As a prospective student, you are encouraged to review this catalog prior to signing an enrollment agreement. You are also encouraged to review the School Performance Fact Sheet, which must be provided to you prior to signing an enrollment agreement. All classes shall be held at 15141 Whittier Blvd., Suite 420, Whittier, CA 90703 and/or 3407 W. 6th St., Suite 614, Los Angeles, CA 90020.

Accreditation and Approvals

ATI College is accredited by the Accrediting Commission of Career Schools and Colleges (ACCSC) to award: Bachelor of Science in Diagnostic Sonography with Concentration in Healthcare Administration (BS), Associates degree in Physical Therapist Assistant (AS), Echocardiography (Certificate), and Ultrasound Technology (Certificate) via on-ground or blended (a combination of distance education and on-ground). ACCSC is listed as a nationally recognized accrediting agency by the U.S. Department of Education. This accreditation qualifies ATI to participate in several Federal Financial Aid Programs, which provide grants and loans to those eligible students.

ATI College is a private institution approved to operate by the California Bureau for Private Postsecondary Education. Approval to operate means the institution is compliance with the minimum standards contained in the California Private Postsecondary Education Act of 2009 (as amended) and Division 7.5 of Title 5 of the California Code of Regulations. Any questions a student may have regarding this catalog that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at P.O. Box 980818, West Sacramento, CA 95798-0818 or 1747 North Market, Suite 225, Sacramento, California 95834; www.bppe.ca.gov; Phone 916-574-8900; Toll Free Phone 888-370-7589; Fax 916-263-1897.

ATI College is authorized under federal law (U.S. Immigration and Customs Enforcement, Student and Exchange Visitor Program: SEVP MS 5600, DHS/ICE - 500 12th Street, SW, Washington, D.C. 20598-5600) to admin non-immigrant alien students.

ATI College is approved to participate in student financial assistance programs authorized by Title IV of the Higher Education Act of 1965 by the U.S. Department of Education (400 Maryland Avenue, S.W. Washington, DC 20202-5140).

ATI College is approved for VA benefits and currently participates in Chapter 33, 30, 1607, 1606, 35, and 31 Veteran Education Programs. To determine specific eligibility contact the Department of Veteran Affairs at 1-888-442-4551 for further assistance.

ATI College does not have a pending petition in bankruptcy, is not operating as a debtor in possession, has not filed a petition within the preceding five years, and has not had a petition in bankruptcy filed against it within the preceding five years that resulted in reorganization under Chapter 11 of the United States Bankruptcy Code (11 U.S.C. Sec. 1101 et seq.).

The following programs are currently offered by the College:

CIP	Program	Credential	Semester Credit Hours	Months	Learning Method & Location
51.0910	Bachelor of Science in Diagnostic Sonography with Concentration in Healthcare Administration	Bachelor's Degree	133	30	On-ground & Online
51.0806	Physical Therapist Assistant	Associate's Degree	64	20	On-ground & Online

51.0910	Ultrasound Technology	Certificate	81.5	18	On-ground & Online
51.0705	Medical Office Administrator	Certificate	900 Clock Hrs.	8	Online
N/A	Vocational English Courses*	Certificate	32.5	12	On-ground (Whittier or Los Angeles)

*Financial Aid not available

On-ground courses are available at:
 Main Campus (Whittier)
 15141 Whittier Boulevard, Suite 420, Whittier, CA 90603
 &
 Satellite Location (Los Angeles)
 3407 West 6th Street, Suite 614, Los Angeles, CA 90020

Distance education coursework is completed at a location determined by the student. ATI College's academic programs are specifically designed to align with the College's mission and objectives, which is to improve peoples' lives by providing professional work-skill training. Students seeking to succeed as professionals and instructors seeking to teach such students to require a learning environment committed to high standards of instruction. ATI College seeks to respond to these needs and challenges by teaching our students:

- 1) to develop a high-level of knowledge in their chosen field of career,
- 2) to develop analytical and critical thinking skills,
- 3) to help understand the significance of self-discipline thus acquiring self-confidence,
- 4) to develop a professional attitude and,
- 5) the ability to meet the employer's expectations in the world of professionalism.

Administration Office Hours

Administration office hours are as follow:

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
8AM-7PM	8AM-7PM	8AM-7PM	8AM-7PM	8AM-4PM	CLOSED	CLOSED

Admission Requirements

Admission requirements to the College and to the individual programs include:

1. An initial interview with the ATI Admissions Advisor.
2. For ATI's Certificate/Diploma and the Bachelor of Science degree in Diagnostic Sonography with Concentration in Healthcare Administrator program, proof of graduation from an accredited high school or its equivalent that must be demonstrated by one of the following criteria:
 - a. Copy or original of applicant's high school transcript indicating that the applicant fulfilled the requirements for graduation from an accredited high school.
 - b. Copy or original of applicant's recognized equivalency certificate, such as the General Equivalency Diploma (GED), or copy or original of the GED transcript showing fulfillment of the requirements for a GED.
 - c. Copy of applicant's valid high school diploma.

3. Pass the Wonderlic Basic Skills Test (BST) both the Quantitative & Verbal.

Level of Program	Required Score	
	Quantitative	Verbal
Certificate/Diploma Programs	210	200
Degree Programs	280	240

4. For ATI's Distance Education courses, score "Proficiency" level or better in the online readiness "Computer Literacy and Internet Knowledge (CLIK)" pre-assessment test.

0-16	Not Proficient
17-21	Proficient
22-25	Highly Proficient

5. A completed ATI Enrollment Agreement.
6. Acceptance interview conducted by a designated school official.
7. For ATI's Distance Education courses, meet minimum technology specifications. All laptops must have, at minimum, the following features: Web cam, microphone, sound card with speakers, consistent and reliable wireless internet access and Microsoft Office or equivalent.
 - PC Computer: Microsoft account, Windows 10, 1.6 GHz, 2-core processor, 4 GB, 2 GB (32bit) RAM, 4 GB available disk space, 1280× 768 screen resolution.
 - Mac Computer: Microsoft account, Intel processor, 4 GB RAM, 10 GB available disk space, Mac OS Extended or APFS, 1280 × 800 screen resolution.

8. Each candidate for admission is evaluated on the basis of individual merit and potential and will be considered without regard to race, color, religion, national origin, sex, age, or disability.

9. ATI College does not admit ability-to-benefit students.

Admissions Procedure

Following acceptance, each applicant is required to submit a registration fee of \$240 at the time of signing of the Enrollment Agreement. Payment of the registration fee of \$75 may be waived in case of extenuating circumstances. The signed and accepted Enrollment Agreement for admission details the obligations of the student and the College during the student's period of attendance.

Distance Learning

ATI College offers certain courses via distance learning using an online format. The Whittier campus & Los Angeles Satellite location are approved by ACCSC to offer distance education for the programs noted in this Catalog.

Prior to acceptance and signing an enrollment agreement to take classes via distance education, all applicants applying to an online/on-ground program must score "Proficient" level or better in the "Computer Literacy and Internet Knowledge (CLIK)" pre-assessment test, an online readiness assessment from Criteria Corp that measures basic computer literacy.

In addition, students must complete a Distance Learning Orientation and confirm that they have access to technology that will enable them to complete their coursework.

International Student Admission Requirements

ATI College is authorized under federal law to admit non-immigrant alien students. Visa services are not provided. All international applicants must meet the Admission Requirements as described in this catalog. In addition to meeting the regular Admission Requirements, international students who demonstrate competence in the English language by one of the following methods are not required to complete the Vocational English* courses offered at this College: 1) graduation from a secondary or a postsecondary institution whose primary language of instruction was English, 2) proof of successful completion of a minimum of six months (two quarters) of postsecondary coursework at an accredited institution in which English was the language of instruction, 3) TOEFL iBT Test score of 80 or better or equivalency. All instructions offered at ATI College are in English language.

History and Development

ATI College is a private postsecondary vocational college system focused on technology-oriented programs. The main campus began its operation in January 1998 in the city of Norwalk then soon opened the ATI College Branch campus in Tustin California in February 2004.

In August 2008, the ATI branch campus moved its location to Santa Ana to better accommodate the growing student population. The college continued to offer varieties of career-focused vocational programs to adult learners in Los Angeles and Orange Counties.

In June 2013, the ATI branch campus was consolidated with the main school in the city of Norwalk. In addition, in October 2013, the ownership of ATI College was changed to Southern California University, School of Oriental Medicine and Acupuncture of Los Angeles California.

In July 2015, ATI College opened the Los Angeles Satellite Location in downtown Los Angeles.

In December 2017, ownership of ATI College was changed to Dr. Katherine Cho and the College continues to offer career-focused vocational programs to adult learners.

In December 2018, ATI College Satellite changed its location to a nearby facility in Los Angeles to better accommodate the student population.

In September 2019, ATI College Main Campus relocated to Whittier, a city in Southern California in Los Angeles County, part of the Gateway Cities.

In March 2020, ATI College began offering courses online due to the COVID-19 Pandemic.

In October 2020, ATI College obtained approvals to offer programs in Distance Education and Hybrid methods.

Today, ATI College offers the following degree and certificate programs to adult learners: Bachelor of Science in Diagnostic Sonography with a Concentration in Healthcare Administration (Degree), Physical Therapist Assistant (Degree), Echocardiography (Certificate), Ultrasound Technology (Certificate), Medical Office Administrator (Certificate), and Vocational English as a Second Language (Certificate).

Mission & Objectives

It is ATI's mission to improve peoples' lives by providing professional work-skill training. Students seeking to succeed as professionals and instructors seeking to teach such students to require a learning environment committed to high standards of instruction. ATI College seeks to respond to these needs and challenges by teaching our students:

- 1) to develop a high-level of knowledge in their chosen field of career,
- 2) to develop analytical and critical thinking skills,
- 3) to help understand the significance of self-discipline thus acquiring self-confidence,
- 4) to develop a professional attitude and,
- 5) the ability to meet the employer's expectations in the world of professionalism.

New Student Orientation

New students are required to attend the New Student Orientation prior to the first day of class.

Statement of Non-Discrimination

ATI College does not discriminate on the basis of race, color, religion, sex, handicap, financial status, age, area of origin or residence in its admissions, staffing, instruction, and/or graduation policies.

- ❖ Indigenous Peoples Day (Oct)
- ❖ Veterans Day (Nov)
- ❖ Thanksgiving Day & Friday after Thanksgiving (Nov)
- ❖ Christmas Eve & Day (Dec)

Grievance Procedure

In the event, a student has a grievance, which cannot be resolved to his/her satisfaction with the student's immediate instructor; the student is to make his/her grievance known to the Institution's Director or in his/her absence to the Administrative Assistant, at 15141 Whittier Blvd., Suite 420, Whittier, CA 90603 (Tel. 562-864-0506). It is strongly recommended that all grievances be presented in writing. Student Services Department will also accept oral grievances. However, if the issue still is unresolved, a student or any member of the public may file a complaint with the Bureau for Private Postsecondary Education by calling (888) 370-7589 toll-free or by completing a complaint form, which can be obtained on the bureau's internet web site www.bppe.ca.gov.

Any questions a student or any member of the public may have regarding this catalog that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at 1747 N. Market Blvd., Suite 225, Sacramento, CA 95834; PO Box 980818, West Sacramento, CA 95798-0818; www.bppe.ca.gov; Tel. (888) 370-7589 or (916) 574-8900; Fax. (916) 263-1897.

Schools accredited by the Accrediting Commission of Career Schools and Colleges must have a procedure and operational plan for handling student complaints. If a student does not feel that the school has adequately addressed a complaint or concern, the student may consider contacting the Accrediting Commission. All complaints reviewed by the Commission must be in written form and should grant permission for the Commission to forward a copy of the complaint to the school for a response. This can be accomplished by filing the ACCSC Complaint Form. The complainant(s) will be kept informed as to the status of the complaint as well as the final resolution by the Commission. Please direct all inquiries to:

Accrediting Commission of Career Schools & Colleges 2101 Wilson Boulevard, Suite 302 Arlington, VA 22201
(703) 247-4212
www.accsc.org | complaints@accsc.org

A copy of the ACCSC Complaint Form is available at the school and may be obtained by contacting complaints@accsc.org or at <https://www.accsc.org/StudentCorner/Complaints.aspx>.

Disclosure and Retention of Student Records (FERPA)

Adult students, parents of minor students, and parents of tax dependent students, have the right to inspect, review, and challenge information contained in the institution's student records. However, a staff member must be present during the process to provide clarification and/or answers to related questions raised during the review of the student's file. Educational records are defined as files, materials, and documents that contain information directly related to the student's period of enrollment that are maintained by the institution. ATI College will keep these records for five (5) years from the last day of attendance. After this period, all records, except academic transcript, may be destroyed. Academic transcripts are maintained by the institution permanently. The students are not entitled to inspect the financial records of their parents. Written consent from the student and/or parents is required before educational records may be disclosed to any party with the exception of accrediting commission or governmental agencies so authorized by law. The complete and accurate records of all of the following information shall be available: (a) The educational programs offered by the institution and the curriculum for each; (b) The names and addresses of the members of the institution's faculty and records of the educational qualifications of each member of the faculty; (c) Any other records required to be maintained by this chapter, including, but not limited to, records maintained pursuant to Article 16 (commencing with Section 94928).

Notification of Rights under FERPA for Postsecondary Institutions

The Family Educational Rights and Privacy Act (FERPA) affords eligible students certain rights with respect to their education records. (An "eligible student" under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution.) These rights include:

1. The right to inspect and review the student's education records within 45 days after the day ATI College receives a request for access. A student should submit to the registrar, dean, head of the academic department, or other appropriate official, a written request that identifies the record(s) the student wishes to inspect. The school official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the school official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
2. The right to request the amendment of the student's education records that the student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. A student who wishes to ask the school to amend a record should write the school official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed. If the school decides not to amend the record as requested, the school will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
3. The right to provide written consent before the university discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent. The school discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by ATI College in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. A school official also may include a volunteer or contractor outside of ATI College who performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities ATI College.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by ATI College to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:
 Family Policy Compliance Office
 U.S. Department of Education
 400 Maryland Avenue, SW Washington, DC
 20202

FERPA permits the disclosure of PII from students' education records, without consent of the student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the student, §99.32 of FERPA regulations requires the institution to record the disclosure. Eligible students have a right to inspect and review the record of disclosures. A postsecondary institution may disclose PII from the education records without obtaining prior written consent of the student-

- To other school officials, including teachers, within ATI College whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i)(B)(J)-(a)(1)(i)(B)(2) are met. (§99.31(a)(1)) the student's enrollment or transfer, subject to the requirements of §99.34. (§99.31(a)(2))
- To authorized representatives of the U.S. Comptroller General, the U.S.
- Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as a State postsecondary authority that is responsible for supervising the university's State-supported education programs. Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§§99.31(a)(3) and 99.35)
- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§99.31(a)(4))
- To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction. (§99.31(a)(6))
- To accrediting organizations to carry out their accrediting functions. (§99.31(a)(7))
- To parents of an eligible student if the student is a dependent for IRS tax purposes. (§99.31(a)(8))

- To comply with a judicial order or lawfully issued subpoena. (§99.31(a)(9))
- To appropriate officials in connection with a health or safety emergency, subject to §99.36. (§99.31(a)(10))
- Information the school has designated as "directory information" under §99.37. (§99.31(a)(11))
- To a victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense, subject to the requirements of §99.39. The disclosure may only include the final results of the disciplinary proceeding with respect to that alleged crime or offense, regardless of the finding. (§99.31(a)(13))
- To the general public, the final results of a disciplinary proceeding, subject to the requirements of §99.39, if the school determines the student is an alleged perpetrator of a crime of violence or non-forcible sex offense and the student has committed a violation of the school's rules or policies with respect to the allegation made against him or her. (§99.31(a)(14))
- To parents of a student regarding the student's violation of any Federal, State, or local law, or of any rule or policy of the school, governing the use or possession of alcohol or a controlled substance if the school determines the student committed a disciplinary violation and the student is under the age of 21. (§99.31(a)(15))

Facilities

The ATI main campus is located at 15141 Whittier Blvd., Suite 420, Whittier, CA 90603. Conveniently located at the corner of Whittier Blvd. and Colima Road, Whittier campus has easy access to public transportation with the facility equipped with laboratories, general-purpose classrooms, student lounge and administrative offices all which are well lighted and air-conditioned. Computer stations are equipped with Pentium IV dual-core PCs for instructors and students to complete their online researches and assignments. Approximated total square footage of Whittier facility is 6,000. Imaging laboratory is equipped with 2D ultrasound systems and medical supplies to support the students learning experiences. The school library/resource center is equipped with current collection of manuals, reference books and periodicals designed to support all course offerings. Library is open Monday to Friday, 8 am to 8 pm and is closed on weekends and holidays.

