#### STUDENT'S RIGHT TO CANCEL

**Cancellation of Agreement**: Per the State of California, You have the right to cancel this agreement for a course of instruction including any equipment such as books, materials and supplies or any other goods related to the instruction offered in this Agreement, the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. Cancellation shall occur when a notice of cancellation shall be in writing and a withdrawal may be effectuated by the student's written notice or by the student's conduct, including but not necessarily limited to a student's lack of attendance. You can do this by mail, hand delivery, or telegram. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. Mail notice to the school's address attention School Director. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this Agreement. You will be given two notice of cancellation forms to use at/or before the first day of class, but you can use any form that you wish. The school will consider a no show/student that never starts training or a rejection of an enrolled student, as a school cancellation: subject to all conditions listed in this policy. If the School has given you any equipment, including books or other materials, you shall return it to the School within 10 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in good condition within the 10-day period, the School may deduct its documented cost for the equipment from any refund that maybe due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the School will refund any money that you paid, less any deduction for equipment not timely returned in good condition, within 45 days after your notice of cancellation is received or determined last date or attendance.

<u>Withdrawal from Course</u>: You have the right to withdraw from a course of instruction any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later, the School will remit a refund less a registration fee, if applicable, not to exceed \$150.00 within 45 days following your withdrawal. You are obligated to pay only for educational services rendered and for unreturned equipment. All refunds will be made within 45 days from the date of cancellation or withdrawal (as described above). If Student does not return from an approved Leave of Absence period as stated in School Catalog, (however, such a leave of absence may never exceed 60 calendar days for regular leave or 100 calendar days for a verified medical reason), <u>Note: leave of absences may be limited to 180 days</u> <u>Accumulated in a calendar vear.</u>

Refunds will be made within 45 days from the end of the approved Leave of Absence period. Within 45 days of any refund the Student will receive a NOTICE OF REFUND stating the amount of the refund & to whom the refund was made.

<u>Refund</u>: You are obligated to pay only for educational services rendered and for unreturned equipment. The refund for up to 60% of scheduled course completion shall be the amount you paid for instruction multiplied by fraction, the numerator of which is the number of hours of instruction which you <u>have not received</u> but for which you have paid, and the denominator of which is the total number of hours of instruction for which you have paid. NOTE: Full tuition is 100 percent earned after 60% of scheduled course completion or for each Period of Enrollment. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys NOT paid from federal student financial aid program funds. If you obtain equipment, as specified in the agreement as a separate charge, and return it in good condition within 10 days following the date of your withdrawal, the school shall refund the charge for the equipment paid by you. If you fail to return the equipment in good condition, allowing for reasonable wear and tear, within this 10-day period, the school may offset against the refund the documented cost for that equipment. You shall be liable for the amount, if any, by which the document cost for equipment exceeds the prorated refund amount. The documented cost of the equipment may be less than the amount charged, and the amount the school has charged in the contract. In any event, you will never be charged for more than the equipment charges stated in the contract.

# IF THE AMOUNT THAT YOU HAVE PAID IS MORE THAN THE AMOUNT THAT YOU OWE FOR THE TIME YOU ATTENDED, THEN A REFUND WILL BE MADE WITHIN 45 DAYS OF WITHDRAWAL. IF THE AMOUNT THAT YOU OWE IS MORE THAN THE AMOUNT THAT YOU HAVE ALREADY PAID, THEN YOU WILL HAVE TO MAKE ARRANGEMENTS TO PAY IT.

Refund Example: Hypothetical Refund Example: Assume a student, upon enrollment in a 650 course, pays \$3700.00 for tuition, \$150.00 for registration, and \$150.00, documented cost to School, for equipment as specified in the agreement and withdraws after completing 200 hours without returning the equipment he/she obtained. The Pro-Rata Refund to the Student would be \$1042.31based on the calculation stated below. If the student returns the equipment in good condition within 10 days following his/her withdrawal, the School shall refund the charge of equipment paid by the student.

200 clock hours of instruction of 650 clock hours for the course enrolled Tuition \$3,700.00 + Registration \$150.00 + Equipment/books \$150.00 = Total paid \$4,000.00

Calculate...

Total tuition \$3,700.00 / 650 = \$5.70 p/instructional hour | Total hours of completed instruction 200, cost of instruction received

\$1,140.00

Total paid \$4,000.00 – All applicable deductions \$1,440.00 = Expected refund \$2,560.00

Tuition / by total course hours = \$X.XX. Then average tuition hour rate X Hours completed, minus deductions

#### STUDENT'S RIGHT TO CANCEL

**Cancellation of Agreement**: Per the State of California, You have the right to cancel this agreement for a course of instruction including any equipment such as books, materials and supplies or any other goods related to the instruction offered in this Agreement, the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. Cancellation shall occur when a notice of cancellation shall be in writing and a withdrawal may be effectuated by the student's written notice or by the student's conduct, including but not necessarily limited to a student's lack of attendance. You can do this by mail, hand delivery, or telegram. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. Mail notice to the school's address attention School Director. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this Agreement. You will be given two notice of cancellation forms to use at/or before the first day of class, but you can use any form that you wish. The school will consider a no show/student that never starts training or a rejection of an enrolled student, as a school cancellation: subject to all conditions listed in this policy. If the School has given you any equipment, including books or other materials, you shall return it to the School within 10 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in good condition within the 10-day period, the School may deduct its documented cost for the equipment from any refund that maybe due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the School will refund any money that you paid, less any deduction for equipment not timely returned in good condition, within 45 days after your notice of cancellation is received or determined last date or attendance.

<u>Withdrawal from Course</u>: You have the right to withdraw from a course of instruction any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later, the School will remit a refund less a registration fee, if applicable, not to exceed \$150.00 within 45 days following your withdrawal. You are obligated to pay only for educational services rendered and for unreturned equipment. All refunds will be made within 45 days from the date of cancellation or withdrawal (as described above). If Student does not return from an approved Leave of Absence period as stated in School Catalog, (however, such a leave of absence may never exceed 60 calendar days for regular leave or 100 calendar days for a verified medical reason), <u>Note: leave of absences may be limited to 180 days</u> <u>Accumulated in a calendar vear.</u>

Refunds will be made within 45 days from the end of the approved Leave of Absence period. Within 45 days of any refund the Student will receive a NOTICE OF REFUND stating the amount of the refund & to whom the refund was made.

<u>Refund</u>: You are obligated to pay only for educational services rendered and for unreturned equipment. The refund for up to 60% of scheduled course completion shall be the amount you paid for instruction multiplied by fraction, the numerator of which is the number of hours of instruction which you <u>have not received</u> but for which you have paid, and the denominator of which is the total number of hours of instruction for which you have paid. NOTE: Full tuition is 100 percent earned after 60% of scheduled course completion or for each Period of Enrollment. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys NOT paid from federal student financial aid program funds. If you obtain equipment, as specified in the agreement as a separate charge, and return it in good condition within 10 days following the date of your withdrawal, the school shall refund the charge for the equipment paid by you. If you fail to return the equipment in good condition, allowing for reasonable wear and tear, within this 10-day period, the school may offset against the refund the documented cost for that equipment. You shall be liable for the amount, if any, by which the document cost for equipment exceeds the prorated refund amount. The documented cost of the equipment may be less than the amount charged, and the amount the school has charged in the contract. In any event, you will never be charged for more than the equipment charges stated in the contract.

## IF THE AMOUNT THAT YOU HAVE PAID IS MORE THAN THE AMOUNT THAT YOU OWE FOR THE TIME YOU ATTENDED, THEN A REFUND WILL BE MADE WITHIN 45 DAYS OF WITHDRAWAL. IF THE AMOUNT THAT YOU OWE IS MORE THAN THE AMOUNT THAT YOU HAVE ALREADY PAID, THEN YOU WILL HAVE TO MAKE ARRANGEMENTS TO PAY IT.

Refund Example: Hypothetical Refund Example: Assume a student, upon enrollment in a 650 course, pays \$3700.00 for tuition, \$150.00 for registration, and \$150.00, documented cost to School, for equipment as specified in the agreement and withdraws after completing 200 hours without returning the equipment he/she obtained. The Pro-Rata Refund to the Student would be \$1042.31based on the calculation stated below. If the student returns the equipment in good condition within 10 days following his/her withdrawal, the School shall refund the charge of equipment paid by the student. 200 clock hours instruction

200 clock hours of instruction of 650 clock hours for the course enrolled Tuition \$3,700.00 + Registration \$150.00 + Equipment/books \$150.00 = Total paid \$4,000.00

Calculate...

Total tuition \$3,700.00 / 650 = \$5.70 p/instructional hour | Total hours of completed instruction 200, cost of instruction received

\$1,140.00

Total paid \$4,000.00 – All applicable deductions \$1,440.00 = Expected refund \$2,560.00

Tuition / by total course hours = \$X.XX. Then average tuition hour rate X Hours completed, minus deductions

#### STUDENT'S RIGHT TO CANCEL

**Cancellation of Agreement**: Per the State of California, You have the right to cancel this agreement for a course of instruction including any equipment such as books, materials and supplies or any other goods related to the instruction offered in this Agreement, the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. Cancellation shall occur when a notice of cancellation shall be in writing and a withdrawal may be effectuated by the student's written notice or by the student's conduct, including but not necessarily limited to a student's lack of attendance. You can do this by mail, hand delivery, or telegram. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. Mail notice to the school's address attention School Director. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this Agreement. You will be given two notice of cancellation forms to use at/or before the first day of class, but you can use any form that you wish. The school will consider a no show/student that never starts training or a rejection of an enrolled student, as a school cancellation: subject to all conditions listed in this policy. If the School has given you any equipment, including books or other materials, you shall return it to the School within 10 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in good condition within the 10-day period, the School may deduct its documented cost for the equipment from any refund that maybe due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the School will refund any money that you paid, less any deduction for equipment not timely returned in good condition, within 45 days after your notice of cancellation is received or determined last date or attendance.

<u>Withdrawal from Course</u>: You have the right to withdraw from a course of instruction any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later, the School will remit a refund less a registration fee, if applicable, not to exceed \$150.00 within 45 days following your withdrawal. You are obligated to pay only for educational services rendered and for unreturned equipment. All refunds will be made within 45 days from the date of cancellation or withdrawal (as described above). If Student does not return from an approved Leave of Absence period as stated in School Catalog, (however, such a leave of absence may never exceed 60 calendar days for regular leave or 100 calendar days for a verified medical reason), <u>Note: leave of absences may be limited to 180 days</u> <u>Accumulated in a calendar vear.</u>

Refunds will be made within 45 days from the end of the approved Leave of Absence period. Within 45 days of any refund the Student will receive a NOTICE OF REFUND stating the amount of the refund & to whom the refund was made.

