STUDENT GRIEVANCE POLICY

Student complaints will be addressed via the processes set forth below.

Informal Procedure

It is hoped that all student grievances may be resolved quickly and on an informal basis utilizing the school's chain of command through the following procedures:

1. The student should first discuss the complaint with his or her immediate instructor and/or other staff member as deemed appropriate. The selected staff member will then work to resolve the complaint, or refer it to the School President for resolution as deemed appropriate.
2. If the complaint remains unresolved, the student may then discuss the complaint with the School President for resolution.
3. If the circumstances of the complaint prevent using steps 1 or 2, or if the complaint cannot be resolved within five (5) working days, the student may then proceed to file a formal complaint with the School President.

Formal Procedure

The student shall complete and sign a Complaint Form provided by the school. Forms are also available in the school Administrative Office. Upon receipt of the completed form, the Administrative Office will forward a copy of the complaint to the President and to the individual against which the complaint is made, and will advise the student that an investigation and discussion will begin within seven (7) days of receipt of filing the complaint. The President will attempt to resolve the complaint by discussing matters with all persons who are parties to the complaint. A decision will be made within 14 days of filing the complaint. In the event the complaint is resolved to the satisfaction of all parties, a memorandum stating resolution of the conflict will be sent to all parties and filed in school's complaint log.

In the event the complaint is not resolved by the President/CEO, the student can direct the complaint to the following agencies:

RECORD RETENTION

Current student records are maintained and safeguarded against loss or damage in indexed electronically identifiable file server, and locked, fire-resistant filing cabinets. All institutional records are maintained in accordance with state and federal law, for a minimum period not less than six years. In addition to permanently retaining a transcript as required by section 94900(b) of the Code, the institution will maintain and safeguard against loss or damage (in indexed electronically identifiable file server, and/or locked fire-resistant filing cabinets) records of the name, address, email address, and telephone number of each student who is/was enrolled in an educational program, for a period of six years from the student's date of completion or withdrawal. Permanent records include of all of the following:

- The certificate and the date on which that certificate was granted.
- The courses and units on which the certificate was based.
- The grades earned by the student in each of those courses.

ORIENTATION

Orientation is mandatory. On or before the first day of classes, the student will have physically visited and toured the school facilities.

ATTENDANCE POLICY

Attendance is measured in clock hours and student attendance in all scheduled activities is expected in order to meet graduation requirements. The following policies and procedures must be followed to ensure clock hours are accurately documented.

Clock Hours

Clock hours are the total number of actual hours per week a student spends attending class or other instructional activities that count toward completing a program of study. A clock hour is a period of time consisting of a 50 to 60-minute class, lecture, or recitation in a 60-minute period.

Time Card

Each student is required to maintain an individual time card. The time card is a way for the staff and students to maintain and track an individual's clock hours, theory hours, and practical operations. Minimum requirements in each category must be met before graduation. Student Daily Records are the property of RBS and are to remain on campus. Students are required to "clock in and out" upon arrival, at lunchtime and departure time, utilizing a biometric (finger scanning) time clock or their contactless proximity card.

Lunch (Day Students)

Students who attend class for over a six (6) hour period are required to take a thirty-minute lunch break. Students are allotted a thirty-minute lunch period to be taken between 12:30 p.m. and 1:00 p.m. Students must notify the instructor and reception desk if they deviate from their scheduled thirty minute lunch, i.e. later or earlier than scheduled, or extended beyond thirty minutes. Failure to clock out or back in from lunch could result in loss of attendance hours for that period. Repeated instances of failure to clock out for lunch may result in a written counseling form, suspension and/or requirement to meet with the school President.

Breaks

Students are allowed up to two 10-minute breaks per class day.

Unexcused Absences

Because credit is calculated by the clock hour, all absences and/or tardiness are considered unexcused. Excessive absences and/or tardiness may result in disciplinary action (see Satisfactory Academic Progress Policy). Students should notify the Administrative Office, supervising instructor, and receptionist of expected absences in advance by completing an electronic Courtesy Form at the reception desk. In the event of an unexpected absence (i.e. illness, emergency), students should call the front desk as soon as possible.

