.

National Youth Conference Competitive Activities Scholarship

Scholarships are awarded at the NYC Competition to all High School individual winners and all High School Bible winners. The amount that is awarded will vary from year to year. No recipient may receive more than one award in any given year. The scholarship can be used for multiple years as long as a Cumulative Resident 3.0 GPA is maintained. A student may only use one NYC scholarship per year at Randall University regardless of how many they receive.

Moore Community Scholarship

This scholarship is awarded to students who are graduates of Moore Public Schools or were residents of Moore prior to enrollment at Randall University. The student must maintain a minimum of 2.5 Cumulative Resident GPA. The amount of the scholarship is \$1000 per year.

NEED-BASED SCHOLARSHIPS

Randall University offers a variety of need-based scholarships which are designed to assist students in completing degrees. In order to receive these, the student must first apply for financial aid available through federal and state programs. Need-Based scholarships will not be awarded until the full amount of state and federal aid has been exhausted. Any scholarship funds provided by churches, associations, and other organizations will also be taken into consideration in determining the student's financial aid package.

A student's financial aid package may not exceed the amount of financial need demonstrated, and all Randall University scholarship funds must be applied to the student's account. In accordance with federal regulations, the student will not be over-awarded (financial assistance which exceeds the calculated need). Because a limited amount of funds is available, early application is suggested.

Students receiving need scholarships must enroll in at least 12 hours each semester, maintain a Cumulative Resident GPA of 2.5, and be making satisfactory progress toward a degree. If the Cumulative Resident GPA falls below 2.5, the scholarship will be canceled. If the Cumulative Resident GPA rises above 2.5 at a later time, the student may reapply and the scholarship will be restored if funds are available. It is the student's responsibility to reapply.

Randall University Job Program

Under the Randall University Job Program, students with demonstrated financial need will be allowed to apply for campus jobs. If hired for a campus job, the student's hourly wages (limited to \$1,000 each semester) will be applied to his or her account.

ASSISTANCE SCHOLARSHIPS

Church Tuition Assistance Program

Awards of \$300 per semester are given to students based on the willingness of their home church to assist them in obtaining a Randall University degree. Randall University will match the amount given by the student's home church up to a maximum of \$300 per semester. Students must maintain a 2.0 Cumulative Resident GPA for continued eligibility.

GENERAL SCHOLARSHIPS

General scholarships are awarded only in the Spring Semester. Students must complete a separate application during the Fall Semester to be considered for a General Scholarship. All applicants must attend Randall University a minimum of one semester before a scholarship can be awarded. Student must be enrolled full time and maintain GPA standards specific to each scholarship. Applications will be made available in the Financial Aid Office in November each year.

Prospective students who have not been attending a Higher Education Institution for a period of a year (or longer) may be considered for a potential scholarship(s) as approved by the Scholarship Committee of Randall University.

STUDENT LIFE

CAMPUS LIFE

Academic excellence and spiritual vigor combine to develop the total person. Emphasis on the personal relationship of the individual student with God forms the basis upon which a full and satisfying life can be built. This same emphasis places in proper perspective all of learning as well as all of life. Class discussions, Bible and missionary conferences, days of prayer, dormitory devotions, and chapel stimulate each student to seek God's will for his/her life. This spiritual emphasis provides the help needed to develop spiritual maturity. The guidelines outlined in the Student Handbook also seek to foster spiritual growth and development. The spiritual emphasis has one additional advantage: it improves the quality of all learning.

NOTIFICATION OF PARENTS

As a matter of Biblical principle, the University believes that the parent or legal guardian of the student should be involved in the student's educational program. At the same time, the University seeks to protect the privacy of the student as guaranteed by the Family Education and Privacy Act of 1974, as amended. The following policies will apply:

1. The University will provide information concerning violations of Federal, State or local law, or any rule or policy of the University governing the use or possession of alcohol or a controlled substance to the parent or legal guardian of single students who have not yet attained the age of 21 years, provided that the student is legally dependent upon the parent or legal guardian.
2. Students who are married, 21 or older, or who are legally independent may request in writing that information be provided to parents or guardians.

FACILITIES FOR THE PHYSICALLY HANDICAPPED

The Bill J. and Alma Lou Barber Conference Center, the Hull Library/Classroom Building, most faculty offices, Oller Science Lab, and cafeteria of the University are accessible to persons who are handicapped. The University is in the process of implementing a master plan for compliance with the Americans with Disabilities Act.

REASONABLE ACCOMMODATION POLICY

Randall University provides reasonable accommodations to qualified individuals with disabilities. Quality of learning is a priority at Randall University and reasonable accommodations are used to enhance the students' learning opportunities. Changes in the teaching techniques occur continuously as instructors discover new ways to meet the needs of students with disabilities. The term "reasonable accommodation" is used in a general sense in this policy to apply to students, employees, and visitors. Reasonable Accommodations should not pose an unnecessary hardship on the student, employee or the Institution.

It is in the best interest of the student to self- identify upon admittance to the University. However, qualified students may contact their instructor or the Academic Intervention Office at a later date if necessary. The student must self-identify as an individual with a disability and provide appropriate diagnostic documentation. The Academic Intervention Coordinator will assess the impact of the disability on the student's academic program and make recommendations in a confidential communication to that student's instructors. All diagnostic information is confidential and therefore communications can only be sent with the signed consent of the student.

Individuals who have complaints alleging discriminations may file their complaint with the Dean of Students.

CHAPEL AND COMMUNITY SERVICE

Randall University, a Christian institution, requires chapel attendance of all full-time students. Worship and messages are brought by faculty, students, and visiting speakers. Programs and announcements are presented as well. Community Service participation is required of all students. A passing chapel grade is a prerequisite for extracurricular activities, public relations traveling groups, intercollegiate sports, and any academic honors.

STUDENT CONDUCT

Active involvement in the local church is available to students. Visitation, teaching opportunities, evangelistic outreach, and other ministries enable the student to put into practice that which is only theory in the classroom. Service in community organizations and benevolent groups is encouraged as a part of Christian citizenship.

All students of the University are expected to maintain the highest standards of moral conduct and concern for the well-being and rights of their fellow students. Plagiarism and cheating are considered serious enough offenses to warrant a failing grade for any course in which they have been practiced; repeated offenses can result in the student's suspension or expulsion from the University. Gambling, homosexual activity, sexual activity outside of marriage, sexual harassment, the use or possession of alcoholic beverages, non-prescription narcotics and drugs, or hallucinogenic drugs, and use or possession of firearms or fireworks are expressly forbidden. Randall University is subject to State and Federal laws. Federally, Marijuana is still considered an illegal drug. Although medicinal marijuana is legal in Oklahoma, it is illegal federally. Regardless of whether a student has a prescription for medicinal marijuana, students are not allowed to use any type of marijuana (more than .3% THC). All Hemp derived products (.3% or less THC) are legal for personal use only; however, students, faculty and staff are not allowed to grow, manufacture, distribute or sell any part of the cannabis plant (regardless of the level of THC).

The only exception to this policy is in regards to students with prescriptions for Epidiolex oil.

The Student Handbook provides detailed statements of the University policies, procedures, and penalties relating to the campus citizenship. The handbook is provided free of charge to all enrolled students. Copies are available in the Student Service Office or the Office of Admissions.

STUDENT ORGANIZATIONS

Several student organizations function on the Randall University campus in order to give the students the opportunity to participate in a variety of different activities. One of the most important is the Student Government Association (SGA) which serves as liaison between the student body and the Randall University administration and faculty. The SGA is composed of representatives of the various classes and student organizations. During the school year it sponsors a variety of student activities.

The Fellowship of Christian Athletes (FCA) seeks to impact the world for Jesus Christ through the influence of athletes and coaches. The mission is to present athletes and coaches and all whom they influence with the challenge and adventure of serving Jesus Christ as Lord and Savior. The members strive to demonstrate steadfast commitment to Christ and His Word through integrity, service, team-work, excellence, and love. Membership is open to all Randall University students, but only athletes can occupy leadership positions.

CULTURAL DEVELOPMENT

Students are encouraged to participate in cultural experiences each semester through the University, civic presentations, or other area universities. These opportunities will be posted by the Student Affairs Office, and each full-time student is encouraged to attend at least two events during both the fall and spring semesters.

ACADEMIC GUIDANCE

Each student is oriented into the University schedule by means of evaluation tests and guidance on how to study and adapt to college life. Every student is assigned to a faculty advisor. The academic progress of the student is evaluated at mid-term and the student is advised of any unsatisfactory achievement. Individual counseling is available for students in regard to work, personal problems, religious experiences, or other matters.

ASSESSMENT

Determining to what extent students are actually benefiting from their experiences is vital in maintaining the accountability of both the faculty and the University. To this end, students will be required to participate in quantitative and qualitative measures of academic achievement. Fees will fund assessment activities (See the Assessment Plan Outline).

EXCEPTIONS TO POLICIES

Any exception to the policies in this Catalog must be addressed to the proper administrator: student affair issues to the Director of Student Affairs, financial issues to the Student's Account Office, and academic issues to the Academic Dean.

STUDENT RIGHT-TO-KNOW AND CAMPUS SECURITY ACT

Section 485(a)(1), 20 U.S.C. Section 1092
In compliance with Title I, the "Student Right-to-Know" act, information regarding graduation rates, is available in the Registrar's Office or visit www.ru.edu/gradrate.

The information contained in Title II, the "Campus Crime Awareness and Campus Security Act," requires higher education institutions to provide information regarding campus crime. This information is available in the office of the Director of Student Affairs or visit <https://ope.ed.gov/campusafety/#/institution/search> and search "Randall University" as the institution name.

If there is a crime to report students should contact the Resident Life Director immediately. The RLC will have the student complete a "Randall University crime report" and if need be contact the proper authorities. If the RLC is not available please contact the Dean of Students.

It is the policy of Randall University to update the statistics each year following the U.S. Department of Education reporting period during the fall semester.

PROCEDURES FOR THE RELEASE OF INFORMATION ABOUT STUDENTS

Information about students and former students gathered by Randall University is of two types: (1) directory, and (2) confidential. Any office gathering such information, and/or having custody of it, shall release it only in accordance with this policy.

When a student enters Randall University and furnishes data required for academic and personal records, there is an implicit and justifiable assumption of trust placed in the University as custodian of such information. This relationship continues with regard to any data subsequently generated during the student's enrollment.

While Randall University fully acknowledges the student's rights of privacy concerning this information, it also recognizes that certain information is part of the public record and may be released for legitimate purposes.

With these considerations in mind, the University adopts the following policy concerning the release of information contained in student records:

Directory Information: This is information which routinely appears in student directories and alumni publications and may be freely released. Upon written request by the student,

this information will be treated as confidential and released only with the student's written consent. Forms for withholding student "Directory Information" are available in the Office of Admissions and Records.

1. Name, current and permanent home addresses, telephone number, and e-mail addresses
2. College, major, and classification
3. Current enrollment status
4. Dates of attendance
5. Degrees and dates of graduation
6. College honors
7. Verification of student's participation in recognized student activities
8. Posting of individual student's grades (and interim class evaluations by code number)
9. Anticipated date of graduation based on completed hours
10. Weight and height of athletic team members
11. Photograph

Confidential Information: All other information contained in the student's educational record is considered confidential information and can be released only upon the written consent of the student. Exceptions as defined in the Family Educational Rights and Privacy Act of 1974 (see FERPA section), as amended, which waive prior student consent are covered in the section.

Confidential information shall only be transferred to a third party, however, on the condition that such party will not permit any other party to have access to the information without the written consent of the student.

Original credentials with which a student applies for admission or readmission to the University become the property of the University, are assembled in a permanent student folder, and are not released to anyone. The file contents are made available only to those persons properly authorized to receive confidential information and only in consultation with a professional staff member in the Office of Admissions and Records.

Although the permanent academic record is a cumulative record compiled by the student, the Registrar is the officer of the institution charged with the responsibility of its accuracy and safekeeping. Accordingly, the student folder and the permanent cumulative academic record are not available to anyone for removal from the Registrar's assigned depository.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

- (1) The right to inspect and review the student's education records within 45 days of the day the University receives a request for access.

Students should submit to the registrar, dean, head of the academic department, or other appropriate official,

written requests that identify the record(s) they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

- (2) The right to request the amendment of the student's education records that the student believes is inaccurate.

Students may ask the University to amend a record that they believe is inaccurate. They should write the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate.

If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his/her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

- (3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his/her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his/her professional responsibility.

Upon request, the University discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

- (4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by Randall University to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-4605

ATHLETIC AND MINISTRY TEAMS ELIGIBILITY

It is the intent of Randall University Athletics and Ministry Teams to “Equip Men and Women to Make a Difference.” Therefore, there are high expectations of those who desire to participate and represent Randall University in Athletics or Public Relations. Athletics and Ministry Teams at Randall University are a privilege. It is the goal of the Faculty and Staff to assist all students in being successful in the classroom. In addition to the low teacher-student ratios, the Academic Intervention Program is in place to give students every opportunity to succeed in the classroom. Therefore, there are high expectations of the athletes and ministry team members in the classroom. In order to be eligible to participate, a student-athlete or student-ministry team member must meet the following academic requirements:

- First Semester Freshman must obtain a 1.7 grade point average (GPA)
- Transfer students must possess at least a 2.0 cumulative GPA
- All other students must maintain at least a 2.0 cumulative GPA
- Any student not eligible will remain ineligible until posted grades raise the student’s cumulative GPA

Note: 0-level courses are not included in calculations for the student’s GPA.

Note: CHAPEL AND CHRISTIAN SERVICE FOR ATHLETES AND MINISTRY TEAMS

A passing chapel grade is a prerequisite for extracurricular activities, public relations traveling groups, intercollegiate sports, and any academic honors.

UNDERGRADUATE ACADEMIC INFORMATION

CLASSIFICATION OF STUDENTS

Freshmen: Students having fewer than 30 semester hours.
Sophomores: Students having at least 30 semester hours.
Juniors: Students having at least 60 semester hours.
Seniors: Students having at least 90 semester hours. (Senior status does not necessarily assure graduation with that class.)
Special: Students having a baccalaureate degree or those not wishing to pursue a degree program.

ACADEMIC PROGRESS

All students are expected to maintain a minimum Grade Point Average of 1.70 the first semester freshmen. For all succeeding semesters, students must maintain a minimum cumulative Grade Point Average of 2.0.

Step 1. Students who fail to maintain the minimum cumulative GPA will be placed on Academic Probation: limited semester enrollment (no more than 13 hours) and required to enroll in and to pass IDIS 1330 Strategies for Success.

Step 2. At the end of the next semester enrolled, one of the following will happen.

1. Students who raise their GPA to 2.0 or above will be taken off Academic Probation.
2. Failure to reach the 2.0 or above GPA following Academic Probation may result in either Academic Probation Continued or Academic Suspension. Students may only be on Academic Probation Continued for 2 consecutive terms before suspension.

Students who pass IDIS 1330 Strategies for Success and show an improvement in their cumulative GPA will be placed on Academic Probation Continued.

Students who fail to pass IDIS 1330 Strategies for Success or fail to show an improvement in their cumulative GPA will be Suspended.