<u>Refund</u>: You are obligated to pay only for educational services rendered and for unreturned equipment. The refund for up to 60% of scheduled course completion shall be the amount you paid for instruction multiplied by fraction, the numerator of which is the number of hours of instruction which you <u>have not received</u> but for which you have paid, and the denominator of which is the total number of hours of instruction for which you have paid. NOTE: Full tuition is 100 percent earned after 60% of scheduled course completion or for each Period of Enrollment. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys NOT paid from federal student financial aid program funds. If you obtain equipment, as specified in the agreement as a separate charge, and return it in good condition within 10 days following the date of your withdrawal, the school shall refund the charge for the equipment paid by you. If you fail to return the equipment in good condition, allowing for reasonable wear and tear, within this 10-day period, the school may offset against the refund the documented cost for that equipment. You shall be liable for the amount, if any, by which the document cost for equipment exceeds the prorated refund amount. The documented cost of the equipment may be less than the amount charged, and the amount the school has charged in the contract. In any event, you will never be charged for more than the equipment charges stated in the contract.

#### IF THE AMOUNT THAT YOU HAVE PAID IS MORE THAN THE AMOUNT THAT YOU OWE FOR THE TIME YOU ATTENDED, THEN A REFUND WILL BE MADE WITHIN 45 DAYS OF WITHDRAWAL. IF THE AMOUNT THAT YOU OWE IS MORE THAN THE AMOUNT THAT YOU HAVE ALREADY PAID, THEN YOU WILL HAVE TO MAKE ARRANGEMENTS TO PAY IT.

Refund Example: Hypothetical Refund Example: Assume a student, upon enrollment in a 650 course, pays \$3700.00 for tuition, \$150.00 for registration, and \$150.00, documented cost to School, for equipment as specified in the agreement and withdraws after completing 200 hours without returning the equipment he/she obtained. The Pro-Rata Refund to the Student would be \$1042.31based on the calculation stated below. If the student returns the equipment in good condition within 10 days following his/her withdrawal, the School shall refund the charge of equipment paid by the student. 200 clock hours instruction

200 clock hours of instruction of 650 clock hours for the course enrolled Tuition \$3,700.00 + Registration \$150.00 + Equipment/books \$150.00 = Total paid \$4,000.00

Calculate...

Total tuition \$3,700.00 / 650 = \$5.70 p/instructional hour | Total hours of completed instruction 200, cost of instruction received

\$1,140.00

Total paid \$4,000.00 – All applicable deductions \$1,440.00 = Expected refund \$2,560.00

Tuition / by total course hours = \$X.XX. Then average tuition hour rate X Hours completed, minus deductions

Cancellation shall occur when a notice of cancellation shall be in writing and a withdrawal may be effectuated by the student's written notice or by the student's conduct, including but not necessarily limited to a student's lack of attendance. You can do this by mail, hand delivery, or telegram. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. Mail notice to the school's address attention School Director. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this Agreement. You will be given two notice of cancellation forms to use at/or before the first day of class, but you can use any form that you wish. The school will consider a no show/student that never starts training or a rejection of an enrolled student, as a school cancellation: subject to all conditions listed in this policy. If the School has given you any equipment, including books or other materials, you shall return it to the School within 10 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in good condition within the 10-day period, the School may deduct its documented cost for the equipment from any refund that maybe due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the School will refund any money that you paid, less any deduction for equipment not timely returned in good condition, within 45 days after your notice of cancellation is received or determined last date or attendance.

<u>Withdrawal from Course</u>: You have the right to withdraw from a course of instruction any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later, the School will remit a refund less a registration fee, if applicable, not to exceed \$150.00 within 45 days following your withdrawal. You are obligated to pay only for educational services rendered and for unreturned equipment. All refunds will be made within 45 days from the date of cancellation or withdrawal (as described above). If Student does not return from an approved Leave of Absence period as stated in School Catalog, (however, such a leave of absence may never exceed 60 calendar days for regular leave or 100 calendar days for a verified medical reason), <u>Note: leave of absences may be limited to 180 days</u> <u>Accumulated in a calendar year.</u>

Refunds will be made within 45 days from the end of the approved Leave of Absence period. Within 45 days of any refund the Student will receive a NOTICE OF REFUND stating the amount of the refund & to whom the refund was made.

<u>Refund</u>: You are obligated to pay only for educational services rendered and for unreturned equipment. The refund for up to 60% of scheduled course completion shall be the amount you paid for instruction multiplied by fraction, the numerator of which is the number of hours of instruction which you <u>have not received</u> but for which you have paid, and the denominator of which is the total number of hours of instruction for which you have paid. NOTE: Full tuition is 100 percent earned after 60% of scheduled course completion or for each Period of Enrollment. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys NOT paid from federal student financial aid program funds. If you obtain equipment, as specified in the agreement as a separate charge, and return it in good condition within 10 days following the date of your withdrawal, the school shall refund the charge for the equipment paid by you. If you fail to return the equipment in good condition, allowing for reasonable wear and tear, within this 10-day period, the school may offset against the refund the documented cost for that equipment. You shall be liable for the amount, if any, by which the document cost for equipment exceeds the prorated refund amount. The documented cost of the equipment may be less than the amount charged, and the amount the school has charged in the contract. In any event, you will never be charged for more than the equipment charges stated in the contract.

Refund Example: Hypothetical Refund Example: Assume a student, upon enrollment in a 650 course, pays \$3700.00 for tuition, \$150.00 for registration, and \$150.00, documented cost to School, for equipment as specified in the agreement and withdraws after completing 200 hours without returning the equipment he/she obtained. The Pro-Rata Refund to the Student would be \$1042.31based on the calculation stated below. If the student returns the equipment in good condition within 10 days following his/her withdrawal, the School shall refund the charge of equipment paid by the student.

200 clock hours of instruction of 650 clock hours for the course enrolled Tuition \$3,700.00 + Registration \$150.00 + Equipment/books \$150.00 = Total paid \$4,000.00

## STUDENT'S RIGHT TO CANCEL

**Cancellation of Agreement**: Per the State of California, You have the right to cancel this agreement for a course of instruction including any equipment such as books, materials and supplies or any other goods related to the instruction offered in this Agreement, the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. Cancellation shall occur when a notice of cancellation shall be in writing and a withdrawal may be effectuated by the student's written notice or by the student's conduct, including but not necessarily limited to a student's lack of attendance. You can do this by mail, hand delivery, or telegram. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. Mail notice to the school's address attention School Director. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this Agreement. You will be given two notice of cancellation forms to use at/or before the first day of class, but you can use any form that you wish. The school will consider a no show/student that never starts training or a rejection of an enrolled student, as a school cancellation: subject to all conditions listed in this policy. If the School has given you any equipment, including books or other materials, you shall return it to the School within 10 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in good condition within the 10-day period, the School may deduct its documented cost for the equipment from any refund that maybe due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the School will refund any money that you paid, less any deduction for equipment not timely returned in good condition, within 45 days after your notice of cancellation is received or determined last date or attendance.

<u>Withdrawal from Course</u>: You have the right to withdraw from a course of instruction any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later, the School will remit a refund less a registration fee, if applicable, not to exceed \$150.00 within 45 days following your withdrawal. You are obligated to pay only for educational services rendered and for unreturned equipment. All refunds will be made within 45 days from the date of cancellation or withdrawal (as described above). If Student does not return from an approved Leave of Absence period as stated in School Catalog, (however, such a leave of absence may never exceed 60 calendar days for regular leave or 100 calendar days for a verified medical reason), <u>Note: leave of absences may be limited to 180 days</u> <u>Accumulated in a calendar vear.</u>

Refunds will be made within 45 days from the end of the approved Leave of Absence period. Within 45 days of any refund the Student will receive a NOTICE OF REFUND stating the amount of the refund & to whom the refund was made.

<u>Refund</u>: You are obligated to pay only for educational services rendered and for unreturned equipment. The refund for up to 60% of scheduled course completion shall be the amount you paid for instruction multiplied by fraction, the numerator of which is the number of hours of instruction which you <u>have not received</u> but for which you have paid, and the denominator of which is the total number of hours of instruction for which you have paid. NOTE: Full tuition is 100 percent earned after 60% of scheduled course completion or for each Period of Enrollment. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys NOT paid from federal student financial aid program funds. If you obtain equipment, as specified in the agreement as a separate charge, and return it in good condition within 10 days following the date of your withdrawal, the school shall refund the charge for the equipment paid by you. If you fail to return the equipment in good condition, allowing for reasonable wear and tear, within this 10-day period, the school may offset against the refund the documented cost for that equipment. You shall be liable for the amount, if any, by which the document cost for equipment exceeds the prorated refund amount. The documented cost of the equipment may be less than the amount charged, and the amount the school has charged in the contract. In any event, you will never be charged for more than the equipment charges stated in the contract.

#### IF THE AMOUNT THAT YOU HAVE PAID IS MORE THAN THE AMOUNT THAT YOU OWE FOR THE TIME YOU ATTENDED, THEN A REFUND WILL BE MADE WITHIN 45 DAYS OF WITHDRAWAL. IF THE AMOUNT THAT YOU OWE IS MORE THAN THE AMOUNT THAT YOU HAVE ALREADY PAID, THEN YOU WILL HAVE TO MAKE ARRANGEMENTS TO PAY IT.

Refund Example: Hypothetical Refund Example: Assume a student, upon enrollment in a 650 course, pays \$3700.00 for tuition, \$150.00 for registration, and \$150.00, documented cost to School, for equipment as specified in the agreement and withdraws after completing 200 hours without returning the equipment he/she obtained. The Pro-Rata Refund to the Student would be \$1042.31based on the calculation stated below. If the student returns the equipment in good condition within 10 days following his/her withdrawal, the School shall refund the charge of equipment paid by the student.

200 clock hours of instruction of 650 clock hours for the course enrolled Tuition \$3,700.00 + Registration \$150.00 + Equipment/books \$150.00 = Total paid \$4,000.00

Calculate...

Total tuition \$3,700.00 / 650 = \$5.70 p/instructional hour | Total hours of completed instruction 200, cost of instruction received

\$1,140.00

Total paid \$4,000.00 – All applicable deductions \$1,440.00 = Expected refund \$2,560.00

Tuition / by total course hours = \$X.XX. Then average tuition hour rate X Hours completed, minus deductions

## STUDENT'S RIGHT TO CANCEL

**Cancellation of Agreement**: Per the State of California, You have the right to cancel this agreement for a course of instruction including any equipment such as books, materials and supplies or any other goods related to the instruction offered in this Agreement, the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. Cancellation shall occur when a notice of cancellation shall be in writing and a withdrawal may be effectuated by the student's written notice or by the student's conduct, including but not necessarily limited to a student's lack of attendance. You can do this by mail, hand delivery, or telegram. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. Mail notice to the school's address attention School Director. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this Agreement. You will be given two notice of cancellation forms to use at/or before the first day of class, but you can use any form that you wish. The school will consider a no show/student that never starts training or a rejection of an enrolled student, as a school cancellation: subject to all conditions listed in this policy. If the School has given you any equipment, including books or other materials, you shall return it to the School within 10 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in good condition within the 10-day period, the School may deduct its documented cost for the equipment from any refund that maybe due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the School will refund any money that you paid, less any deduction for equipment not timely returned in good condition, within 45 days after your notice of cancellation is received or determined last date or attendance.