ATI College Los Angeles Satellite campus is located at 3407 W. Sixth Street, Suite 614 in Los Angeles, California. Approximated square footage of Satellite campus is 2,000 which houses general office and classrooms/laboratory to service the students from Los Angeles. Facility is conveniently located near the freeways and public transportation system and is equipped with ample parking spaces for students and visitors. All rooms are well lighted and air-conditioned. Imaging laboratory is equipped with medical supplies to support the students learning experience. Laboratory at this location are equipped with 2-D ultrasound systems along with printers and recording devices. Office hour for the Satellite campus is 9 am to 6 pm, Monday to Friday. Campus is closed on weekends and holidays.

Housing

ATI College doesn't have dormitory facilities under its control and carries no responsibility to find or assist students in finding housing. For the availability of housing located reasonably near the College's facilities may be found at www.realtor.com, www.apartments.com, & www.zillow.com. An estimation of the approximate cost or range of cost of the housing are as follows:

- Near Whittier Main Campus:

# of Bedroom	Range of Cost
1	\$1100/month - \$1600/month
2	\$1700/month - \$2300/month

- Near Los Angeles Satellite Location:

# of Bedroom	Range of Cost
1	\$920/month - \$1800/month
2	\$1400/month - \$2600/month

Handicapped (Wheelchair Access)

College campus is accessible to all people, including those with disabilities.

Health and Physical Consideration

Generally, the professional in the Allied Health field must be in good physical health since he/she will be working in direct contact with patients. This related field of study requires a great deal of standing, walking, pushing, bending and stretching for extended periods of time. A person must consider his/her physical limitations in terms of making a career choice that involves extensive physical demands. We promote the acceptance of students with physical limitations or disabilities if these students (their parents or physician) believe they can fulfill the training demands.

Drug Abuse Prevention Program

The college strictly enforces a zero tolerance drug and alcohol policy on campus and makes the following information available to its students, staff, and instructors. Any individual associated with ATI College who is seeking information, counseling, or assistance concerning Drug Abuse Prevention may call or visit the following agency:

Agency	Telephone Number	Office Address
Ness Counseling Center	(562) 776-9495	8347 Eastern Ave, Bell Gardens, CA
Compton Special Svc Center	(310) 605-5693	404 N Alameda St, Compton, CA
Family Restoration Alcohol	(562) 644-5730	11816 Pennsylvania Ave, South Gate, CA
LA Centers for Alcohol & Drug	(562) 906-2676	11015 Bloomfield Ave, Santa Fe Springs, CA
Mela Counseling Svc Center Inc	(323) 721-6855	5723 Whittier Blvd, Los Angeles, CA
Drug & Alcoholism Treatment	(562) 570-4440	1133 E Rhea St, Long Beach, CA
Atlantic Recovery Services	(562) 436-3533	644 W 5th St, Long Beach, CA

Career Advising

Career advisor is on-campus to offer assistance and advice to students individually as often as necessary. Advising takes place in monitoring the student progress as scheduled for the period of enrollment. Career advisor assess students' needs, communicate with potential employers, and assist students with job interview techniques and offer workshops.

Disclaimer of Employment Guarantee

ATI College does not guarantee employment to any student. However, limited job placement assistance is provided to graduates at no additional charge. Upon graduation, the student's name is recorded in a placement register for the follow-up process.

Placement assistance is providing by reviewing the listings of prospective employers seeking employees, their job requirements, salary, and other pertinent information. Students are referred to interviews and the results of these interviews are recorded in the placement register. The school may show prospective students this register upon request.

Student Services

Tutoring: Individuals who have occasional difficulty with the study are urged to seek assistance from their instructor. Tutoring is available outside of normal class time and should be arranged in advance. Contact the student service department at the school via email or telephone or in-person for more information. Students may also arrange tutoring meetings directly with their instructor.

Guidance: College provides guidance services for students depending on their individual needs. Assistance in program selection and career planning is available at the student service department. Students encountering a problem that interferes with their education are encouraged to bring these problems to the attention of their instructor or the student service advisor. The College recognizes the existence of external factors, which may interfere with the study, such as physical or substance abuse. For those students trying to deal with substance problems, the student service advisor is available for advising. The College also offers referral services through local agencies. The key element is that the students must take the initiative to ask for assistance. Student service advisor can be reached via telephone, email, or in-person.

Career Advising: Career advisor is on-campus to offer assistance and advice to students individually as often as necessary. Advising takes place in monitoring the student progress as scheduled for the period of enrollment. Career advisor assess students' needs, communicate with potential employers, and assist students with job interview techniques and offers workshops. Career advisor can be reached via telephone, email, or in-person.

Other Services Available: Student services personnel are on-campus to provide student advising services, including but not limited to facilitate responses to student needs through student evaluations; facilitate responses to student complaints; facilitate student transfer requests; facilitate student repeat requests; facilitate student leave of absence (LOA) requests; facilitate student transcript requests; facilitate student completion certificate requests; facilitate student verification of enrollment (VOE) requests; facilitate student information update requests. Requests should be sent via email, deliver in-person, or by mail using the US Postal Service. Services are available for those currently enrolled and graduates from the programs offered via on-ground and online.

Attendance and Make-Up Policy

Every student is required to attend lectures and lab sessions that are scheduled by the college in the program in which the student is enrolled. Attendance is directly tied to academic performance; therefore, attendance is required for lecture and lab sessions, and attendance is recorded and maintained by the college.

Students attending classes in person are required to sign in and out using the fingerprint time clock system on campus. Students attending classes online are required to log in and out using the uniquely created password assigned to each student for every online lecture that is scheduled by the college. Students will be automatically withdrawn after missing 14 consecutive calendar days. Calendar days include the weekends and holidays. Each student is directly responsible to the individual instructor and/or Student Advisor for absences and for making up work missed. To make up missed work, students must contact the instructor and/or Student Advisor via email or telephone for approval.

The instructor and Student Advisor in charge will review excessive absences and tardies to determine possible corrective action to the issue. Written notice is sent to the student via email and U.S. Postal Service when attendance falls below the norm. Written notice is followed by a telephone call from the instructor and Student Advisor. The college defines excessive absence as missing 30 percent or more of the cumulative hours scheduled to date within a given course of study. Excessive absences will be considered grounds for dismissal. Students are expected to complete the program within 1.5 times the normal period of time as stated in the enrollment agreement.

In addition to in-person sign-in & out fingerprint time clock records and online log-in & out attendance records, instructors track student attendance for both in-person and online courses using the class rosters. Student attendance records are maintained by the Student Services Department and are readily available for instructors, administrators, and students to review.

Course & Midterms/Final Exam Make-Up

To make up class work and/or examinations, students must:

1. Have "unforeseen, but fully justifiable" reason(s) and must provide a written explanation.
2. Bring all relevant information for the student services advisor and instructors to review.
3. Agree to the terms for how and when the make-up will take place. ALL MAKEUP HOURS & WORK MUST BE COMPLETED ON CAMPUS.

Course & Midterms/Final Exam Make-Up Procedure

- Student must submit a written request to make up missed hours along with supporting documentation (i.e. doctor's note, court documents, military documents, childcare documents, etc.) to student service personnel. Requests without supporting documentation will be determined by the student services personnel to be eligible/ineligible for make-up on an individual basis. You must submit a request as soon as returning from the absence. An explanation must clearly justify his/her absence; one note for each absence would be ideal.
- Student services review the explanation to determine make-up eligibility.
- If determined eligible for make-up hours missed, Make-up Form is prepared by the student services personnel with an appropriate number of clock hours needed along with a make-up due date. If determined ineligible to make up missed class hours, a student is notified in writing explaining the reasons for request denial. A student is further instructed to "retake/repeat" the course to meet satisfaction.
- Upon completion, total hours made up along with the Make-up Form and note must be submitted to student services personnel for evaluation. If the make-up is not done on campus as instructed, the hours will not be honored.
- If the form is determined to be completed, the form is given to the registrar for her to enter earned hours into the school system.
- Registrar notified FAO and Accountant of the make-up hours.

The make-up Form is kept in the student file for a duration of five years. The student should also keep a copy of the completion for at least three modules.

Academic Probation

ATI College reserves the right to apply academic probation policy to any student who's academic, attendance, and/or conduct standing does not meet the school's satisfactory standards. Students on academic probation for the total length of the module following the probation announcement must satisfy the problem condition(s) prior to the starting of the subsequent module. The instructor and school director will determine if problem conditions have been satisfied before student is allowed to start subsequent module/course. Student is placed on academic probation if school academic requirements are not satisfied.

Dismissal Policy

College reserves the right to dismiss any students where academic, attendance, conduct standing, and/or financial obligations does not meet the school's satisfactory standards. Students who have been dismissed may be reinstated only upon approval of the school director after satisfying the requirements. All dismissals are determined on individual basis.

Class & Practice Hours - Credit Procedure

In-person student is required to sign in and out using the fingerprint time clock system on campus. Online student is required to log in and out using the uniquely created password assigned to each student for each online lecture session that is scheduled by the college.

Credit Evaluation & Transfer

ATI College has not entered into an articulation or transfer agreement with any other college or university. ATI College does not award credit for prior experiential learning. Credit for courses taken at an accredited postsecondary institution may be accepted at ATI College if the following conditions are met:

1. An official transcript, or transcripts, accompanies the request which must be made prior to matriculation at the school.
2. All credits requested have been completed prior to matriculation. There is no accommodation for concurrent enrollment.
3. Students with degrees from international colleges and universities must submit an official translation of the transcript along with the request to transfer credits.
 - (a) Requests must be received prior to matriculation.
 - (b) Credits may be granted on a course-by-course basis.
4. Students who have earned some postsecondary credits yet did not complete an academic associate's or bachelor's degree, may request transfer credit by submitting an official transcript along with the request. Credit may be granted on a course-by-course basis if:
 - (a) Credit is applied for prior to matriculation.
 - (b) Grades earned are "C" (GPA 2.0) or better.
 - (c) Courses fit into the appropriate equivalent categories/courses by ATI College at the time of application.
5. If the student has a technical degree or has earned some credits from a technical postsecondary institution, credit may be granted on a course-by-course basis if:
 - (a) Credit is applied for prior to matriculation.
 - (b) Grades earned are "C" (GPA 2.0) or better.

I. The Process for Evaluation of Transfer Credit

Transfer credit must meet the expectations of the faculty and directors and must be appropriate to the program sought. Academic credit earned within ten (10) years prior to admission will be reviewed as to applicability to the present course of study. The Admissions reserves the right to require examinations or other proof of competence regardless of transfer credits listed on the student's records. It is not the policy of ATI College to impose redundant programs or requirements on any student. All transfer credits must be reviewed prior to the student's matriculation. Credits will not be accepted after the student has enrolled at the school. As much as fifty percent (50%) of the credits required for graduation from ATI College may be satisfied through transfer credit.

II. The Process for Establishing Equivalency of Transfer Credit

Transfer credit is accepted from postsecondary institutions authorized by appropriate legal authorities. Corporate or specialized training programs may be recognized as transfer credits as recommended by generally accepted national educational standards. Not all prior credit is applicable to credits earned at ATI College. Transfer credit must support the program. The designated Academic Affairs staff member will evaluate all transcripts and requests for credit to determine transfer credit acceptable to the school as meeting partial requirements for the program.

III. Administrative Position Responsible for Transfer Evaluation

The Program Director is the administrator ultimately responsible for the transfer evaluation, though the Program Director may delegate individual evaluations to faculty members or academic staff.

Notice Concerning Transferability of Credits and Credentials Earned at Our Institution: The transferability of credits you earn at ATI College is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the certificate or degree you earn in the program of study is also at the complete discretion of the institution to which you may seek to transfer. If the certificate or degree that you earn at this institution is not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending ATI College to determine if your certificate or degree will transfer. ATI College offers more than one educational program, only the program in which the student is enrolling applies to this policy.

Grading System

Students are evaluated on a regular basis on subject matters. The evaluations are measured on a standard percentile basis and the percentage converted to a letter grade and a point grade. The evaluation form reflects the overall attendance and academic progress of the student. Students must maintain a “C” (70%) average to maintain satisfactory academic status. The grading system detailed below is the system utilized in the school.

Grading	Letter	Description	Grade point
90 -100%	A	Excellent	4.00
80% - 89%	B	Above average	3.00
70%- 79%	C	Average	2.00
60% - 69%	D	Below average	1.00
59% or below	F	Fail	0.00

Graduation Requirements

When a student has completed the graduation requirements of the course of study with a GPA (Grade Point Average) of 2.0 or better, the student shall receive a program completion certificate or appropriate degree which confirms completion of the appropriate program of study.

The school assists the students in completing the necessary documents to file for the appropriate credential examination if any.

Students of Vocational English will be issued a Certificate of Completion of Courses upon successful completion of all of the courses.

Leave of Absence

Occasionally, students may experience extended personal, medical or other problems, which make it difficult to attend classes. The institution may allow a student under such circumstances to take a Leave of Absence (LOA) from the program. LOA must be requested in writing by the student and must be approved by the student service personnel. Written request must include the start and end date of the leave of absence. Leaves of Absence may be granted for up to 180 days. Do not request a Leave of Absence unless you absolutely need to be off school for a period of more than 14 days but less than 180 days. Students will not be assessed additional tuition charges while on Leave of Absence. Students returning from LOA will not retain credit for clock hours and work projects finished in that specific module/course within the LOA duration. Students who fail to return from a LOA will be considered dismissed as of the last day of attendance.

Clock Hour to Credit Hour Conversion Formula

ATI College measures student progress in semester credit hours. The definition of a semester credit hour is as follows:

One semester credit hour equals 45 units comprised of the following academic activities:

- One clock hour in a didactic learning environment = 2 units
- One clock hour in a supervised laboratory setting of instruction = 1.5 units
- One hour of externship = 1 unit
- One hour of out-of-class work and/or preparation for the didactic learning environment or supervised laboratory setting of instruction that are designed to measure the student’s achieved competency relative to the required subject matter objectives equals 0.5 unit

Definition of Clock Hours

School’s definition of clock hour is as follow: 50 minutes duration in classroom lecture, lab/shop hours, independent study activity, or externship hours.

Satisfactory Academic Progress (SAP)

STANDARDS: This institution expects all of its regular students to maintain **Satisfactory Academic Progress (SAP)** as established by this institution under the guidelines of the, institution’s accrediting body the student must:

1. Maintain a cumulative academic average of GPA 2.0 or better at the end of each of the evaluation period. The grading must take into consideration grades obtained in exams for theory classes and practical grades obtained on hands on practical exams.
2. Maintain a cumulative average attendance level of at least two-thirds (2/3) of the scheduled hours indicated on their enrollment contract at the end of each of the evaluation period.
3. Complete the course within a maximum time frame of one and one-half (1 ½) times the length of the course as stated in the enrollment agreement. For example, if the student has contracted to complete the course within 44 weeks (including grace time for absences), he or she must complete within 66 weeks.