Any student whose semester Grade Point Average fails below academic standards (while his/her Cumulative GPA remains within standards) will be warned by letter that failure to improve grades may result in substandard Cumulative GPA and formal notification on transcript of academic restrictions.

Any appeal of academic suspension will be referred to the Academic Affairs Committee of the University.

ACADEMIC INTERVENTION

Any student who is considered at risk academically may be placed in the Academic Intervention Program. The student will be mentored by an appointed faculty member and involved in the various academic helps available. A student who receives an 18 or below composite score on the ACT will be placed in the program as a condition for admittance.

CLASS ATTENDANCE

1. Regular, punctual class attendance is essential for the satisfactory completion of a course. The student is expected, therefore, to attend all sessions of the courses in which he/she is enrolled.
2. All absences are recorded and an absence does not excuse any student from any required work.
3. Students who are involved in extracurricular activities and/or public relations for the University may receive excused absences which entitle the student to make up any work missed. In order for an absence to be considered excused, the Activity Absence Form must be completed and presented to the instructor at least one class period prior to the absence. Excessive absences, even though they are excused, may affect the student's performance in the class.
4. Students are responsible for the content of any course in which they are officially enrolled. Individual instructors determine the degree that tardiness and absence from class affect students' grades. Instructors must detail those requirements and penalties in the class syllabus and receive approval for them from the Academic Dean. Students who exceed the number of absences or otherwise fail to meet attendance policies will experience the consequences outlined by the instructor in the course syllabus.
5. For online courses: Regular attendance in online courses is expected throughout the length of the term. Students who do not attend within the first week of an online course by submitting a required academic assignment (such as the Course Check-in Quiz, an examination, written paper, discussion board post, or other academic activity) will be dropped from the course. Students who wish to re-engage in the course are encouraged to contact their academic advisor to discuss enrollment options.

CREDIT HOUR DEFINITION

The University follows the credit hour policies established by the U.S. Department of Education and the Oklahoma State Regents for Higher Education. The credit hour reflects an amount of work represented in intended learning outcomes and verified by evidence of student achievement that is an institutionally established equivalency that reasonably approximates not less than one hour of classroom or direct faculty instruction and a minimum of two hours of out-of-class student work each week for approximately sixteen weeks.

One semester hour of academic credit is normally awarded for completion of a course meeting for 800 instructional minutes (50 minutes per week for sixteen weeks) exclusive of enrollment, orientation, and scheduled breaks. A semester includes one week devoted to final examinations. Students are also expected to devote two hours per week to out-of-class work for each hour of instructional time.

The terms “instructional minutes” and “instruction time” include classroom and direct faculty instruction whether presented in person or online. It also includes time devoted to tests and other evaluation procedures. Student out-of-class work includes assigned reading, studying, completion of assignments, worksheets, research, and other academic activities assigned or recommended by the instructor.

Most resident courses are offered on a sixteen week basis; some are offered on an eight week basis or in special formats. Such courses must involve the same amount of instructional time and student work as are required in sixteen week classes. Eight week classes require 800 instructional minutes and 32 hours of out-of-class student work for each hour of academic credit.

Laboratory credit normally includes 100 minutes per week of laboratory instruction.

Online classes include 800 instructional minutes for each hour of academic credit. The use of instructional methods such as quizzes, examinations, discussion boards, audio lectures, video lectures, power-point presentations, chats, and other instructional activities are considered instructional time. Students are expected to invest two hours of out-of-class work for each 50 minutes of instructional time. Additionally, instructor meets TRACS requirement for regular and substantive interaction within their online (distance education) course by providing opportunities for students to interact with the content, their peers, and their instructor by electronic means. Compliance to document *regular and substantive interaction between the students and instructor* in distance education (online) courses is set by federal requirements of Randall’s accrediting agency, Transnational Association of Christian Colleges and Schools (TRACS), and the Department of Education (DOE).

ENROLLMENT GUIDELINES FOR ONLINE COURSES

Online courses may be a dynamic way to learn but may not be the best choice for everyone. The following guidelines attempt to maximize the learning experience for all students:

- A student must have a 2.0 cumulative GPA in order to enroll in any online class.
- Students must complete IDIS 1120 Online Orientation before beginning their first Randall University online course.
- Dormitory students must maintain a minimum of 9 in-class credit hours to supplement their online enrollment. See Student Handbook for further information.
- Athletes may take a maximum of 6 credit hours of online courses in any semester in which they have regularly scheduled games (excluding scrimmages, off-season workouts, exhibitions, etc.).
- Academic Advisors will review their advisees online course performance and advise accordingly.
- Financial Aid and VA services will conduct in-depth reviews of relevant students’ performance to determine if continued enrollment in online classes is recommended and/or allowed.

- The Academic Dean may, at his/her prerogative, exclude any student from taking online classes based on the student’s performance in previous online courses.
- Students may appeal for exceptions to this policy with the Academic Dean.

ACADEMIC DISHONESTY

Guiding Principle: No Randall University student shall commit any act of academic dishonesty in order to advance his/her own academic performance or to impede or advance the academic progress of others.

Academic dishonesty in any form will not be tolerated by the University community. This specifically includes cheating, plagiarism (including copying from the internet), fabrication, fraud, destruction of property, and bribery or intimidation, as well as assisting others or attempting to engage in such acts. When the instructor has evidence indicating that an act of academic dishonesty has occurred, the instructor should complete an Academic Dishonesty Documentation Form and submit it with the supporting documentation to the Academic Dean.

If the instructor determines that academic dishonesty has occurred, the instructor has the authority to administer either of the following:

1. Record a “zero” for the assignment or test in question.
2. Assign a grade of “F” for the course.

The student has the right to appeal to the Academic Dean and to present evidence on his/her behalf. This appeal should be filed within 48 hours of the time when the student receives the instructor’s decision. The Academic Dean will notify the student of the decision.

In cases of extreme or repeated incidents of academic dishonesty, the Academic Dean has the authority to determine appropriate punishment. This may include suspension or expulsion from the University. The Academic Dean may form a faculty committee to investigate and make recommendations concerning disciplinary action to be taken.

FRAUDULENT TRANSCRIPTS AND DIPLOMAS

Upon verification of a fraudulent transcript or diploma, a certified letter will be sent to the student stating that a disciplinary hold has been placed on the individual’s records prohibiting future enrollments. A notation of academic dishonesty will be added to the student’s transcript, and transcripts will only be sent to a university or agency, but not directly to the student.

REPEAT/FORGIVEN COURSES

A student shall have the prerogative to repeat courses and have only the second grade earned, even if it is lower than the first grade, count in the calculation of the retention/graduation GPA, up to a maximum of four courses, but not to exceed 18 hours, in the courses in which the original grade earned was a “D” or “F”. Both attempts shall

be recorded on the transcript with the earned grade for each listed in the semester earned. If a student repeats an individual course more than once, all grades earned, with the exception of the first, are used to calculate the retention/graduation GPA. Students repeating courses above the first four courses or 18 credit hours of "D" or "F" repeated may do so with the original grades and repeat grades averaged. Forgiveness applies to the first four courses repeated.

GRADING SYSTEM
(See Grade Point Average)

GRADE	MEANING	POINTS
A	Excellent	4
B	Superior	3
C	Average	2
D	Below Average	1
F	Failure	0
P	Passing	
W	Official Withdrawal	
I	Incomplete	
IP	In Progress	

WITHDRAWALS

A student who wishes to withdraw from a course must obtain the proper form from his/her advisor, have it signed by the instructor, and submit it to the Registrar's Office. If the withdrawal is approved, the student will receive a grade of 'W' which is not computed in the GPA. Withdrawals will not be approved during the last 25% of a course or of the full semester. Exceptions in cases of serious illness or other causes beyond the student's control need to be appealed to the Academic Affairs Committee. Withdrawals completed prior to the last day to enroll will not be recorded on the student's transcript. A student who ceases to attend class without officially withdrawing will receive an 'F' (see Academic Calendar, "Last Day to Withdraw from Classes"). Students who pre-enroll but fail to attend or fulfill their financial obligations may be administratively withdrawn and receive the grade of 'W.'

GRADES

Randall University instructors should grade student assignments and post the grades on Populi/MySaint within two weeks of receiving the assignment. If the instructor cannot grade the assignment within two weeks, he/she should advise the class when the assignment will be graded and the grades posted.

Semester grades must be turned in electronically via finalizing the course on Populi/MySaint by the Tuesday following the last day of finals at the end of the semester. Any exceptions must be approved by the Academic Dean.

INCOMPLETE GRADES

The grade 'I' (Incomplete) means that a part of the course work was not completed and must be finished within the designated time frame. If an incomplete is granted, students

have six weeks after the end of the course to complete the work. To be awarded the 'I' grade, the student must present valid reasons to the instructor for not having completed the course requirements and submit a "Request for Grade of Incomplete Form." The instructor and Academic Dean will determine if an 'I' grade will be granted. If the incomplete work is not satisfactorily completed by the deadline, the grade originally submitted by the instructor at the conclusion of the course/semester will become the final grade. If the incomplete work is completed to the instructor's satisfaction by the end of the six weeks, the instructor will submit a Grade Change. Any requests for exceptions to this policy must be submitted in writing to the Academic Affairs Committee.

GRADE APPEALS

A student who wishes to appeal a course grade must do so within ninety (90) days from the end of the term in which the grade is awarded. The appeal must be made in writing and should contain evidence supporting the appeal. All appeals should be directed to the Academic Dean who will hear and rule on grade appeals. The decision of the Academic Dean is final.

If the grade being appealed was awarded by the Academic Dean, while serving as the course instructor, the President of the University will appoint an appropriate faculty member to hear and rule on the grade appeal. The decision of the faculty member so appointed is final.

GRADE POINTS AND GRADE POINT AVERAGE (GPA)

The grade point (also known as Honor Points) is the basis for computing the student's grade point average (see Grading System). It represents the average number of grade points per hour earned by the student for a given term or number of terms. It is calculated by dividing the total number of grade points earned by the total number of hours for which the student has been registered. For example, a student registered for thirty credit hours and earning seventy-five grade points would have a grade point average of 2.50. The marks 'I', 'P', and 'W' do not give grade points, and courses so marked are omitted from grade point average computations. An 'F' is included in grade point averages as a zero.

TRANSCRIPTS

Every student is entitled to one official transcript of his/her course work provided all financial obligations to the University have been paid. Transcripts will be processed in three to five business days. A charge of \$10 will be made for any transcript other than the first. The Registrar's Office will charge an additional fee of \$5 per transcript for rush 24-hour turnaround service (when available).

ACADEMIC CALENDAR

The University operates on a two-semester basis per year with each semester running approximately sixteen weeks. The fall semester begins in August with the spring semester

beginning in January. Summer Session begins the day after spring semester finals and ends the day before the first day of fall semester classes. Winter Intersession begins the day after fall semester finals and ends the day before the first day of class in the spring semester.

CREDIT FOR EXTRA-INSTITUTIONAL LEARNING

Randall University recognizes that many students have been involved in significant learning beyond their formal education. Students are encouraged to maximize the opportunity to receive Credit for Extra-Institutional Learning in order to meet degree requirements and advance toward more demanding subject matter.

No credit in this category is granted toward a graduate degree. The granting of undergraduate credit based on prior learning is to be done in compliance with the general guidelines of the Council on Adult and Experiential Learning (CAEL). The amount of credit for extra-institutional learning that may be applied toward a degree is subject to the graduation requirements of the University. The credit allowed is limited to 25% of the credits required for a degree or 30 semester credit hours, whichever is smaller.

The credit received through the procedures in the “Credit for Extra-Institutional Learning” category will be transcribed with the grade of ‘P’ for credit and no honor points will be calculated into the student’s Grade Point Average (GPA). A fee of \$50/credit hour will be charged for transcribing Credit for Extra-Institutional Learning. Credit for Extra-Institutional Learning will include the abbreviation of the source of evaluation as follows: Advanced Standing (AS); Advanced Placement Program (APP) administered by the College Board; College Level Examination Program (CLEP – School code: 6744); American Council of Education (ACE) International Baccalaureate Program (IB); Transfer of Advanced Standing (TAS) awarded by another institution of higher education; recommendations for non-collegiate learning experiences; military credit (MC) as verified by the DD Form 214, DD Form 295, or other official military documents; Defense Activity for Non-Traditional Education Support (DANTES); and Credit by Demonstrated Competency (CDC). When a course is in a discipline not offered at Randall University, the prefix TRAN is used to denote elective transfer credit. See appendix for credit awarded for CLEP, AP, and IB scores. The student may contact the Registrar’s Office for details on how to apply for extra-institutional learning credit.

FOREIGN LANGUAGE COMPETENCY

Several degrees require that a Foreign Language Competency be met as a part of the degree plan. Students in these degree programs must demonstrate novice high level language proficiency. The foreign language competency requirement can be met in the following ways:

- Completion of two semesters of the same foreign language at the college/university level with a C or higher (must be consecutive courses i.e., LANG 1315 Elementary Spanish I and LANG 1415 Elementary Spanish II)

- Completion of two full years of the same foreign language in high school with a C or higher
- Transfer students who transfer in one semester of a foreign language (C or higher) are only required to pass the second semester of the same language with a C or higher
- Transfer students who present an official transcript reflecting that the foreign language competency “met/fulfilled” will be considered to have met the competency
- Completion of the CLEP Subject Examination (i.e., French, Spanish, etc.) with a minimum score of 50 (see CLEP pg. 151)

COMPUTER SCIENCE COMPETENCY

All degrees require that a Computer Science Competency be met as part of the degree plan. Selected degrees may have more stringent requirements than the general options listed below (reference individual degree pages). Students must demonstrate computer proficiency, which includes the competent use of a variety of software and networking applications. This requirement may be met through one of the following options:

- Successful completion of a high school computer science (with a C or better) that meets the State Regents’ high school curricular requirements
- Successful completion (with a C or better) of college-level computer coursework (CSCI 2723 Computer Applications at Randall University or the equivalent from another accredited college or university)
- Successful completion of Randall University’s “Computer Applications Test-Out” (proficiency assessment test)

LIBRARY

The purpose of Randall University’s Library is to serve as an academic library supporting the curricular needs of students and faculty, regardless of location. The Library is continuing to expand its resources to support the curriculum and promote student academic success. Information about policies and services is available at the library website <http://www.ru.edu/library> or at the library circulation desk. Library hours are posted.

ACADEMIC HONORS

DEAN’S LIST

An honor roll is listed each semester of students who have carried an academic load of 12 hours or more, maintained a 3.5 grade point average, and have passed Chapel.

PRESIDENT’S LIST

An honor roll is listed each semester of students who have carried an academic load of 12 hours or more, have maintained a 4.0 grade point, and have passed Chapel.

KEY AWARD

To stimulate scholarship and recognize achievements, the University annually gives a Key Award to the graduating sophomore and senior in the traditional program with the

highest cumulative grade point average (minimum of 3.0 GPA).

CLASS AWARD

A similar award is given to the freshman in the traditional program who has maintained the highest grade point average for the year and the junior with the highest cumulative grade point average (minimum of 3.0 GPA).