<u>Withdrawal from Course</u>: You have the right to withdraw from a course of instruction any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later, the School will remit a refund less a registration fee, if applicable, not to exceed \$150.00 within 45 days following your withdrawal. You are obligated to pay only for educational services rendered and for unreturned equipment. All refunds will be made within 45 days from the date of cancellation or withdrawal (as described above). If Student does not return from an approved Leave of Absence period as stated in School Catalog, (however, such a leave of absence may never exceed 60 calendar days for regular leave or 100 calendar days for a verified medical reason), <u>Note: leave of absences may be limited to 180 days</u> <u>Accumulated in a calendar vear.</u>

Refunds will be made within 45 days from the end of the approved Leave of Absence period. Within 45 days of any refund the Student will receive a NOTICE OF REFUND stating the amount of the refund & to whom the refund was made.

<u>Refund</u>: You are obligated to pay only for educational services rendered and for unreturned equipment. The refund for up to 60% of scheduled course completion shall be the amount you paid for instruction multiplied by fraction, the numerator of which is the number of hours of instruction which you <u>have not received</u> but for which you have paid, and the denominator of which is the total number of hours of instruction for which you have paid. NOTE: Full tuition is 100 percent earned after 60% of scheduled course completion or for each Period of Enrollment. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys NOT paid from federal student financial aid program funds. If you obtain equipment, as specified in the agreement as a separate charge, and return it in good condition within 10 days following the date of your withdrawal, the school shall refund the charge for the equipment paid by you. If you fail to return the equipment in good condition, allowing for reasonable wear and tear, within this 10-day period, the school may offset against the refund the documented cost for that equipment. You shall be liable for the amount, if any, by which the document cost for equipment exceeds the prorated refund amount. The documented cost of the equipment may be less than the amount charged, and the amount the school has charged in the contract. In any event, you will never be charged for more than the equipment charges stated in the contract.

# IF THE AMOUNT THAT YOU HAVE PAID IS MORE THAN THE AMOUNT THAT YOU OWE FOR THE TIME YOU ATTENDED, THEN A REFUND WILL BE MADE WITHIN 45 DAYS OF WITHDRAWAL. IF THE AMOUNT THAT YOU OWE IS MORE THAN THE AMOUNT THAT YOU HAVE ALREADY PAID, THEN YOU WILL HAVE TO MAKE ARRANGEMENTS TO PAY IT.

Refund Example: Hypothetical Refund Example: Assume a student, upon enrollment in a 650 course, pays \$3700.00 for tuition, \$150.00 for registration, and \$150.00, documented cost to School, for equipment as specified in the agreement and withdraws after completing 200 hours without returning the equipment he/she obtained. The Pro-Rata Refund to the Student would be \$1042.31based on the calculation stated below. If the student returns the equipment in good condition within 10 days following his/her withdrawal, the School shall refund the charge of equipment paid by the student.

200 clock hours of instruction of 650 clock hours for the course enrolled Tuition \$3,700.00 + Registration \$150.00 + Equipment/books \$150.00 = Total paid \$4,000.00

Calculate...

Total tuition \$3,700.00 / 650 = \$5.70 p/instructional hour | Total hours of completed instruction 200, cost of instruction received

#### \$1,140.00

Total paid \$4,000.00 – All applicable deductions \$1,440.00 = Expected refund \$2,560.00

Tuition / by total course hours = \$X.XX. Then average tuition hour rate X Hours completed, minus deductions

## STUDENT'S RIGHT TO CANCEL

**Cancellation of Agreement**: Per the State of California, You have the right to cancel this agreement for a course of instruction including any equipment such as books, materials and supplies or any other goods related to the instruction offered in this Agreement, the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. Cancellation shall occur when a notice of cancellation shall be in writing and a withdrawal may be effectuated by the student's written notice or by the student's conduct, including but not necessarily limited to a student's lack of attendance. You can do this by mail, hand delivery, or telegram. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. Mail notice to the school's address attention School Director. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this Agreement. You will be given two notice of cancellation forms to use at/or before the first day of class, but you can use any form that you wish. The school will consider a no show/student that never starts training or a rejection of an enrolled student, as a school cancellation: subject to all conditions listed in this policy. If the School has given you any equipment, including books or other materials, you shall return it to the School within 10 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in good condition within the 10-day period, the School may deduct its documented cost for the equipment from any refund that maybe due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the School will refund any money that you paid, less any deduction for equipment not timely returned in good condition, within 45 days after your notice of cancellation is received or determined last date or attendance.

<u>Withdrawal from Course</u>: You have the right to withdraw from a course of instruction any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later, the School will remit a refund less a registration fee, if applicable, not to exceed \$150.00 within 45 days following your withdrawal. You are obligated to pay only for educational services rendered and for unreturned equipment. All refunds will be made within 45 days from the date of cancellation or withdrawal (as described above). If Student does not return from an approved Leave of Absence period as stated in School Catalog, (however, such a leave of absence may never exceed 60 calendar days for regular leave or 100 calendar days for a verified medical reason), <u>Note: leave of absences may be limited to 180 days</u> <u>Accumulated in a calendar vear.</u>

Refunds will be made within 45 days from the end of the approved Leave of Absence period. Within 45 days of any refund the Student will receive a NOTICE OF REFUND stating the amount of the refund & to whom the refund was made.

<u>Refund</u>: You are obligated to pay only for educational services rendered and for unreturned equipment. The refund for up to 60% of scheduled course completion shall be the amount you paid for instruction multiplied by fraction, the numerator of which is the number of hours of instruction which you <u>have not received</u> but for which you have paid, and the denominator of which is the total number of hours of instruction for which you have paid. NOTE: Full tuition is 100 percent earned after 60% of scheduled course completion or for each Period of Enrollment. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys NOT paid from federal student financial aid program funds. If you obtain equipment, as specified in the agreement as a separate charge, and return it in good condition within 10 days following the date of your withdrawal, the school shall refund the charge for the equipment paid by you. If you fail to return the equipment in good condition, allowing for reasonable wear and tear, within this 10-day period, the school may offset against the refund the documented cost for that equipment. You shall be liable for the amount, if any, by which the document cost for equipment exceeds the prorated refund amount. The documented cost of the equipment may be less than the amount charged, and the amount the school has charged in the contract. In any event, you will never be charged for more than the equipment charges stated in the contract.

IF THE AMOUNT THAT YOU HAVE PAID IS MORE THAN THE AMOUNT THAT YOU OWE FOR THE TIME YOU ATTENDED, THEN A REFUND WILL BE MADE WITHIN 45 DAYS OF WITHDRAWAL. IF THE AMOUNT THAT YOU OWE IS MORE THAN THE AMOUNT THAT YOU HAVE ALREADY PAID, THEN YOU WILL HAVE TO MAKE ARRANGEMENTS TO PAY IT.

Refund Example: Hypothetical Refund Example: Assume a student, upon enrollment in a 650 course, pays \$3700.00 for tuition,

\$150.00 for registration, and \$150.00, documented cost to School, for equipment as specified in the agreement and withdraws after completing 200 hours without returning the equipment he/she obtained. The Pro-Rata Refund to the Student would be \$1042.31based on the calculation stated below. If the student returns the equipment in good condition within 10 days following his/her withdrawal, the School shall refund the charge of equipment paid by the student.

200 clock hours of instruction of 650 clock hours for the course enrolled Tuition \$3,700.00 + Registration \$150.00 + Equipment/books \$150.00 = Total paid \$4,000.00

Calculate...

Total tuition \$3,700.00 / 650 = \$5.70 p/instructional hour | Total hours of completed instruction 200, cost of instruction received

\$1,140.00

Total paid \$4,000.00 – All applicable deductions \$1,440.00 = Expected refund \$2,560.00

Tuition / by total course hours = \$X.XX. Then average tuition hour rate X Hours completed, minus deductions

## STUDENT'S RIGHT TO CANCEL

**Cancellation of Agreement**: Per the State of California, You have the right to cancel this agreement for a course of instruction including any equipment such as books, materials and supplies or any other goods related to the instruction offered in this Agreement, the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. Cancellation shall occur when a notice of cancellation shall be in writing and a withdrawal may be effectuated by the student's written notice or by the student's conduct, including but not necessarily limited to a student's lack of attendance. You can do this by mail, hand delivery, or telegram. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. Mail notice to the school's address attention School Director. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this Agreement. You will be given two notice of cancellation forms to use at/or before the first day of class, but you can use any form that you wish. The school will consider a no show/student that never starts training or a rejection of an enrolled student, as a school cancellation: subject to all conditions listed in this policy. If the School has given you any equipment, including books or other materials, you shall return it to the School within 10 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in good condition within the 10-day period, the School may deduct its documented cost for the equipment from any refund that maybe due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the School will refund any money that you paid, less any deduction for equipment not timely returned in good condition, within 45 days after your notice of cancellation is received or determined last date or attendance.

<u>Withdrawal from Course</u>: You have the right to withdraw from a course of instruction any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later, the School will remit a refund less a registration fee, if applicable, not to exceed \$150.00 within 45 days following your withdrawal. You are obligated to pay only for educational services rendered and for unreturned equipment. All refunds will be made within 45 days from the date of cancellation or withdrawal (as described above). If Student does not return from an approved Leave of Absence period as stated in School Catalog, (however, such a leave of absence may never exceed 60 calendar days for regular leave or 100 calendar days for a verified medical reason), <u>Note: leave of absences may be limited to 180 days</u> <u>Accumulated in a calendar vear.</u>

Refunds will be made within 45 days from the end of the approved Leave of Absence period. Within 45 days of any refund the Student will receive a NOTICE OF REFUND stating the amount of the refund & to whom the refund was made.