4. Students meeting the minimum requirements for attendance and academic progress at any evaluation point will be considered to be making satisfactory progress until the next evaluation.

EVALUATION PERIODS: Student receiving aid from Title IV Aid Programs must be in compliance with the Satisfactory Academic Progress Policy at the end of each payment period or term of the course.

If at the end of a payment period the student fails to maintain a passing grade point average or failed to successfully complete the clock hours, semester/trimester or quarter credit hours percentage required to maintain a progress level that would allow the student to complete the course within the maximum time frame in the course, as published, the student would be placed in a financial aid warning SAP status. The student will be eligible for financial aid funds for one subsequent payment period.

If at the end of a payment period following the period under financial aid warning status, the student fails to make the grade or fails to successfully complete the cumulative number of hours percentage that would allow the student to complete the course of study within the maximum time frame as published, the student will be placed in an ineligible status for financial aid funds. At this point the student will be informed by the institution of his/her ineligibility for future financial aid funds. The student will also be informed of the steps to take to initiate an appeal process.

APPEAL PROCEDURES: The student, who wishes to appeal the non-satisfactory progress status, must initiate the process by submitting a written request to the director of the institution. The request is to be presented within (10) days of the non-satisfactory progress status determination and must describe any circumstances that the student believes affected his/her performance and deserve special consideration and the measures that the student has taken to resolve those circumstance in a manner that would not interfere his/her progress again.

The director shall evaluate the appeal within five (5) business days and notify the student in writing of his/her decision. The decision of the director shall be final.

If the appeal is approved, the payment period originally placed under eligibility status would be modified to a financial aid probation status. The student will be eligible for aid for the period under financial aid probation.

If at the end of the payment period under probation status, the student fails to make the grade or fails to successfully complete the cumulative number of hours (clock, semester/trimester or quarter) percentage that would allow the student to complete the course of study within the maximum time frame as published, the student will be placed in an ineligible for financial aid funds status.

REINSTATEMENT: A student that prevails upon the appeal process will be determined as making satisfactory progress. Financial aid eligibility for funds will be reinstated to the student only for that payment period under the probation status.

RE-ENTERING: Students accepted for re-entering into the program of study, will be placed under the same satisfactory progress status prevailing at the time of the prior withdrawal.

Voter Registration

In order to vote in a California election, you must complete a Voter Registration Form. To register to vote in California, you must be:

- A United States citizen
- A resident of California
- 18 years of age or older on Election Day

Students may refer to the following website to download voter registration forms. <https://www.sos.ca.gov/nvrc/fedform/>

ACADEMIC PROGRAMS

Institution ID:	03740400	
Program Name:	Bachelor of Science in Diagnostic Sonography with Concentration in Healthcare Administration	
Program Length in Months:	30	
Clock Hours:	3195.00	
Semester Credit:	133.00	
Related Occupation:	29-2034: Radiologic technologists and technicians 29-2032: Diagnostic Medical Sonographers 29-2071: Medical Records and Health Information Technicians 31-9094: Medical Transcriptionists 11-9110: Medical and Health Services Managers 43-9199: Office and Administrative Support Workers, All Other 43-4199: Information and Record Clerks, All Other 43-4161: Human Resources Assistants	
Vocational Objective:	The Bachelor of Science in Diagnostic Sonography with Concentration in Healthcare Administration is designed to broaden the leadership skills of Sonographers who have healthcare administration background. Program builds on clinical and administrative skills learned in health-care related programs offered at ATI College. For students coming from outside the diagnostic medical sonography and healthcare administration field, the program provides an introduction to dynamic industry and a chance to build connections with fellow students in the local health care community.	
Industry Occupations:	Most graduates from the Bachelor of Science in Diagnostic Sonography with Concentration in Healthcare Administration hold job titles such as the diagnostic medical sonographers, medical and health services administrators, also called healthcare managers or healthcare administrators, who will plan, direct, and coordinate medical and health services. They might manage an entire facility, a specific clinical area or department, or a medical practice for a group of physicians. Medical and health services administrators must direct changes that conform to changes in healthcare laws, regulations, and technology. In addition to holding a job title such as the medical and health services administrators, graduates will perform his/her duties as a general sonographer for the radiology department within the hospital or clinical setting (https://www.bls.gov/ooh/management/medical-and-health-services-managers.htm & https://www.bls.gov/ooh/healthcare/diagnostic-medical-sonographers.htm).	
Tuition for entire program:	US Resident:	\$56,500.00
	International Student:	\$71,900.00
TOTAL CHARGES FOR A PERIOD OF ATTENDANCE:	133 Semester Credits (approximately 30 months)	
Books and Uniforms for the entire program:	\$4,150.00	
Registration:	US Resident:	\$75.00
	International Student:	\$150.00
TOTAL CHARGES FOR A PERIOD OF ATTENDANCE:	US Resident:	\$60725.00
	International Student:	\$76200.00
TOTAL CHARGES FOR THE ENTIRE EDUCATIONAL PROGRAM:	US Resident:	\$60725.00
	International Student:	\$76200.00
Total room and board charges for living on campus:	N/A	
No housing on campus:	NONE	
School website:	http://www.ati.edu

COURSE DESCRIPTION:**ENG 101 – English Composition**

English Composition course is designed for the student who wants to prepare for the writing required in college classes. The course emphasizes practice in the writing of thesis-based essays and the critical analysis of selected prose works dealing with important contemporary ideas.

CRT 101 – Critical Thinking

This introductory-level course is designed to help learners define and identify critical thinking and reasoning skills and develop those skills. Critical thinking is an intellectual model for reasoning through issues to reach well-founded conclusions. It may be the single most valuable skill that one can bring to any job, profession, or life challenge. Being able to ask the right questions, critique an argument, and logically dissect an issue occur constantly in the workplace and our lives.

COM 101 – Oral Communication

This course is an introduction to the history, theory, and practice of communication, including language and literacy, representation and semiotics, mediated technologies and institutional formations, and social interaction. This course integrates the study of communication with a range of media production (for example, writing, electronic media, film, performance).

MAT 101 - College Algebra

The course is designed to familiarize learners with fundamental mathematical concepts such as inequalities, polynomials, linear and quadratic equations, and logarithmic and exponential functions.

ONF 101 - Introduction to Humanities

Students will discover the importance of the arts and humanities in shaping and reflecting various cultures as well as their importance in enriching one's individual life. Students will be exposed to many primary works of visual art, literature, music, and film that they will find wondrous, perplexing, hideous, unsettling—maybe even offensive. They will work on how to evaluate and appreciate these works, all in the interest of sharpening their aesthetic perception. Students will practice expressing themselves regarding the humanities clearly and effectively in informal and formal writing.

COP 101 - Computer Fundamentals

In this course, you will identify PC components, work with files and folders, and conduct basic software installations. This course will provide students with the fundamental skills and concepts required to maintain, support, and work efficiently with personal and work computers.

PHY 101 – Introduction to Physics

This course provides a conceptually-based exposure to the fundamental principles and processes of the physical world. Topics include basic concepts of motion, forces, energy, heat, electricity, magnetism, and the structure of matter and the universe.

COP 200 – Computerized Accounting

This course is an introduction to utilizing the computer in maintaining accounting records, making management decisions, and processing common business applications with primary emphasis on a general ledger package.

ANA 201 - Anatomy and Physiology

Comprehensive knowledge of Anatomy and Physiology is a fundamental prerequisite to Medical sciences. Upon completion of this subject, the student will have practical knowledge about the structural levels of organization, anatomical components, and physiology. The student will also learn about Medical terminology and relationships related to various body organs and anatomical directions, planes, and body cavities. The student will have a clear understanding of the anatomy and physiology of a typical cell, tissues, organs, systems of the human body and homeostasis and its importance in the human body.

ENG 201 - Advanced Composition

This course is designed to help students develop sophisticated written texts. Course emphasizes critical reading, analysis, and writing while incorporating advanced research methods.

SOC 201 - Organizational Ethics

This course is designed to raise student's awareness and interest in the importance of creating and maintaining a solid ethical framework within all types of organizations. The core focus of the course is in defining, discussing, and addressing the unique regulatory, cultural, and personal ethical dilemmas that organization leaders confront in today's global economy. Nuances and realities of formal (regulatory), cultural, and personal ethical risks are presented for discussion.

COM 201 - Computerized Medical Administration

Students will learn the basics of medical practice management software which includes setting patients' appointments, maintaining physicians' calendars, billing and messaging, as well as specific interpersonal communications skills necessary in a medical setting. Students will gain competence in word processing, spreadsheet, database and presentation software. Keyboarding speed and accuracy is developed while grammar, punctuation, and writing skills are enhanced.

COP 201 – Computerized Administration

In this course, students will learn computer skills that are increasingly important in today's administrative support and clerical positions. Most of these positions require that you be proficient in the latest computerized office software. Computerized Administration course curriculum includes word processing, spreadsheet, accounting, and presentation software. Students will also learn basic administrative and office support skills.

BUS 330 – The Business of Healthcare Systems

By completing this course, students will have a strong foundational understanding of the American health care system, along with the basic financial and management skills to make better, well-informed decisions that improve the cost and quality of the health care the American healthcare system provides. Students will acquire knowledge to successfully navigate the intersection of business and health care.

BUS 340 – Business Process in Healthcare Organization

This course provides an overview of healthcare organization business processes. Course curriculum includes the topics of business process management, electronic patient/customer records business processes, healthcare organization business process management improvement, and innovation.

HEA 310 - Healthcare Administration

This course provides an overview of health delivery systems, organizational theory, and the conceptual basis of traditional managerial and administrative leadership roles in health care facilities. Emphasis will be placed on the application of theory and best practice standards to the demands of the healthcare environment. Special emphasis will be placed on the development of leadership competencies and skills through the selection of a broad range of specialty topics including: the health system, strategic planning, organizational structure, organizational performance, organizational change, motivation, problem solving, organizational communication and motivation.

HEA 320- Human Resources and Risk Management

This course examines the role of the human resource professional as a strategic partner in managing today's organizations. Key functions such as recruitment, selection, development, appraisal, retention, compensation, and labor relations are examined.

PHA 300- Pharmacy Essentials

Students will study about disease mechanisms, pharmaceutical formulation, immunology, medicinal chemistry, introduction to the professional issues relevant to the practice of pharmacy, and pharmacology along with topics related to introductory level of pharmacy practice settings.

ACC 200- Essential Accounting

This course is an introduction to the basic concepts and standards underlying financial accounting systems. Several important concepts will be studied in detail, including: revenue recognition, inventory, long-lived assets, present value, and long term liabilities. The course emphasizes the construction of the basic financial accounting statements - the income statement, balance sheet, and cash flow statement - as well as their interpretation.

PRO 400- Professional Development

The Professional Development course is designed to improve the ability of students to describe their accomplishments and sell their ideas in situations like professional networking, company meetings, response to proposals for services, and interviews. It teaches writing skills and workplace integration for new jobs. Particular emphasis is put on verbal communication and preparation for verbal communication. Students will learn to create career plans that require them to research career options and potential employers, and prepare a developmental roadmap that will lead them success within the chosen profession.

MME 300 – Insurance Coding, Claims, and Collections

The practical application of coding and classification for billing and insurance reimbursement is the focus of this course. Lessons cover codes and classifications for medical procedures and medical diagnoses and guidelines for use in medical records. Students also learn HIPAA (Health Insurance Portability and Accountability Act) guidelines and how they relate to the preparation of medical records. Students are also introduced to common health insurance company requirements for handling claims and typical office billing procedures. Students practice processing Medicare, Medicaid and workers compensation claims for outpatient and in-patient treatment.

VAS 301- Vascular Technology 1

This course is designed to prepare the students for successful acquisition of the Registered Vascular Technologist (RVT) credential. This course contains separate modules leading the students through topics including human anatomy, physiology, pathophysiology of many disease processes, as well as methods of investigating and diagnosing vascular disease.

VAS 302- Vascular Technology 2

This course is continuation of VAS 301 and is designed to prepare the applicant for the successful acquisition of the Registered Vascular Technologist (RVT) credential. Students will gain knowledge, skills and abilities in the areas of anatomy and hemodynamics (blood flow) of cerebrovascular, venous, peripheral and abdominal blood vessels.

PHY 301- Physics and Instrumentation 1

This course is designed to prepare the students for successful acquisition of the Sonography Principles & Instrumentation examination. Students will learn the skills and abilities in the areas of clinical safety, physical principles, pulsed echo instrumentation, and quality assurance. SPI exam meets the fundamental physical principles and instrumentation requirements for the RDMS, RDCS, RVT and RMSKS credentials.

PHY 302- Physics and Instrumentation 2

This course is continuation of PHY 301 and is designed to further prepare students for successful acquisition of the Sonography Principles & Instrumentation examination. Students will learn the skills and abilities in the areas of clinical safety, physical principles, pulsed echo instrumentation, and quality assurance.

ABD 301- Abdomen and Small Parts Sonography 1

This course is designed to prepare the students for successful acquisition of the AB examination. Students will gain knowledge, skills, and abilities in the areas of soft tissues, blood vessels and organs of the abdominal cavities.

ABD 302- Abdomen and Small Parts Sonography 2

This course is continuation of ABD 301 and is designed to further prepare students for successful acquisition of the AB examination. Students will continue to gain knowledge, skills, and abilities in the areas of soft tissues, blood vessels and organs of the abdominal cavities.

OBG 301- Obstetrics and Gynecology Sonography 1

This course is designed to teach students the basic obstetrics and gynecology knowledge and skills essential to Sonography Professionals. Students will be prepared for successful acquisition of the OB/GYN examination which assesses the knowledge, skills and abilities in the areas of the female reproductive system as well as the fetus in the first, second and third trimesters of pregnancy.

OBG 302- Obstetrics and Gynecology Sonography 2

This course is continuation of OBG 301 and is designed to further prepare students for successful acquisition of the OB/GYN examination. Students will continue to gain knowledge, skills, and abilities in the areas of the female reproductive system as well as the fetus in the first, second and third trimesters of pregnancy.

EXT 400- Clinical Externship

The Clinical Externship experience provides the student with the opportunity to practice the skills they have been taught in school. It is a real-world scenario in which the student will work with patients, doctors, and other members of the healthcare delivery team. The Externship Site Supervisor will complete weekly evaluations tracking the student's progress, as well as a final evaluation at the completion of the student's hours. The Director of Education will monitor the student's progress, along with the Externship Site Supervisor, at the time of onsite visits.