PROGRAM AWARD

An award is given to the graduating student with the highest grade point average in each bachelor degree major (minimum of 3.0 GPA).

BEST ALL-AROUND STUDENTS' AWARD

This annual award is presented to a male and female selected by the students. Their vote is based on Christian character, campus leadership, and other traits of value.

MOST OUTSTANDING STUDENT AWARD

The most outstanding student award is presented annually to a student chosen by the faculty. The selection is based on academic ability, leadership ability, attitude, and general achievements in the area of relationship in regard to the faculty and other students.

GRADUATION WITH ACADEMIC HONORS

Under recommendation of the faculty, the University awards honors of three levels at commencement: Cum Laude, 3.50 to 3.69; Magna Cum Laude, 3.70 to 3.89; Summa Cum Laude, 3.90 to 4.0.

DEGREE REQUIREMENTS

The University offers courses leading to the Associate in Arts, Bachelor of Arts, or Bachelor of Science degrees to high school graduates who complete the general education core curriculum, Christian Studies Core curriculum, and the specific degree requirements. To receive the degree, a student must complete the following requirements:

REQUIREMENTS FOR AN ASSOCIATE IN ARTS

DEGREE

1. Earn a minimum of 62 semester hours.
2. Earn a minimum of 124 grade (honor) points or double the number of semester hours completed (retention GPA of 2.0).
3. Complete at least 15 semester credit hours of the 62 in residence (courses taught through Randall University) not including any Prior Learning credits or Credit by Demonstrated Competency credits.
4. Have no failing grade in any required subject.
5. Have no incomplete grade in a course needed for graduation.
6. Satisfy all financial obligations to the University and be in good standing with the University.

REQUIREMENTS FOR A BACHELOR DEGREE

1. Earn a minimum of 120 semester hours (general education core curriculum and major requirements as prescribed by the University). A minimum of 40 hours must be completed in upper division courses.

2. Earn a minimum of 240 grade (honor) points or double the number of semester hours completed (retention GPA of 2.0).
3. Complete at least 30 semester credit hours in residence (courses taught through Randall University) not including any Prior Learning credits or Credit by Demonstrated Competency credits.
4. Have no failing grade in any required subject.
5. Have a minimum grade of 'C' in all courses pertaining to the major.
6. Have no incomplete grade in a course needed for graduation.
7. Satisfy all financial obligations to the University and be in good standing with the University.

NUMBERING OF COURSES

Course Numbers: Numbers of four digits are used to designate courses. The first digit represents the classification: Remedial, 0000; Freshman, 1000; Sophomore, 2000; Junior, 3000; Senior, 4000; and Graduate, 5000 or above. The last digit is the number of credit hours the student may earn for the course (see Course Descriptions). The middle two digits are control numbers. Transfer credits (without an equivalent Randall University course) are assigned 99; CDC credits (Credit by Demonstrated Competency) are assigned 77. If possible, middle digits are selected to indicate course sequence such as ENGL 1113 English Composition I and ENGL 1213 English Composition II.

CURRICULA INFORMATION

The classical world was rooted in two disciplines of intellectual pursuit. The trivium (commonly known as the arts and humanities in modern terminology) is based on language: grammar, logic, and rhetoric. The quadrivium deals with natural phenomena and consists of mathematics, physics, science, and rhythm (music, which in modern practice has been shifted into the Arts). The educational approach of studying across these disciplines became known as the Liberal Arts.

In modern practice the disciplines have been expanded from the original seven. At Randall University the Arts include Bible, Christian ministries, communication, drama, English, humanities, language, literature, missions, music, philosophy, religion, and theology. The Sciences encompass both the social and natural sciences. At Randall University the areas included in the sciences are business, computer science, economics, education, geography, health promotion and exercise science, history, leadership, management, mathematics, political science, psychology, science, sociology, and statistics.

GENERAL EDUCATION PROGRAM OBJECTIVES

At Randall University, we strive to educate students in a variety of fields at the general education level along with helping students integrate a biblical world view with their academic studies.

After completing the general education program, Randall University students will be able to

- a. Demonstrate Critical Thinking and Problem Solving Skills
- b. Use Effective Communication Skills
- c. Demonstrate knowledge in Civics, Ethics, and Stewardship
- d. Demonstrate their knowledge in Aesthetic Analysis
- e. Analyze research in the areas of Behavioral Science, Science and Technology.
- f. Interpret and analyze global/diverse and historical Perspectives
- g. Synthesize, analyze, and demonstrate knowledge of The Bible
- h. Demonstrate and practice Christian scriptures, traditions, and ethics

GENERAL DEGREE INFORMATION

A student who completes the general education core curriculum may complete an Associate in Arts degree, a Bachelor of Arts degree, or a Bachelor of Science degree by finishing the requirements established by the University. The bachelor degrees consist of the general education requirements; Christian Studies core curriculum; and an emphasis or major area of study.

Note: Detailed requirements are listed in the following section on undergraduate degree programs and in the Graduate catalog. Each is designed to allow the student to use the layout as a guide or checklist in pursuing a degree.

DOUBLE MAJORS AND SECOND DEGREES

If a student is working concurrently on two majors within the same degree plan (Bachelor of Arts or Bachelor of Science), that student is considered to be working on a double major. Only one diploma will be issued for students completing a double major.

If a student is working concurrently on two majors in separate degree plans (Bachelor of Arts and Bachelor of Science), that student is considered to be working on a second degree. When the student is working on two degrees concurrently, he/she must complete the general education requirements for each degree.

A transfer or returning student who is working on a second degree subsequent to the completion of his/her first bachelor degree must complete at least thirty (30) semester credit hours in residence at Randall University, the Christian Studies core, and the major requirements for the degree. The first bachelor degree from accredited institutions by the Department of Education (does not include institutions not located in the U.S.) is considered to meet the general education requirements for the second degree.

CHRISTIAN STUDIES CORE COMPLETION

All full-time students are required to take at least one of the following courses each semester until all are completed:

- | | |
|-----------|----------------------------|
| ENGL 1513 | Lit Study English Bible I |
| ENGL 1613 | Lit Study English Bible II |
| PHIL 1123 | Christian Apologetics |

- | | |
|---|--------------------------|
| THEO 1213 | FWB History and Doctrine |
| Christian Studies Elective (Choose one)** | |
| Bible Elective (BIBL courses) | |
| PHIL 1113 | Christian Ethics |
| Theology Elective (THEO Courses) | |

All students are required to complete the Christian Studies core in order to be awarded a degree from Randall University.

**Students enrolled in bachelor degree programs should follow the Christian Studies Elective options for their selected major.

PHYSICAL EDUCATION LIMITS

Two hours from the activity classes or intercollegiate sports are required in the general education core curriculum. In accord with the Oklahoma State Regents for Higher Education, no more than two physical education courses will be allowed to count toward the degree (Associate and Bachelor). The student may take additional physical activity courses, but they will not count toward degree completion hours.

Exemption from physical activity courses:

Students with serious health problems (verified by a doctor), married students, and single students who have attained the age of 21 at first enrollment, may substitute Personal Health (HPES 2912) with the permission of the Academic Advisor.

ASSOCIATE OF ARTS IN GENERAL STUDIES DEGREE

The Associate of Arts in General Studies degree is designed to provide a broad general education, with a Christian studies core. Each student is required to complete the general education core curriculum listed below. In addition, the student will choose, in consultation with his/her advisor, elective courses to increase professional skills, educational competencies, personal enrichment, and spiritual development. Students who plan to transfer into four-year programs should identify the institution and/or the desired degree program. This allows the faculty advisor to assist in tailoring a program which will facilitate transfer and to prepare the student for the future. In Oklahoma, credits earned by a student at an institution accredited by a recognized national accrediting agency may be reviewed on a course-by-course basis for possible transfer to an institution in The Oklahoma State System for Higher Education. *The student is ultimately responsible for his/her course selection in meeting the graduation requirements.*

Every Randall University student will take 47-50 credit hours of general education as part of the 120 – 122 minimum credit hours required for graduation in their program of study. General education classes span a variety of disciplines, including English, math, science, history, communications, fine arts and physical education. All of these degrees require meeting a Computer Science Competency (see Computer Science Competency for details, p. 40). Business Administration and History requires a Foreign Language Competency (See Foreign Language Competency for details p. 40). Many of the degree programs feature internships, practical experience, and a capstone course.

BACHELOR OF SCIENCE IN BIOLOGY

This Bachelor of Science in Biology program has been established to provide students with a strong foundation in life sciences. It is the intent of this degree program to prepare students for careers in a variety of scientific settings of governmental or private institutions. In addition, this program will prepare interested students for continued academic study in medical and graduate school environments.

Graduates acquiring this biology degree will be able to:

- Develop and maintain an active, growing faith in the God of the Bible through a Christian worldview of biology,
- Demonstrate an understanding of key concepts of critical thinking and problem solving as they apply to the study of the complexities of life on Earth,
- Apply the scientific method to arrive at scientifically sound conclusions based upon the research of others found in the creation and evolutionary scientific literature,
- Design and execute experiments, acquire and analyze data, and present scientifically defensible conclusions by using standard biology laboratory techniques and instrumentation, and
- Articulate ethical standards based on a biblical foundation.

BACHELOR OF ARTS IN HISTORY

The History Program is developed within the overall mission of Randall University, with the idea of presenting an accurate understanding of the past from a Christian worldview. Students will learn to analyze and interpret the past in order to understand today's events within that worldview.

Students will gain practical insight by studying the social, economic, and governmental threads throughout history and comparing and contrasting them with civilization today. Studying key historical figures and events equips students with the analytical and interpretive skills needed to solve contemporary problems.

With skills to collect, comprehend, and categorize data, students will be prepared for careers ranging from teaching, advanced research, law, graduate school, working for government agencies, among other options. *Note: Additional courses will be necessary for students seeking Alternative Certification with the State of Oklahoma.*

Students will be able to demonstrate the following:

- Apply a biblical worldview to the study of history;
- Identify major historical periods, ideas, people and events;
- Interpret and evaluate critical issues in history;
- Conduct independent historical research and produce clear and compelling analysis; and
- Explain the unique nature of the founding of America.

BACHELOR OF ARTS IN LETTERS

Classical Christian education is devoted to the development and promotion of a comprehensive Christian worldview for the individual. The Letters program seeks to provide a broad general education through the interdisciplinary study of literature, philosophy, and history. The goal is the integration of knowledge and practice to produce effective representatives for Christ and persons of influence in society. This is accomplished by teaching sound Christian thinking, engendering a reasonable faith, cultivating virtuous character, and practicing service in both the local church and the community. A study in Letters prepares students for ministry in the church, entry into the job market, and/or attendance at graduate school. Letters students upon completion of the program will be able to:

- Demonstrate a broad knowledge of the Western tradition by identifying and explaining significant concepts and theories related to the interdisciplinary study of literature, philosophy, and history.
- Read and interpret with comprehension, write with clarity and correctness, think logically and critically, and assess and evaluate evidence.
- Diagnose, analyze, formulate, and solve complex theoretical and practical problems.
- Explain and defend important moral judgments and ethical decisions for living in and contributing to society.
- Communicate and argue effectively through written, oral, and visual means.
- Illustrate proficiency with the English language, including the ability to use appropriate style, grammar, and mechanics in writing and conducting academic research, especially through the planning, organizing, and composing of a senior thesis.
- Apply the requisite knowledge and skills for service in a local church, contributions to the community, and advanced education in graduate school and/or life-long learning.

BACHELOR OF ARTS IN WORSHIP AND MUSIC STUDIES

The Worship and Music Studies program prepares worship leaders for a variety of ministries within the total program of the Church. The academic program consists of general education; Christian ministry studies; studies of worship/music philosophy, technique, history, and theory; and vocal and instrumental performance. Experiential learning is woven throughout the degree program, with both formal and non-formal active learning opportunities. As the Apostle Paul exhorts in Colossians 3:16, this program includes venues for the student's spiritual and professional growth and development that will transpire in leading others into a growing relationship with Christ through worship opportunities.

The student who successfully completes this program of study will be able to:

- Demonstrate Christian character in personal and ministry relationships
- Communicate a philosophy of worship that is biblical and sensitive to changing styles and valued traditions
- Demonstrate competence in planning and leading worship services
- Demonstrate competence in preparing vocalists and instrumentalists for worship leading
- Demonstrate servant leadership while assisting in a broad range of ministry within the church
- Demonstrate a proficiency in a chosen instrument (i.e., voice and keyboard or guitar)

School of Professional and Graduate Studies

The school of Professional and Graduate Studies is targeted at Adult Students. At Randall, we understand that life is complex and busy for adult students. Between career, family, and life in general it is a busy time. We also understand that a Bachelor or Graduate degree can put you on a different plane as you pursue your life dreams. We want to be a part of that pursuit. The Professional and Graduate programs are designed to work with you and make acquiring these new degrees as smooth as possible. The work will be tough. It will take time and discipline to succeed in a quality academic program, but we will be with you along the way.

This School has both Graduate and Undergraduate programs, both targeted at adult students (students who have reached the age of 21 prior to entering the program).

The Undergraduate programs include:

1. Associate of Arts in General Studies
2. Bachelor of Science in Business Administration - Business Leadership
3. Bachelor of Arts in Christian Ministry – Ministry and Leadership
4. Bachelor of Arts in Christian Ministry - Worship Studies
5. Bachelor of Arts in Ministry and Business – Professional Studies
6. Bachelor of Arts in Multidisciplinary Studies

The Graduate programs include:

- 1) Masters of Arts in Ministry
- 2) Masters of Public Administration

ADULT STUDENT'S ADMISSION STATUS

The University is aware that not all students have had the same opportunities for academic preparation. Therefore, four types of admission have been established for the University: regular, conditional, provisional, and special.

Regular Admission

All the admission documents have been received and evaluated. The student is eligible for enrollment in the Graduate Program or any other Randall University degree program.

Conditional Admission: Granted to students who have not completed the required admission documents. A student admitted conditionally is given permission to enroll and complete only one semester. If the student is unable to submit the required admission documents or resolve the doubt discovered in the application process, he or she will not be permitted to enroll in courses beyond one semester at this institution.

Provisional Admission

This status is granted to students who do not meet the academic criteria for admission. It also includes students whose GPA reflects serious doubt as to the student's ability to benefit from and succeed at Randall University. Graduate students must be granted provisional admission by vote of the Graduate Faculty Committee and maintain a cumulative GPA of 3.0 or better (on a 4.0 scale) in order to continue in the program.

Any undergraduate adult student who has not taken the ACT, SAT, or Accuplacer who has met all other admission requirements will be admitted Provisionally. As a Provisional admit the student must maintain a 2.0 resident cumulative grade point average in the first 12 hours at Randall to continue enrollment.

Special Admission

Qualified students who only wish to enroll in specific courses without completing a degree may enroll for credit in any course upon the approval of the Academic Dean. Students who are not qualified for admission may audit a course upon the approval of the Academic Dean.

Upon review of the application packet, the candidate will receive notice of acceptance or non-acceptance into the program.

See University Fees for course specific and additional fees.