<u>Refund</u>: You are obligated to pay only for educational services rendered and for unreturned equipment. The refund for up to 60% of scheduled course completion shall be the amount you paid for instruction multiplied by fraction, the numerator of which is the number of hours of instruction which you <u>have not received</u> but for which you have paid, and the denominator of which is the total number of hours of instruction for which you have paid. NOTE: Full tuition is 100 percent earned after 60% of scheduled course completion or for each Period of Enrollment. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys NOT paid from federal student financial aid program funds. If you obtain equipment, as specified in the agreement as a separate charge, and return it in good condition within 10 days following the date of your withdrawal, the school shall refund the charge for the equipment paid by you. If you fail to return the equipment in good condition, allowing for reasonable wear and tear, within this 10-day period, the school may offset against the refund the documented cost for that equipment. You shall be liable for the amount, if any, by which the document cost for equipment exceeds the prorated refund amount. The documented cost of the equipment may be less than the amount charged, and the amount the school has charged in the contract. In any event, you will never be charged for more than the equipment charges stated in the contract.

#### IF THE AMOUNT THAT YOU HAVE PAID IS MORE THAN THE AMOUNT THAT YOU OWE FOR THE TIME YOU ATTENDED, THEN A REFUND WILL BE MADE WITHIN 45 DAYS OF WITHDRAWAL. IF THE AMOUNT THAT YOU OWE IS MORE THAN THE AMOUNT THAT YOU HAVE ALREADY PAID, THEN YOU WILL HAVE TO MAKE ARRANGEMENTS TO PAY IT.

Refund Example: Hypothetical Refund Example: Assume a student, upon enrollment in a 650 course, pays \$3700.00 for tuition, \$150.00 for registration, and \$150.00, documented cost to School, for equipment as specified in the agreement and withdraws after completing 200 hours without returning the equipment he/she obtained. The Pro-Rata Refund to the Student would be \$1042.31based on the calculation stated below. If the student returns the equipment in good condition within 10 days following his/her withdrawal, the School shall refund the charge of equipment paid by the student.

200 clock hours of instruction of 650 clock hours for the course enrolled Tuition \$3,700.00 + Registration \$150.00 + Equipment/books \$150.00 = Total paid \$4,000.00

Calculate...

Total tuition \$3,700.00 / 650 = \$5.70 p/instructional hour | Total hours of completed instruction 200, cost of instruction received

\$1,140.00

Total paid \$4,000.00 - All applicable deductions \$1,440.00 = Expected refund \$2,560.00

Tuition / by total course hours = \$X.XX. Then average tuition hour rate X Hours completed, minus deductions

#### STUDENT'S RIGHT TO CANCEL

**Cancellation of Agreement**: Per the State of California, You have the right to cancel this agreement for a course of instruction including any equipment such as books, materials and supplies or any other goods related to the instruction offered in this Agreement, the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. Cancellation shall occur when a notice of cancellation shall be in writing and a withdrawal may be effectuated by the student's written notice or by the student's conduct, including but not necessarily limited to a student's lack of attendance. You can do this by mail, hand delivery, or telegram. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. Mail notice to the school's address attention School Director. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this Agreement. You will be given two notice of cancellation forms to use at/or before the first day of class, but you can use any form that you wish. The school will consider a no show/student that never starts training or a rejection of an enrolled student, as a school cancellation: subject to all conditions listed in this policy. If the School has given you any equipment, including books or other materials, you shall return it to the School within 10 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in good condition within the 10-day period, the School may deduct its documented cost for the equipment from any refund that maybe due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the School will refund any money that you paid, less any deduction for equipment not timely returned in good condition, within 45 days after your notice of cancellation is received or determined last date or attendance.

<u>Withdrawal from Course</u>: You have the right to withdraw from a course of instruction any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later, the School will remit a refund less a registration fee, if applicable, not to exceed \$150.00 within 45 days following your withdrawal. You are obligated to pay only for educational services rendered and for unreturned equipment. All refunds will be made within 45 days from the date of cancellation or withdrawal (as described above). If Student does not return from an approved Leave of Absence period as stated in School Catalog, (however, such a leave of absence may never exceed 60 calendar days for regular leave or 100 calendar days for a verified medical reason), <u>Note: leave of absences may be limited to 180 days</u> <u>Accumulated in a calendar vear.</u>

Refunds will be made within 45 days from the end of the approved Leave of Absence period. Within 45 days of any refund the Student will receive a NOTICE OF REFUND stating the amount of the refund & to whom the refund was made.

<u>Refund</u>: You are obligated to pay only for educational services rendered and for unreturned equipment. The refund for up to 60% of scheduled course completion shall be the amount you paid for instruction multiplied by fraction, the numerator of which is the number of hours of instruction which you <u>have not received</u> but for which you have paid, and the denominator of which is the total number of hours of instruction for which you have paid. NOTE: Full tuition is 100 percent earned after 60% of scheduled course completion or for each Period of Enrollment. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys NOT paid from federal student financial aid program funds. If you obtain equipment, as specified in the agreement as a separate charge, and return it in good condition within 10 days following the date of your withdrawal, the school shall refund the charge for the equipment paid by you. If you fail to return the equipment in good condition, allowing for reasonable wear and tear, within this 10-day period, the school may offset against the refund the documented cost for that equipment. You shall be liable for the amount, if any, by which the document cost for equipment exceeds the prorated refund amount. The documented cost of the equipment may be less than the amount charged, and the amount the school has charged in the contract. In any event, you will never be charged for more than the equipment charges stated in the contract.

#### IF THE AMOUNT THAT YOU HAVE PAID IS MORE THAN THE AMOUNT THAT YOU OWE FOR THE TIME YOU ATTENDED, THEN A REFUND WILL BE MADE WITHIN 45 DAYS OF WITHDRAWAL. IF THE AMOUNT THAT YOU OWE IS MORE THAN THE AMOUNT THAT YOU HAVE ALREADY PAID, THEN YOU WILL HAVE TO MAKE ARRANGEMENTS TO PAY IT.

Refund Example: Hypothetical Refund Example: Assume a student, upon enrollment in a 650 course, pays \$3700.00 for tuition, \$150.00 for registration, and \$150.00, documented cost to School, for equipment as specified in the agreement and withdraws after completing 200 hours without returning the equipment he/she obtained. The Pro-Rata Refund to the Student would be \$1042.31based on the calculation stated below. If the student returns the equipment in good condition within 10 days following his/her withdrawal, the School shall refund the charge of equipment paid by the student.

200 clock hours of instruction of 650 clock hours for the course enrolled Tuition \$3,700.00 + Registration \$150.00 + Equipment/books \$150.00 = Total paid \$4,000.00

# STUDENT'S RIGHT TO CANCEL

**Cancellation of Agreement**: Per the State of California, You have the right to cancel this agreement for a course of instruction including any equipment such as books, materials and supplies or any other goods related to the instruction offered in this Agreement, the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. Cancellation shall occur when a notice of cancellation shall be in writing and a withdrawal may be effectuated by the student's written notice or by the student's conduct, including but not necessarily limited to a student's lack of attendance. You can do this by mail, hand delivery, or telegram. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. Mail notice to the school's address attention School Director. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this Agreement. You will be given two notice of cancellation forms to use at/or before the first day of class, but you can use any form that you wish. The school will consider a no show/student that never starts training or a rejection of an enrolled student. as a school cancellation: subject to all conditions listed in this policy. If the School has given you any equipment, including books or other materials, you shall return it to the School within 10 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in good condition within the 10-day period, the School may deduct its documented cost for the equipment from any refund that maybe due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the School will refund any money that you paid, less any deduction for equipment not timely returned in good condition, within 45 days after your notice of cancellation is received or determined last date or attendance.

<u>Withdrawal from Course</u>: You have the right to withdraw from a course of instruction any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later, the School will remit a refund less a registration fee, if applicable, not to exceed \$150.00 within 45 days following your withdrawal. You are obligated to pay only for educational services rendered and for unreturned equipment. All refunds will be made within 45 days from the date of cancellation or withdrawal (as described above). If Student does not return from an approved Leave of Absence period as stated in School Catalog, (however, such a leave of absence may never exceed 60 calendar days for regular leave or 100 calendar days for a verified medical reason), <u>Note: leave of absences may be limited to 180 days Accumulated in a calendar year.</u>

Refunds will be made within 45 days from the end of the approved Leave of Absence period. Within 45 days of any refund the Student will receive a NOTICE OF REFUND stating the amount of the refund & to whom the refund was made.

<u>Refund</u>: You are obligated to pay only for educational services rendered and for unreturned equipment. The refund for up to 60% of scheduled course completion shall be the amount you paid for instruction multiplied by fraction, the numerator of which is the number of hours of instruction which you <u>have not received</u> but for which you have paid, and the denominator of which is the total number of hours of instruction for which you have paid. NOTE: Full tuition is 100 percent earned after 60% of scheduled course completion or for each Period of Enrollment. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys NOT paid from federal student financial aid program funds. If you obtain equipment, as specified in the agreement as a separate charge, and return it in good condition within 10 days following the date of your withdrawal, the school shall refund the charge for the equipment paid by you. If you fail to return the equipment in good condition, allowing for reasonable wear and tear, within this **10-day** period, the school may offset against the refund the documented cost for that equipment. You shall be liable for the amount, if any, by which the document cost for equipment exceeds the prorated refund amount. The documented cost of the equipment may be less than the amount charged, and the amount the school has charged in the contract. In any event, you will never be charged for more than the equipment charges stated in the contract.

# IF THE AMOUNT THAT YOU HAVE PAID IS MORE THAN THE AMOUNT THAT YOU OWE FOR THE TIME YOU ATTENDED, THEN A REFUND WILL BE MADE WITHIN 45 DAYS OF WITHDRAWAL. IF THE AMOUNT THAT YOU OWE IS MORE THAN THE AMOUNT THAT YOU HAVE ALREADY PAID, THEN YOU WILL HAVE TO MAKE ARRANGEMENTS TO PAY IT.

Refund Example: Hypothetical Refund Example: Assume a student, upon enrollment in a 650 course, pays \$3700.00 for tuition, \$150.00 for registration, and \$150.00, documented cost to School, for equipment as specified in the agreement and withdraws after completing 200 hours without returning the equipment he/she obtained. The Pro-Rata Refund to the Student would be \$1042.31based on the calculation stated below. If the student returns the equipment in good condition within 10 days following his/her withdrawal, the School shall refund the charge of equipment paid by the student.

200 clock hours of instruction of 650 clock hours for the course enrolled Tuition \$3,700.00 + Registration \$150.00 + Equipment/books \$150.00 = Total paid \$4,000.00

Calculate...