Makeup Hours

Students who miss scheduled school hours due to absence or tardiness are encouraged to attend the scheduled Make Up Hours (not offered on Holidays) to make up missed hours. Making up hours is optional, but students must meet minimum attendance requirements in order to graduate.

Tardies

In order to prevent disruption of ongoing classes, students must arrive and clock in on time. Class starts promptly at 8:30 a.m. for day programs, and 5:00 p.m. for evening programs. No student is permitted to clock in and enter classes while they are in session.

Makeup Work

If a student is absent on test day a grade of zero or “F” will be issued for that test. The student can makeup the missed test. The test must be made up the next available date the student attends school. If student fails to make up test on the next available day, then the zero will be the final grade. If a student takes a test (first time, not makeup) and receives a grade below 70%, the student can retake if they so choose. The student must retake the test the next available day at the institution. Students who miss a test due to an approved Leave of Absence (LOA) or suspension will not receive an initial grade of zero or “F” but must make up the test upon return from the LOA. The school will work with the student to come up with an education plan to take the missed tests within a timely manner.

GRADUATION REQUIREMENTS

All students are required to complete the program and all graduation requirements of the program in order to be considered a completer for purposes of outcomes assessment. When a student has completed the required clock hours, theory hours, and practical operations for his/her course of study with a 70% attendance and 70% cumulative grade average, the student is awarded a diploma certifying his or her graduation.

RBS assists the students in completing the necessary documents to file for the appropriate California State Barbering and Cosmetology Examination. A diploma and Proof of Training document will not be issued to the student until all tuition and fees are paid in full. RBS must provide Proof of Training documents to the State Board prior to the student taking the test. RBS assists students in completing the California Massage Therapy certification applications once students have graduated.

TERMINATION

Any student absent more than a 14 consecutive calendar day period without being on an approved leave of absence (LOA) or other official non-attending status will be subject to withdrawal from RBS. Unofficial withdrawals for clock hour students are determined by the institution through monitoring clock hour attendance daily. Formal termination also may occur in cases where a student fails to return from an official leave of absence. When a student does not return from a leave of absence and does not notify the institution that he or she has mitigating or extenuating circumstances, the withdrawal date would be the student’s last day of attendance, and all refunds will be due 45 days from the determination date. The school’s determination date would be the earlier date of expiration of the LOA or the date the student notifies the institution that he or she will not be returning from the LOA, whichever is earlier. In addition, any student who fails to maintain satisfactory academic progress or fails to abide by the institution’s policies and rules and regulations is subject to termination of enrollment.

NOTE: RBS does not charge a termination fee.

CONDUCT POLICY

Rosemead Beauty School is committed to providing a quality environment free of unlawful harassment, discrimination, and unprofessional conduct. Good conduct is expected of all students. Students must be in compliance with all school rules and regulations and follow the directions and instructions of staff. RBS does not tolerate unprofessional behavior. Such behavior

includes conduct that is unbecoming, discriminating, harassing, rude, vulgar, profane, disrespectful, inappropriate or of a sexual nature. Actions such as academic dishonesty, time clock fraud, refusal of clinic work, cheating, stealing, disruptive pranks, threatening or bringing drugs, alcohol or weapons onto school property, are not tolerated. Students should use their best judgment in posting material on social media. It is against the institution's policy to post videos or pictures of the students or staff without prior consent of the individuals in the video/picture. If RBS becomes aware of social media content that creates a negative reflection on the institution, its students, alumni or staff, disciplinary action will be taken up to and including dismissal. In short, unacceptable behavior, (including complicity or attempts made) which disrupts the educational process and creates a negative reflection on the RBS' reputation or breaches the peace or welfare of the school could result in suspension and discipline up to and including dismissal.

SATISFACTORY ACADEMIC PROGRESS (SAP) POLICY

The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at RBS.