Finance Charges

At the beginning of each term, there will be a 4% Tuition Management Plan Service Fee charged to all Professional Studies students account unless the balance is paid up front and in full. This service fee will be placed after all available aid (internal and external) has been calculated. The student is responsible for the remaining balance and it must be paid in full by the end of that term.

Application Fee

The student pays the nonrefundable Program Application Fee (\$75) at the time of application.

Tuition

Tuition is determined by the semester credit hour rate. Students pay first semester tuition at registration, prior to the first class session. Students who apply for financial assistance must have all paperwork completed by this time so that arrangements can be made for additional payments, if needed. See the specific graduate degree program for current tuition prices.

Payment Plans

All fees and charges are due and payable at enrollment. If a student cannot pay all charges at time of enrollment, arrangements may be made for monthly payments through the Randall University Tuition Management Plan. (Students will be charged an upfront 4% service charge to enter the Tuition Management Plan) Any accounts not paid in full by the last day of classes of the term will be considered delinquent and are subject to collection efforts. In the event that a collection agency is obtained to collect the delinquent account, the student will be responsible for all collection fees (up to 33% in addition to the account balance).

If a student fails to set up a payment plan, the account will automatically go to a mandatory payment plan. This plan is a semester plan with the first payment due in the first month of each semester, and additional payments in each of the next 3 months thereafter to result in the balance being paid in full before finals begins for that semester.

A down payment is due no later than the first day of classes. The remaining payments are due each month on the 15th of the month through the next to last month of the semester.

Payments can be automatically drafted from either checking or savings accounts at any financial institution, or automatically charged to Visa or MasterCard. The payment plan is as follows:

Fall and Spring Semesters

First payment at enrollment: 25% of all Tuition and Fees less expected Financial Aid

Second payment: 33% of account balance less expected Financial Aid

Third payment: 50% of account balance less expected Financial Aid

Fourth and final payment: 100% of account balance

If payment is not made by first of the following month, student will be ineligible to participate in school activities (sports, music, drama and ministry groups, etc.) until the account is current.

If an account is not current/paid in full on the first day of Finals, student will NOT be allowed to take Finals.

Summer and Mini Terms

First payment at enrollment: 50% of account balance

Second payment: 100% of account balance

In the event that payments are not made in accord with the payment plan, the student’s account will be considered past due. Students with past due accounts may have a hold placed on their student record, which will prohibit you from registering for classes, participating in extracurricular activities, taking finals, and getting transcripts or diplomas.

VISA and MasterCard – Students may pay by credit card.

*Returned Check Charge – There will be a \$25 charge for all returned checks.

Unpaid & Past Due Balances

Actions taken if deadlines are not met on payments for student accounts:

- Students whose accounts become more than 30 days delinquent are subject to a late-payment charge.
- Students will not be allowed to enroll in a subsequent semester until their accounts are paid.
- Transcripts will not be issued nor will students be permitted to appear for graduation exercises until all accounts are cared for at the Business Office.

Tuition Refunds

If a student withdraws from a course, tuition will be refunded according to the following:

Withdrawal within 1 st Week	100% refund
Withdrawal after 1 st Week	No refund

STUDENT FINANCIAL AID

Federal Student Aid Application Deadlines

The student is responsible for completion of the Free Application for Federal Student Aid (FAFSA) for the possible awarding of grants, loans, and scholarships. The student is obligated for the balance of the account. Should the student fail to complete the FAFSA by the semester deadline (Fall, October 1 or Spring, April 1), the student is responsible to pay the balance of the account. Failure to meet his/her account obligations will cause the beginning of unenrollment proceedings, and the student will be withdrawn from courses through the Academic Affairs Office. Appeals may be made to the Operations Council.

Scholarships (Graduate Only)

To receive a scholarship, a student must complete the scholarship application form and supply any additional materials required. A student will only be eligible to receive one scholarship per semester. All scholarships awarded are contingent upon satisfactory completion of semester and availability of funds; early withdrawal will result in the loss of scholarship awarded and recalculation of the student's account. Exceptions to any of the above guidelines must be approved by the Graduate Faculty Committee. Scholarship amount is \$400 per semester.

Church Tuition Assistance Scholarship (Graduate Only)

Awards of \$300 per semester are given to students based on the willingness of their home church to assist them in obtaining a Randall University Master's degree. Randall University will match the amount given by the student's home church up to a maximum of \$300 per semester. Students must maintain a 3.0 GPA for continued eligibility.

Free Will Baptist Cooperative Scholarship (MA only)

This scholarship is available to members and ministers attending a Free Will Baptist church that contributes to the Oklahoma State Cooperative Plan. Students must maintain a 3.0 GPA for continued eligibility.

Master of Arts in Ministry Scholarship (MA only)

Master of Arts in Ministry student who are actively serving in a ministerial capacity will be eligible for a scholarship equal to value of half of tuition costs. This scholarship is exclusive to all other scholarships at Randall University and is not stackable with any other institutional scholarships. Student must maintain no less than a 3.0 GPA and be seeking a Master of Arts in Ministry degree. Student is further required to have a Ministry Verification Form filled out each year.

Master of Public Administration (MPA only)

Master of Public Administration students may receive a Lincoln Leadership or Presidential Scholarship of \$800 per academic year as awarded by the MPA Program Director.

Professional Studies Scholarship

Students in the Professional Studies program should speak with their Advisor and/or the Financial Aid Office to determine any institutional scholarships they may qualify for. Prospective students who have not been attending a Higher Education Institution for a period of a year (or longer) may be

considered for a potential scholarship(s) as approved by the Academic Dean of Randall University.

Veterans Assistance

Veterans or VA dependents applying for financial assistance should complete the application listed below that corresponds to his/her specific qualifications. All applications can be found at www.gibill.va.gov.

Student's Qualification	Application
Veteran – First Time Applicant	22-1990
Veteran – Returning Applicant	22-1995
Dependent – First Time Applicant	22-5490
Dependent – Returning Applicant	22-5495

After completing the appropriate application, the student should contact the Director of Veteran Affairs to complete the Enrollment Certification Form (22-1999).

ACADEMIC INFORMATION

Academic Progress – Undergraduate Professional Studies

All students are expected to maintain a minimum Grade Point Average of 1.70 the first semester freshmen. For all succeeding semesters, students must maintain a minimum cumulative Grade Point Average of 2.0.

Step 1. Students who fail to maintain the minimum cumulative GPA will be placed on Academic Probation: limited semester enrollment (no more than 13 hours) and required to enroll in and to pass IDIS 1330 Strategies for Success.

Step 2. At the end of the next semester enrolled, one of the following will happen.

1. Students who raise their GPA to 2.0 or above will be taken off Academic Probation.
2. Failure to reach the 2.0 or above GPA following Academic Probation may result in either Academic Probation Continued or Academic Suspension. Students may only be on Academic Probation Continued for 2 consecutive terms before suspension.

Students who pass IDIS 1330 Strategies for Success and show an improvement in their cumulative GPA will be placed on Academic Probation Continued.

Students who fail to pass IDIS 1330 Strategies for Success or fail to show an improvement in their cumulative GPA will be Suspended.

Any student whose semester Grade Point Average fails below academic standards (while his/her Cumulative GPA remains within standards) will be warned by letter that failure to improve grades may result in substandard Cumulative GPA and formal notification on transcript of academic restrictions.

Any appeal of Academic Suspension will be referred to the Academic Dean and the Director of Professional Studies.

Academic Progress – Graduate

All graduate students are expected to maintain a minimum cumulative Grade Point Average of 2.5. Students who fail to reach or maintain the cumulative GPA of 2.5 will be placed on Academic Probation. Students on Academic Probation who fail to improve their GPA to 2.5 at the end of the next semester enrolled will receive Academic Suspension.

Any appeal of Academic Suspension will be referred to the Academic Dean and the Graduate Program Director.

Academic Dishonesty

No Randall University student shall commit any act of academic dishonesty in order to advance his/her own academic performance or to impede or advance the academic progress of others.

Academic dishonesty in any form is not condoned by the University community. This specifically includes cheating, plagiarism, fabrication, fraud, destruction of property, and bribery or intimidation, as well as assisting others or attempting to engage in such acts. If there exists no doubt that an act of academic dishonesty has occurred, the instructor has the authority to administer any of the following:

1. Record a “zero” for the assignment (or test) in questions.
2. Recommend to the Dean of Graduate Studies that the student be dropped from the class and assigned a failing grade ‘F’ for the course. The written recommendation will include a description of the specific occurrence, including supportive documents if applicable.
3. In cases of extreme or repeated incidents of academic dishonesty, recommend the Dean of Graduate Studies that the student be suspended or expelled from the University. The written recommendation will include a description of the specific occurrences, including supportive documents if applicable. Such cases will be referred to the Disciplinary Committee in accordance with the student disciplinary procedures contained in the Student Handbook.

Repeat Courses

Professional Studies Programs

A student shall have the prerogative to repeat courses and have only the second grade earned, even if it is lower than the first grade, count in the calculation of the retention/graduation GPA, up to a maximum of four courses, but not to exceed 18 hours, in the courses in which the original grade earned was a “D” or “F”. Both attempts shall be recorded on the transcript with the earned grade for each listed in the semester earned. If a student repeats an individual course more than once, all grades earned, with the exception of the first, are used to calculate the retention/graduation GPA. Students repeating courses above the first four courses or 18 credit hours of “D” or “F” repeated may do so with the original grades and repeat grades averaged. Forgiveness applies to the first four courses repeated.

Graduate Programs

A student shall have the prerogative to repeat courses and have only the second grade earned, even if it is lower than the first grade, count in the calculation of the retention/graduation GPA, up to a maximum of four courses, but not to exceed 18 hours, in the courses in which the original grade earned was a “D” or “F”. Both attempts shall be recorded on the transcript with the earned grade for each listed in the semester earned. If a student repeats an individual course more than once, all grades earned, with the exception of the first, are used to calculate the retention/graduation GPA. Students repeating courses above the first four courses or 18 credit hours of “D” or “F” repeated may do so with the original grades and repeat grades averaged. Forgiveness applies to the first four courses repeated.

All students must satisfactorily complete every course in their degree with a C or better. If the student earns less than a C on a required course, the student must retake the class. If the course is an elective, it is the student’s choice to retake the course. A student who makes a ‘C’ grade and desires to repeat a course may do so, but the credit hours will only be counted once. Grade points will be given for the repeated course on the regular basis.

GRADING SYSTEM

(See Grade Point Average)

Grade	Meaning	Points
A	Excellent	4
B	Superior	3
C	Average	2
D	Below Average	1
F	Failure	0
P	Passing	
W	Official Withdrawal	
I	Incomplete	
IP	In Progress	

Withdrawals

In case a student must withdraw, he/she must complete the appropriate withdrawal form and have it approved. Withdrawal forms may be obtained from the Registrar’s Office. If the withdrawal is approved, the student will receive a grade of ‘W’ which is not computed in the GPA.

Incomplete Grades

The grade ‘I’ (Incomplete) means that a part of the course work was not completed and must be finished within the designated time frame. If an incomplete is granted, a student has six weeks after the end of the course to complete the work. If the incomplete work is not satisfactorily completed by the deadline, the grade originally submitted by the instructor at the end of the course will become the final grade.

GRADE APPEALS

A student who wishes to appeal a course grade must do so within ninety (90) days from the end of the term in which the grade is awarded. The appeal must be made in writing and

should contain evidence supporting the appeal. All appeals should be directed to the Academic Dean who will hear and rule on grade appeals. The decision of the Academic Dean is final.

If the grade being appealed was awarded by the Academic Dean, while serving as the course instructor, the President of the University will appoint an appropriate faculty member to hear and rule on the grade appeal. The decision of the faculty member so appointed is final.

ACADEMIC SUPPORT

Learning Resource Center – Library

The purpose of Randall University's Learning Resource Center (LRC) is to serve as an academic library supporting the curricular needs of students and faculty. The LRC is continuing to expand its resources to support the curriculum and promote student academic success. Information about policies and services is available at the library website www.ru.edu/library or at the library circulation desk. Library hours are posted.

Computer Lab

Randall University students have a number of computers and accessories available for their use. Computers equipped with Internet access are available for student use during posted hours. All students are required to complete a Technology Usage Agreement before being issued an access code for the system.

NONDISCRIMINATION POLICY

Randall University does not discriminate on the basis of race, color, national origin, sex, disability or age in its programs and activities. Randall University reserves the right to, and does, maintain student educational and behavioral employment requirements and standards, which are based upon religious considerations consistent with its role and mission.

In response to Title VII of the Civil Rights Act of 1964 and Executive Order 11246 of September 24, 1965, the policy of the college with regard to this matter is as follows. The college takes affirmative action in the recruitment of faculty members.

A. Randall University, in all manner and respects, is an Equal Opportunity Employer and shall offer a program of Equal Educational Opportunity.

B. Randall University, in compliance with Title VI of the Civil Rights Act of 1964, Executive Order 11246 as amended, Title IX of the Education Amendments of 1972, and other federal laws and regulations, does not discriminate on the basis of race, color, national origin, sex, age, disability, or status as a veteran in any of its policies or procedures. This includes-but is not limited to-admissions, employment, financial aid, and educational services.

The following persons have been designated to handle inquiries regarding the nondiscrimination policies:

Brooks McMullan
Director of Student Affairs
3701 S. I-35 Service Rd
Moore, OK 73160
405-912-9000

Or

Rev. Robert Thompson
President

RANDALL NONDISCRIMINATION GRIEVANCE PROCEDURE

Students who believe they have been treated unfairly or have a grievance should contact the Director of Student Affairs. The Director of Student Affairs is responsible for ensuring that students are afforded due process and that proper channels for grievances are insured. Simply go to <https://ru.edu/student-complaints-and-appeals/> to file a complaint or go to the suggestion box located in the Lee Lobby for students who would like to anonymously voice a complaint or concern.

This procedure is applicable to complaints alleging discrimination, harassment, and retaliation on the bases of race, color, national origin, sex, disability and age. Any student, prospective student or employee that feels that they have been discriminated against or harassed based on race, color, national origin, sex, disability, or age should contact in writing: Director of Student Affairs, 3701 S. I-35 Service Road, Moore, OK. 73160. In the event that the Director of Student Affairs is involved in the accusation of harassment or discrimination, the complainant should contact: President, 3701 S. I-35 Service Road, Moore, OK 73160.

The complainant should describe the date, time, persons involved, place and circumstances surrounding the incident. The form should be signed by the complainant. All complaints received will be promptly, thoroughly and impartially investigated, and decided within 60 days. The complainant's identity will be kept confidential.

The complainant will be kept informed in writing at each stage of the **COMPLAINT** process:

- 1) Acknowledgment of receipt of the complaint;
- 2) Report of findings of the investigation. If discrimination has occurred, appropriate, corrective and remedial actions will be taken;
- 3) If the complainant is not satisfied with the resolution of the complaint, the complainant may appeal to the Randall Board of Trustees. An appeal can be made in writing to the Chairman of the Board of Trustees, 3701 S. I-35 Service Road, Moore, OK 73160.