Total tuition \$3,700.00 / 650 = \$5.70 p/instructional hour | Total hours of completed instruction 200, cost of instruction received

\$1,140.00

Total paid \$4,000.00 – All applicable deductions \$1,440.00 = Expected refund \$2,560.00

Tuition / by total course hours = \$X.XX. Then average tuition hour rate X Hours completed, minus deductions

#### STUDENT'S RIGHT TO CANCEL

**Cancellation of Agreement**: Per the State of California, You have the right to cancel this agreement for a course of instruction including any equipment such as books, materials and supplies or any other goods related to the instruction offered in this Agreement, the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. Cancellation shall occur when a notice of cancellation shall be in writing and a withdrawal may be effectuated by the student's written notice or by the student's conduct, including but not necessarily limited to a student's lack of attendance. You can do this by mail, hand delivery, or telegram. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. Mail notice to the school's address attention School Director. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this Agreement. You will be given two notice of cancellation forms to use at/or before the first day of class, but you can use any form that you wish. The school will consider a no show/student that never starts training or a rejection of an enrolled student, as a school cancellation: subject to all conditions listed in this policy. If the School has given you any equipment, including books or other materials, you shall return it to the School within 10 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in good condition within the 10-day period, the School may deduct its documented cost for the equipment from any refund that maybe due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the School will refund any money that you paid, less any deduction for equipment not timely returned in good condition, within 45 days after your notice of cancellation is received or determined last date or attendance.

<u>Withdrawal from Course</u>: You have the right to withdraw from a course of instruction any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later, the School will remit a refund less a registration fee, if applicable, not to exceed \$150.00 within 45 days following your withdrawal. You are obligated to pay only for educational services rendered and for unreturned equipment. All refunds will be made within 45 days from the date of cancellation or withdrawal (as described above). If Student does not return from an approved Leave of Absence period as stated in School Catalog, (however, such a leave of absence may never exceed 60 calendar days for regular leave or 100 calendar days for a verified medical reason), <u>Note: leave of absences may be limited to 180 days</u> <u>Accumulated in a calendar vear.</u>

Refunds will be made within 45 days from the end of the approved Leave of Absence period. Within 45 days of any refund the Student will receive a NOTICE OF REFUND stating the amount of the refund & to whom the refund was made.

<u>Refund</u>: You are obligated to pay only for educational services rendered and for unreturned equipment. The refund for up to 60% of scheduled course completion shall be the amount you paid for instruction multiplied by fraction, the numerator of which is the number of hours of instruction which you <u>have not received</u> but for which you have paid, and the denominator of which is the total number of hours of instruction for which you have paid. NOTE: Full tuition is 100 percent earned after 60% of scheduled course completion or for each Period of Enrollment. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys NOT paid from federal student financial aid program funds. If you obtain equipment, as specified in the agreement as a separate charge, and return it in good condition within 10 days following the date of your withdrawal, the school shall refund the charge for the equipment paid by you. If you fail to return the equipment in good condition, allowing for reasonable wear and tear, within this 10-day period, the school may offset against the refund the documented cost for that equipment. You shall be liable for the amount, if any, by which the document cost for equipment exceeds the prorated refund amount. The documented cost of the equipment may be less than the amount charged, and the amount the school has charged in the contract. In any event, you will never be charged for more than the equipment charges stated in the contract.

# IF THE AMOUNT THAT YOU HAVE PAID IS MORE THAN THE AMOUNT THAT YOU OWE FOR THE TIME YOU ATTENDED, THEN A REFUND WILL BE MADE WITHIN 45 DAYS OF WITHDRAWAL. IF THE AMOUNT THAT YOU OWE IS MORE THAN THE AMOUNT THAT YOU HAVE ALREADY PAID, THEN YOU WILL HAVE TO MAKE ARRANGEMENTS TO PAY IT.

Refund Example: Hypothetical Refund Example: Assume a student, upon enrollment in a 650 course, pays \$3700.00 for tuition, \$150.00 for registration, and \$150.00, documented cost to School, for equipment as specified in the agreement and withdraws after completing 200 hours without returning the equipment he/she obtained. The Pro-Rata Refund to the Student would be \$1042.31based on the calculation stated below. If the student returns the equipment in good condition within 10 days following his/her withdrawal, the School shall refund the charge of equipment paid by the student.

200 clock hours of instruction of 650 clock hours for the course enrolled Tuition \$3,700.00 + Registration \$150.00 + Equipment/books \$150.00 = Total paid \$4,000.00

Calculate...

Total tuition \$3,700.00 / 650 = \$5.70 p/instructional hour | Total hours of completed instruction 200, cost of instruction received

\$1,140.00

Total paid \$4,000.00 – All applicable deductions \$1,440.00 = Expected refund \$2,560.00

Tuition / by total course hours = \$X.XX. Then average tuition hour rate X Hours completed, minus deductions

If you fail to return this equipment, including books, or other materials, in good condition within the 10-day period, the School may deduct its documented cost for the equipment from any refund that maybe due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the School will refund any money that you paid, less any deduction for equipment not timely returned in good condition, within 45 days after your notice of cancellation is received or determined last date or attendance.

<u>Withdrawal from Course</u>: You have the right to withdraw from a course of instruction any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later, the School will remit a refund less a registration fee, if applicable, not to exceed \$150.00 within 45 days following your withdrawal. You are obligated to pay only for educational services rendered and for unreturned equipment. All refunds will be made within 45 days from the date of cancellation or withdrawal (as described above). If Student does not return from an approved Leave of Absence period as stated in School Catalog, (however, such a leave of absence may never exceed 60 calendar days for regular leave or 100 calendar days for a verified medical reason), <u>Note: leave of absences may be limited to 180 days</u> <u>Accumulated in a calendar vear.</u>

Refunds will be made within 45 days from the end of the approved Leave of Absence period. Within 45 days of any refund the Student will receive a NOTICE OF REFUND stating the amount of the refund & to whom the refund was made.

<u>Refund</u>: You are obligated to pay only for educational services rendered and for unreturned equipment. The refund for up to 60% of scheduled course completion shall be the amount you paid for instruction multiplied by fraction, the numerator of which is the number of hours of instruction which you <u>have not received</u> but for which you have paid, and the denominator of which is the total number of hours of instruction for which you have paid. NOTE: Full tuition is 100 percent earned after 60% of scheduled course completion or for each Period of Enrollment. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys NOT paid from federal student financial aid program funds. If you obtain equipment, as specified in the agreement as a separate charge, and return it in good condition within 10 days following the date of your withdrawal, the school shall refund the charge for the equipment paid by you. If you fail to return the equipment in good condition, allowing for reasonable wear and tear, within this 10-day period, the school may offset against the refund the documented cost for that equipment. You shall be liable for the amount, if any, by which the document cost for equipment exceeds the prorated refund amount. The documented cost of the equipment may be less than the amount charged, and the amount the school has charged in the contract. In any event, you will never be charged for more than the equipment charges stated in the contract.

# IF THE AMOUNT THAT YOU HAVE PAID IS MORE THAN THE AMOUNT THAT YOU OWE FOR THE TIME YOU ATTENDED, THEN A REFUND WILL BE MADE WITHIN 45 DAYS OF WITHDRAWAL. IF THE AMOUNT THAT YOU OWE IS MORE THAN THE AMOUNT THAT YOU HAVE ALREADY PAID, THEN YOU WILL HAVE TO MAKE ARRANGEMENTS TO PAY IT.

Refund Example: Hypothetical Refund Example: Assume a student, upon enrollment in a 650 course, pays \$3700.00 for tuition, \$150.00 for registration, and \$150.00, documented cost to School, for equipment as specified in the agreement and withdraws after completing 200 hours without returning the equipment he/she obtained. The Pro-Rata Refund to the Student would be \$1042.31based on the calculation stated below. If the student returns the equipment in good condition within 10 days following his/her withdrawal, the School shall refund the charge of equipment paid by the student.

200 clock hours of instruction of 650 clock hours for the course enrolled Tuition \$3,700.00 + Registration \$150.00 + Equipment/books \$150.00 = Total paid \$4,000.00

Calculate...

Total tuition \$3,700.00 / 650 = \$5.70 p/instructional hour | Total hours of completed instruction 200, cost of instruction received

\$1,140.00

Total paid \$4,000.00 – All applicable deductions \$1,440.00 = Expected refund \$2,560.00

Tuition / by total course hours = \$X.XX. Then average tuition hour rate X Hours completed, minus deductions

You will be given two notice of cancellation forms to use at/or before the first day of class, but you can use any form that you wish. The school will consider a no show/student that never starts training or a rejection of an enrolled student. as a school cancellation: subject to all conditions listed in this policy. If the School has given you any equipment, including books or other materials, you shall return it to the School within 10 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in good condition within the 10-day period, the School may deduct its documented cost for the equipment from any refund that maybe due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the School will refund any money that you paid, less any deduction for equipment not timely returned in good condition, within 45 days after your notice of cancellation is received or determined last date or attendance.

<u>Withdrawal from Course</u>: You have the right to withdraw from a course of instruction any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later, the School will remit a refund less a registration fee, if applicable, not to exceed \$150.00 within 45 days following your withdrawal. You are obligated to pay only for educational services rendered and for unreturned equipment. All refunds will be made within 45 days from the date of cancellation or withdrawal (as described above). If Student does not return from an approved Leave of Absence period as stated in School Catalog, (however, such a leave of absence may never exceed 60 calendar days for regular leave or 100 calendar days for a verified medical reason), <u>Note: leave of absences may be limited to 180 days Accumulated in a calendar year.</u>

# IF THE AMOUNT THAT YOU HAVE PAID IS MORE THAN THE AMOUNT THAT YOU OWE FOR THE TIME YOU ATTENDED, THEN A REFUND WILL BE MADE WITHIN 45 DAYS OF WITHDRAWAL. IF THE AMOUNT THAT YOU OWE IS MORE THAN THE AMOUNT THAT YOU HAVE ALREADY PAID, THEN YOU WILL HAVE TO MAKE ARRANGEMENTS TO PAY IT.

Refund Example: Hypothetical Refund Example: Assume a student, upon enrollment in a 650 course, pays \$3700.00 for tuition, \$150.00 for registration, and \$150.00, documented cost to School, for equipment as specified in the agreement and withdraws after completing 200 hours without returning the equipment he/she obtained. The Pro-Rata Refund to the Student would be \$1042.31based on the calculation stated below. If the student returns the equipment in good condition within 10 days following his/her withdrawal, the School shall refund the charge of equipment paid by the student.

200 clock hours of instruction of 650 clock hours for the course enrolled Tuition \$3,700.00 + Registration \$150.00 + Equipment/books \$150.00 = Total paid \$4,000.00

Calculate...

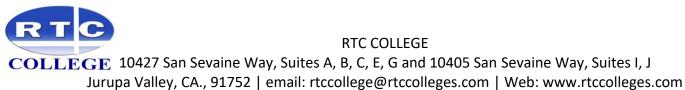

Total tuition \$3,700.00 / 650 = \$5.70 p/instructional hour | Total hours of completed instruction 200, cost of instruction received

\$1,140.00

Total paid \$4,000.00 – All applicable deductions \$1,440.00 = Expected refund \$2,560.00

Tuition / by total course hours = \$X.XX. Then average tuition hour rate X Hours completed, minus deductions

If you fail to return this equipment, including books, or other materials, in good condition within the 10-day period, the School may deduct its documented cost for the equipment from any refund that maybe due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the School will refund any money that you paid, less any deduction for equipment not timely returned in good condition, within 45 days after your notice of cancellation is received or determined last date or attendance.

