STUDENT'S RIGHT TO CANCEL

SCHOOL WITHDRAWAL POLICY / BUYER'S RIGHT TO CANCEL

A student has the right to cancel the enrollment agreement without any penalty or obligations, through attendance at the first class session, or the seventh calendar day after enrollment, which ever is later. Cancellation occurs when you give written notice of cancellation at the School address shown on the front page of the enrollment agreement. You can do this by mail or in person, to the Campus President of the school. A notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed with postage prepaid. This notice need not take any particular form; it needs only to state you wish to cancel the agreement. You will be given two Notice of Cancellation forms on the first day of class. All monies paid by an applicant will be refunded if requested within three days after signing an enrollment agreement and making an initial payment. An applicant requesting cancellation more than three days after signing an enrollment agreement and making an initial payment, but prior to entering the school, is entitled to a refund of all monies paid minus a registration fee of 15% of the contract price of the program, but in no event may the school retain more than $150, within 45 days after your notice is received.

1. After the end of the cancellation period, you also have the right to stop school at any time and you have the right to receive a refund for the part of the course not taken. Your refund rights are described in the contract. If you have lost your copy of the contract, ask the school for a description of the refund policy.
2. If the school closes before you graduate, you may be entitled to a refund. Contact the Bureau for Private Postsecondary Education at the address printed below for information.

STUDENT'S RIGHT TO CANCEL

SCHOOL WITHDRAWAL POLICY / BUYER'S RIGHT TO CANCEL

A student has the right to cancel the enrollment agreement without any penalty or obligations, through attendance at the first class session, or the seventh calendar day after enrollment, which ever is later. Cancellation occurs when you give written notice of cancellation at the School address shown on the front page of the enrollment agreement. You can do this by mail or in person, to the Campus President of the school. A notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed with postage prepaid. This notice need not take any particular form; it needs only to state you wish to cancel the agreement. You will be given two Notice of Cancellation forms on the first day of class. All monies paid by an applicant will be refunded if requested within three days after signing an enrollment agreement and making an initial payment. An applicant requesting cancellation more than three days after signing an enrollment agreement and making an initial payment, but prior to entering the school, is entitled to a refund of all monies paid minus a registration fee of 15% of the contract price of the program, but in no event may the school retain more than $150, within 45 days after your notice is received.

1. After the end of the cancellation period, you also have the right to stop school at any time and you have the right to receive a refund for the part of the course not taken. Your refund rights are described in the contract. If you have lost your copy of the contract, ask the school for a description of the refund policy.

STUDENT'S RIGHT TO CANCEL

SCHOOL WITHDRAWAL POLICY / BUYER'S RIGHT TO CANCEL

A student has the right to cancel the enrollment agreement without any penalty or obligations, through attendance at the first class session, or the seventh calendar day after enrollment, which ever is later. Cancellation occurs when you give written notice of cancellation at the School address shown on the front page of the enrollment agreement. You can do this by mail or in person, to the Campus President of the school. A notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed with postage prepaid. This notice need not take any particular form; it needs only to state you wish to cancel the agreement. You will be given two Notice of Cancellation forms on the first day of class. All monies paid by an applicant will be refunded if requested within three days after signing an enrollment agreement and making an initial payment. An applicant requesting cancellation more than three days after signing an enrollment agreement and making an initial payment, but prior to entering the school, is entitled to a refund of all monies paid minus a registration fee of 15% of the contract price of the program, but in no event may the school retain more than $150, within 45 days after your notice is received.

1. After the end of the cancellation period, you also have the right to stop school at any time and you have the right to receive a refund for the part of the course not taken. Your refund rights are described in the contract. If you have lost your copy of the contract, ask the school for a description of the refund policy.
2. If the school closes before you graduate, you may be entitled to a refund. Contact the Bureau for Private Postsecondary Education at the address printed below for information.

SCHOOL WITHDRAWAL POLICY / BUYER'S RIGHT TO CANCEL

A student has the right to cancel the enrollment agreement without any penalty or obligations, through attendance at the first class session, or the seventh calendar day after enrollment, which ever is later. Cancellation occurs when you give written notice of cancellation at the School address shown on the front page of the enrollment agreement. You can do this by mail or in person, to the Campus President of the school. A notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed with postage prepaid. This notice need not take any particular form; it needs only to state you wish to cancel the agreement. You will be given two Notice of Cancellation forms on the first day of class. All monies paid by an applicant will be refunded if requested within three days after signing an enrollment agreement and making an initial payment. An applicant requesting cancellation more than three days after signing an enrollment agreement and making an initial payment, but prior to entering the school, is entitled to a refund of all monies paid minus a registration fee of 15% of the contract price of the program, but in no event may the school retain more than $150, within 45 days after your notice is received.

1. After the end of the cancellation period, you also have the right to stop school at any time and you have the right to receive a refund for the part of the course not taken. Your refund rights are described in the contract. If you have lost your copy of the contract, ask the school for a description of the refund policy.
2. If the school closes before you graduate, you may be entitled to a refund. Contact the Bureau for Private Postsecondary Education at the address printed below for information.