The complainant will be kept informed in writing at each stage of the **APPEAL** process:

- 1) Acknowledgement of receipt of the appeal;
- 2) Report of findings of the investigation and any corrective or remedial actions taken by the Board of Trustees;
- 3) If the complainant is not satisfied with the resolution of the complaint, the complainant can appeal to the State Regent's Students Complaints page:
<https://www.okhighered.org/current-college-students/complaints.shtml>
- 4) The complainant can also file with the U.S. Department of Education and mail the complaint to the Office of Civil Rights, 8930 Ward Parkway, Suite 2037, Kansas City, Missouri 64114-3302 or contact them at:
 816-268-0550 or OCK.KansasCity@ed.gov.

Under no circumstances will there be any retaliation against the complainant or persons who participate in related proceeding by any Randall employee.

SEXUAL HARASSMENT POLICY AND GRIEVANCE PROCEDURES

Randall University is committed to maintaining a safe and professional educational environment in which students and faculty are not subjected to sexual harassment. The University does not tolerate actions and/or words which are regarded as sexual harassment or sexual violence against any student or University employee.

Sexual harassment is unwelcome conduct of a sexual nature. It can be verbal, visual, physical, or communicated in writing or electronically. Although sexual harassment may violate state or federal law, Randall University may consider conduct to be sexual harassment even though it may not rise to the level of illegal sex discrimination.

Sexual harassment includes but is not limited to the following:

- Unwelcome sexual advances
- Requests for dates or sexual favors
- Unwelcome physical contact of a sexual nature
- Sexual violence (such as rape or assault)
- Continued or repeated verbal abuse of a sexual nature, such as suggestive comments and sexually explicit jokes that are considered offensive by the other individual
- Sexually degrading language used to insult another person
- Remarks of a sexual nature used to describe a person's body or clothing. This includes comments about an individual's body or appearance that go beyond a mere compliment, including off-color jokes that are clearly unwanted and considered offensive by the other individual.
- Fostering a work or academic environment that is intimidating, hostile, or offensive because of unwanted sexually oriented conversation, suggestions, requests, demands, physical contacts or attention
- Public display of sexually oriented pictures, drawings, or calendars

- Offensive physical contact such as unwelcome touching, pinching, or brushing against the body of another person
- Actions or words which indicate that benefits will be gained or lost based on one's response to sexual advances
- Disseminating false information about a person's sexual conduct
- Making false accusations against another person regarding sexual harassment

Sexual harassment may be committed by one student against another student, by a faculty member or other employee against a student, or by a student against a faculty member or other employee. Because members of the faculty and administration of the University hold positions that involve the legitimate exercise of power and authority over others, they should exercise care in the use of that power and authority. It is the responsibility of members of the faculty and administration to insure that their conduct and words cannot reasonably be perceived as sexually coercive, abusive, or exploitive.

Criminal Complaint Procedure

Sexual harassment may constitute a violation of the laws of the state of Oklahoma, and the complainant must decide whether or not to file a criminal complaint. Any student, prospective student, or employee who wishes to file a criminal complaint alleging sexual harassment or violence should call 911 or contact the Police Department of the City of Moore, Oklahoma. The non-emergency number is 405-793-5171.

Institutional Complaint Procedure

Any student, prospective student, or employee may file a complaint of sexual harassment with the University. The following people have been designated to handle inquiries regarding Randall University's policy on sexual harassment.

Director of Student Affairs
 3701 S. I-35 Service Rd
 Moore, OK 73160

ASSOCIATE OF ARTS IN GENERAL STUDIES DEGREE

The Associate of Arts in General Studies degree is designed to provide a broad general education, with a Christian studies core. Each student is required to complete the general education core curriculum listed below. In addition, the student will choose, in consultation with his/her advisor, elective courses to increase professional skills, educational competencies, personal enrichment, and spiritual development. Students who plan to transfer into four-year programs should identify the institution and/or the desired degree program. This allows the faculty advisor to assist in tailoring a program which will facilitate transfer and to prepare the student for the future. In Oklahoma, credits earned by a student at an institution accredited by a recognized national accrediting agency may be reviewed on a course-by-course basis for possible transfer to an institution in The Oklahoma State System for Higher Education. *The student is ultimately responsible for his/her course selection in meeting the graduation requirements.*

MASTER OF ARTS IN MINISTRY

The Master of Arts in Ministry is an advanced degree for ministers and other church workers who have grown in their professions to the point that they require training beyond the baccalaureate level to make a greater ministry impact or increase effectiveness in their careers.

MASTER OF ARTS IN MINISTRY PROGRAM OBJECTIVES

Graduate students will gain:

1. Access to an atmosphere for equipping for ministry while performing ministry and identifying and enhancing ministry specialties
2. An opportunity to develop and articulate a philosophy of ministry that integrates their calling with their personal responsibilities
3. A learning community of committed, experienced instructors who live out their own ministry goals and share those experiences in the coursework.
4. A venue for completing an advanced degree without relocation.
5. Access to a network of lifelong learners who will encourage one another through future ministry challenges.
6. An orientation to relate cross-culturally in a variety of ministry or professional situations for evangelism, discipleship, and being salt and light.

MASTER OF ARTS IN MINISTRY AIM

The Master of Arts in Ministry program is designed to:

1. Prepare students for effective service in local churches (as pastors, associate pastors, Christian education directors, etc.) and leadership positions in businesses, parachurch organizations, mission agencies, and non-government organizations (NGOs).
2. Enhance knowledge and expertise in Bible (study and interpretation), theology (doctrine, philosophy, apologetics), and Christian ministry (homiletics, pastoral care, homiletics, evangelism, discipling, spiritual direction); i.e. anything necessary for Christian service.
3. Include appropriate and adequate reading material, integrational writing assignments, and critical thinking assignments.

Resulting Competencies

Students who successfully complete the program will be able to:

Spiritual abilities

1. Understand and maintain a core devotion to God that will equip and sustain the graduate for any calling.
2. Disciple and mentor others in spiritual activities.

Intellectual abilities

3. Conduct academic research and writing which reflects a significant level of understanding, critical thinking, and philosophical reflection.
4. Understand key concepts of the Christian faith, including revelation, inspiration, soteriology, ecclesiology, eschatology, and other critical doctrines.

5. Integrate theology, philosophy, and culture to develop and maintain a Biblical worldview.

Ministry abilities

6. Articulate key concepts of the Christian faith, including revelation, inspiration, soteriology, ecclesiology, eschatology, and other critical doctrines in sermons, lessons, and evangelistic presentations, and daily conversations.
7. Provide effective leadership to congregations, organizations, teams and coalitions in all types of God-glorifying activities, including works of evangelism and benevolence.
8. Utilize available means of communication (electronic, print, visual, aural, etc.) to communicate God's message and will.

ADMISSION REQUIREMENTS

1. Submission of required application forms (see application process below).
2. Documented proof of completion of an earned accredited baccalaureate degree (BA or BS).
3. Grade point average (GPA) of 3.0 or better (on a 4.0 scale), in the BA (or BS) degree, documented by official transcripts.

Exceptions: Any applicant not meeting the above-stated requirements may petition the Graduate Faculty Committee (which serves as the exceptions body in any academic policy matters) for an exception.

GREEK LANGUAGE COMPETENCY

The Master of Arts in Ministry degree requires that a Greek Language Competency be met as a part of the degree plan. Students must demonstrate a working knowledge of Greek sufficient to translate and exegete selected passages from the Greek New Testament.

This requirement may be met through one of the following options:

- Successful completion of 2 semesters of Greek (with a grade of C or higher in the final term) at the college level from Randall University or the equivalent from another accredited college or university. Official transcripts will be required.
- Successful completion of LANG 5103 New Testament Greek Appreciation with a grade of C or higher.

APPLICATION PROCESS

Application is a simple process. Expedient submission of the following forms or documentation to the Admissions Office should result in prompt acceptance to the Master of Arts program.

1. *Application for Admission.* Complete and submit the *Application Form* (online) and with a **\$75 Application Fee.**

2. *Statement of Goals.* Write a Statement of Goals which lists your goals/plans and explains how the degree will help you fulfill them.
3. *Official Transcripts.* Send a *Request for Official Transcripts* to each college or university you have previously attended. (Unofficial transcripts will not be accepted.) Sealed transcripts must be sent by the college/university to:

Admissions
 Randall University
 3701 S. I-35 Service Road
 Moore, OK 73160

4. *References.*
 - Request your pastor to complete a *Validation of Church Relationship Form* and return to you in a signed, sealed envelope. Submit the form with your application.
 - Request an adult who knows you well to complete a *Reference Form* in a signed, sealed envelope. Submit the form with your application.
5. *Biblical Foundations Statement.* Read and sign the *Biblical Foundations Statement*. Submit the form with your application.
6. *Financial Aid.* If needed, apply for Financial Assistance or scholarships by filling out the *Scholarship Application Form* and the *FAFSA*. After the forms are completed, schedule an appointment with the Financial Aid Officer.

COURSE FORMAT

All courses can be completed without leaving your career position. Master of Arts in Ministry courses may only be completed online. A list of the available courses is published prior to the beginning of each semester. Course schedules are organized for two annual semesters (January-June, July-December). Each semester three eight-week sessions. A new cohort begins every semester. The schedule is organized so a cohort may complete the master's degree in two years by completing the core courses and electives.

Independent Study Courses

The Randall University Master of Arts in Ministry Program also offers courses that may be completed independently under the supervision of regular faculty and adjunct faculty who are well-regarded professors in their prospective fields.

REPEATED COURSES

Courses may be repeated under the following guidelines:

- 1) Repeat and have only second grade counted in graduation GPA...even if second grade is lower than first grade
- 2) Limit to first four courses and not to exceed total of 18 credit hours
- 3) If course is repeated more than once, only the first grade will be replaced. Second (and subsequent) grade will remain as part of GPA calculation.

GRADUATION REQUIREMENTS

To graduate with a Master of Arts in Ministry degree the student must achieve the following:

1. Complete 36 semester hours acceptable to the University, including one of these options:
 - a. *Thesis option*
 - i. 3 Orientation/Immersion hours

- If course is repeated more than once, only the first grade will be replaced. Second (and subsequent) grade will remain as part of GPA calculation.

MPA PROGRAM COMPONENTS

This program grooms students to become mid-level leaders in public administration. It focuses on the Christian world-view along with practical public administration knowledge. The program is designed to connect the student to experienced public administrators and organizations while grooming them with skills in:

- A. Leadership from a Christian perspective
- B. Public speaking
- C. Public policy development
- D. Research and writing
- E. Quantitative analysis

The Christian world-view is incorporated throughout the program with the Ethics Checks, and Christian leaders. Students will gain first-hand practical knowledge as they work with a government agency or a non-profit on their Research Project. Students build their research projects as they progress through the program. The project is incorporated in the MPA courses. Students will learn the skills of writing and quantitative analysis when they evaluate the quality of an existing program.

GRADUATION REQUIREMENTS

To graduate with a Master of Public Administration degree a student must complete the following requirements:

- Submit in writing their Research Project to the MPA Program Director.
- Successfully complete 39 MPA semester hours of one MPA emphasis track. Satisfactorily complete every course in the degree with a C or better and earn a cumulative GPA of 3.0 or better. No more than 6 semester hours will be accepted in transfer from an accredited institution. Official transcripts will be evaluated by the MPA Program Director.
- Complete the MPA Major Field Test.

This course allows students to participate in off-campus experiences designed to relate ideas and concepts to problems encountered on the field. Credit is given upon satisfactory completion of all course requirements. Prerequisite: Approval of the Advisor. **(MA)**

BIBL 5973 MASTERS PROJECT (3 hours)

This course is designed to provide students with the opportunity to pursue guided research in an area under faculty supervision. The course will be structured to utilize the appropriate methodology for the project, the communication of the findings, and the summary of the conclusions. Prerequisite: Approval of the Advisor. **(MA)**

BIBL 5996 MASTERS THESIS (6 hours)

This course is designed for students studying for a masters degree to demonstrate competency through the completion of a thesis. The student must complete independent research and write a thesis under faculty supervision. Prerequisite: Approval of the Advisor. **(MA)**

BIOLOGY (BIOL)**BIOL 0000 GENERAL BIOLOGY - SUPPLEMENTAL ACADEMIC INSTRUCTION (SAI) (0 hours)**

This co-requisite course will be taken concurrently with BIOL 1114 General Biology I in order to support and scaffold the student's comprehension of the materials. This course will provide more opportunity for discussion on the essential basics of Biology laid out in BIOL 1114. This course is designed to support and assist students to successfully complete BIOL 1114 by providing them with structured additional time with an instructor. The goal of SAI is to facilitate the application of learning within the associated course. Students enrolled in this course need to be aware that the participation, performance, and progress in this SAI course will affect their final grade in the associated co-requisite course. This course is graded as "P" Pass or "F" Fail.

BIOL 1104 PRINCIPLES OF BIOLOGICAL SCIENCE (4 hours)

This course is a study of the literacy level basics of biology. The scientific method is applied to the study of structure and function of living things in their environments. Topics include cell biology, metabolism, genetics, growth and development, diversity of life, ethics in biology, and the contrasting models for the origin of species. Directed laboratory exercises are included: Prerequisite: high school algebra or equivalent.

BIOL 1114 GENERAL BIOLOGY I (4 hours)

This course is a study of the basic structural and functional characteristics of cell biology, energetics and metabolism. The fundamental principles of living organisms will be studied through an investigation of microbiology, plant and animal systems including the human system. This course includes classroom and laboratory instruction.

BIOL 1124 GENERAL BIOLOGY II (4 hours)

The course will entail continued studies of the structure and function and plant and animal systems. Emphasis will be on the study of the classification and characterization of living organisms, plant structure and physiology, animal structure and physiology, ecological systems, and evolution in relation to a Christian worldview. This course includes classroom and laboratory instruction. Prerequisite: BIOL 1114.

BIOL 2544 HUMAN ANATOMY (4 hours)

This course is designed so that the student understands the development, histology and gross morphology of the human body. The course will use a lab/lecture format with extensive use of models, videos, and computer-assisted instruction as well as the dissection of a virtual cadaver utilizing high end educational software to achieve an understanding of human structure. The goal is to provide the student with the basic understanding of the human structure for use in further education or the student's professional career. Prerequisite: BIOL 1114 or permission of the instructor.

BIOL 2644 HUMAN PHYSIOLOGY (4 hours)

This course is a study of the function of vertebrate organ systems in homeostasis. Topics include circulation, digestion, endocrine and nervous control, metabolism, muscle action and respiration, with emphasis on humans. It has three hours of lecture and one two-hour laboratory period each week. Prerequisite: BIOL 1114 or permission of the instructor.

BIOL 3033 ORIGINS (3 hours)

This course is an introduction to the history of science as it relates to origins. The student will evaluate various theories of the beginning of life on Earth and the universe from a Christian worldview. The course will combine a survey of the scientific literature regarding creation and evolution with a careful examination of Biblical scholarship. Prerequisite: BIOL 1114.

BIOL 3204 CELL BIOLOGY (4 hours)

This course is a study of the smallest unit of life, the cell. Emphasis will be placed on cell structure and function including cell specific processes such as membrane function, reproduction, metabolism, and respiration. Prerequisites: BIOL 1114 and 1124 or permission of instructor.