<u>Withdrawal from Course</u>: You have the right to withdraw from a course of instruction any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later, the School will remit a refund less a registration fee, if applicable, not to exceed \$150.00 within 45 days following your withdrawal. # IF THE AMOUNT THAT YOU HAVE PAID IS MORE THAN THE AMOUNT THAT YOU OWE FOR THE TIME YOU ATTENDED, THEN A REFUND WILL BE MADE WITHIN 45 DAYS OF WITHDRAWAL. IF THE AMOUNT THAT YOU OWE IS MORE THAN THE AMOUNT THAT YOU HAVE ALREADY PAID, THEN YOU WILL HAVE TO MAKE ARRANGEMENTS TO PAY IT.

Refund Example: Hypothetical Refund Example: Assume a student, upon enrollment in a 650 course, pays \$3700.00 for tuition, \$150.00 for registration, and \$150.00, documented cost to School, for equipment as specified in the agreement and withdraws after completing 200 hours without returning the equipment he/she obtained. The Pro-Rata Refund to the Student would be \$1042.31based on the calculation stated below. If the student returns the equipment in good condition within 10 days following his/her withdrawal, the School shall refund the charge of equipment paid by the student.

200 clock hours of instruction of 650 clock hours for the course enrolled Tuition \$3,700.00 + Registration \$150.00 + Equipment/books \$150.00 = Total paid \$4,000.00

Calculate...

Total tuition \$3,700.00 / 650 = \$5.70 p/instructional hour | Total hours of completed instruction 200, cost of instruction received

\$1,140.00

Total paid \$4,000.00 – All applicable deductions \$1,440.00 = Expected refund \$2,560.00

Tuition / by total course hours = \$X.XX. Then average tuition hour rate X Hours completed, minus deductions

Refund Example: Hypothetical Refund Example: Assume a student, upon enrollment in a 650 course, pays \$3700.00 for tuition, \$150.00 for registration, and \$150.00, documented cost to School, for equipment as specified in the agreement and withdraws after completing 200 hours without returning the equipment he/she obtained. The school will consider a no show/student that never starts training or a rejection of an enrolled student. as a school cancellation: subject to all conditions listed in this policy. If the School has given you any equipment, including books or other materials, you shall return it to the School within 10 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in good condition within the 10-day period, the School may deduct its documented cost for the equipment from any refund that maybe due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the School will refund any money that you paid, less any deduction for equipment not timely returned in good condition, within 45 days after your notice of cancellation is received or determined last date or attendance.

<u>Withdrawal from Course</u>: You have the right to withdraw from a course of instruction any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later, the School will remit a refund less a registration fee, if applicable, not to exceed \$150.00 within 45 days following your withdrawal. You are obligated to pay only for educational services rendered and for unreturned equipment. All refunds will be made within 45 days from the date of cancellation or withdrawal (as described above). If Student does not return from an approved Leave of Absence period as stated in School Catalog, (however, such a leave of absence may never exceed 60 calendar days for regular leave or 100 calendar days for a verified medical reason), <u>Note: leave of absences may be limited to 180 days Accumulated in a calendar vear.</u>

# IF THE AMOUNT THAT YOU HAVE PAID IS MORE THAN THE AMOUNT THAT YOU OWE FOR THE TIME YOU ATTENDED, THEN A REFUND WILL BE MADE WITHIN 45 DAYS OF WITHDRAWAL. IF THE AMOUNT THAT YOU OWE IS MORE THAN THE AMOUNT THAT YOU HAVE ALREADY PAID, THEN YOU WILL HAVE TO MAKE ARRANGEMENTS TO PAY IT.

Refund Example: Hypothetical Refund Example: Assume a student, upon enrollment in a 650 course, pays \$3700.00 for tuition, \$150.00 for registration, and \$150.00, documented cost to School, for equipment as specified in the agreement and withdraws after completing 200 hours without returning the equipment he/she obtained. The Pro-Rata Refund to the Student would be \$1042.31based on the calculation stated below. If the student returns the equipment in good condition within 10 days following his/her withdrawal, the School shall refund the charge of equipment paid by the student.

200 clock hours of instruction of 650 clock hours for the course enrolled Tuition \$3,700.00 + Registration \$150.00 + Equipment/books \$150.00 = Total paid \$4,000.00

Calculate...

Total tuition \$3,700.00 / 650 = \$5.70 p/instructional hour | Total hours of completed instruction 200, cost of instruction received

\$1,140.00

Total paid \$4,000.00 – All applicable deductions \$1,440.00 = Expected refund \$2,560.00

Tuition / by total course hours = \$X.XX. Then average tuition hour rate X Hours completed, minus deductions

If the School has given you any equipment, including books or other materials, you shall return it to the School within 10 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in good condition within the 10-day period, the School may deduct its documented cost for the equipment from any refund that maybe due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the School will refund any money that you paid, less any deduction for equipment not timely returned in good condition, within 45 days after your notice of cancellation is received or determined last date or attendance.

<u>Withdrawal from Course</u>: You have the right to withdraw from a course of instruction any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later, the School will remit a refund less a registration fee, if applicable, not to exceed \$150.00 within 45 days following your withdrawal. You are obligated to pay only for educational services rendered and for unreturned equipment. All refunds will be made within 45 days from the date of cancellation or withdrawal (as described above). If Student does not return from an approved Leave of Absence period as stated in School Catalog, (however, such a leave of absence may never exceed 60 calendar days for regular leave or 100 calendar days for a verified medical reason), <u>Note: leave of absences may be limited to 180 days Accumulated in a calendar vear.</u>

IF THE AMOUNT THAT YOU HAVE PAID IS MORE THAN THE AMOUNT THAT YOU OWE FOR THE TIME YOU ATTENDED, THEN A REFUND WILL BE MADE WITHIN 45 DAYS OF WITHDRAWAL. IF THE AMOUNT THAT YOU OWE IS MORE THAN THE AMOUNT THAT YOU HAVE ALREADY PAID, THEN YOU WILL HAVE TO MAKE ARRANGEMENTS TO PAY IT.

Refund Example: Hypothetical Refund Example: Assume a student, upon enrollment in a 650 course, pays \$3700.00 for tuition, \$150.00 for registration, and \$150.00, documented cost to School, for equipment as specified in the agreement and withdraws after completing 200 hours without returning the equipment he/she obtained. The Pro-Rata Refund to the Student would be \$1042.31based on the calculation stated below. If the student returns the equipment in good condition within 10 days following his/her withdrawal, the School shall refund the charge of equipment paid by the student.

200 clock hours of instruction of 650 clock hours for the course enrolled Tuition \$3,700.00 + Registration \$150.00 + Equipment/books \$150.00 = Total paid \$4,000.00

Calculate...

Total tuition \$3,700.00 / 650 = \$5.70 p/instructional hour | Total hours of completed instruction 200, cost of instruction received

\$1,140.00

Total paid \$4,000.00 – All applicable deductions \$1,440.00 = Expected refund \$2,560.00

Tuition / by total course hours = \$X.XX. Then average tuition hour rate X Hours completed, minus deductions

If you fail to return this equipment, including books, or other materials, in good condition within the 10-day period, the School may deduct its documented cost for the equipment from any refund that maybe due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the School will refund any money that you paid, less any deduction for equipment not timely returned in good condition, within 45 days after your notice of cancellation is received or determined last date or attendance.

<u>Withdrawal from Course</u>: You have the right to withdraw from a course of instruction any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later, the School will remit a refund less a registration fee, if applicable, not to exceed \$150.00 within 45 days following your withdrawal. You are obligated to pay only for educational services rendered and for unreturned equipment. All refunds will be made within 45 days from the date of cancellation or withdrawal (as described above). If Student does not return from an approved Leave of Absence period as stated in School Catalog, (however, such a leave of absence may never exceed 60 calendar days for regular leave or 100 calendar days for a verified medical reason), <u>Note: leave of absences may be limited to 180 days Accumulated in a calendar vear.</u>

Refunds will be made within 45 days from the end of the approved Leave of Absence period. Within 45 days of any refund the Student will receive a NOTICE OF REFUND stating the amount of the refund & to whom the refund was made.

<u>Refund</u>: You are obligated to pay only for educational services rendered and for unreturned equipment. The refund for up to 60% of scheduled course completion shall be the amount you paid for instruction multiplied by fraction, the numerator of which is the number of hours of instruction which you <u>have not received</u> but for which you have paid, and the denominator of which is the total number of hours of instruction for which you have paid. NOTE: Full tuition is 100 percent earned after 60% of scheduled course completion or for each Period of Enrollment. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys NOT paid from federal student financial aid program funds. If you obtain equipment, as specified in the agreement as a separate charge, and return it in good condition within 10 days following the date of your withdrawal, the school shall refund the charge for the equipment paid by you. If you fail to return the equipment in good condition, allowing for reasonable wear and tear, within this **10-day** period, the school may offset against the refund the documented cost for that equipment. You shall be liable for the amount, if any, by which the document cost for equipment exceeds the prorated refund amount. The documented cost of the equipment may be less than the amount charged, and the amount the school has charged in the contract. In any event, you will never be charged for more than the equipment charges stated in the contract.

# IF THE AMOUNT THAT YOU HAVE PAID IS MORE THAN THE AMOUNT THAT YOU OWE FOR THE TIME YOU ATTENDED, THEN A REFUND WILL BE MADE WITHIN 45 DAYS OF WITHDRAWAL. IF THE AMOUNT THAT YOU OWE IS MORE THAN THE AMOUNT THAT YOU HAVE ALREADY PAID, THEN YOU WILL HAVE TO MAKE ARRANGEMENTS TO PAY IT.

Refund Example: Hypothetical Refund Example: Assume a student, upon enrollment in a 650 course, pays \$3700.00 for tuition, \$150.00 for registration, and \$150.00, documented cost to School, for equipment as specified in the agreement and withdraws after completing 200 hours without returning the equipment he/she obtained. The Pro-Rata Refund to the Student would be \$1042.31based on the calculation stated below. If the student returns the equipment in good condition within 10 days following his/her withdrawal, the School shall refund the charge of equipment paid by the student.

200 clock hours of instruction of 650 clock hours for the course enrolled Tuition \$3,700.00 + Registration \$150.00 + Equipment/books \$150.00 = Total paid \$4,000.00

Calculate...