Institution ID:	03740400	
Program Name:	Associate of Occupational Science, Physical Therapist Assistant	
Program Length in Months:	20	
Clock Hours:	1665.00	
Semester Credits:	64.00	
Program Objective:	The Physical Therapist Assistant Program provides students with the theory, laboratory and clinical experiences that will prepare them to assume the role of competent and safe entry-level physical therapist assistants, to work under the supervision of a licensed physical therapist, providing services to patients and clients of all ages who have impairments, functional limitations, disabilities, or changes in physical function and health status resulting from injury, disease, or other causes. Physical Therapy treatments are rendered in a variety of healthcare settings, including hospitals, skilled nursing facilities, school systems, outpatient clinics, and private practices.	
Duties:	<p>Physical therapist assistants typically do the following:</p> <ul style="list-style-type: none"> • Observe patients before, during, and after therapy, noting the patient's status and reporting it to a physical therapist. • Help patients do specific exercises as part of the plan of care. • Treat patients using a variety of techniques, such as massage and stretching. • Use devices and equipment, such as walkers, to help patients. • Educate patients and family members about what to do after treatment. <p>Under the direction and supervision of physical therapists, physical therapist assistants treat patients through exercise, massage, gait and balance training, and other therapeutic interventions. They record patients' progress and report the results of each treatment to the physical therapist.</p>	
Related Occupation:	<p>Below is a list of occupations with job duties that are similar to those of physical therapist assistants:</p> <ul style="list-style-type: none"> • 51.0806 – Physical Therapist Assistant • 51.0710 – Medical Office Assistant • 51.0803 - Occupational Therapist Assistant • 51.0813 - Chiropractic Assistant • 51.1502 - Psychiatric/Mental Health Services Technician. 	
Tuition for entire program:	\$33,280.00	
Books and Uniforms for the entire program:	\$1,500.00	
Registration Fee:	US Resident:	\$75.00
	International Student:	\$150.00
TOTAL CHARGES FOR A PERIOD OF ATTENDANCE:	US Resident:	\$34,855.00
Total room and board charges for living on campus:	N/A	
No housing on campus:	NONE	
School website:	http://www.ati.edu	

REQUIRED TEXTBOOKS:

- Trail Guide to the Body Essentials - Textbook & Student Workbook - 6th Edition & 2nd Edition
by Andrew Biel (Author) (October 1, 2019)
- The Role of the Physical Therapist Assistant: Regulations and Responsibilities, Second Edition
by Holly M. Clynych PT DPT MA GCS (Author) (October 5, 2016)
- Measurement of Joint Motion: A Guide to Goniometry (5th Ed) by Norkin Cynthia c. (Author) (May 26, 2017)
- Daniels and Worthingham's Muscle Testing: Techniques of Manual Examination, 10th Edition
by Marybeth Brown PT PhD FACSM FAPTA (Author), Dale Avers PT DPT PhD FAPTA (Author) (October 2, 2018)

- Mobility in Context: Principles of Patient Care Skills, Third Edition, by Charity Johansson PT PhD (Author), Susan A. Chinworth PT PhD (Author), Crystal Ramsey PT DPT (Author) (February 11, 2022)
- Physical Rehabilitation, Seventh Edition, by Susan B. O'Sullivan PT EdD (Author), Thomas J. Schmitz PT PhD (Author), George Fulk PT PhD (Author) (January 25, 2019)
- Foundations in Kinesiology and Biomechanics, First Edition, by Vickie Samuels PT DPT MEd (Author) (September 14, 2017)
- Goodman and Fuller's Pathology: Implications for the Physical Therapist, 5th Edition, by Catherine C. Goodman MBA PT CBP (Author), Kenda S. Fuller PT NCS (Author) (December 16, 2020)
- Fundamental Orthopedic Management for the Physical Therapist Assistant, 5th Edition by Robert C. Manske PT DPT SCS MEd ATC CSCS (Author) (November 3, 2021)
- Biophysical Agents: Theory and Practice, Fourth Edition by Barbara J. Behrens PTA MS (Author) (September 29, 2020)
- Recognizing and Reporting Red Flags for the Physical Therapist Assistant, 1st Edition by Catherine C. Goodman MBA PT CBP (Author), Charlene Marshall BS PTA (Author) (September 10, 2014)
- Cardiopulmonary Physical Therapy: Management and Case Studies, Second Edition by W. Darlene Reid BMR(PT) PhD (Author), Frank Chung BSc (PT) MSc (Author), Kylie Hill BSc (PT) PhD (Author) (December 15, 2013)
- Therapeutic Exercises for Children with Developmental Disabilities, 1st Edition by Barbara H. Connolly EdD PT (Author), Patricia Montgomery PhD PT (Author) (February 1, 2020)
- Neurologic Interventions for Physical Therapy, 4th Edition by Suzanne Martin PT PhD (Author), Mary Kessler MHS PT (Author) (June 11, 2020)
- PTA Examination Review and Study Guide by PTA Karen E. Ryan (Author) (January 1, 2019)

TECHNICAL COURSES:

PTA501	Neuromuscular Rehabilitation Lab		45.00	
PTA510	Rehabilitation Through the Lifespan	30.00		
PTA540	Special topics for the Physical Therapist Assistant	45.00		
PTA525	Clinical Externship 1			240.00
PTA535	Clinical Externship 2			240.00

GENERAL EDUCATION COURSES:

Course Code	Course Titles	Didactic	Supervised Lab	Externship Clinical Hours
MAT101	College Algebra	45.00		
ONF101	Introduction to Humanities	90.00		
PHY101	Introduction to Physics	45.00		
COM101	Oral Communication	45.00		

COURSE DESCRIPTION:

MAT101	<u>College Algebra</u> The course is designed to familiarize learners with fundamental mathematical concepts such as inequalities, polynomials, linear and quadratic equations, and logarithmic and exponential functions.
ONF101	<u>Introduction to Humanities</u> Students will discover the importance of the arts and humanities in shaping and reflecting various cultures as well as their importance in enriching one's individual life. Students will be exposed to many primary works of visual art, literature, music, and film that they will find wondrous, perplexing, hideous, unsettling—maybe even offensive. They will work on how to evaluate and appreciate these works, all in the interest of sharpening their aesthetic perception. Students will practice expressing themselves regarding the humanities clearly and effectively in informal and formal writing.
PHY101	<u>Introduction to Physics</u> This course provides a conceptually-based exposure to the fundamental principles and processes of the physical world. Topics include basic concepts of motion, forces, energy, heat, electricity, magnetism, and the structure of matter and the universe.
COM101	<u>Oral Communication</u> This course is an introduction to the history, theory, and practice of communication, including language and literacy, representation and semiotics, mediated technologies and institutional formations, and social interaction. This course integrates the study of communication with a range of media production (for example, writing, electronic media, film, performance).
ANA201	<u>Functional Anatomy and Physiology</u> This course emphasizes the principles of human anatomy and includes overview of all body systems, organs, tissues and cells with focus on major biochemical molecular and cellular biology theories. Topics dealing with the nature of science, human genetics and development are included. The course further explores the relationship of the musculoskeletal and neuromuscular systems to normal human movement. Students will develop a working knowledge of the human musculoskeletal and neuromuscular systems and an understanding of how these systems interact to produce efficient movement.
PTA201	<u>Functional Anatomy and Physiology Lab</u> This laboratory course provides hands-on experience complementing the didactic material presented in ANA201.
PTA210	<u>Patient Care Skills</u> This course covers foundational patient care skills: communication, safety considerations, implementation of plan of care, chart review, patient positioning and monitoring, mobility skills, massage, and documentation. CPR training and certification are also completed in this course.
PTA211	<u>Patient Care Skills Lab</u> This course covers foundational patient care skills: communication, safety considerations, implementation

	of the plan of care, chart review, patient positioning and monitoring, mobility skills and documentation.
PTA240	<u>Modalities</u> This course presents the therapeutic modalities and physical agents that are used in physical therapy practice. Physiological effects, patient preparation, treatment parameters, indications, precautions and contraindications will be discussed.
PTA241	<u>Modalities Lab</u> This course presents therapeutic modalities and physical agents commonly used in physical therapy practice. Instruction in safe application and demonstration of competency is emphasized.
PTA300	<u>Introduction to Physical Therapy</u> This course provides a basic introduction to the field of Physical Therapy. Course content includes an introduction to the physical therapy profession and its national organization, physical therapy practice description, appropriate clinical behavior, communication, and ethical and legal issues in the field. Instruction regarding health care team members, medical terminology and study skills are also included in this class.
PTA320	<u>Musculoskeletal Rehabilitation</u> This course presents interventions in the management of patients with common musculoskeletal dysfunctions and role of the physical therapist assistant in implementation of the plan of care. Exercise principles, technique and instruction are covered.
PTA221	<u>Musculoskeletal Rehabilitation Lab</u> Demonstration of competency in exercise instruction and technique is emphasized in this course. Implementation of the physical therapy plan of care for a patient with musculoskeletal disorders is also covered.
PTA350	<u>Pathology for the Physical Therapist Assistant</u> This course presents the etiology, pathophysiology, incidence, signs and symptoms, diagnoses, prognosis, medical, pharmacological and physical therapy treatment of diseases commonly seen in physical therapy. Implications for treatment by the physical therapist assistant are emphasized.
PTA520	<u>Cardiopulmonary Rehabilitation</u> Exploration of the role of the physical therapist assistant in care of patient with cardiovascular and pulmonary disorders in implementing the plan of care.
PTA521	<u>Cardiopulmonary Rehabilitation Lab</u> This course accompanies PTA520 and covers practical application and instruction of cardiopulmonary rehabilitation techniques and demonstration of competency. Implementation of the cardiopulmonary plan of care is included.
PTA530	<u>Rehabilitation for Specialized Disorders</u> This course explores the role of the physical therapist assistant in implementation of the plan of care for patient individuals with specialized disorders.
PTA531	<u>Rehabilitation for Specialized Disorders Lab</u> This course explores the role of the physical therapist assistant in implementation of the plan of care for patient individuals with specialized disorders and complements the lecture course.
PTA500	<u>Neuromuscular rehabilitation</u> This course covers the role of the physical therapist assistant (PTA) in the management of patients with common neurological dysfunctions. The student will learn theoretical principles and how to integrate them in treatment.

PTA501	<u>Neuromuscular Rehabilitation Lab</u> This course accompanies PTA500 and covers practical application and instruction of neuromuscular rehabilitation techniques and demonstration of competency. Implementation of the neurologic plan of care is included.
PTA510	<u>Rehabilitation Through the Lifespan</u> Rehabilitation of individuals throughout the lifespan in special considerations in the pediatric and geriatric populations.
PTA540	<u>Special Topics for the Physical Therapist Assistant</u> This course covers administrative issues and career development as well as current topics in physical therapy. Clinical experiences and presentation of case histories are completed.

PROGRAM DESCRIPTION & OBJECTIVES:

Echocardiography program offers exceptional clinical didactic education and hands-on practical experiences needed to create a well-rounded, fully competent cardiac sonographer for an entry-level position in the occupations and job titles to which the program is represented to lead. Upon successful completion of this program, graduate is awarded a completion certificate. Student will have opportunity to train and observe in the field of adult echocardiography including patient management and clinical medicine, ultrasound physics and instrumentation, pathophysiology of cardiovascular diseases and therapeutic measures, 2D & M mode echocardiography, cardiac doppler and color flow echocardiography, advanced techniques in echocardiography and stress echocardiography.

TOTAL HOURS		900.00	720.00	550.00	82.00

COURSE DESCRIPTION:**ANA 201- Medical Terminology, Anatomy, and Physiology**

This course is designed to provide students with the basic fundamental knowledge of human anatomy and medical terminology including body organization, cell tissue membranes, special senses, endocrine, musculoskeletal, nervous, cardiovascular, urinary, reproductive and related pathology. Students will gain knowledge of cross-sectional views of the human body, and the fundamental knowledge to succeed in the General ultrasound and Echocardiography technology programs.

VAS 301- Vascular Technology 1

This course is designed to prepare the students for successful acquisition of the Registered Vascular Technologist (RVT) credential. This course contains separate modules leading the students through topics including human anatomy, physiology, pathophysiology of many disease processes, as well as methods of investigating and diagnosing vascular disease.

VAS 302- Vascular Technology 2

This course is continuation of VAS 301 and is designed to prepare the applicant for the successful acquisition of the Registered Vascular Technologist (RVT) credential. Students will gain knowledge, skills and abilities in the areas of anatomy and hemodynamics (blood flow) of cerebrovascular, venous, peripheral and abdominal blood vessels.

PHY 301- Physics and Instrumentation 1

This course is designed to prepare the students for successful acquisition of the Sonography Principles & Instrumentation examination. Students will learn the skills and abilities in the areas of clinical safety, physical principles, pulsed echo instrumentation, and quality assurance. SPI exam meets the fundamental physical principles and instrumentation requirements for the RDMS, RDCS, RVT and RMSKS credentials.

PHY 302- Physics and Instrumentation 2

This course is continuation of PHY 301 and is designed to further prepare students for successful acquisition of the Sonography Principles & Instrumentation examination. Students will learn the skills and abilities in the areas of clinical safety, physical principles, pulsed echo instrumentation, and quality assurance.

ECHO 1AB- Echocardiography 1A & B

This course prepares students with an introduction to cardiac sonography. Cardiac anatomy, hemodynamics, special analysis, obtaining echocardiographic imaging, measurements, and pathological conditions are discussed. These pathological conditions are Coronary Artery Disease, Complications of MI, and Pericardial Diseases. Module will further provide training in ultrasound of the vascular system including carotid arteries, arterial ultrasound of the extremities and venous studies of the lower extremities. The students will learn how to do Doppler ultrasound including color flow imaging and analysis and how to evaluate waveforms.

ECHO 2AB- Echocardiography 2A & B

This course prepares students to understand the advanced level of study of the echocardiography. This module prepares students to recognize and interpret the conditions and symptoms of the cardiac valvular diseases and their hemodynamics. As well as the Congenital Heart Diseases and their presentations.

Ext 400- Clinical Externship

The Clinical Externship experience provides the student with the opportunity to practice the skills they have been taught in school. It is a real-world scenario in which the student will work with patients, doctors, and other members of the healthcare delivery team. The Externship Site Supervisor will complete weekly evaluations tracking the student's progress, as well as a final evaluation at the completion of the student's hours. The Director of Education will monitor the student's progress, along with the Externship Site Supervisor, at the time of onsite visits.

PROGRAM DESCRIPTION & OBJECTIVES:

The objective of the Ultrasound Technology program is to prepare students with the knowledge, technical skills, and work habits required for an entry-level position in the occupations and job titles to which the program is represented to lead. Upon successful completion of this program, graduate is awarded a completion certificate. Graduates of this program may assume a responsible position as a member of the health team in a hospital, imaging center, doctor's office, or clinic. Positions may also be available in private practice, industry, or government. Duties may include performing ultrasound scans of the upper abdomen, pelvic area, Vascular studies and Obstetric and Gynecologic scans.

COURSE DESCRIPTION:**ANA 201- Medical Terminology, Anatomy, and Physiology**

This course is designed to provide students with the basic fundamental knowledge of human anatomy and medical terminology including body organization, cell tissue membranes, special senses, endocrine, musculoskeletal, nervous, cardiovascular, urinary, reproductive and related pathology. Students will gain knowledge of cross-sectional views of the human body, and the fundamental

knowledge to succeed in the General ultrasound and Echocardiography technology programs.

VAS 301- Vascular Technology 1

This course is designed to prepare the students for successful acquisition of the Registered Vascular Technologist (RVT) credential. This course contains separate modules leading the students through topics including human anatomy, physiology, pathophysiology of many disease processes, as well as methods of investigating and diagnosing vascular disease.

VAS 302- Vascular Technology 2

This course is continuation of VAS 301 and is designed to prepare the applicant for the successful acquisition of the Registered Vascular Technologist (RVT) credential. Students will gain knowledge, skills and abilities in the areas of anatomy and hemodynamics (blood flow) of cerebrovascular, venous, peripheral and abdominal blood vessels.

PHY 301- Physics and Instrumentation 1

This course is designed to prepare the students for successful acquisition of the Sonography Principles & Instrumentation examination. Students will learn the skills and abilities in the areas of clinical safety, physical principles, pulsed echo instrumentation, and quality assurance. SPI exam meets the fundamental physical principles and instrumentation requirements for the RDMS, RDCS, RVT and RMSKS credentials.

PHY 302- Physics and Instrumentation 2

This course is continuation of PHY 301 and is designed to further prepare students for successful acquisition of the Sonography Principles & Instrumentation examination. Students will learn the skills and abilities in the areas of clinical safety, physical principles, pulsed echo instrumentation, and quality assurance.