STANDARDS: To maintain Satisfactory Academic Progress (SAP) as established by this institution students must:

1. Maintain a cumulative academic grade point average (GPA) of “C” (70%) or better at the end of each of the evaluation period. GPA includes grades obtained in exams for theory classes and practical grades obtained on hands on practical exams.
2. Maintain a cumulative average attendance level of at least two-thirds (2/3) of the scheduled hours indicated on their enrollment contract at the end of each of the evaluation period.
3. Complete the course within a maximum time frame of one and one-half (1 ½) times the length of the course as stated in the enrollment agreement. For example, if the student has contracted to complete the course within 44 weeks (including grace time for absences), he or she must complete within 66 weeks.
4. Students meeting the minimum requirements for attendance and academic progress at any evaluation point will be considered to be making satisfactory progress until the next evaluation.
5. Students are given monthly progress reports, which show their academic, and attendance percentage. If students’ academic and attendance percentage are 70% or higher, they are maintaining satisfactory academic progress.

Maximum time frame for course attendance

The maximum time (which does not exceed 150% of the course length) allowed for students to complete each course at satisfactory progress is stated below:

Program Name	Hours	Program Length	Max Time Frame
Cosmetology			
30 hrs. weekly	1600	56 calendar weeks	84 calendar weeks
Nail Care			
40 hrs. weekly	400	10 calendar weeks	15 calendar weeks
Skin Care			

40 hrs. weekly	600	15 calendar weeks	23 calendar weeks
Massage Therapy II			
40 hrs. weekly	600	15 calendar weeks	23 calendar weeks
28 hrs. weekly	600	22 calendar weeks	33 calendar weeks

Attendance Evaluation

The minimum satisfactory attendance progress is determined by the following criteria:

Satisfactory attendance progress is evaluated at the end of the student's 450, 900, and 1250 actual hours for Cosmetology; for Nail Care, satisfactory attendance progress is evaluated at 200 and 400 actual hours; Skin Care satisfactory progress is evaluated at the end of the student's 300 and 600 actual hours; and Massage Therapy II satisfactory progress is evaluated at the end of the student's 300 and 600 actual hours. These evaluations occur before and after the midpoint of each course. If the student is meeting the minimum requirements, he/she is considered making satisfactory progress until the next scheduled evaluation.

Academic Points in Grading System

Qualitative academic progress is measured by a grading system scale as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as "C" or better. If the performance does not meet satisfactory requirements, it is not counted, and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of at least 70% and must pass a final written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

Grading	Letter	Description	Grade Point
90-100%	A	Excellent	4.00
80-89%	B	Above Average	3.00
70-79%	C	Average	2.00
60-69%	D	Below average	1.00
59% or below	F	Fail	0.00

Satisfactory Academic Progress requires a minimum passing score of 70%.

Academic Evaluation Periods

The Satisfactory Academic Progress Evaluation for Cosmetology is scheduled at the end of the 450, 900, 1200 actual clock hours, for Nail Care it is scheduled at 200 actual clock hours, Skin Care and Massage Therapy II is scheduled at the end of 300 actual clock hours which falls before and after the midpoint of each course. Students meeting the minimum requirements for academics and attendance at evaluation are making satisfactory progress until the next

scheduled evaluation. All evaluations are completed within (7) business days following the established evaluation points.

Determination of Progress Status

Students meeting the minimum grade and attendance requirements at the evaluation point are making satisfactory academic progress until the next scheduled evaluation.

Probation Period

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who can meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and will be dismissed.

Re-Entry

Students previously withdrawn, who wish to reenroll must first submit a request for reenrollment. They must then meet with a school official to discuss the possibility of reenrolling. It is only with the approval of the school official that a student will be allowed to reenroll. Based on the student's prior academic history and the length of time that has elapsed since withdrawal, the school official will determine if the student will be accepted for reenrollment. Students who reenter will reenter under the new Satisfactory Academic Progress status. If a student has been out of school for more than 60 months, the student may be required to retake the full program over. Students who withdraw prior to completion of the course and wish to re-enroll within 180 calendar days of the original official withdrawal date will return in the same satisfactory academic progress status as at the time of withdrawal.