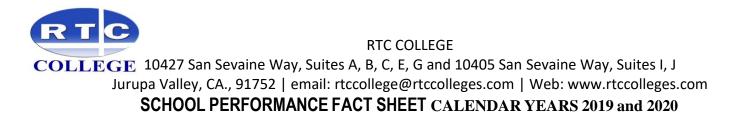

Total tuition \$3,700.00 / 650 = \$5.70 p/instructional hour | Total hours of completed instruction 200, cost of instruction received

\$1,140.00

Total paid \$4,000.00 – All applicable deductions \$1,440.00 = Expected refund \$2,560.00

Tuition / by total course hours = \$X.XX. Then average tuition hour rate X Hours completed, minus deductions

You can do this by mail, hand delivery, or telegram. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. Mail notice to the school's address attention School Director. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this Agreement. You will be given two notice of cancellation forms to use at/or before the first day of class, but you can use any form that you wish. The school will consider a no show/student that never starts training or a rejection of an enrolled student. as a school cancellation: subject to all conditions listed in this policy. If the School has given you any equipment, including books or other materials, you shall return it to the School within 10 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in good condition within the 10-day period, the School may deduct its documented cost for the equipment from any refund that maybe due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the School will refund any money that you paid, less any deduction for equipment not timely returned in good condition, within 45 days after your notice of cancellation is received or determined last date or attendance.

<u>Withdrawal from Course</u>: You have the right to withdraw from a course of instruction any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later, the School will remit a refund less a registration fee, if applicable, not to exceed \$150.00 within 45 days following your withdrawal. You are obligated to pay only for educational services rendered and for unreturned equipment. All refunds will be made within 45 days from the date of cancellation or withdrawal (as described above). If Student does not return from an approved Leave of Absence period as stated in School Catalog, (however, such a leave of absence may never exceed 60 calendar days for regular leave or 100 calendar days for a verified medical reason), <u>Note: leave of absences may be limited to 180 days Accumulated in a calendar vear.</u>

<u>Refund</u>: You are obligated to pay only for educational services rendered and for unreturned equipment. The refund for up to 60% of scheduled course completion shall be the amount you paid for instruction multiplied by fraction, the numerator of which is the number of hours of instruction which you <u>have not received</u> but for which you have paid, and the denominator of which is the total number of hours of instruction for which you have paid. # IF THE AMOUNT THAT YOU HAVE PAID IS MORE THAN THE AMOUNT THAT YOU OWE FOR THE TIME YOU ATTENDED, THEN A REFUND WILL BE MADE WITHIN 45 DAYS OF WITHDRAWAL. IF THE AMOUNT THAT YOU OWE IS MORE THAN THE AMOUNT THAT YOU HAVE ALREADY PAID, THEN YOU WILL HAVE TO MAKE ARRANGEMENTS TO PAY IT.

Refund Example: Hypothetical Refund Example: Assume a student, upon enrollment in a 650 course, pays \$3700.00 for tuition, \$150.00 for registration, and \$150.00, documented cost to School, for equipment as specified in the agreement and withdraws after completing 200 hours without returning the equipment he/she obtained. The Pro-Rata Refund to the Student would be \$1042.31based on the calculation stated below. If the student returns the equipment in good condition within 10 days following his/her withdrawal, the School shall refund the charge of equipment paid by the student.

200 clock hours of instruction of 650 clock hours for the course enrolled Tuition \$3,700.00 + Registration \$150.00 + Equipment/books \$150.00 = Total paid \$4,000.00

Calculate...

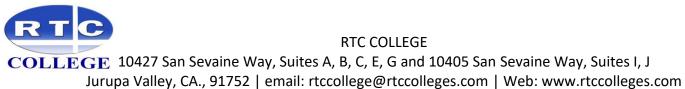

Total tuition \$3,700.00 / 650 = \$5.70 p/instructional hour | Total hours of completed instruction 200, cost of instruction received

\$1,140.00

Total paid \$4,000.00 – All applicable deductions \$1,440.00 = Expected refund \$2,560.00

Tuition / by total course hours = \$X.XX. Then average tuition hour rate X Hours completed, minus deductions

If you fail to return this equipment, including books, or other materials, in good condition within the 10-day period, the School may deduct its documented cost for the equipment from any refund that maybe due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the School will refund any money that you paid, less any deduction for equipment not timely returned in good condition, within 45 days after your notice of cancellation is received or determined last date or attendance.

<u>Withdrawal from Course</u>: You have the right to withdraw from a course of instruction any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later, the School will remit a refund less a registration fee, if applicable, not to exceed \$150.00 within 45 days following your withdrawal. You are obligated to pay only for educational services rendered and for unreturned equipment. All refunds will be made within 45 days from the date of cancellation or withdrawal (as described above). If Student does not return from an approved Leave of Absence period as stated in School Catalog, (however, such a leave of absence may never exceed 60 calendar days for regular leave or 100 calendar days for a verified medical reason), <u>Note: leave of absences may be limited to 180 days Accumulated in a calendar vear.</u>

# IF THE AMOUNT THAT YOU HAVE PAID IS MORE THAN THE AMOUNT THAT YOU OWE FOR THE TIME YOU ATTENDED, THEN A REFUND WILL BE MADE WITHIN 45 DAYS OF WITHDRAWAL. IF THE AMOUNT THAT YOU OWE IS MORE THAN THE AMOUNT THAT YOU HAVE ALREADY PAID, THEN YOU WILL HAVE TO MAKE ARRANGEMENTS TO PAY IT.

Refund Example: Hypothetical Refund Example: Assume a student, upon enrollment in a 650 course, pays \$3700.00 for tuition, \$150.00 for registration, and \$150.00, documented cost to School, for equipment as specified in the agreement and withdraws after completing 200 hours without returning the equipment he/she obtained. The Pro-Rata Refund to the Student would be \$1042.31based on the calculation stated below. If the student returns the equipment in good condition within 10 days following his/her withdrawal, the School shall refund the charge of equipment paid by the student.

200 clock hours of instruction of 650 clock hours for the course enrolled Tuition \$3,700.00 + Registration \$150.00 + Equipment/books \$150.00 = Total paid \$4,000.00

Calculate...

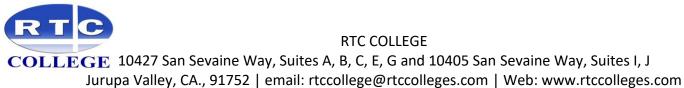

Total tuition \$3,700.00 / 650 = \$5.70 p/instructional hour | Total hours of completed instruction 200, cost of instruction received

\$1,140.00

Total paid \$4,000.00 – All applicable deductions \$1,440.00 = Expected refund \$2,560.00

Tuition / by total course hours = \$X.XX. Then average tuition hour rate X Hours completed, minus deductions

If you fail to return this equipment, including books, or other materials, in good condition within the 10-day period, the School may deduct its documented cost for the equipment from any refund that maybe due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the School will refund any money that you paid, less any deduction for equipment not timely returned in good condition, within 45 days after your notice of cancellation is received or determined last date or attendance.

<u>Withdrawal from Course</u>: You have the right to withdraw from a course of instruction any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later, the School will remit a refund less a registration fee, if applicable, not to exceed \$150.00 within 45 days following your withdrawal. You are obligated to pay only for educational services rendered and for unreturned equipment. All refunds will be made within 45 days from the date of cancellation or withdrawal (as described above). If Student does not return from an approved Leave of Absence period as stated in School Catalog, (however, such a leave of absence may never exceed 60 calendar days for regular leave or 100 calendar days for a verified medical reason), <u>Note: leave of absences may be limited to 180 days Accumulated in a calendar vear.</u>

<u>Refund</u>: You are obligated to pay only for educational services rendered and for unreturned equipment. The refund for up to 60% of scheduled course completion shall be the amount you paid for instruction multiplied by fraction, the numerator of which is the number of hours of instruction which you <u>have not received</u> but for which you have paid, and the denominator of which is the total number of hours of instruction for which you have paid. NOTE: Full tuition is 100 percent earned after 60% of scheduled course completion or for each Period of Enrollment. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys NOT paid from federal student financial aid program funds. Refund Example: Hypothetical Refund Example: Assume a student, upon enrollment in a 650 course, pays \$3700.00 for tuition, \$150.00 for registration, and \$150.00, documented cost to School, for equipment as specified in the agreement and withdraws after completing 200 hours without returning the equipment he/she obtained. The Pro-Rata Refund to the Student would be \$1042.31based on the calculation stated below. If the student returns the equipment in good condition within 10 days following his/her withdrawal, the School shall refund the charge of equipment paid by the student.

200 clock hours of instruction of 650 clock hours for the course enrolled Tuition \$3,700.00 + Registration \$150.00 + Equipment/books \$150.00 = Total paid \$4,000.00

Calculate...

Total tuition \$3,700.00 / 650 = \$5.70 p/instructional hour | Total hours of completed instruction 200, cost of instruction received

\$1,140.00

Total paid \$4,000.00 – All applicable deductions \$1,440.00 = Expected refund \$2,560.00

# STUDENT'S RIGHT TO CANCEL

**Cancellation of Agreement**: Per the State of California, You have the right to cancel this agreement for a course of instruction including any equipment such as books, materials and supplies or any other goods related to the instruction offered in this Agreement, the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. Cancellation shall occur when a notice of cancellation shall be in writing and a withdrawal may be effectuated by the student's written notice or by the student's conduct, including but not necessarily limited to a student's lack of attendance. You can do this by mail, hand delivery, or telegram. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. Mail notice to the school's address attention School Director. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this Agreement. You will be given two notice of cancellation forms to use at/or before the first day of class, but you can use any form that you wish. The school will consider a no show/student that never starts training or a rejection of an enrolled student, as a school cancellation; subject to all conditions listed in this policy. If the School has given you any equipment, including books or other materials, you shall return it to the School within 10 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in good condition within the 10-day period, the School may deduct its documented cost for the equipment from any refund that maybe due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the School will refund any money that you paid, less any deduction for equipment not timely returned in good condition, within 45 days after your notice of cancellation is received or determined last date or attendance.

<u>Withdrawal from Course</u>: You have the right to withdraw from a course of instruction any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later, the School will remit a refund less a registration fee, if applicable, not to exceed \$150.00 within 45 days following your withdrawal. You are obligated to pay only for educational services rendered and for unreturned equipment. All refunds will be made within 45 days from the date of cancellation or withdrawal (as described above). If Student does not return from an approved Leave of Absence period as stated in School Catalog, (however, such a leave of absence may never exceed 60 calendar days for regular leave or 100 calendar days for a verified medical reason), <u>Note: leave of absences may be limited to 180 days Accumulated in a calendar vear.</u>

Refunds will be made within 45 days from the end of the approved Leave of Absence period. Within 45 days of any refund the Student will receive a NOTICE OF REFUND stating the amount of the refund & to whom the refund was made.