ABD 301- Abdomen and Small Parts Sonography 1

This course is designed to prepare the students for successful acquisition of the AB examination. Students will gain knowledge, skills, and abilities in the areas of soft tissues, blood vessels and organs of the abdominal cavities.

ABD 302- Abdomen and Small Parts Sonography 2

This course is continuation of ABD 301 and is designed to further prepare students for successful acquisition of the AB examination. Students will continue to gain knowledge, skills, and abilities in the areas of soft tissues, blood vessels and organs of the abdominal cavities.

OBG 301- Obstetrics and Gynecology Sonography 1

This course is designed to teach students the basic obstetrics and gynecology knowledge and skills essential to Sonography Professionals. Students will be prepared for successful acquisition of the OB/GYN examination which assesses the knowledge, skills and abilities in the areas of the female reproductive system as well as the fetus in the first, second and third trimesters of pregnancy.

OBG 302- Obstetrics and Gynecology Sonography 2

This course is continuation of OBG 301 and is designed to further prepare students for successful acquisition of the OB/GYN examination. Students will continue to gain knowledge, skills, and abilities in the areas of the female reproductive system as well as the fetus in the first, second and third trimesters of pregnancy.

EXT 400- Clinical Externship

The Clinical Externship experience provides the student with the opportunity to practice the skills they have been taught in school. It is a real-world scenario in which the student will work with patients, doctors, and other members of the healthcare delivery team. The Externship Site Supervisor will complete weekly evaluations tracking the student's progress, as well as a final evaluation at the completion of the student's hours. The Director of Education will monitor the student's progress, along with the Externship Site Supervisor, at the time of onsite visits.

PROGRAM DESCRIPTION & OBJECTIVES:

Medical Office Administrator program prepares individuals for entry-level employment in the medical office administrative/administration related work. The program will prepare individuals to successfully plan, design, manage systems, process facilities to collect, store, secure, retrieve, analyses, and transmit medically related records and information as well as other health information used by clinical professionals, hospitals, and healthcare organizations.

COURSE DESCRIPTION:**ENG 101 – English Composition**

English Composition course is designed for the student who wants to prepare for the writing required in college classes. The course emphasizes practice in the writing of thesis-based essays and the critical analysis of selected prose works dealing with important contemporary ideas.

CRT 101 – Critical Thinking

This introductory-level course is designed to help learners define and identify critical thinking and reasoning skills and develop those skills. Critical thinking is an intellectual model for reasoning through issues to reach well-founded conclusions. It may be the single most valuable skill that one can bring to any job, profession, or life challenge. Being able to ask the right questions, critique an argument, and logically dissect an issue occur constantly in the workplace and our lives.

COM 101 – Oral Communication

This course is an introduction to the history, theory, and practice of communication, including language and literacy, representation and semiotics, mediated technologies and institutional formations, and social interaction. This course integrates the study of communication with a range of media production (for example, writing, electronic media, film, performance).

MAT 101 - College Algebra

The course is designed to familiarize learners with fundamental mathematical concepts such as inequalities, polynomials, linear and quadratic equations, and logarithmic and exponential functions.

COP 101 - Computer Fundamentals

In this course, you will identify PC components, work with files and folders, and conduct basic software installations. This course will provide students with the fundamental skills and concepts required to maintain, support, and work efficiently with personal and work computers.

COP 200 – Computerized Accounting

This course is an introduction to utilizing the computer in maintaining accounting records, making management decisions, and processing common business applications with primary emphasis on a general ledger package.

ANA 201- Anatomy and Physiology

This course is designed to provide students with the basic fundamental knowledge of human anatomy and physiology including body organization, cell tissue membranes, special senses, endocrine, musculoskeletal, nervous, cardiovascular, urinary, reproductive and related pathology. Students will gain knowledge of cross-sectional views of the human body, and the fundamental knowledge to succeed in the program.

MTE 201- Medical Terminology

This course introduces the vocabulary, abbreviations, and symbols used in the language of medicine. Emphasis is placed on building medical terms using prefixes, suffixes, and word roots. Upon completion, students should be able to pronounce, spell, and define accepted medical terms.

COP 201 – Computerized Administration

In this course, students will learn computer skills that are increasingly important in today's administrative support and clerical positions. Most of these positions require that you be proficient in the latest computerized office software. Computerized Administration course curriculum includes word processing, spreadsheet, accounting, and presentation software. Students will also learn basic administrative and office support skills.

BUS 330 – The Business of Healthcare Systems

By completing this course, students will have a strong foundational understanding of the American health care system, along with the basic financial and management skills to make better, well-informed decisions that improve the cost and quality of the health care the American healthcare system provides. Students will acquire knowledge to successfully navigate the intersection of business and health care.

BUS 340 – Business Process in Healthcare Organization

This course provides an overview of healthcare organization business processes. Course curriculum includes the topics of business process management, electronic patient/customer records business processes, healthcare organization business process management improvement, and innovation.

HEA 310 - Healthcare Administration

This course provides an overview of health delivery systems, organizational theory, and the conceptual basis of traditional managerial and administrative leadership roles in health care facilities. Emphasis will be placed on the application of theory and best practice standards to the demands of the healthcare environment. Special emphasis will be placed on the development of leadership competencies and skills through the selection of a broad range of specialty topics including: the health system, strategic planning, organizational structure, organizational performance, organizational change, motivation, problem solving, organizational communication and motivation.

HEA 320- Human Resources and Risk Management

This course examines the role of the human resource professional as a strategic partner in managing today's organizations. Key functions such as recruitment, selection, development, appraisal, retention, compensation, and labor relations are examined.

ACC 200- Essential Accounting

This course is an introduction to the basic concepts and standards underlying financial accounting systems. Several important concepts will be studied in detail, including: revenue recognition, inventory, long-lived assets, present value, and long term liabilities. The course emphasizes the construction of the basic financial accounting statements - the income statement, balance sheet, and cash flow statement - as well as their interpretation.

MME 300 – Insurance Coding, Claims, and Collections

The practical application of coding and classification for billing and insurance reimbursement is the focus of this course. Lessons cover codes and classifications for medical procedures and medical diagnoses and guidelines for use in medical records. Students also learn HIPAA (Health Insurance Portability and Accountability Act) guidelines and how they relate to the preparation of medical records. Students are also introduced to common health insurance company requirements for handling claims and typical office billing procedures. Students practice processing Medicare, Medicaid and workers compensation claims for outpatient and in-patient treatment.

Content and Approach

ESL courses are front-loaded studies in which the student completes courses prior to the career-oriented vocational courses at this College. ESL courses focus on the development of the communication and job search skills necessary for employment in the health care field in the United States. Topics include health professions in the United States, career pathways, communication with patients and co-workers, health care systems, current critical health issues, and intercultural communication skills.

Participant will practice the skills of speaking, listening, reading, and writing. We will use activities based on day-to-day health care situations, readings related to health care and cases studies from different health professions. The communicative approach of the courses is based on individual pair, and group task and projects. Each class session will include problem-solving and critical thinking activities in which you will work both individually and collaborate with classmates.

Goals

ESL is a 40-week study made up of several courses in English for health professionals. Participant will make progress toward the overall goal of ESL. At the end of 40-week study, participant will have improved communications skills in English based on ones increased ability to:

- Use strategies and skills for pursuing career goals in health care and making informed career choices.
- Communicate effectively and appropriately with patients and families in health care settings.
- Communicate effectively and appropriate with other health care professional in health care settings.
- Understand systems, requirements, and issues in health care in the United States and California.
- Understand how cross-culture beliefs, traditions, and behaviors impact everyday communication in health care.
- Use strategies and skills for exploring your own ongoing professional development beyond the current course.

International Student Admission Requirements

ATI College is authorized under federal law to admit non-immigrant alien students. Visa services are not provided. All international applicants must meet the Admission Requirements as described in this catalog. In addition to meeting the regular Admission Requirements, international students who demonstrate competence in the English language by one of the following methods are not required to complete the Vocational English* courses offered at this College: 1) graduation from a secondary or a postsecondary institution whose primary language of instruction was English, 2) proof of successful completion of a minimum of six months (two quarters) of postsecondary coursework at an accredited institution in which English was the language of instruction, 3) TOEFL iBT Test score of 80 or better or equivalency. All instructions offered at ATI College are in English language.

Assessment of Progress

The participant will work together with faculty to self-evaluate one's level based on in-class and out of class activities. The school will use a variety of assessment methods including rubrics for ongoing self-assessment and assessments by the faculty. The participant will be able to review these rubrics periodically to understand the progress over time. At the end of the course, students will submit the portfolio to be assessed on the achievements made in the course and will set goals for the second course, and so on. At the conclusion of the 40-week study, students will attempt the Test of English as a Foreign Language (TOEFL) to measure one's test score against the exit goal.

Overview

The ESL curriculum consists 740 clock hours of organized according to five modules:

- **Module 1** - Exploring Career Goals in Health Care
- **Module 2** - Communicating with Patients and Families
- **Module 3** - Communicating with other Health Professionals
- **Module 4** - Exploring Critical Issues in Health Care
- **Module 5** - Intercultural Communication in Health Care

The curriculum design is unique in that the modules and units can be linked to each other or used independently for courses and workshops of different lengths in a variety of contexts.

Objective

ESL courses are not vocational in nature and do not lead to initial employment; courses are not prerequisite or provides credit toward any vocational programs offered within the school; upon completion of the study, student will earn a Completion Certificate.

Overall Goal

To provide non-native-speaking health care workers with the English skills needed to communicate and function effectively in the workplace and to help them achieve their professional goals in the U.S.

Target Audience

1. Immigrants seeking to enter allied health program,
2. Foreign-trained health care professionals seeking to enter allied health program,
3. Incumbent health care workers with limited English proficiency seeking to enter allied health program.

Curriculum Approach

Learner-centered, content-based courses with interactive, problem-solving tasks based on everyday communication in health- care settings and current health care issues.

MODULE 1 - Exploring Career Goals in Health Care (148 clock hours)

WEEK 1	UNIT 1: Health Care Professionals and Career Paths
WEEK 2	UNIT 2: Requirements for Entry in Health Field
WEEK 3	UNIT 3: Job Search Skills
WEEK 4	UNIT 4: Job Application Process
WEEK 5	UNIT 5: Job Interview Skills
WEEK 6	UNIT 6: Professional Behavior and Workplace Expectations
WEEK 7	UNIT 7: Work & Safety Issues for Health Professionals
WEEK 8	UNIT 8: Professional Development in Health Care

MODULE 2 - Communicating with Patients and Families (148 clock hours)

WEEK 1	UNIT 1: Patient-Health Professional Relationship
WEEK 2	UNIT 2: Gathering Patient Information
WEEK 3	UNIT 3: The Patient-Centered Interview
WEEK 4	UNIT 4: Examining and Monitoring Patients
WEEK 5	UNIT 5: Developing a Treatment Plan
WEEK 6	UNIT 6: Medical Charting and Reporting
WEEK 7	UNIT 7: Patients with Special Needs
WEEK 8	UNIT 8: Handling Challenging Situations with Patients

MODULE 3 - Communicating with Other Health Professionals (148 clock hours)

WEEK 1	UNIT 1: Interaction among Health Professionals
WEEK 2	UNIT 2: Using Medical Terminology Appropriately
WEEK 3	UNIT 3: Assertive Communication with Co-Workers
WEEK 4	UNIT 4: Professional and Social Communication
WEEK 5	UNIT 5: Working Effectively on a Team
WEEK 6	UNIT 6: Supervising Health Professionals
WEEK 7	UNIT 7: Telephone and Electronic Communication

WEEK 8 UNIT 8: Handling Challenging Situations with Co-Workers

MODULE 4 - Exploring Critical Issues in Health Care (148 clock hours)

WEEK 1 UNIT 1: Understanding Health Care Systems
WEEK 2 UNIT 2: Understanding Health Care Cultures and Sub-Cultures
WEEK 3 UNIT 3: Critical Health Issues in the U.S.
WEEK 4 UNIT 4: Healthy Lifestyles and Behaviors
WEEK 5 UNIT 5: Alternative Health Perspectives
WEEK 6 UNIT 6: Health Care for an Aging Population
WEEK 7 UNIT 7: Legal & Ethical Issues in Health Care
WEEK 8 UNIT 8: Future Directions for Health and Health Professionals

MODULE 5 - Intercultural Communication in Health Care (148 clock hours)

WEEK 1 UNIT 1: Culture and Communication in Health Care
WEEK 2 UNIT 2: Beliefs and Traditions about Health and Illness
WEEK 3 UNIT 3: Cultural Diversity in Health Care
WEEK 4 UNIT 4: Serving Multicultural Patients
WEEK 5 UNIT 5: Working with Multicultural Health Professionals
WEEK 6 UNIT 6: Ethnic and Racial Disparities in Health Care
WEEK 7 UNIT 7: Analyzing the Needs of Diverse Communities
WEEK 8 UNIT 8: Serving Underserved Communities

Tuition and Fees

Programs	Clock Hours (Sem. Credits)	Tuition		Registration (US)	Registration (Intl)	Registration (Veteran)	Graduation Fee	Textbooks	Uniforms

Course materials are not included in the tuition. Student will need to purchase notebooks, pens, pencils, etc. separately. Purchased books and other supportive materials are non-refundable/non-returnable. Tuition and fees do not include testing costs for certifications, licensures, and/or credential examinations. Above tuition and other charges are applicable to students enrolled on or after September 1, 2021. *Registration fees for students receiving U.S. Veterans benefits shall be \$10.00.

As of 08/01/2020 institutional charges for the tuition charges are posted to the student tuition account on the basis of payment period by payment period. However, registration fee, books and supplies for the entire course, will be assessed and posted in the student tuition account within the first payment period. Subsequent charges will be posted as needed.

Re-Entry Policy

All students who withdraw in good standing may re-enter into the course of study without the loss of credit for prior hours and projects earned during the prior enrollment. If the student transferred to other institution before returning to ATI College, those hours and projects earned at that institution may be credited to the student for the new re-enrollment. Each re-entry is treated on an individual basis. ATI College reserves the right to reject students that had withdrawn from ATI College twice before.

Repeated/Failed Courses

In the event that a student received a failing grade or withdraws from any course, the student must repeat the course or complete an equivalent course with a passing grade in order to graduate. Students will be charged the actual course cost for any course that must be retaken.

Method of Payments

Students are expected to contribute from their own family resources toward the student's cost of attendance. Payment plans are available from ATI College and/or, private lenders. Federal student financial aid is available to those that qualify to cover educational expenses. Financial aid may be in forms of grants (no repayment required) and student loans (must be repaid). It is the policy of this institution to request from the student whenever possible, to contribute toward their school charges by making monthly installments in accordance to their means. It is also our policy to discourage students from borrowing loan funds unless is necessary. All estimates of available funds from financial aid will be first used to cover institutional charges; if funds remain available, they will be disbursed directly to the student. For information on the aid programs, please contact the financial aid office. The entire educational expenses need to be included in planning the student's ability to meet those expenses. All school charges must be paid in full before graduation.

California Cancellation and Refund Policies

Following are the key terms and conditions of the College's cancellation and refund policies:

Student's Right to Cancel:

1. You have the right to cancel your agreement for a program of instruction, without any penalty or obligations, through attendance at the first class session or the seventh day after enrollment, whichever is later. After the end of the

cancellation period, you also have the right to stop school at any time, and you have the right to receive a pro rata refund if you have completed less than 60 percent of the scheduled days in the current payment period in your program through the last day of attendance.