BIOL 3244 MICROBIOLOGY (4 hours)

This course will cover the fundamental principles of microbiology including the structure and function of microbial cells and their activities in nature. This course includes classroom and laboratory instruction. Experimental methods in microbiology will be the focus of the laboratory. Prerequisites: BIOL 1114 and 1124.

BIOL 3313 IMMUNOLOGY (3 hours)

Students in this course will be introduced to basic principles of immunobiology and immunochemistry. Human immunity will be emphasized to include the lymphatic system, innate and adaptive immune mechanisms, antigen and antibody structure and interactions, and the roles of the immune system in allergies, autoimmunity, and transplantation. Prerequisites: BIOL 1114 and 1124.

BIOL 3343 PHARMACOLOGY (3 hours)

This course will study the chemical and pharmacological properties of the major classes of drugs. This course is designed to study the development of movement, competency, and implications for skill learning in young people.

HPES 3232 ADAPTED PHYSICAL EDUCATION (2 hours)
This course is designed to challenge the future teacher to adapt instruction, activities, and information according to the needs of the participant.

HPES 3323 MOTOR DEVELOPMENT (3 hours)
This course will allow students to study growth and physical development throughout different stages of life and the acquisition of neuromuscular control of movement at different levels of development.

HPES 3333 OFFICIATING (3 hours)

This course offers the study and interpretation of various sports and their rules. It gives the opportunity for experience and for becoming a registered official. It provides a good background in the proper techniques of officiating and controlling a sport activity.

HPES 3502 CARE AND PREVENTION OF ATHLETIC INJURIES (2 hours)

This course will include a study of injuries in the exercise and sports sciences. Methods of care and prevention with emphasis on the common injuries and taping techniques will be included.

HPES 3513 HEALTH PROMOTION PROGRAMS (3 hours)

This course focuses on the process involved with designing a health promotion program. It will include models, theories, and evaluation techniques to improve overall wellness, disease prevention, and risk reduction.

HPES 3533 HEALTH PSYCHOLOGY (3 hours)

This course is a study of a broad overview of the field of health psychology, including concepts, theory, and research. It will examine the bi-directional relationship between psychology and mental and physical health. The course will provide an interface with the real world and will provide a balanced presentation of the important issues in the field including health, wellness, mental stability and stress management. Prerequisite: PSYC 1123. Crosslisted as PSYC 3533.

HPES 3563 LIFESTYLE INTERVENTIONS (3 hours)

This course will show how students can interrelate their knowledge of applying lifestyle interventions to individuals, entire communities, work places, and schools.

HPES 3801 PHYSICAL EDUCATION WORKSHOP (1 hour)

This workshop is designed as an intensive study of various topics or methodologies. The course may be repeated with a change of subject matter for a maximum of four credit hours.

HPES 3802 PHYSICAL EDUCATION SEMINAR (2 hours)

This seminar is designed as an intensive study of various topics or methodologies. A writing project is required. The course may be repeated with a change of subject matter for a maximum of four credit hours. Permission of Program Director is required.

HPES 3813 PRINCIPLES OF HEALTH AND FITNESS (3 hours)

This course is an introduction to the biological, physical, and psychological sciences related to health, fitness, exercise, and sport. Theoretical and applied concepts and principles that make up the foundation of health, testing, design, and prescription will be presented.

HPES 3853 EXERCISE TESTING AND PRESCRIPTION (3 hours)

This course will allow students to examine the process of testing an individual's fitness level and prescribing the correct dose of exercise accordingly. The student will be provided with knowledge of the impact exercise has on nutrition, weight control, and the overall dose response on the human body.

HPES 3873 PRINCIPLES OF PERSONAL TRAINING (3 hours)

This course prepares students with the knowledge, skills, and abilities required for a nationally recognized certification in personal training. This includes obtaining the understanding of the body's response to acute and chronic exercise as well as competencies in technique and evaluation.

HPES 4113 STRUCTURAL KINESIOLOGY (3 hours)

This course provides an introduction to basic human anatomy, physiology, and biomechanics of specific structures that produce and sustain movement.

HPES 4223 PHYSIOLOGY OF EXERCISE (3 hours)

This course is a general study of the bioenergetics of muscular work; neuromuscular structure, function, and control; cardio respiratory functions and control; and physical training as it relates to nutrition and exercise performance.

HPES 4403 SENIOR CAPSTONE (3 hours)

Seniors must complete a capstone course prior to graduation under the direction of their advisor. The student will present a proposal to his or her faculty advisor that must be approved by the department chair and the Exercise Science Program Director. The completed project will demonstrate that the student has accomplished the degree purposes of common literacy, communication skills, and critical thinking.

HPES 4833 PHYSIOLOGY OF EXERCISE LABORATORY (3 hours)

This course includes laboratory experiments that allow the student to survey the fitness level of participants by evaluating fundamental physiological mechanisms, regulating responses, and adapting to exercise. Systems evaluated include cardio-respiratory, energy, and muscular. Prerequisite: HPES 4223.

HPES 4853 CHRONIC DISEASE INTERVENTION (3 hours)

This course provides students with a basic understanding of chronic diseases and how they may be prevented or treated through the implementation of health promotion and exercise sciences.

HPES 4903 SPECIAL TOPICS (3 hours)

Various subjects in the area of study will be presented through research and writing or through visiting professors and lecturers that complement the curriculum and take advantage of the educational background, experience, and expertise of the instructor. Emphasis is given to the creative approaches, research, and/or collaborative learning to enrich the understanding of the student. Permission of instructor is required. This course may be repeated with a change of subject matter for a maximum of nine credit hours.

HUMANITIES (HUMN)**HUMN 1113 HUMANITIES (3 hours)**

This course is an introductory survey of music, art, and literature with consideration of the historical and philosophical background and with appreciation of their significance in human experience.

HUMN 2801 HUMANITIES WORKSHOP (1 hour)

This workshop is designed as an intensive study of various topics or methodologies. The course may be repeated with a change of subject matter for a maximum of four credit hours.

HUMN 2802 HUMANITIES SEMINAR (2 hours)

This seminar is designed as an intensive study of various topics or methodologies. A writing project is required. The course may be repeated with a change of subject matter for a maximum of four credit hours. Permission of Program Director is required.

HUMN 2903 SPECIAL TOPICS (3 hours)

Various subjects in the area of study will be presented through research and writing or through visiting professors and lecturers that complement the curriculum and take advantage of the educational background, experience, and expertise of the instructor. Emphasis is given to the creative approaches, research, and/or collaborative learning to enrich the understanding of the student. Permission of instructor is required. This course may be repeated with a change of subject matter for a maximum of nine credit hours.

HUMN 3801 HUMANITIES WORKSHOP (1 hour)

This workshop is designed as an intensive study of various topics or methodologies. The course may be repeated with a change of subject matter for a maximum of four credit hours.

HUMN 3802 HUMANITIES SEMINAR (2 hours)

This seminar is designed as an intensive study of various topics or methodologies. A writing project is required. The course may be repeated with a change of subject matter for a maximum of four credit hours. Permission of Program Director is required.

INTERDISCIPLINARY STUDIES (IDIS)**IDIS 0120 STRATEGIES FOR ACADEMIC ACHIEVEMENT (0 hours)**

An Academic Support Program designed to partner At-Risk students with an Academic Success Coach. Regular meetings between the Success Coach and the student will provide the framework for support and achievement of academic and personal goals related to success in the college setting.

IDIS 1001 STUDENT SUCCESS SKILLS (1 hour)

This course provides students with knowledge of the basic skills required for college success. Topics covered include time management, reading textbooks, taking class notes and tests, documentation, library skills, web evaluation, learning

styles, and personality assessment. A letter grade of C or higher is required for passing this course.

IDIS 1120 ONLINE ORIENTATION (0 hours)

This course is designed for online students to determine if they have learning styles and skills necessary for successful online learning (including daily access to a computer and the Internet). Successful completion of the orientation is required before a student will be admitted to Randall University online courses.

IDIS 1153 ACADEMIC SUCCESS IN PROFESSIONAL STUDIES (3 hours)

The purpose of this course is to improve opportunities for the adult student to succeed in college and life. The student will be empowered to be a responsible learner. This course will provide students with the tools necessary for successful learning experiences: university policies and expectations, communication and time management skills, and learning styles. Required for all School of Professional Studies students unless waived by the Academic Dean or Director of Professional Studies. A letter grade of C or higher is required for passing the course.

IDIS 1330 STRATEGIES FOR SUCCESS (0 hours)

The course is designed to provide academic, spiritual, socioemotional, and life skills for students to be successful in college-level courses, and contribute to the overall well-being of the student body at Randall University. Special emphasis is given to practicing metacognitive skills, establishing positive habits, and goal setting. Required for all students placed on academic probation (can be repeated). Failure to successfully pass this course could result in suspension from the university. This course is graded as "P" Pass or "F" Fail.

IDIS 2801 INTERDISCIPLINARY STUDIES WORKSHOP (1 hour)

This workshop is designed as an intensive study of various topics or methodologies. The course may be repeated with a change of subject matter for a maximum of four credit hours.

IDIS 2802 INTERDISCIPLINARY STUDIES SEMINAR (2 hours)

This seminar is designed as an intensive study of various topics or methodologies. A writing project is required. The course may be repeated with a change of subject matter for a maximum of four credit hours. Permission of Program Director is required.

IDIS 2903 SPECIAL TOPICS (3 hours)

This course may be repeated with a change of subject matter for a maximum of nine credit hours.

IDIS 3801 INTERDISCIPLINARY STUDIES WORKSHOP (1 hour)
This workshop is designed as an intensive study of various topics or methodologies. The course may be repeated with a change of subject matter for a maximum of four credit hours.

IDIS 3802 INTERDISCIPLINARY STUDIES SEMINAR (2 hours)
This seminar is designed as an intensive study of various topics or methodologies. A writing project is required. The course may be repeated with a change of subject matter for a maximum of four credit hours. Permission of Program Director is required.

IDIS 4222 AREA STUDIES (2 hours)
Students who are prospective missionary candidates select for individual research the area in which they are interested. An in-depth study is made of the geography, history, culture, religion, and missionary activity of the chosen area. A research paper representing the results of the study will be required at the conclusion of the semester. Offered under the supervision of the instructor of missions.

IDIS 4303 MINISTRY AND BUSINESS CAPSTONE (3 hours)
Seniors must complete a capstone course prior to graduation under the combined direction of the Ministry Advisor and the Business Advisor. The student will present a proposal to his or her faculty advisor in both departments. The proposal must be approved by both advisors, and it will be designed to demonstrate that the student has accomplished the degree purposes of common literacy, communication skills and critical thinking in regards to a local and global perspective in a ministry specialization as well as a business specialization. The course is to be taken during the final semester in the degree program. Prerequisite: Senior standing.

IDIS 4403 INTERDISCIPLINARY CAPSTONE (3 hours)
Seniors must complete a capstone course prior to graduation under the direction of their advisor. The student will present a proposal to his or her faculty advisor which must be approved by both the Department Chair in which the faculty advisor serves and the Interdisciplinary Studies Director. The IDIS 4403 project will be designed to demonstrate that the student has accomplished the degree purposes of common literacy, communication skills, and critical thinking.

IDIS 4903 SPECIAL TOPICS (3 hours)

Emphasis is given to the creative approaches, research, and/or collaborative learning to enrich the understanding of the student. Permission of instructor is required. This course may be repeated with a change of subject matter for a maximum of nine credit hours.

LANG 5103 NEW TESTAMENT GREEK APPRECIATION (3 hours)

This course is a study of the grammar, syntax, and vocabulary of the Greek language. It is specifically designed to meet the needs of the graduate student who has not completed at least one year of Greek grammar and vocabulary at the undergraduate level. It gives the student a sufficient understanding of the Greek language to use leading commentaries, Bible dictionaries, and other resources requiring an understanding of the original language of the New Testament. It also prepares a student to translate selected verses from the Greek New Testament using the resources that are normally available to pastors and other Christian workers. **(MA)**

LEADERSHIP (LEAD)

LEAD 2801 LEADERSHIP WORKSHOP (1 hour)

This course is a workshop exploring careers in business, topics of current interest, and business literature and resources. This course may be repeated with a change of subject matter for a maximum of four credit hours.

LEAD 2802 LEADERSHIP SEMINAR (2 hours)

This course is a seminar exploring careers in business, topics of current interest, and business literature and resources. The course may be repeated with a change of subject matter for a maximum of four credit hours. Permission of Program Director is required.

LEAD 2903 SPECIAL TOPICS (3 hours)

Various subjects in the area of study will be presented through research and writing or through visiting professors and lecturers that complement the curriculum and take advantage of the educational background, experience, and expertise of the instructor. Emphasis is given to the creative approaches, research, and/or collaborative learning to enrich the understanding of the student. Permission of instructor is required. This course may be repeated with a change of subject matter for a maximum of nine credit hours.

LEAD 3801 LEADERSHIP WORKSHOP (1 hour)

This course is a workshop exploring careers in business, topics of current interest, and business literature and resources. This course may be repeated with a change of subject matter for a maximum of four credit hours.

LEAD 3802 LEADERSHIP SEMINAR (2 hours)

This course is a seminar exploring careers in business, topics of current interest, and business literature and resources. The course may be repeated with a change of subject matter for a maximum of four credit hours. Permission of Program Director is required.

LEAD 3823 CONCEPTS OF LEADERSHIP (3 hours)

This course is a study of the concepts of leadership presented in the Scriptures with the goal of maximizing leadership potential.

LEAD 4003 SMALL GROUP LEADERSHIP (3 hours)

This course is a study of the organization and function of small groups. Emphasis will be given to the role of small groups in church ministry and business. Prerequisite: Junior standing.

LEAD 4503 CASE STUDIES IN LEADERSHIP (3 hours)

Case studies will be selected for in-depth study of the application of leadership concepts with particular reference to those concepts found in Scripture. Students will develop a written analysis of their style of leadership. Related issues are introduced through readings. Prerequisite: Junior standing.

LEAD 4903 SPECIAL TOPICS (3 hours)

Various subjects in the area of study will be presented through research and writing or through visiting professors and lecturers that complement the curriculum and take advantage of the educational background, experience, and expertise of the instructor. Emphasis is given to the creative approaches, research, and/or collaborative learning to enrich the understanding of the student. This course may be repeated with a change of subject matter for a maximum of nine credit hours. Prerequisite: Junior standing and permission of the instructor is required.