Re-Establishing Satisfactory Academic Progress

Students can re-establish satisfactory academic progress by working with the institution to develop an academic or attendance plan so that at the next evaluation period, student will have achieved satisfactory academic progress. This plan may include how students can make up hours.

LEAVE OF ABSENCE POLICY

Occasionally, students may experience extended personal, medical, or other problems, which make it difficult to attend classes. The school may allow a student under such circumstances to take a Leave of Absence (LOA) from the program. Documentation to support the reason for the LOA is required for all Leave of Absence requests.

Requests for LOA must be submitted in advance in writing, including the reason for the student's request and include the student's signature. A LOA can only be granted if there is reasonable expectation that the student will return from the LOA. Students must apply in advance for a LOA unless unforeseen circumstances prevent the student from doing so. Rosemead Beauty School may grant a LOA to a student who did not provide the request prior to the LOA when unforeseen circumstances make advance LOA requests impossible. Rosemead Beauty School will document the reason for its decision and collect the request from the student later. In all cases, a LOA addendum will be provided for a student's signature upon the student's return with the new program end date.

The written request must include the starting and ending date of leave of absence. Leaves of Absence may be granted for up to 180 days. Under no circumstances can the school grant more than a single (1) LOA within each 12-month period of enrollment. Students will not be assessed additional tuition charges while on an approved leave of absence. A student granted a LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at this time. The School will determine the start date of the approved LOA as the first date the student was unable to attend. Students returning from an authorized LOA will retain all credit for clock hours and work projects completed and will resume classes where they left off before their Leave to the academic and attendance progress status they held. Students who fail to return from a LOA by their expected return date will be dismissed. In this case, the date of determine for students who fail to return from a LOA will be the day the student is due to return. The refund is calculated is up through the last date of attendance. The Date of Determination is the date the date the student was due to return. Leave of Absence extends contract period and maximum time frame by same number of days taken in LOA. Changes to the contract period on the enrollment agreement must be initialed by all parties or an addendum must be signed and dated by all parties. Approval of the student's request for a LOA is in accordance with Rosemead Beauty School's policy.

If enrollment is temporarily interrupted for a leave of absence, the student will return to school in the same progress status as prior to the leave. Hours elapsed during a leave of absence will extend the student's contract period by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation.

RBS does not provide financial aid nor does RBS participate in any Preferred Lender Arrangement (PLA) with a lender of private education loans. RBS currently does not have available sponsored programs, government or otherwise, to provide grants or to pay for portions of tuition and fees. RBS does **not** participate in financial aid programs such as: the Federal Pell Grant, and Federal Direct Loan Programs. If a student obtains a loan to pay for an educational program, the student will have to repay the full amount of the loan plus interest, less the amount of any refund, and that, if the student receives federal student financial aid funds, the student is entitled to a refund of the moneys not paid from federal financial aid funds.

Payment Plans

RBS does not offer payment plans.

STATE OF CALIFORNIA STUDENT TUITION RECOVERY FUND (STRF)

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 N. Market Blvd. Ste 225 Sacramento, CA 95834; P.O. Box 980818, West Sacramento, CA 95798-0818. Web site Address: www.bppe.ca.gov; Telephone and Fax #'s: (888) 370-7589 or by fax (916) 263-1897; (916) 574-8900 or by fax (916) 263-1897.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teachout plan approved by the Bureau or did not complete a chosen teachout plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.

7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

The Bureau may conduct an investigation to verify whether to grant or deny a claim, and may request any additional information or supporting documentation.

CANCELLATION, WITHDRAWAL AND REFUND POLICY

Student's Right to Cancel

Students have the right to cancel their enrollment agreement for a course of instruction, without any penalty or obligation, through attendance at the first class session, or the seventh calendar day after enrollment, whichever is later. Notice of cancellation shall be in writing and may be made by mail, email or hand delivery. The written notice of cancellation, if sent by mail, is effective when deposited in the mail, properly addressed and postage paid.

Withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited, to a student's lack of attendance. You will be given a notice of cancellation form on or before the first day of class, but you can use any written notice that you wish.

If RBS has given the student any equipment, including books or other materials, the equipment shall be returned to the school within 10 days following the date of the notice of cancellation. If the equipment is not returned—including books or other materials—in good condition (re-issuable as new) within the 10 day period, RBS may deduct the documented cost of the equipment from any refund that may be due to the student. Once the equipment is paid for, it is the students to keep without further obligation. If the student cancels his or her Enrollment Agreement, RBS will refund any money that was paid, less a nonrefundable registration fee not to exceed \$250.00 and any deduction for equipment not timely returned in good condition (re-issuable as new), within 45 days after the notice of cancellation is received.

Withdrawal Date

A student's withdrawal date is the date of a student's last physical date of attendance as recorded in the institutional records. Refunds calculated for purposes of the Institutional Refund Policy are based on a student's withdrawal date.

Determination of Withdrawal Date

The school will review its attendance reports weekly and decide within 14 days of absence, if the student will be returning to school or not. This will be the date of the institutional determination of withdraw from school for purposes of making institutional refunds.

Determination of Withdrawal from School

The withdrawal date shall be the last date of recorded attendance. The student would be determined to have withdrawn from school on the earliest of:

- The date the student notifies the School Director of intent to withdraw.
- The date the school terminates the student's enrollment due to academic failure or for violation of its rules and policies stated in the catalog.
- The date the student fails to attend classes for 14 consecutive class days and fails to inform the school of withdrawing.
- A student on an approved leave of absence notifies the school that he/she will not be returning. The date of withdrawal determination shall be the earlier of the scheduled date of return from the leave of absence or the date the student notifies the institution that the student will not be returning.

If a student is absent for three consecutive weeks and are not on an approved leave of absence, he/she will be deemed unofficially withdrawn.

The date the student fails to return as scheduled from an approved leave of absence is the withdrawal date and shall be charged up through the last date of recorded attendance. The date of the determination of withdrawal will be the scheduled date of return from LOA.

Institutional Refund Policy

Students may withdraw from a course of instruction at any time. If the student withdraws from the course of instruction after the cancellation period, the institution provides a pro rata refund of tuition charges to students who have completed 60 percent or less of the period of attendance. Once more than 60 percent of the enrollment period in the entire course has elapsed, there will be no refund due to the student. Refunds shall be the amount paid for instruction multiplied by a fraction, the numerator of which is the number of hours of instruction which was not received but for which was paid, and the denominator of which is the total number of hours of instruction which has been paid. An applicant who is not accepted by the institution is entitled to a refund of all monies except a nonrefundable application fee not to exceed \$250.00.

Equipment

If the school has given you any returnable unused equipment, including books or other materials, you shall return it to the school within 30 days following the date of your notice of cancellation. If you fail to return this equipment, including books or other materials, in good condition within the 30-day period, the school may deduct its documented cost from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation. Beauty supplies and equipment are not returnable items due to sanitary reasons. Therefore, once you have received any beauty equipment, its cost is charged to your account. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and equipment received. PLEASE NOTE: Manicure kits are not returnable, once students have opened the received and opened the seal on the kit.

Refunds

Any refund due after application of the institutional refund policy will be made as soon as possible but not later than 45 days from the determination of date of withdrawal.

COPYRIGHT INFRINGEMENT AND CIVIL LIABILITIES

Misuse of copyrighted materials is prohibited. Students may face jail, or fines up to \$250,000.00, or both under the civil or criminal court system. Students are strictly prohibited to use any of the institutional equipment to copy, download, or distribute any copyrighted material. Unauthorized use of the institutional equipment may be grounds for disciplinary action by RBS up to and including dismissal from school.