2. Cancellation may occur when the student provides a written notice of cancellation at the following address: ATI College, 15141 Whittier Blvd., Suite 420, Whittier, CA 90603. This can be done by mail, email, or by hand delivery.
3. The written notice, if sent by mail, is effective when deposited in the mail properly addressed with proper postage. The written notice of cancellation need not take any particular form and, however expressed, is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.
4. If the Enrollment Agreement is cancelled within seven days, the school will refund the student all monies paid, less a registration or administration fee, not to exceed \$75, within 45 days after the notice of cancellation is received.

THREE DAY CANCELLATION POLICY

Applicants who have not visited the College prior to enrollment may withdraw without penalty within three business days following either the regularly scheduled orientation procedures or following a tour of the College facilities and inspection of equipment where training and services are provided. All monies paid by an applicant must be refunded if requested within three (3) days after signing an enrollment agreement and making an initial payment. A refund will be issued within forty-five (45) days of the cancellation date. An applicant requesting cancellation more than three (3) days after signing an enrollment and making an initial payment, but prior to entering the College, is entitled to a refund of all monies paid, minus the \$75 registration fee.

Withdrawal from the Program

You may withdraw from the school at any time after the cancellation period (described above) and receive a pro rata refund for the current term if you have completed less than 60 percent of the scheduled days through the last day of attendance in that term. The refund will be less a registration fee, not to exceed \$75, and less any deduction for equipment not returned in good condition, within 45 days of withdrawal. If the student has completed more than 60% of the period of attendance for which the student was charged, the tuition is considered earned and the student will receive no refund.

For the purpose of determining a refund under this section, a student shall be deemed to have officially or unofficially withdrawn from a program of instruction when any of the following occurs:

1. The student notifies the institution of the student's withdrawal (official, voluntary withdrawal).
2. The institution terminates the student's enrollment for failure to maintain satisfactory progress, failure to abide by the rules and regulations of the institution, absences in excess of maximum set forth by the institution, and/or failure to meet financial obligations to the school (official, involuntary withdrawal).
3. The student has failed to attend classes for 14 consecutive calendar days (unofficial, involuntary withdrawal).
4. The student fails to return from a leave of absence (unofficial, involuntary withdrawal).

For the purpose of determining the amount of the refund, the date of the student's withdrawal shall be deemed the last date of recorded attendance. For the purpose of determining when the refund must be paid, the student's date of determination will be no later than 14 consecutive days from the student's LDA.

For programs beyond the current "payment period," if a student withdraws prior to the next payment period, all charges collected for the next period will be refunded.

If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of the benefits received, and any remaining amount shall be paid to the student. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

The College participates in federal financial aid. For students who have received Title IV financial assistance, the Federal Return of Title IV Funds calculation (described below) will be completed first and applicable funds returned. Returned funds will be reduced from the payments received on behalf of the student before applying the institutional refund policy to determine whether the student is owed a refund or if a balance is owed to the College. If a balance is owed to the College, you will have to make arrangements to pay it.

Federal Return to Title IV (R2T4) Policy

A recipient of Federal Title IV financial aid who withdraws from school during a payment period or period in which the student began attendance will have the amount of Title IV funds he or she did not earn 35 calculated according to federal regulations (34

CFR 668.22). Any student who withdraws will have his/her Pell Grant recalculated based on the number of credits the student attempted.

A determination of the percentage of the payment period the student has completed, which is used to calculate the amount of Title IV financial aid the student has earned, will be based on the number of days the student completed up to the last date of attendance, divided by the total days in the payment period. Any break of 5 days or more is not counted as part of the days in the term.

The percentage is multiplied by the amount of Title IV financial aid for the payment period for which the Title IV financial aid was awarded to determine the amount of Title IV financial aid earned. The calculated amount of aid earned is rounded to the one-hundredth decimal. The amount of Title IV financial aid earned and the amount of Title IV financial aid not earned will be calculated based on the amount of Title IV financial aid that was disbursed or could have been disbursed for the payment period upon which the calculation was based. After the 60 percent point in the payment period, the student will have earned 100 percent of the federal financial aid funds already disbursed to him/her.

Once the amount of Title IV financial aid that was not earned has been calculated, federal regulations require that the school return a portion of the unearned funds equal to the lesser of the institutional charges multiplied by the unearned percentage of funds or the entire amount of unearned funds in the following order:

1. Unsubsidized Federal Stafford Loans
2. Subsidized Federal Stafford Loans
3. Federal PLUS Loans
4. Federal Pell Grants
5. Federal Supplemental Educational Opportunity Grants (FSEOG)
6. Other Title IV Programs
7. Student

If the amount of unearned Title IV financial aid disbursed exceeds the amount that is returned by the school, the student (or parent, if a Federal PLUS Loan) must return or repay, as appropriate, the remaining amount. Any loan funds that must be returned by the student (or parent for a PLUS Loan) are repaid in accordance with the terms and conditions of the promissory note. If the student is required to return unearned grant funds, the student is required to return the amount of the unearned grant funds that exceeds 50 percent of the grant funds received. If the amount disbursed to the student is less than the amount the student earned, he or she is eligible to receive a post-withdrawal disbursement (PWD) of the earned aid that was not received. The school will notify the student and/or parent of post-withdrawal disbursement once an amount can be determined (calculation is performed within 30 days from date of the institution's determination that the student withdrew). The school will offer any PWD that is due within 180 days of the date that the school determined that the student withdrew. The school must get the student's permission before it can disburse PWD loan funds (written notification provided to the student). The student may choose to decline some or all of the PWD loan funds. No PWD of loan funds will be made if the student does not respond within 30 days of the written notification date.

For the purpose of determining when the refund must be paid, the date of the institution's determination that the student withdrew should be no later than 14 days after the student's last day of attendance, as determined from the College's attendance records. Unearned funds will be returned within 45 days from date of determination.

Academic Transcripts

To request an official transcript of all courses you have previously registered with ATI COLLEGE, student must complete (include your signature) and return Form Academic Transcript Request to ATI COLLEGE, Attention: Student Services Department, Subject: Transcripts at 15141 Whittier Blvd., Suite 420, Whittier, CA 90603. If paying by credit card, you may submit request form via fax to (562) 864-7806. Otherwise, please include a check or money order made payable to ATI COLLEGE and send to address above. The cost for each official transcript is \$10.00. Please allow 5 to 10 working days for us to process your transcripts.

Rules and Policies

- **Professional Conduct of Student**

An important element of the training at ATI includes the development of professionalism. The high standards maintained in ATI programs prepare each student to meet the highest expectations of employers. College expects students to conduct themselves in a socially acceptable manner at all times. Students indulging in the following types of misconduct are subject to immediate dismissal:

- Any type of dishonesty, including cheating, plagiarism, knowingly furnishing false information to institution, forgery, alteration or use of institution identification documents with the intent to defraud.

- Intentional disruption or obstruction of teaching, administration, disciplinary proceedings, public meetings and programs, or other school activities.
- Physical or verbal abuse of any person on school premises or at school-sponsored or supervised functions.
- Theft of school property or damage to school premises or to the property of a member of the school community on the school premises.
- Failure to comply with directions of school officials acting in the performance of their duties.
- The use, possession, or distribution of alcoholic beverages, controlled substances, firearms, weapons, explosives and/or dangerous chemicals on school premises.
- Any violation of Federal, State or local law on ATI premises or at ATI sponsored functions.
- College views excessive tardiness as violation of the professional conduct philosophy that could lead to dismissal. Any violation or transgression will be strictly penalized. ATI reserves the right to make the administrative and educational decisions as to whether the code of conduct had been violated. All cases are reviewed individually.

- **Disciplinary Policy**

All students of ATI College are expected to conduct themselves in accordance with applicable laws, regulations, departmental policies and generally acceptable college behavior. The examples listed under the Professional Conduct of Student are to be used as a guide and are not intended to be all-inclusive. At the occurrence of any offense, the appropriate discipline shall be determined after the particular circumstances of the case have been carefully considered. Generally, students will be allowed three formal warnings as steps towards disciplinary actions and will be dismissed on the fourth offense. However, all terminations will be determined on an individual basis and certain offenses may result in immediate dismissal without warning.

- **Professional Dress Standards**

Important part of the training at the college includes the development of professional attitudes and behaviors. Prospective employers seek employees who will be positive additions to their companies. Therefore, we at ATI have created a “work-like” environment in which our students can grow and develop according to these professional expectations. Learning how to communicate and deal with different situations, coping with frustration, skills to solving problems, disciplining oneself and dressing professionally are just few of the ingredients that go into the makeup of a “professional”. In these areas we have high standards because we are committed to preparing our students for the highest expectations of our employers.

- **Maximum Number per Classroom & Laboratory Policy**

The maximum number of students in the on-campus classrooms and laboratories is 15.
The maximum number of students in online lectures is 30.

- **Student Information Updates**

It is student’s responsibility to notify the school when student information requires updating (i.e. new address, phone number, E-mail). No particular form is required when submitting these changes to the school. However, Student Information Update Form is recommended.

- **Special Instructional Assistance**

Individuals who have occasional difficulty with the study are urged to seek assistance from their instructor. Additionally, tutoring is available outside of normal class time. Contact the student service department at the school for more information.

- **Reinstatement Policy**

Terminated, dismissed or individuals out for personal reasons may be reinstated with an approval from the school director. After student has remained outside of school for at least six (6) months and has taken steps to meeting the SAP requirements in academic, personal, and any other critical situations, student may file *Reinstatement Request* for review. Conditions are determined and reviewed on individual basis. Please submit request in person or via fax to admissions department at 15141 Whittier Blvd., Suite 420, Whittier, CA 90603. Once reinstated, student’s financial aid may be re-instated when and if student satisfies the school SAP requirements.

- **Vaccination Policy**

Although ATI College does not have a universal student vaccination policy required of all students, the National Center for Disease Control recommends that all adults comply with the following vaccination schedule:

www.cdc.gov/vaccines/adults/rec-vac/index.html

- **Health and Safety Exemption Requirement**

ATI College adheres to all requirements pertaining to the protection of student information. However, there are limited exceptions to FERPA regulations under which ATI College is permitted to disclose education records or personally identifiable, non-directory information from education records in connection with a health or safety emergency without student consent. The situation must present imminent danger to a student, other students, or members of the school community in order to qualify as an exception. This action is not taken lightly and only under circumstances that present imminent danger.

- **Misrepresentation**

To ensure that the nature of educational programs is not misrepresented, such information including but not limited to the policies and procedures, program description, tuition information, and various financial aid information are delineated in this catalog and college website. All academic programs are reviewed as part of our institution's Program Advisory Committee Review process. Programs undergo a complete evaluation annually. Needs requests in various areas may be evaluated annually (personnel, facilities, equipment, supplies, technology).

- **Student Tuition Recovery Fund (STRF)**

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program. It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 North Market, Suite 225, Sacramento California 95834, (916) 431-6959 or (888) 370-7589. To be eligible for STRF, you must be a California resident or enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 -day period before the closure of the institution or location of the institution or were enrolled in an educational program within the 120-day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.

7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans. To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF. A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.
However, no claim can be paid to any student without a social security number or a taxpayer identification number.

Financial Aid Mechanism

Financial aid is a mechanism that reduces out-of-pocket costs that the student and/or parents must pay to obtain a specific postsecondary education. Presented differently, financial aid is money made available to help students meet the cost of college attendance. Financial aid includes grants and loans. Grants do not have to be repaid. Loans usually have low interest rates that a student must repay in accordance to the individual loan program terms. Most of the loans can be arranged to require payment after a grace period of several months upon graduation, or upon the student's termination from the program or if a student's attendance falls below half time. Financial aid is awarded to students who have "need". Need is the difference between the amount of money that the family will be expected to contribute to meet student costs and the cost of education at this school.

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund, and that, if the student has received federal student financial aid funds, the student is entitled to a refund of the moneys not paid from federal student financial aid program funds.

Compliance Statement

The Federal Privacy Act of 1974 requires that students be notified that the disclosure of his/her social security number is mandatory. The social security number is used to verify students' identities, to process the awarding of funds, the collection of funds, and the tracing of individuals who have borrowed funds from federal, state or private programs.

The U.S. Department of Education Title IV Student Financial Aid Programs

The college is approved for, and does participate in the following USDE Title IV programs intended to defray the costs of attending for those students eligible for financial aid considerations:

- **GRANT (FREE) AID - (This aid does not have to be repaid)**
 - Federal PELL Grant Program (FPELL) **\$6895 maximum annual limit**
 - Federal Supplemental Educational Opportunity Grant Program (FSEOG)*
- **LOANS TO STUDENT AND/OR PARENT**
 - Direct Federal Stafford LOANS
 - Subsidized loans (Interest earned while in school and during grace period is covered by the USDE)**.
 - Unsubsidized loans (Interest earned while in school and during grace period may be delayed until the repayment period and will be added to the loan balance).**

- Parent loans (PLUS) (Interest due from parents as last disbursement on a loan is made)

STUDENTS ARE ENCOURAGED TO KEEP THEIR LOAN DEBT AS LOW AS POSSIBLE. THESE LOANS ARE AGGRESSIVELY COLLECTED BY THE USDE AND ITS CONTRACTORS. INTEREST LIABILITY ON LATE PAYMENTS IS VERY EXPENSIVE. LACK OF PAYMENT IS A VERY DAMAGING TO CREDIT HISTORY AND FUTURE BORROWING POWER.

(*) Funds are limited in nature; therefore, awards are based on availability of funds at the school.

(**) Annual loan limits and based on educational levels within the course of enrollment.

Loan levels are specifically designated to the course of study at this institution. For example, if the student attended two years at a community college, but it enrolls in a course that is one academic year long without any transfer hours, the correct student level will be 1 and not 3rd loan level.

For more specific information on each program please refer to www.studentaid.gov website.

Student Eligibility Requirements

To be eligible for financial aid, a student must:

- Be admitted as a regular student;
- Be enrolled or accepted for enrollment in an eligible program;
- Be a citizen or an eligible non-citizen;
- Not owe a refund on a FPELL Grant or FSEOG at any school;
- Not be in default on a Perkins Loan or Stafford Loan/SLS/PLUS/Direct Loan at any school;
- Have financial need;
- Be making satisfactory progress (as defined by the school's policy) in the course of study;
- Have signed a statement of educational purpose;
- Have a High School Diploma (or its equivalent) or GED;
- Agree to use any federal student aid received solely for educational purposes.

Application for Aid, Procedures & Forms

Financial aid applications for this institution consist of the following:

Free Application for Federal Student Aid (FAFSA) this form needs to be completed as instructed on the form. Documentation to substantiate the data entered on the form may be required by the financial aid office. Forms and assistance in completing them are available at this school during school hours. In addition to the FAFSA, the institution requires a series of forms as they apply to the individual student aid program and to the student's individual family circumstances.

Federal Pell Grant Program: Funds received under this program are not subject to repayment from the student.

Deadline: FAFSA applications must be received by June 30 in the year on which the application is intended for. SAR or ISIR must be submitted to the financial aid office by September 29, of the award year from which aid is requested from, or your last day of enrollment in **2023-2024**, whichever comes first. A valid ISIR requires signatures of student, spouse and/or parents, when the ISIR has been corrected.

Renewal Process: A FPELL Grant award is received for one award year (July 1 to June 30 of the following year), and **is not** automatically renewed for the next award year. Students must re-apply for the FPELL Grant and submit a copy of the **new** SAR or ISIR to the financial aid office for each award year.

Maximum Annual Award: \$6,895

Disbursement: They are made based on per payment period via a direct credit to the student's tuition account.

Federal Supplemental Educational Opportunity Grant (FSEOG)

Funds received under this program are not subject to repayment from the student.

Deadline: You may apply during the enrollment process, using the FAFSA form. The school will provide you a letter listing the amount and types of financial aid you will be awarded, including the FSEOG award.