LEAD 5213 CHRISTIAN LEADERSHIP (3 hours)

This course examines the Biblical and theological perspectives of leadership as well as functions or tasks of leadership planning, organizing, directing, staffing and controlling. A unit is included on time management and personal planning for the Christian worker. The emphasis is to improve leadership abilities of the students and to prepare them to develop leadership in others. **(MPA)**

LEAD 5223 STRATEGIC PLANNING (3 hours)

This course will examine principles of planning for ministries. An emphasis will be placed on the local church. Attention will be given to long-range planning, as well as short-term and day to day planning. Development of other leaders will be included as well. **(MA)**

LEAD 5313 LEADERSHIP & ORGANIZATIONAL CULTURE (3 hours)

This course will teach the student various methods of evaluating public programs including needs assessment, process evaluation, and program effectiveness. It will guide them on how to evaluate a program for their research project, and how to write their findings for the program's management. **(MPA)**

LEAD 5801 WORKSHOP (1 hour)

This workshop is designed as a study of various topics, issues, or methodologies. The course may be repeated with a change of subject matter for a maximum of four credit hours. Prerequisite: Approval of the Advisor. **(MA)**

LEAD 5802 SEMINAR (2 hours)

This seminar is designed as an intensive study of various topics, issues, or methodologies. A writing project is required. The course may be repeated with a change of subject matter for a maximum of six credit hours. Prerequisite: Approval of the Advisor. **(MA)**

LEAD 5903 SPECIAL TOPICS (3 hours)

This course presents various subjects in the area of study through visiting professors and lecturers that complement the curriculum and take advantage of the educational background, experience, and expertise of the instructor. Emphasis will be given to creative approaches, research, and collaborative learning to enrich the understanding of the student. The course may be repeated with a change of subject matter for a maximum of nine credit hours. Prerequisite: Approval of the Advisor. **(MA)**

LEAD 5933 INDEPENDENT STUDY (3 hours)

This course allows the student to do an in depth, supervised study in an area related to his or her degree program. Students are limited to subject matter that can be supervised by a faculty member. Prerequisite: Approval of the Advisor. **(MA)**

LEAD 5943 DIRECTED READINGS (3 hours)

This course is for advanced students to enhance understanding in areas where they wish to gain some measure of expertise in the literature of the field. Prerequisite: Approval of the Advisor. **(MA)**

LEAD 5953 STUDY ABROAD (3 hours)

This course allows students to participate in short term experiences outside the continental United States. Students will propose learning objects for the study abroad experience that are deemed appropriate by the faculty supervisor. Credit is given upon satisfactory completion of all course requirements. Prerequisite: Approval of the Advisor. **(MA)**

LEAD 5963 PRACTICUM (3 hours)

This course allows students to participate in off-campus experiences designed to relate ideas and concepts to problems encountered on the field. Credit is given upon satisfactory completion of all course requirements. Prerequisite: Approval of the Advisor. **(MA)**

LETTERS (LTRS)**LTRS 4403 LETTERS CAPSTONE (3 hours)**

Seniors must complete a capstone course prior to graduation under the direction of the Letters Program Director (or assigned faculty advisor). The student will develop and present a research proposal for approval. Upon approval, the student will plan, research, and write a senior thesis. The student will also provide an oral presentation of his or her thesis. The project will be designed to demonstrate student competency in accomplishing the degree purposes of common literacy, critical thinking and analysis, research ability, evaluation of evidence, and communication skills (written, oral, and visual).

MATHEMATICS (MATH)**MATH 0010 MATH CONCEPTS AND APPLICATIONS - SUPPLEMENTAL ACADEMIC INSTRUCTION (SAI) (0 hours)**

This co-requisite course will be taken concurrently with MATH 1503 in order to support and scaffold the student's comprehension of the materials. This course will provide a more in-depth discussion and practice on the essential skills (such as basic concepts of arithmetic and algebra, applications of exponents and logarithms, topic is coordinate geometry, and elementary statistics) required for each lesson assigned in MATH 1503. This course is designed to support students as they take MATH 1503 and provide them structured extra time with an instructor to facilitate their learning and growth within the credited course. Students enrolled in this course need to be aware that their performance and progress in this SAI course will affect their final grade in the associated co-requisite course. This course is graded as "P" Pass or "F" Fail.

MATH 0233 BASIC SKILLS FOR MATHEMATICS (3 hours)

This course is a thorough review of arithmetic and arithmetic concepts as well as an introduction to algebraic and geometric concepts. Topics covered include integers, fractions, linear equations, basic area and volume concepts, exponents, and problem solving. This course is designed to prepare students for entry into MATH 1503 Mathematical Concepts and Applications and is not acceptable for degree credit.

MATH 1503 MATHEMATICAL CONCEPTS AND APPLICATIONS (3 hours)

This course is designed to enhance students' abilities to analyze and solve problems within numerous mathematical disciplines. The focus will include the structure of the number system, operations and basic functions, problems involving percent and interest in a real-world context, application of central tendencies, and an introduction to probability. This course is a prerequisite for Math 1513 and Math 1553 unless the student has earned a score of 19 on the ACT Mathematics subscore or Accuplacer Test equivalent.

MATH 1513 COLLEGE ALGEBRA (3 hours)

This course presents functions and graphing. Polynomial, exponential, and logarithmic functions will be explored. Substitution, elimination, and matrices will be used to solve systems of linear equations. . Prerequisite: Minimum ACT Mathematics subscore of 19 or Accuplacer Test equivalent or MATH 1503.

MATH 1533 FOUNDATIONS OF GEOMETRY AND MEASUREMENT (3 hours)

This is a course designed to enhance the student's abilities to analyze and solve problems. Topics included are plane geometry, transformations, and topology. It also includes a study and practice of systems of measurement and an introduction to trigonometry. Prerequisites: one year of high school algebra and one year of high school geometry or MATH 1503.

MATH 1543 BUSINESS MATH FOR PROFESSIONALS (3 hours)
This course provides solid, practical, and up-to-date coverage of fractions, formulas, and algebra. It will introduce business topics such as bank services, payroll, taxes, risk management, interest, annuities, depreciation, and financial statements.

MATH 1553 FUNCTIONS AND MODELING (3 hours)
This course presents the study of equations and functions (linear, polynomial, rational, exponential) from various perspectives (symbolic, verbal, numerical and graphical), and evaluating statistical problems. These math concepts will be employed using mathematical simulations in solving applications in financial and other real-world situations throughout the course. Prerequisite: Minimum ACT Mathematics subscore of 19 or Accuplacer Test equivalent or MATH 1503.

MATH 1613 TRIGONOMETRY (3 hours)
This course presents the development and use of circular and trigonometric functions: relations between the functions, solutions of triangles, and applications to practical problems. Prerequisites: high school geometry and MATH 1513.

MATH 1714 CALCULUS I: CALCULUS WITH ANALYTIC GEOMETRY (4 hours)
Topics include differentiation and integration of elementary functions, limits, continuity, and applications of the definite integral. Prerequisites: MATH 1513 or permission of the instructor.

MATH 2343 ALGEBRA FOR ELEMENTARY TEACHERS (3 hours)
This course presents topics that include number sense, relations and patterns with algebraic thinking, and problem solving principles integrated throughout to meet the needs of the Elementary Education teacher candidate. Research, theory, and practice facilitating elementary children's learning will be explored. Prerequisite: Admission to Education program or permission from Education Program Director. Prerequisite: MATH 1513.

MATH 2703 APPLIED CALCULUS FOR BUSINESS, LIFE AND SOCIAL SCIENCES (3 hours)
This course is a study of topics that include differentiation and integration of elementary functions, limits, continuity, and applications of the definite integral for solving theoretical and applied problems in business, life sciences, and social sciences. Prerequisites: MATH 1553 with a minimum grade of 'C' or permission of instructor.

MATH 2724 CALCULUS II: CALCULUS WITH ANALYTIC GEOMETRY (4 hours)
Topics covered include calculus of transcendental functions, techniques of integration, series, conic sections, polar coordinates, and parametric equations. Prerequisite: MATH 1714 or permission of the instructor.

MATH 2734 CALCULUS III: CALCULUS WITH ANALYTIC GEOMETRY (4 hours)
Topics covered include vector calculus, functions of several variables, partial derivatives, and multiple integrals. Prerequisite: MATH 2724 or permission of the instructor.

MATH 2801 MATHEMATICS WORKSHOP (1 hour)
This workshop is designed as an intensive study of various topics or methodologies. The course may be repeated with a change of subject matter for a maximum of four credit hours.

MATH 2802 MATHEMATICS SEMINAR (2 hours)
This seminar is designed as an intensive study of various topics or methodologies. A writing project is required. The course may be repeated with a change of subject matter for a maximum of four credit hours. Permission of Program Director is required.

MATH 2903 SPECIAL TOPICS (3 hours)
Various subjects in the area of study will be presented through research and writing or through visiting professors and lecturers that complement the curriculum and take advantage of the educational background, experience, and expertise of the instructor. Emphasis is given to the creative approaches, research, and/or collaborative learning to enrich the understanding of the student. Permission of instructor is required. This course may be repeated with a change of subject matter for a maximum of nine credit hours.

MATH 3013 LINEAR ALGEBRA (3 hours)
This course is an introductory course in vector spaces, matrices, determinants, characteristic roots, and applications. Prerequisite: MATH 2724 or permission of the instructor.

MATH 3123 ELEMENTARY NUMBER THEORY (3 hours)
This is a course designed to present theoretical studies in mathematics including primes and composites, number theoretic functions, Diophantine equations, congruence classes, and mathematical induction. Prerequisite: MATH 2724.

MATH 3601 TECHNOLOGY AND MEDIA IN MATHEMATICS (1 hour)
This course will be an introduction to computer software and calculators used for students of mathematics. Topics will be selected from uses of the internet for the study of mathematics, graphing calculators, and computer software for solving mathematical problems. Permission of instructor is required.

MATH 3801 MATHEMATICS WORKSHOP (1 hour)
This workshop is designed as an intensive study of various topics or methodologies. The course may be repeated with a change of subject matter for a maximum of four credit hours.

MATH 3802 MATHEMATICS SEMINAR (2 hours)
This seminar is designed as an intensive study of various topics or methodologies. A writing project is required. The course may be repeated with a change of subject matter for a maximum of four credit hours. Permission of Program Director is required.

MATH 4023 MODERN ALGEBRA (3 hours)
This course is an introduction to group, ring, and field theory. Emphasis is on real and complex number fields with supportive problem sets and applications. Prerequisite: MATH 2734

MATH 4103 HISTORY OF MATHEMATICS (3 hours)

This course is a study of the historical development of mathematics, including an introduction to the works of notable mathematicians and a look at famous problems and their development over time. Prerequisite: MATH 1513 and junior standing or permission of the instructor. Crosslisted as HIST 4103.

MATH 4543 CAPSTONE: THE NATURE OF MODERN MATHEMATICS (3 hours)

This capstone course for Mathematics Education majors examines the connections between the mathematics disciplines required for the Mathematics Education Program. Connections between the disciplines in modern uses of mathematics and the historical development of each of the disciplines are studied. Prerequisite: Senior standing or permission of the instructor.

MATH 4903 SPECIAL TOPICS (3 hours)

Various subjects in the area of study will be presented through research and writing or through visiting professors and lecturers that complement the curriculum and take advantage of the educational background, experience, and expertise of the instructor. Emphasis is given to the creative approaches, research, and/or collaborative learning to enrich the understanding of the student. Permission of instructor is required. This course may be repeated with a change of subject matter for a maximum of nine credit hours.

MANAGEMENT (MGMT)**MGMT 2113 PRINCIPLES OF PUBLIC RELATIONS (3 hours)**

This course is a study of current concepts in public relations as a management function in the church, business, industry, government, and education. Direction in producing practical public relations tools is given.

MGMT 2801 MANAGEMENT WORKSHOP (1 hour)

This course is a workshop exploring careers in business, topics of current interest, and business literature and resources. The course may be repeated with a change of subject matter for a maximum of four credit hours.

MGMT 2802 MANAGEMENT SEMINAR (2 hours)

This course is a seminar exploring careers in business, topics of current interest, and business literature and resources. The course may be repeated with a change of subject matter for a maximum of four credit hours. Permission of Program Director is required.

MGMT 2903 SPECIAL TOPICS (3 hours)

Various subjects in the area of study will be presented through research and writing or through visiting professors and lecturers that complement the curriculum and take advantage of the educational background, experience, and expertise of the instructor. Emphasis is given to the creative approaches, research, and/or collaborative learning to enrich the understanding of the student. Permission of instructor is required. This course may be repeated with a change of subject matter for a maximum of nine credit hours.

MGMT 3003 GOALS, PRIORITIES, AND ATTITUDES (3 hours)

This course includes setting goals, prioritizing those goals, and studying personal management skills and attitudes necessary to be successful in life pursuits. It focuses on Christian principles that should be integrated into personal management. Student success skill development, including information literacy, is emphasized. Prerequisites: Junior standing and MGMT 3303 or permission of Program Director.

MGMT 3303 MANAGEMENT PRINCIPLES (3 hours)

This course is a study of the eight aspects of managing organizations: planning, decision-making, organizing, staffing, communicating, motivating, leading, and controlling/evaluating with the presentation of principles for application to both not-for-profit and for-profit organizations. Prerequisite: Junior standing or BUSN 2213 or pass Business Proficiency Test.

MGMT 3403 MANAGING PEOPLE IN ORGANIZATIONS (3 hours)

Organizational behavior is the composite of the values, behaviors, and attitudes of the organizational leadership, groups within the organization, and all individual behaviors. Emphasis is on groups and individuals, how they interact with each other and the larger organizational culture. Prerequisites: Junior standing and MGMT 3303 or permission of Program Director.

MGMT 3503 MANAGEMENT INFORMATION SYSTEM (3 hours)

This course is an introduction to management of information processing for rational decision-making. Topics include records management and other computer applications related to functional business areas. Prerequisite: CSCI 2723.

MGMT 3801 MANAGEMENT WORKSHOP (1 hour)

This course is a workshop exploring careers in business, topics of current interest, and business literature and resources. The course may be repeated with a change of subject matter for a maximum of four credit hours.

MGMT 3802 MANAGEMENT SEMINAR (2 hours)

This course is a seminar exploring careers in business, topics of current interest, and business literature and resources. The course may be repeated with a change of subject matter for a maximum of four credit hours. Permission of Program Director is required.

MGMT 3903 CONVENTION MANAGEMENT INTERNSHIP (3 hours)

Convention Management Internship features an intensive, eight-day, hands-on intern experience that allows selected students to work behind the scenes at the Free Will Baptist National Convention. The preliminary course work provides an overview of basic convention and meeting management issues, concepts, and vocabulary. The on-site experience allows for a detailed experience in one of eight specific areas. Permission of Program Director is required.

MGMT 4001 DIRECTED READINGS IN MANAGEMENT (1 hour)

This course is a contracted independent reading program under faculty direction for the purpose of completing the student's undergraduate preparation for business plus topics of current interest in the field. The study will include major reading assignments and written reports. The course may be repeated with a change of subject matter. Offered by arrangement. Prerequisite: MGMT 3303 or permission of Program Director.

MGMT 4003 ORGANIZATIONAL BEHAVIOR (3 hours)

This course applies the concepts and theories of organizational behavior and human resources management. It is designed to be an integrative/cross-functional experience. Prerequisite: MGMT 3303 or permission of Program Director.

MGMT 4203 ENTREPRENEURSHIP AND SMALL BUSINESS MANAGEMENT (3 hours)

This course is a study dealing with the effective management of small firms. It includes determination of appropriate strategy as well as the activities of planning, starting, organizing, directing, and controlling a small business operation. Offered on demand. Prerequisite: MGMT 3303.

MGMT 4213 SPORTS FACILITY MANAGEMENT (3 hours)

This course will study current research related to planning, funding, and operating sports events and sport/recreation facilities.