<u>Refund</u>: You are obligated to pay only for educational services rendered and for unreturned equipment. The refund for up to 60% of scheduled course completion shall be the amount you paid for instruction multiplied by fraction, the numerator of which is the number of hours of instruction which you <u>have not received</u> but for which you have paid, and the denominator of which is the total number of hours of instruction for which you have paid. NOTE: Full tuition is 100 percent earned after 60% of scheduled course completion or for each Period of Enrollment. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys NOT paid from federal student financial aid program funds. If you obtain equipment, as specified in the agreement as a separate charge, and return it in good condition within 10 days following the date of your withdrawal, the school shall refund the charge for the equipment paid by you. If you fail to return the equipment in good condition, allowing for reasonable wear and tear, within this 10-day period, the school may offset against the refund the documented cost for that equipment. You shall be liable for the amount, if any, by which the document cost for equipment exceeds the prorated refund amount. The documented cost of the equipment may be less than the amount charged, and the amount the school has charged in the contract. In any event, you will never be charged for more than the equipment charges stated in the contract.

# IF THE AMOUNT THAT YOU HAVE PAID IS MORE THAN THE AMOUNT THAT YOU OWE FOR THE TIME YOU ATTENDED, THEN A REFUND WILL BE MADE WITHIN 45 DAYS OF WITHDRAWAL. IF THE AMOUNT THAT YOU OWE IS MORE THAN THE AMOUNT THAT YOU HAVE ALREADY PAID, THEN YOU WILL HAVE TO MAKE ARRANGEMENTS TO PAY IT.

Refund Example: Hypothetical Refund Example: Assume a student, upon enrollment in a 650 course, pays \$3700.00 for tuition, \$150.00 for registration, and \$150.00, documented cost to School, for equipment as specified in the agreement and withdraws after completing 200 hours without returning the equipment he/she obtained. The Pro-Rata Refund to the Student would be \$1042.31based on the calculation stated below. If the student returns the equipment in good condition within 10 days following his/her withdrawal, the School shall refund the charge of equipment paid by the student.

200 clock hours of instruction of 650 clock hours for the course enrolled Tuition \$3,700.00 + Registration \$150.00 + Equipment/books \$150.00 = Total paid \$4,000.00

Calculate...

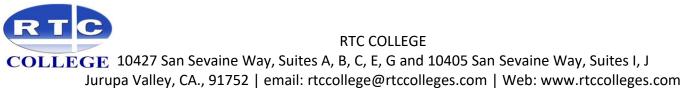

Total tuition \$3,700.00 / 650 = \$5.70 p/instructional hour | Total hours of completed instruction 200, cost of instruction received

\$1,140.00

Total paid \$4,000.00 – All applicable deductions \$1,440.00 = Expected refund \$2,560.00

Tuition / by total course hours = \$X.XX. Then average tuition hour rate X Hours completed, minus deductions

# **STUDENT'S RIGHT TO CANCEL**

**Cancellation of Agreement**: Per the State of California, You have the right to cancel this agreement for a course of instruction including any equipment such as books, materials and supplies or any other goods related to the instruction offered in this Agreement, the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. Cancellation shall occur when a notice of cancellation shall be in writing and a withdrawal may be effectuated by the student's written notice or by the student's conduct, including but not necessarily limited to a student's lack of attendance. You can do this by mail, hand delivery, or telegram. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. Mail notice to the school's address attention School Director. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this Agreement. You will be given two notice of cancellation forms to use at/or before the first day of class, but you can use any form that you wish. The school will consider a no show/student that never starts training or a rejection of an enrolled student, as a school cancellation; subject to all conditions listed in this policy. If the School has given you any equipment, including books or other materials, you shall return it to the School within 10 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in good condition within the 10-day period, the School may deduct its documented cost for the equipment from any refund that maybe due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the School will refund any money that you paid, less any deduction for equipment not timely returned in good condition, within 45 days after your notice of cancellation is received or determined last date or attendance.

<u>Withdrawal from Course</u>: You have the right to withdraw from a course of instruction any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later, the School will remit a refund less a registration fee, if applicable, not to exceed \$150.00 within 45 days following your withdrawal. You are obligated to pay only for educational services rendered and for unreturned equipment. All refunds will be made within 45 days from the date of cancellation or withdrawal (as described above). If Student does not return from an approved Leave of Absence period as stated in School Catalog, (however, such a leave of absence may never exceed 60 calendar days for regular leave or 100 calendar days for a verified medical reason), <u>Note: leave of absences may be limited to 180 days Accumulated in a calendar vear.</u>

Refunds will be made within 45 days from the end of the approved Leave of Absence period. Within 45 days of any refund the Student will receive a NOTICE OF REFUND stating the amount of the refund & to whom the refund was made.

<u>Refund</u>: You are obligated to pay only for educational services rendered and for unreturned equipment. The refund for up to 60% of scheduled course completion shall be the amount you paid for instruction multiplied by fraction, the numerator of which is the number of hours of instruction which you <u>have not received</u> but for which you have paid, and the denominator of which is the total number of hours of instruction for which you have paid. NOTE: Full tuition is 100 percent earned after 60% of scheduled course completion or for each Period of Enrollment. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys NOT paid from federal student financial aid program funds. If you obtain equipment, as specified in the agreement as a separate charge, and return it in good condition within 10 days following the date of your withdrawal, the school shall refund the charge for the equipment paid by you. If you fail to return the equipment in good condition, allowing for reasonable wear and tear, within this **10-day** period, the school may offset against the refund the documented cost for that equipment. You shall be liable for the amount, if any, by which the document cost for equipment exceeds the prorated refund amount. The documented cost of the equipment may be less than the amount charged, and the amount the school has charged in the contract. In any event, you will never be charged for more than the equipment charges stated in the contract.

# IF THE AMOUNT THAT YOU HAVE PAID IS MORE THAN THE AMOUNT THAT YOU OWE FOR THE TIME YOU ATTENDED, THEN A REFUND WILL BE MADE WITHIN 45 DAYS OF WITHDRAWAL. IF THE AMOUNT THAT YOU OWE IS MORE THAN THE AMOUNT THAT YOU HAVE ALREADY PAID, THEN YOU WILL HAVE TO MAKE ARRANGEMENTS TO PAY IT.

Refund Example: Hypothetical Refund Example: Assume a student, upon enrollment in a 650 course, pays \$3700.00 for tuition, \$150.00 for registration, and \$150.00, documented cost to School, for equipment as specified in the agreement and withdraws after completing 200 hours without returning the equipment he/she obtained. The Pro-Rata Refund to the Student would be \$1042.31based on the calculation stated below. If the student returns the equipment in good condition within 10 days following his/her withdrawal, the School shall refund the charge of equipment paid by the student.

200 clock hours of instruction of 650 clock hours for the course enrolled Tuition \$3,700.00 + Registration \$150.00 + Equipment/books \$150.00 = Total paid \$4,000.00

Calculate...

Total tuition \$3,700.00 / 650 = \$5.70 p/instructional hour | Total hours of completed instruction 200, cost of instruction received

\$1,140.00

Total paid \$4,000.00 – All applicable deductions \$1,440.00 = Expected refund \$2,560.00

Tuition / by total course hours = \$X.XX. Then average tuition hour rate X Hours completed, minus deductions

Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the School will refund any money that you paid, less any deduction for equipment not timely returned in good condition, within 45 days after your notice of cancellation is received or determined last date or attendance.

<u>Withdrawal from Course</u>: You have the right to withdraw from a course of instruction any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later, the School will remit a refund less a registration fee, if applicable, not to exceed \$150.00 within 45 days following your withdrawal. You are obligated to pay only for educational services rendered and for unreturned equipment. All refunds will be made within 45 days from the date of cancellation or withdrawal (as described above). If Student does not return from an approved Leave of Absence period as stated in School Catalog, (however, such a leave of absence may never exceed 60 calendar days for regular leave or 100 calendar days for a verified medical reason), <u>Note: leave of absences may be limited to 180 days Accumulated in a calendar vear.</u>

Refunds will be made within 45 days from the end of the approved Leave of Absence period. Within 45 days of any refund the Student will receive a NOTICE OF REFUND stating the amount of the refund & to whom the refund was made.

<u>Refund</u>: You are obligated to pay only for educational services rendered and for unreturned equipment. The refund for up to 60% of scheduled course completion shall be the amount you paid for instruction multiplied by fraction, the numerator of which is the number of hours of instruction which you <u>have not received</u> but for which you have paid, and the denominator of which is the total number of hours of instruction for which you have paid. NOTE: Full tuition is 100 percent earned after 60% of scheduled course completion or for each Period of Enrollment. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys NOT paid from federal student financial aid program funds. If you obtain equipment, as specified in the agreement as a separate charge, and return it in good condition within 10 days following the date of your withdrawal, the school shall refund the charge for the equipment paid by you. If you fail to return the equipment in good condition, allowing for reasonable wear and tear, within this **10-day** period, the school may offset against the refund the documented cost for that equipment. You shall be liable for the amount, if any, by which the document cost for equipment exceeds the prorated refund amount. The documented cost of the equipment may be less than the amount charged, and the amount the school has charged in the contract. In any event, you will never be charged for more than the equipment charges stated in the contract.

IF THE AMOUNT THAT YOU HAVE PAID IS MORE THAN THE AMOUNT THAT YOU OWE FOR THE TIME YOU ATTENDED, THEN A REFUND WILL BE MADE WITHIN 45 DAYS OF WITHDRAWAL. IF THE AMOUNT THAT YOU OWE IS MORE THAN THE AMOUNT THAT YOU HAVE ALREADY PAID, THEN YOU WILL HAVE TO MAKE ARRANGEMENTS TO PAY IT.

Refund Example: Hypothetical Refund Example: Assume a student, upon enrollment in a 650 course, pays \$3700.00 for tuition, \$150.00 for registration, and \$150.00, documented cost to School, for equipment as specified in the agreement and withdraws after completing 200 hours without returning the equipment he/she obtained. The Pro-Rata Refund to the Student would be \$1042.31based on the calculation stated below. If the student returns the equipment in good condition within 10 days following his/her withdrawal, the School shall refund the charge of equipment paid by the student.

200 clock hours of instruction of 650 clock hours for the course enrolled Tuition \$3,700.00 + Registration \$150.00 + Equipment/books \$150.00 = Total paid \$4,000.00

Calculate...

Total tuition \$3,700.00 / 650 = \$5.70 p/instructional hour | Total hours of completed instruction 200, cost of instruction received

\$1,140.00

Total paid \$4,000.00 – All applicable deductions \$1,440.00 = Expected refund \$2,560.00

Tuition / by total course hours = \$X.XX. Then average tuition hour rate X Hours completed, minus deductions