Maximum Annual Award: \$200

Disbursement: Made based on per payment period via a direct credit to the student's tuition account. Priority for FSEOG funds will be given to students eligible for Pell Grant. This institution has a year-round enrollment. Therefore, funds will be awarded in a manner that funds would be available to students enrolling throughout the entire year. If SEOG funds are still available, a second priority will be given to Non-Pell recipient students with the lowest Expected Family contributions enrolled during the last three months.

Federal William D. Ford Direct Loan Program

Funds received from either of the loan programs are subjected to repayment from the student. Before a loan document is submitted to the USDE, students must be fully aware of the financial responsibilities under these loan programs, the rights that the student has under the individual loan program conditions, and the consequences of failing to meet the repayment obligations.

Federal Direct Subsidized Loan

Federal Direct Subsidized Loans are made directly to students from the U.S. Department of Education. Subsidized loans are need based. Students may borrow up to the amount of the student's cost of attendance less other expected financial assistance (not to exceed annual loan limits).

The Federal Government pays interest subsidies while the student is enrolled or during periods of deferment. Student would pay a combined origination/guaranty fee of a variable percentage but not to exceed 3% directly to the U.S. Department of Education. Students may receive both subsidized and Unsubsidized loans provided the combine amount borrowed does not exceed applicable loan limits and that the student's eligibility for a subsidized Federal Stafford Loan be determined prior to determining eligibility for the Unsubsidized loan. The law also stipulates that borrowers may apply for both subsidized and unsubsidized loans using a single application and that such borrowers must be given a single repayment schedule.

Federal Direct Stafford Unsubsidized Loan

These loans expand the ability of the U.S. Department of Education to make "Unsubsidized" Federal Stafford Loans to students. These loans carry many of the same terms and conditions associated with subsidized Federal Stafford Loans with the following two exceptions:

- (1) Unsubsidized loans are not need based. Students may borrow up to the amount of the student's cost of attendance less other expected financial assistance (not to exceed annual loan limits).
- (2) The Federal Government does not pay interest subsidies to the lender while the student is enrolled or during periods of deferment. Interest must be paid or capitalized, i.e., added to the principal.

Deadlines: Applications need to be submitted at least 30 days before the end of the loan period for which the loan has been requested.

Disbursement: Checks are issued to the school and credited to the student's tuition account. It is the student's responsibility to submit all required forms and documentation to the financial aid office before disbursement.

For additional information, go to www.studentaid.gov website.

Determining Need

The information you report on the FAFSA form when you apply for aid, is used in a formula established by U.S. Congress that calculated your Expected Family Contribution.

ATI College utilizes the Free Application for Federal Student Aid (FAFSA) for students applying for aid. This form will be processed by a contractor of the U.S. Department of Education at no cost to the student. The results will be provided in the form of an Electronic Student Aid Report with the calculation of the Expected Family Contribution.

Cost of Attendance

This institution uses the annual budgets published by the CALIFORNIA STUDENT AID COMMISSION. The estimate amount it will cost a student to go to school during an academic year of approximately 9 months is stated below.

Elements included in the budget:	Tuition	Actual cost
	Registration Fee	Actual cost
	Books and supplies	Actual cost
Living cost allowance (monthly figures):	Student living w/parents	Student living off campus
Room and board	\$ 10,125	\$19,431
Transportation	\$ 1,611	\$ 1,764
Personal/misc.	\$ 3,609	\$ 4,428

(The cost of uniforms is included in the personal allowance or included in the school charges)

Award Concept, Selection of Recipients and Packaging Criteria

This institution does not receive enough Campus-Based funds to satisfy all the student financial needs. Therefore, the school emphasizes the **SELF-HELP CONCEPT** of student financial assistance. The **SELF-HELP CONCEPT** is on a first-come, first-served basis when awarding eligible applicants. If the student does not wish to assume the combined debt of two or more loans, they may decline any loans offered by the school. **ALL LOANS MUST BE REPAYED.**

The **SELF-HELP CONCEPT** lists types of financial assistance in the following order:

1. Family contributions
2. Other resources
3. Federal PELL Grant
4. Self Help (Stafford and/or, PLUS Loans)

The school awards from the Federal Supplemental Educational Opportunity Grants in accordance with the following policy: The institutional participation in the Federal Educational Opportunity Grant is limited to the amount of funds given to the institution for an entire award year (July 1 to June 30).

Due to the **limited** amount of funds available to the institution, it is literally impossible to award FSEOG to all students applying for aid. Therefore, the institutional policy to select FSEOG recipients is as follows: In order to ensure a fair distribution of funds through the entire award year, the institution will make SEOG awards using data from the year presiding the current year, by using student enrollment, EFC and Pell Grant data to determine how to distribute the SEOG funds available.

Based on last year's data, the institution expects an enrollment of 114 new students meeting the "exceptional need" criteria to be enrolled during the 7/1/22 to 6/30/23 period. Therefore, the awards to those students will be \$200 through the entire period. At the beginning of the award year, the first selection of SEOG recipients will be made from students with "exceptional need". Students with "exceptional need" are defined by this institution as students that have an expected family contribution (EFC) of Zero (00000) that will otherwise be eligible for the FPELL Grant Program during the same award year. If enrollment figures change, and/or additional funds become available to the institution, a second selection will be made from those students ineligible for the FPELL Grant Program with the lowest expected family contribution that enrolled during the last quarter of the award year (March to June). Both selections will be made from students, whose file has been completed, with no issues pending regarding the students' eligibility for Federal Aid. Incomplete files will not be considered in the selection criteria due to possible lack of documentation. Awards will be made as long as funds are available throughout the award year.

Definitions related to Financial Aid

The following definitions correspond to some common terms used within the financial aid terminology:

- **ACADEMIC YEAR:** A period of not less than 26/30 weeks of instructional time with a minimum of 900 clock hours/24 Semester credit hours/36 Quarter credit hours of instruction for a full time student. The midpoint of the academic year shall be a minimum of 13/15 weeks and at least 450 clock hours/12 semester credit hours/36 quarter credit hours. In effect, all students enrolled in courses with an academic year scheduled to be completed in less than 26/30 weeks, regardless of the number of clock hours/Semester credit hours/Quarter Credit Hours offered, would have aid eligibility reduced in proportion to the number of weeks and hours in the course of study in relation to the academic year.
- **CLOCK HOUR:** A period of 50 to 60 minutes of supervised instruction during a 60 minute time period.
- **COST OF ATTENDANCE:** Institutional charges for tuition, fee, books and supplies in addition to an estimated cost to the student for living allowances as room, board, transportation and personal combined compose the cost of attendance for an academic year or less as the cost of attendance or educational budget.
- **CREDIT BALANCE:** A credit balance occurs when tuition payments using Title IV funds have been received by the institution in excess of the amount of charges assessed to the student. Credit balances are paid within 14 business days from the day the credit balance was generated. Students must be responsible for budgeting their own funds and for securing that the funds are used for education related expenses.
- **PARENT(S):** For the purposes of the financial aid programs, "a parent" is the biological mother and/or father or adoptive parents, and stepparent. Grandparents, foster parents, legal guardians, older brothers or sisters, and aunts and uncles are not considered parents unless they have legally adopted you.
- **PAYMENT PERIOD:** 450 clock hours and 13 weeks for courses of 900 hours and 26 instructional weeks or more. It is the mid-point of the program for courses of less than 900 hours and 26 weeks.
- **PROFESSIONAL JUDGMENT:** Professional judgment is applied on a case-by-case basis after individual review of the student's situation. Generally professional judgments are limited to financial or personal situations which arise that were beyond the student's control. The student is required to submit a written statement explaining in detail the students' current situation and supporting documentation to substantiate a change in status, household size or income. The information is then analyzed and documented in the students file, the FAO then makes the necessary adjustments to reflect the students' current situation.
- **Dependency Overrides:** Financial aid administrators have the authority, through Section 480(d)(7) of the Higher Education Act, to change a student's status from dependent to independent in cases involving unusual circumstances.

When a student informs the Financial Aid Office of such circumstances the financial aid office will request proof from the student to document the file and will analyze all proof to make the determination, the FAO will request written statement explaining the unusual circumstances in detail from the student, one from an adult relative, and one from a third party e.g., teacher, counselor, church pastor. We have identified circumstances that do merit a dependency override. These can include the following:

1. An abusive family environment (e.g., sexual, physical, or mental abuse or other forms of domestic violence)
 2. Abandonment by parents
 3. Incarceration or institutionalization of both parents
 4. Parents lacking the physical or mental capacity to raise the child
 5. Parents whereabouts unknown or parents cannot be located
 6. Parents hospitalized for an extended period
 7. An unsuitable household (e.g., child removed from the household and placed in foster care)
 8. Married student's spouse dies or student gets divorced
 9. Violence, including physical abuse against the children or the spouse.
 10. Sexual abuse.
 11. Emotional abuse.
 12. Use of abusive language, including name-calling.
 13. Failure to properly clothes or feed the family.
 14. Attempts to commit suicide by one or more family members.
- **NEED:** Financial need is the amount left over after subtracting the expected family contribution from your cost of attendance.
 - **WITHDRAWALS:** Students are officially withdrawn on date of notification, date terminated by the institution, date of three consecutive weeks of absences or date when the student failed to return from an approved leave of absence.

Recoveries

Recoveries resulting from unearned Title IV funds are due from the student and must be paid in accordance to the terms stated in the promissory note of the student loans. If funds from the grants programs are still due from the student, those funds are payable at the rate of 50%. Grant funds due from the student must be repaid within 45 days from the student's withdrawal date. Students may make repayment arrangements with the U.S. Department of Education within the 45 days and present proof of such arrangements to the institution. If no repayment is received nor arrangements are presented, the institution will refer the debt to the U.S. Department of Education. The student will no longer be eligible for aid until informed by the U.S. Department of Education.

Refunds

If any refunds are due based on the Return of Title IV calculation or the institutional refund policy calculation, any refunds will be made as soon as possible but not later than 45 days from the determination of withdrawal date in the order stated in section CFR 34 section 668.22. The order of payment of refunds is 1) Unsubsidized Loans from FFELP or Direct Loan, 2) Subsidized Loans from FFELP or Direct Loan, 3) Perkins Loans, 4) PLUS (Graduate Students) FFELP or Direct Loan, 5) PLUS (Parent) FFELP or Direct Loan, 6) Pell Grant, 7) Academic Competitiveness Grant (ACG), 8) National SMART Grant, 9) Federal SEOG. This order would apply in accordance to the aid programs available at the institution.

Transfer Student

A student, who attended a Post-secondary institution before the enrollment at ATI College is required to provide academic transcript(s) from each of the institutions attended before the enrollment at this institution

Verification Process

Federal regulations 34 C.F.R. Part 668, Subpart E, dated March 14, 1986 April 29, 1994, November 29, 1994 - executing legislation 20 U.S.C. 1094 governing the title IV programs require schools to be sure of certain applicant-reported data.

These regulations require schools to develop written policies and procedures for verification. The school is required to make these policies available to all applicants for financial aid, as well as prospective students upon request. This procedure is part of the Admissions and Counseling process.

To follow the regulations and achieve consistency governing this process, the following verification policies apply to all applicants for Title IV programs.

Under the regulations, the school will not disburse FPELL or Campus-Based aid, nor certify Stafford/PLUS loan applications, until completion of verification process.

- **WHO MUST BE VERIFIED:** The policy of this school shall be to verify those students selected by the need analysis (ISIR) system for verification.
- **VERIFICATION EXCLUSIONS:** Applicants excluded from verification include:
 - Death- Applicant dies during the award year or before the deadline for completing the verification.
 - Incarceration- Applicant is incarcerated at the time the verification is to be performed.
 - Certain immigration status- Applicant arrived in the U.S. during calendar years 2017-2018.
 - Certain spouse/parent status: - Spouse or parent information is not required to be verified if the spouse or the parent is deceased, or physically incapacitated, or residing in a country other than the United States and cannot be contacted by normal means, or can not be located because the address is unknown and can not be obtained by the applicant.
 - Completed verification- If the student completed the verification at another institution prior to transferring to this school if all the following documents are provided from that school:
 - Letter stating that the verification process was completed
 - Copy of the application data that was verified, and
 - If the student was awarded FPELL Grant, a copy of the signed SAR/ISIR.
 - A completed Financial Aid transcript.
 - Pacific Island residency status- Legal residents of the Trust Territory of the Pacific Islands, Guam, Samoa, and the Commonwealth of the Northern Mariana Islands. To qualify for this exclusion the parents of a dependent student must also be legal residents of one of these territories. Citizens of the Republic of the Marshall Islands, the Federated States of Micronesia or the Republic of Palau. To qualify for this exclusion the parents of a dependent student must also be citizens of one of these territories. To document the basis for this exclusion, the applicable permanent mailing address
 - No funds disbursed- The applicant will not receive federal aid funds,
- **REQUIRED VERIFICATION ITEMS:** Examine the data items listed in 34 C.F.R. 668.56. Different data items apply to different applicants depending upon student dependency status and the Title IV programs used.
Data items include:
 - Total number of persons in the household.
 - The number of members of household enrolled at least half-time students in postsecondary educational institutions.
 - High School completion status
 - Identity/Statement of Educational Purpose
 - Adjusted gross income (AGI) or adjusted gross family income (AGFI) for the base year (2019 and 2020).
 - U.S. income tax paid for the base year (2020 and 2021).
 - Certain untaxed income and benefits for the base year if certain conditions would apply include:
 - Social Security benefits
 - Child support
 - Untaxed payments to IRA or Keogh
 - Foreign income
 - Earned income credit
 - Education Credit
 - Interest on tax free bonds
 - Supplemental Nutrition Assistance Program (SNAP, formerly food stamps)

The school shall resolve inconsistent application information for all applicants, in agreement with requirements of 34 C.F.R. Part 688.16(f).

- **DOCUMENTATION REQUIRED:** Student, spouse and/or parents (as applicable) are encouraged to use the IRS Data Retrieval tool when completing the FAFSA. For those selected for verification and were not able to use this tool, they are required to submit a copy of the IRS Income Tax Transcript. Signed income tax forms (IRS 1040, 1040A, or 1040EZ 1040Telefile and W-2 forms) are only allowed under special circumstances as determined by Financial Aid. Applicants shall complete the appropriate sections of the Verification Worksheet 2022-2023 and 2023-2024. There are two different worksheets: One for dependent students and one for independent students. Use the worksheets to update and for verification of data. Applicants shall follow the instructions in the Verification Worksheet. The school's financial aid officer may require/provide other appropriate forms.
- **TIME PERIOD FOR PROVIDING DOCUMENTATION:**
Applicants must provide the required documentation within 30 days from the start date.
- **APPLICANT RESPONSIBILITIES:** To be eligible to receive Title IV funds, we require applicants to provide requested information during the time period(s) specified in these policies. Applicants must certify that the following data items are correct as listed on the original application; or, if not correct, must update the data items, as of the date of verification:
 - * Number of family members in the household

* Number of family members in the household now enrolled as at least half-time students on postsecondary institutions.

* Change in dependency status.

Federal PELL Grant applicants whose dependency status changes during the Award Year must file a correction application. This process does not apply if the change occurs due to marriage.

Campus-based applicants whose dependency status changes during the Award Year must have their EFC recalculated. This process does not apply if the change occurs due to marriage. The applicant must repay any over award, or any award, discovered during verification, for which he/she was not eligible.