MGMT 4223 SPORTS MANAGEMENT INTERNSHIP (3 hours)

This course is designed to provide students with valuable work experience in a sport or entertainment management industry. This course uses supervised and evaluated work experience to supplement the sports academic training with on-the-job training relevant to the student's career goal in this field. Prerequisite: Permission of the Program Director.

MGMT 4303 SPORTS MANAGEMENT (3 hours)

This course is designed to provide insight into key decisions made by managers on the business or mission side of sports with emphasis from a Christian Perspective. Text and case studies from actual situations in the field help students analyze management strategies in regard to leagues, clubs, players/athletes and agents, college sports, advertising, sponsorships and endorsements, fan loyalty and branding, new media, stadium capital projects, and financial valuation and profitability. Prerequisites: BUSN 3303, BUSN 3333, or MGMT 3303. Crosslisted as BUSN 4303.

MGMT 4523 SPORTS MANAGEMENT CAPSTONE (3 hours)

This course serves as a capstone for the sports management curriculum and its purpose is to provide a practical forum for students to integrate and apply the knowledge and skills learned in the areas of health promotion, business, and sports administration. Students will develop comprehensive solutions to current business problems in the sports field. Seniors must complete a capstone course prior to graduation under the direction of the Sports Management Advisor. The Sports Management capstone project, approved by the Program Director, allows the student to demonstrate

mastery for common literacy, communication skills, and critical thinking. Prerequisites: Senior standing and permission of the Program Director.

MGMT 4903 SPECIAL TOPICS (3 hours)

Various subjects in the area of study will be presented through research and writing or through visiting professors and lecturers that complement the curriculum and take advantage of the educational background, experience, and expertise of the instructor. Emphasis is given to the creative approaches, research, and/or collaborative learning to enrich the understanding of the student. Permission of instructor is required. This course may be repeated with a change of subject matter for a maximum of nine credit hours.

MGMT 5123 FINANCIAL PLANNING (3 hours)

This is a study of church stewardship planning based on Biblical principles. It is a study of what God has to say about financial practices coupled with standard bookkeeping methodology. It defines the work of the church treasurer, financial secretary, finance committee, and other church financial officers and terms. **(MA)**

MGMT 5801 WORKSHOP (1 hour)

This workshop is designed as a study of various topics, issues, or methodologies. The course may be repeated with a change of subject matter for a maximum of four credit hours. Prerequisite: Approval of the Advisor. **(MA)**

MGMT 5802 SEMINAR (2 hours)

This seminar is designed as an intensive study of various topics, issues, or methodologies. A writing project is required. The course may be repeated with a change of subject matter for a maximum of six credit hours. Prerequisite: Approval of the Advisor. **(MA)**

MGMT 5903 SPECIAL TOPICS (3 hours)

This course presents various subjects in the area of study through visiting professors and lecturers that complement the curriculum and take advantage of the educational background, experience, and expertise of the instructor. Emphasis will be given to creative approaches, research, and collaborative learning to enrich the understanding of the student. The course may be repeated with a change of subject matter for a maximum of nine credit hours. Prerequisite: Approval of the Advisor. **(MA)**

MGMT 5933 INDEPENDENT STUDY (3 hours)

This course allows the student to do an in depth, supervised study in an area related to his or her degree program. Students are limited to subject matter that can be supervised by a faculty member. Prerequisite: Approval of the Advisor. **(MA)**

MGMT 5943 DIRECTED READINGS (3 hours)

This course is for advanced students to enhance understanding in areas where they wish to gain some measure of expertise in the literature of the field. Prerequisite: Approval of the Advisor. **(MA)**

MANAGEMENT – ADMINISTRATIVE (MPAM)

MPAM 5113 INTRODUCTION TO PUBLIC ADMINISTRATION (3 hours)

This course is an introduction to public administration and to the MPA program. The course will give an overview of public administration in American government. Attention will be given to the legislative process, policy implementation, administrative oversight, court decisions, and management of government agencies. Additionally the role of government spending will be examined concerning its effects on American government and the U.S. economy. **(MPA)**

MPAM 5213 PROGRAM EVALUATION & RESEARCH (3 hours)

This course will teach the student various methods of evaluating public programs including needs assessment, process evaluation, and program effectiveness. It will guide them on how to evaluate a program for their research project, and how to write their findings for the program's management. **(MPA)**

MPAM 5223 PUBLIC PROGRAM MANAGEMENT (3 hours)

This course will focus on individual decision-making, diversity management, inter-governmental relations, collaboration, team management, and strategic planning. Case studies will be examined and discussed. **(MPA)**

MPAM 5233 PUBLIC BUDGETING & FINANCE (3 hours)

This course will address the realities of fiscal scarcity, downsizing and rapid technological change. Resource budgeting and finance concepts will be emphasized. Students will become astute consumers of budget data and related research. The course will include budget creation and financing of various types of projects over appropriate periods of time. **(MPA)**

MPAM 5323 PUBLIC POLICY DEVELOPMENT (3 hours)

This course is the study of policy development from its inception to its implementation. It includes the initiation and formation of sound policy; how to determine the needs and acquire support from citizens and groups for legislative action or initiative petitions; writing effective legislation; and oversight of the policy implementation with the appropriate agency. **(MPA)**

MPAM 5613 PRESENTATION OF RESEARCH (3 hours)

In this course students will combine all of their research chapters into one document as their capstone. They will create an outline of this information to be presented in a new conference setting. Students will take the MPA Major Field Test. **(MPA)**

MANAGEMENT – EMERGENCY (MPAE)

MPAE 5213 INTRODUCTION TO EMERGENCY MANAGEMENT (3 hours)

This course Examines the history and current practices of Emergency Management to include concepts, theories, methodology and common emergency management lexicon/phraseology. Case study analysis of disasters, related human behavior and critical recent literature and studies will

be presented. Students will further explore the roles of local, state and federal government to include assessments, strategies and implementation plans of action. Also information regarding responsibilities and roles of the nonprofit and private sectors during emergencies. **(MPA)**

MPAE 5233 DISASTER RESPONSE, RECOVERY & RESILIENCE (3 hours)

This course will include writing grant proposals, researching available grant sources, and connecting with foundations and government entities offering grants. Students will learn how to strategically plan for grant acquisition. (MPA)

MISSIONS (MISS)**MISS 2363 INTRODUCTION TO WORLD MISSIONS (3 hours)**

This course is designed to acquaint the student with the Biblical basis of missions, history of missions, principles of missions, and missionary practice.

MISS 2801 MISSIONS WORKSHOP (1 hour)

This workshop is designed as an intensive study of various topics or methodologies. The course may be repeated with a change of subject matter for a maximum of four credit hours.

MISS 2802 MISSIONS SEMINAR (2 hours)

This seminar is designed as an intensive study of various topics or methodologies. A writing project is required. The course may be repeated with a change of subject matter for a maximum of four credit hours. Permission of Department Director is required.

MISS 2903 SPECIAL TOPICS (3 hours)

Various subjects in the area of study will be presented through research and writing or through visiting professors and lecturers that complement the curriculum and take advantage of the educational background, experience, and expertise of the instructor. Emphasis is given to the creative approaches, research, and/or collaborative learning to enrich the understanding of the student. Permission of instructor is required. This course may be repeated with a change of subject matter for a maximum of nine credit hours

MISS 3041 PRACTICAL MINISTRY EXPERIENCE (1 hour)**MISS 3051 PRACTICAL MINISTRY EXPERIENCE (1 hour)**

This series of practical ministry experience courses involves supervised ministry in a local church or other approved ministry setting. Students will engage in various types of Christian service ministries determined by the faculty instructor and field supervisor to be valuable for the student's preparation for ministry (i.e. degree specialization). Prerequisite: Junior standing.

MISS 3111 MISSIONS FIELD STUDY (1 hour)

This is an in-service program designed to give the student a basic understanding of a particular home or foreign mission field. The student is required to spend one to two weeks of supervised learning and observation on the field. This course may be repeated once.

MISS 3113 PERSPECTIVES ON THE WORLD CHRISTIAN MOVEMENT (3 hours)

This is an in-depth study of world missions. It includes extensive study of God's global mission for all every tribe, tongue and nation. This course is offered for credit from the U.S. Center for World Mission and is held in local churches. (With approval from the program director this course can replace the in-class course MISS 3223 Global Ministry).

MISS 3123 MISSIONS AND CULTURE (3 hours)

This is a study of the nature of missions as it relates to the purpose, function, and patterns of man in culture. It is designed to give students an orientation toward peoples and cultures of other lands for the sake of imparting the Christian witness in indigenous rather than western forms. The course should be equally helpful for other church workers and laypersons to better understand and minister to people of various subcultures in American society.

MISS 3212 BIBLICAL BASIS OF MISSIONS (2 hours)

This is a study of God's mission as it is revealed and flows throughout the Bible. Topics include God's missionary character, His global mission strategy, and His active engagement in mission through His followers.

MISS 3223 GLOBAL MIINISTRY (3 hours)

This is a comprehensive study of missions from four perspectives: Biblical, historical, cultural, and strategic. It provides students of all Christian ministry degree programs the opportunity to intensely study and understand the global mission of God and their responsibilities in it. (With approval from the program director this course can be substituted with MISS 3113 Perspectives on the World Christian Movement.)

This course is a complement to the study of church history. Its focus is on the development of missionary activity, people, practices, problems, and progression from the apostolic age to the present day. Crosslisted as HIST 3723.

MISS 3801 MISSIONS WORKSHOP (1 hour)

This workshop is designed as an intensive study of various topics or methodologies. The course may be repeated with a change of subject matter for a maximum of four credit hours.

MISS 3802 MISSIONS SEMINAR (2 hours)

This seminar is designed as an intensive study of various topics or methodologies. A writing project is required. The course may be repeated with a change of subject matter for a maximum of four credit hours. Permission of Program Director is required.

MISS 4001 MISSIONS READING (1 hour)

This course is a contracted independent reading program under faculty direction for the purpose of completing the student's undergraduate preparation for missionary work. Study will include major reading assignments and written reports.

MISS 4103 MINISTERING CROSS-CULTURALLY (3 hours)

This course is a study of principles, practices, and problems related to ministry within the context of cultural diversity. Topics of study include cross-cultural communication, conflict management, witnessing, teaching, preaching, building and maintaining relationships, and counseling. Crosslisted as CMIN 4103.

MISS 4212 MINISTRY STRATEGY (2 hours)

This course introduces students to the art of strategizing and provides opportunities for them to practice developing appropriate strategies for different types of ministry objectives. Content is general in nature, and each student will be challenged to make application relative to his or her ministry objectives. Crosslisted as CMIN 4212.

MISS 4333 CHURCH PLANTING AND GROWTH (3 hours)

This course is a study of basic principles and methods of church planting and growth. The study integrates relevant insights from history and sociology with foundational Biblical materials related to development of churches and church-planting movements. Application for ministries within one's own cultural context and cross-cultural contexts are included in the study. Crosslisted as CMIN 4333.

MISS 4402 MISSIONS INTERNSHIP (2 hours)

This course is designed to provide the student with practical experience and on-the-job training in missions work. The student will work with a faculty instructor and field supervisor in the development of a learning and ministry plan for the semester or summer term. Prerequisite: Junior standing and enrollment in the Intercultural Studies degree program.

MISS 4903 SPECIAL TOPICS (3 hours)

Various subjects in the area of study will be presented through research and writing or through visiting professors

and lecturers that complement the curriculum and take advantage of the educational background, experience, and expertise of the instructor. Emphasis is given to the creative approaches, research, and/or collaborative learning to enrich the understanding of the student. Permission of instructor is required. This course may be repeated with a change of subject matter for a maximum of nine credit hours

MISS 4983 MISSIONS CAPSTONE (3 hours)

This is a contract course in which the student does a ministry project/paper that integrates all degree coursework, practical experiences, and personal preparedness for the transition from college into the next necessary stage for engagement in his or her specific ministry track choice. The student will fulfill this requirement during his or her final semester in the Bachelor of Arts with Missions Emphasis program. The student's work will be evaluated by the instructor assigned to work with him or her, the missions program director, Christian ministry department chair, and the Academic Dean. An oral presentation before the preceding team of educators will be part of this evaluation. Prerequisite: Senior standing and departmental approval.

MISS 5103 MINISTERING CROSS-CULTURALLY (3 hours)

This course is a study of the principles and procedures of communication with an emphasis on cross-cultural ministry related to the Christian faith. A focus on the cultural diversity of today's world will assist the student in understanding both the complexity and necessity of successful communication. Crosslisted: CMIN 5103. **(MA)**

MISS 5123 THEOLOGY OF MISSIONS (3 hours)

This course is a study of the Biblical and theological foundations of Christian missions. The unfolding missionary purpose of God will be traced through the Bible as it relates to the purposes, nature, scope and current challenges of cross-cultural missions. **(MA)**

MISS 5343 CHURCH PLANTING AND GROWTH (3 hours)

This course incorporates relevant sociological, anthropological, and historical insights as students examine Paul's model of planting churches cross-culturally as found in the book of Acts. It gives suggestions for the development of current effective strategies for multiplying growing indigenous congregations. It examines methods of evangelism and the training of pastors and laity. **(MA)**

GOVERNING POLICY

Randall University is governed by the Board of Trustees with the President of the University, the Moderator, and the Executive Secretary of the Oklahoma State Association of Free Will Baptists as ex-officio members. The State Associations of Arkansas and Texas elect two trustees each. The Missouri State Association of Free Will Baptists elects three trustees. The Oklahoma State Association of Free Will Baptist selects ten trustees. The trustees elected by these four states presently constitute the Board of Trustees. The President administers the day-to-day operation of the University under the direct supervision of the Board of Trustees.

DOCTRINE

The doctrine of the University is that of the Free Will Baptist denomination as outlined in [A Treatise of the Faith and Practices of Free Will Baptists, Inc.](#) As to fundamental principles, the University unreservedly endorses the conservative Protestant position. The Biblical Foundations Statement of the University is endorsed by each member of the Board of Trustees, Administration, Faculty, and Staff.

SUPPORT

Student fees account for approximately 75 percent of the total income of the University; local church groups and other sources account for 25 percent. The University thus depends upon Free Will Baptist individuals and churches for its support. The Cooperative Program of the Oklahoma State Association of Free Will Baptists provides a basic undergirding for the educational ministry of the University. Gift income comes primarily from a five-state area that includes approximately 65,000 Free Will Baptists.

APPENDIX

**The Advanced Placement Program (AP) Administered by the College Entrance Examination Board
The College Level Examination Program (CLEP) administered by the College Entrance Examination Board
International Baccalaureate Program (IB)**

Note: Randall University does not offer an equivalent course for some of the examinations for AP, CLEP, and IB. In those cases, the numbers 99 are used to denote elective credit (ex: CSCI 2993). When the course is in a discipline not offered at Randall University, the prefix TRAN is used to denote elective transfer credit.

AP (School code: 6744)

Scores 1 and 2 are not acceptable for credit. The courses listed in the various test-score columns are Randall University Courses, and the last digit of the four-digit number indicates the number of semester hours earned when a student is awarded credit for the course.