- **CONSEQUENCES OF FAILURE TO PROVIDE DOCUMENTING WITHIN THE SPECIFIED TIME PERIOD(S):** If the student cannot provide all required documentation, the school cannot complete the verification process within 30 days from the date of the request. The school must then advise applicants that they are not eligible for financial aid funds. The school then gives the applicants the following options:
 - The student may continue training on a cash payment basis.
 - The student may withdraw, and re-enroll at no additional charge. There will be no loss of credit earned, when the student provides all proof, and verification is complete.
 - The applicant must repay any over award or any award for which he/she was not eligible, discovered during verification.
- **INTERIM DISBURSEMENTS:** The school may not make any interim disbursements. The student must complete verification before disbursement of any Title IV funds.
- **NOTIFICATION OF RESULTS OF VERIFICATION:** The school shall notify the applicant of the results of the verification process within 30 days of the student's submission.
- **REFERRAL PROCEDURE:** The school shall forward to the Secretary of Education, referral of fraud cases.

Copyright Infringement Policy

Copyright Infringement - Summary of Civil and Criminal Penalties for Violation of Federal Copyright Laws.

Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement.

Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or “statutory” damages affixed at not less than 4750k and not more than \$30,000 per work infringed. For “willful” infringement, a court may award up to \$150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys’ fees. For details, see title 17, United States Code, Sections 504 and 505.

Willful copyright infringement can also result in criminal penalties including imprisonment of up to five years and fines of up to \$250,000 per offense. For more information, please see the website of the U.S. Copyright Office at www.copyright.gov.

Peer-to-Peer File Sharing

Peer-to-Peer (P2P) file sharing is a general term that describes software programs that allow computer users, utilizing compatible P2P software, to connect with each other and directly access digital files from one another’s hard drives. Many copyrighted works may be stored in digital form, such as software, movies, videos, photographs, etc. Through P2P file sharing it has become increasingly easy to store and transfer these copyrighted works to others, thus increasing the risk that users of P2P software and file-sharing technology will infringe the copyright protections of content owners.

If P2P file-sharing applications are installed on your computer, you may be sharing someone else’s copyrighted materials without realizing you are doing so. As a user of the college network, recognizing the legal requirements of the files that you may be sharing with others is important. You should be careful not to download and share copyrighted works with others. The transfer and distribution of these works without authorization of the copyright holder is illegal and prohibited.

Availability of Administrators for Information Dissemination Purposes

ATI College is required to designate an employee or group of employees to assist enrolled or prospective students in obtaining all of the information specified below. If the College has designated one person for an area of responsibility, that person shall be available, upon reasonable notice, to any enrolled or prospective student throughout the normal administrative working hours listed. If more than one person, often an entire office, is designated, their combined work schedules have been arranged so that at least one of them is available, upon reasonable notice, throughout the normal administrative working hours listed.

Availability of Employees for Information Dissemination Purposes:

Subject Matter	Telephone No.	Office	Office Hour	Email
Institutional and federal financial aid information	(562) 864-0506, Extension 105	Financial Aid	MON-FRI 8:30am – 5:30pm	fadirector@ati.edu
Employee Information	(562) 864-0506, Extension 104	Executive Director	MON-FRI 10 am - 7 pm	lisa@ati.edu
Accreditation, Approval and Licensure of Institution and Programs, VA Benefits	(562) 864-0506, Extension 104	Executive Director	MON-FRI 10 am - 7 pm	lisa@ati.edu
Students with Disability	(562) 864-0506, Extension 103	Student Services	MON-FRI 8:30am – 5:30pm	Julie@ati.edu

Campus Crime and Safety, Campus Safety and Security Information	(562) 864-0506, Extension 104	Executive Director	MON-FRI 10 am - 7 pm	lisa@ati.edu
Admissions/Readmissions	(562) 864-0506, Extension 103 (562) 864-0506, Extension 101	Student Services Admissions	MON-FRI 8:30am – 5:30pm	Francisco@ati.edu Jesse@ati.edu
Graduation/Retention Rates	(562) 864-0506, Extension 101 (562) 864-0506, Extension 104	Career Advising Executive Director	MON-FRI 8:30am – 5:30pm	Julie@ati.edu careerservices@ati.edu
International Students	(562) 864-0506, Extension 103	Student Services	MON-FRI 8:30am – 5:30pm	julie@ati.edu lisa@ati.edu

Entire office's, as indicated above, are designated for each item listed. Combined work schedules have been arranged so that at least one person is available, upon reasonable notice, throughout the normal administrative working hours listed.

Otherwise, inquiries should be directed to:

Dr. Lisa Jee
Executive Director
(562) 864-0506

Establishing, Maintaining, and Safeguarding of ATI College's Information Security Program

Students have a right to know that their information is being kept in a secure environment that meets State and Federal standards.

ATI College carefully protects all nonpublic personal information in our possession regarding students and their families. The College will not release nonpublic, private, personal, or financial information about our students or applicants to any third party, except as specifically provided in this policy. The school will release certain nonpublic personal information to federal and state agencies, government contractors, student loan providers/servicers, and other parties as necessary for the administration of the federal student aid programs, for enforcement purposes, for litigation, and for use in connection with audits or other investigations. Disclosure is permitted to law enforcement or emergency services agencies in the performance of their duties or when student safety or health may be in jeopardy. The College will not sell or otherwise make available personal information for marketing purposes to any third party at any time.

The College employs office procedures and password-protected computer systems to ensure the security of paper and electronic records. The College does not disclose specifics of its internal security procedures to students or the general public to protect the effectiveness of those procedures. Access to social security numbers and other Personally Identifiable Information (PII) is strictly limited to those School Officials with a need-to-know. Each personnel are responsible for enforcement of this policy with regard to the information within his/her office. The Executive Director will be responsible for overall control of information release and will resolve any disagreements and make final decisions as necessary in accordance with this Policy.

ATI College's information is an important asset that is critical to providing an effective and comprehensive learning environment, openly communicating ideas, providing outstanding community service, and supporting the college's operations. This information includes sensitive and personal student, faculty, and staff data as well as the college's operational data. To maintain effectiveness and protect individuals, the college's information assets must be protected from misuse, unavailability, destruction, and unauthorized disclosure or modification.

The executive leadership of ATI College is committed to protecting the value of the college's information assets. The Executive Director is charged with establishing and maintaining a program that preserves the confidentiality, integrity, and availability of information and information systems. This responsibility is addressed by:

- ^Continually assessing risks and defining appropriate protection strategies
- ^Complying with applicable legal and regulatory requirements
- ^Protecting the reputation, image and competitive advantage of the college
- ^Supporting College's strategic mission and goals
- ^Maintaining partnership with administrative units, faculty, and staff to ensure a collaborative approach to information security

The members of ATI College in its entirety are responsible for the safeguarding of its information assets. Any suspected information security breach or issue should be reported immediately to the Executive Director's attention.

TRANSFER CREDIT EVALUATION FORM

Submit in person to:
ATI College, Attention: Admissions Department
c/c: Program Director
15141 Whittier Blvd., Suite 420
Whittier, CA 90603
Monday – Friday, 9 am to 4 pm

Mail or Fax or Email to:
ATI College, Attention: Program Director
15141 Whittier Blvd., Suite 420
Whittier, CA 90603
Fax. (562) 864-7806
Email: info@ati.edu or lisa@ati.edu

Transfer of Credit Policy - Credit for courses taken at an accredited postsecondary institution may be accepted at ATI College if the following conditions are met:

1. An official transcript, or transcripts, accompanies the request which must be made prior to matriculation at the school.
2. All credits requested have been completed prior to matriculation. There is no accommodation for concurrent enrollment.
3. Students with degrees from international colleges and universities must submit an official translation of the transcript along with the request to transfer credits.
4. Students who have earned some postsecondary credits, but did not complete an academic associate's or bachelor's degree, may request transfer credit by submitting an official transcript along with the request.
5. If the student has a technical degree or has earned some credits from a technical postsecondary institution, credit may be granted on a course-by-course basis.

I. Process for Evaluation of Transfer Credit - Transfer credit must meet the expectations of the faculty and directors and must be appropriate to the program sought. Academic credit earned within ten (10) years prior to admission will be reviewed as to applicability to the present course of study. The Admissions reserves the right to require examinations or other proof of competence regardless of transfer credits listed on the student's records. It is not the policy of ATI College to impose redundant programs or requirements on any student. All transfer credits must be reviewed prior to the student's matriculation. Credits will not be accepted after the student has enrolled at the school.

II. Process for Establishing Equivalency of Transfer Credit - Transfer credit is accepted from postsecondary institutions authorized by appropriate legal authorities. Corporate or specialized training programs may be recognized as transfer credits as recommended by generally accepted national educational standards. Not all prior credit is applicable to credits earned at ATI College. Transfer credit must support the program. The designated Academic Affairs staff member will evaluate all transcripts and requests for credit to determine transfer credit acceptable to the school as meeting partial requirements for the program.

III. Administrative Position Responsible for Transfer Evaluation - The Program Director is the administrator ultimately responsible for the transfer evaluation, though the Program Director may delegate individual evaluations to faculty members or academic staff.

LEAVE OF ABSENCE (LOA) REQUEST

Occasionally, students may experience extended personal, medical or other problems, which make it difficult to attend classes. The institution may allow a student under such circumstances to take a Leave of Absence (LOA) from the program. LOA must be requested in writing by the student and must be approved by the student service personnel. Written request must include the start and end date of the leave of absence. Leaves of Absence may be granted for up to 180 days. Do not request a Leave of Absence unless you absolutely need to be off school for a period of more than 14 days but less than 180 days. Students will not be assessed additional tuition charges while on Leave of Absence. Students returning from LOA will not retain credit for clock hours and work projects finished in that specific module/course within the LOA duration. Students who fail to return from a LOA will be considered dismissed as of the last day of attendance.

Date this form is prepared & submitted

Student (first & last name)

Home Address

City

Zip

Home Phone

Work Phone and/or Email

For all students including Financial Aid recipients, LOA are limited to 180 days within a 12-month period. If a LOA is needed for longer than 180 days, students will be terminated from financial aid. The six-month grace period for direct loans will commence upon termination from aid. Time for approved leave of absence may be included in the calculation of a student's maximum program length. If a leave of absence commences before student completes the program of study, grade of "I" is recorded in student record.

Beginning Date of LOA (mm/dd/yyyy):

Returning Date from LOA (mm/dd/yyyy):

0 = none given 1 = medical 2 = need time for job 3 = personal (be specific)

Select appropriate reason(s) for the LOA request. Attach to this form any supportive documents.

Current Course

Current SAP Status

Number of credit hrs completed at the time student took LOA

Number of clock hrs completed at the time student took LOA

Based on the above circumstances, I request this leave of absence.

Date

NOTE: school will contact you if we are unable to process your request due to your failure to comply with one or more of the school policies & or procedures as listed in the school catalog. Decision will be sent to your address listed above within 10 business days. You may contact the Student Services at (562) 864-0506 with any questions.

Determination of Withdrawal from School: The date the student failed to return as scheduled from an approved leave of absence. If you do not return on a specified return date written on this Leave of Absence form, you will be dropped from the program.

At an institution required to take attendance, the withdrawal date for a student who does not return from a leave of absence is the student's last day of attendance. ATI College will determine that a student withdrew no later than 14 days from when the student was supposed to return from a leave of absence but did not. For example, if a student's last date of attendance is Jan. 30th but then takes a leave of absence until March 30th but then does not return from the leave of absence, ATI College would determine that the student withdrew no later than April 14th and the withdrawal date would be January 30.

ACADEMIC TRANSCRIPT REQUEST

Select one: ☐ Official Transcript

☐ Unofficial Transcript

To request an official transcript of all courses you have previously registered with ATI COLLEGE, please complete (include your signature) and return this form to ATI COLLEGE, Attention: Student Service Department / Transcripts at **15141 Whittier Blvd., Suite 420, Whittier, CA 90603**. If paying by credit card, you may fax this form to (562) 864-7806. Otherwise, please include a check or a money order payable to the ATI COLLEGE and send to the above address. The cost for each official transcript is \$10.00 for the current students and \$20 for all other students (i.e., graduates, cancelled, terminated, dropped, transferred).

Note: Most colleges and universities prefer an original transcript to be mailed directly to them. Please include a contact name or department when requesting transcripts to be sent directly to an educational institution. If you would like the transcript sent directly to you, please indicate below. Please allow 5 to 10 working days to process your transcript. A fee for rush and priority mail express (domestic) is \$100.

STUDENT INFORMATION UPDATE FORM

It is student's responsibility to notify the Admissions Department should his/her address, phone number, or any changes are made to their contact information. It is very important that such necessary changes are made to the school database as a student relocates his/her residence and/or work. No particular form is required when submitting these changes to the Admissions Department. However, Student Information Update Form is recommended.

Note: Please allow 3 to 5 working days to update your information in school database.

**STUDENT BACKGROUND & MEDICAL DISCLOSURE FOR STUDENTS ENROLLING IN ATI COLLEGE –
MEDICAL/ALLIED HEALTH PROGRAMS**

Name: _____ Admissions Advisor: _____

Start Date: _____ Program: _____

STUDENT BACKGROUND

Most companies that hire our externs and graduates conduct detailed background checks before hiring applicants. The questions below are common part of these background checks. This information will not be used in making admissions decisions, to retract admissions offers or any other means that may affect your enrollment or education at ATI College. This form is used by the College to advise prospective students about their prospect extern-sites and/or for employment upon completion of study, in light of this background check which may be conducted by some employers seeking to hire ATI students/graduates. The final decision about whether to enroll is up to applicants.

We expect honest answers from all applicants at all times. Providing inaccurate or incomplete information on this form may result in cancellation of student enrollment.

1. Have you had any driving violations in the past five years? ☐ Yes ☐ No (If answered Yes, please proceed; if No, skip to question 2 then proceed)

What kind of violation(s) have you had?

☐ Speeding – how many?

Date of last infraction:

☐ DUI/DWAI – how many?

Date of last infraction:

☐ Driver's License Suspension

Date of reinstatement:

(You must satisfy outstanding citations prior to starting school. Outstanding citations from any states can cause you to have a pending bench warrant that can lead to revoke of driver's license. Driver's license may be required to obtain employment)

2. Have you ever been convicted of a crime? ☐ Yes ☐ No (If yes, please proceeds; if No, please skip to Question #7)

3. If Yes, did your conviction occur within the last ten years? ☐ Yes ☐ No

4. Have you ever served probation? ☐ Yes ☐ No

Dates served:

☐ misdemeanor ☐ felony for crime convicted on date:

5. Have you ever been convicted of a sex offense? ☐ Yes ☐ No

6. Have you served a term of incarceration?

☐ Yes ☐ No

Dates served:

Description of sentence:

MILITARY

7. Were you discharged from the U.S. military under any condition other than Honorable? ☐ Yes ☐ No

If Yes, state type of discharge:

MEDICAL

8. Do you have hepatitis? ☐ Yes ☐ No

9. Have you been tested positive for hepatitis? ☐ Yes ☐ No

10. Have you been tested positive for tuberculosis? ☐ Yes ☐ No

11. Have you been test positive for HIV? ☐ Yes ☐ No

12. Do you have permanent physical disability(ies) which may prevent you from gaining a full-time work? ☐ Yes ☐ No

If Yes, please briefly explain condition of disability(ies):

DISCLAIMER OF EMPLOYMENT GUARANTEE

While the school offers Placement Assistance, the school cannot, in anyway, guarantee employment after the student has successfully completed the program of study.

You are required to read then initial the following statement:

I understand that depending upon my background and medical information as provided above, ATI College is limited in its ability to assist me with externship and/or employment during and after completion of my study. Applicants who have been convicted of a felony, violent and/or drug related crime and adverse medical history are strongly discouraged from enrolling in programs offered by ATI College medical/allied health department (programs including but not limited followings: ultrasound technology, medical assisting/billing, echocardiography). _____

(Student initial)

I have read and understood the contents of ***Student Background & Medical Disclosure for Students Enrolling in the ATI Medical/Allied Health Programs.***
