### **Definitions**

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are
  called to active military duty, are international students that leave the United States or do not have a visa allowing
  employment in the United States, or are continuing their education in an accredited or bureau-approved
  postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

#### STUDENT'S RIGHT TO CANCEL

If the student is rejected from training by the administration of INTECH College, the student will receive a 100% refund of all monies paid. Students who are accepted into their chosen course, have a right to withdraw from a program of instruction at any time. You may cancel your training without any penalty or obligation at any time.

#### Calculation of Prorated Refund:

The refund shall be calculated as follows:

- 1. Deducting the registration fee of \$150.00 from the total cost of training.
- 2. Dividing the tuition by the number of hours in the program.
- 3. The quotient is the hourly charge for the program.
- 4. The amount owed by the student for the purposes of calculating a refund is derived by Multiplying+ the total hours attended by the hourly charge for instruction.
- 5. The refund will be any amount in excess that was paid by the student's third-party.

The following example, is a refund calculation for a student attending a total of 300 hours of training:

Amount Paid (Total): \$6,000.00
Less Equipment Costs: (if equipment was returned) \$0.00
Less Non-Refundable Registration Fee: \$150.00
Total Amount Paid for Instruction (Tuition): \$5,850,00

Total Hours of Instruction Paid For:
Hours of Instruction Completed:
Hours of Instruction Paid For But Not Received:
340

Tuition divided by Total Hours=Cost Per Hour \$ 9.375

• Total Cost of Instruction Paid For \$5,850.00 • Less Tuition for Hours Received and Paid For \$2,812.50

(300 x \$9.375)

Total Refund:

\$3.037.50

#### TUITION REFUNDS AND CREDIT :

The Institution shall pay or credit refunds due within 45 days following the date upon which the student withdrawal has been determined.

#### MATERIALS AND TOOLS:

The student must return the equipment in good condition, allowing for reasonable wear and tear, within 45 days following the date of the student's withdrawal. The Institute will refund the charge for the equipment paid by the student. If the student fails to return the equipment in good condition, allowing for reasonable wear and tear, within 45 days following the date of the student's withdrawal, the Institute will offset against the refund calculated

TUITION REFUNDS TO THIRD-PARTY STUDENTS: Tuition refunds for students whose training is paid by a third-party (i.e. workers compensation insurance carrier, The South Bay Work Source Investment Board (SBWIB) workforce Centers, etc.), refunds shall be made to that third party first. Any excess refunds, if any, will be made to the student. Their respective Vocational Counselor will receive a Notice of Refund stating the amount of the refund and to whom the refund was made with a copy of the check.

#### **TUITION REFUND AFTER CLASSES BEGIN:**

School shall refund 100% of the amount paid by institutional charges, less a registration fee not to exceed \$250.00, if notice of cancelation is made thru attendance of the first-class session or the seventh(7th) day after enrollment, whichever is later.

A student must withdraw or cancel by or before the date that the student completes 60 percent of the attendance period, in order to receive the pro-rate refund according the Refund Table.

A student will not be eligible for a refund, if the student withdraws or cancels after the 60.1 percent of the attendance period.

For the purpose of determining the amount you owe for the time you attended, you shall be deemed to have withdrawn from the program when any of the following occurs:

- 1 Cancellation must be done in writing, and the Student shall be refunded all monies paid within 45 days after receipt of the notice.
- 2 If a Student is rejected for training or if a course is canceled, the Student will receive a refund of all monies paid within 45 days.
- 3 For computation purposes, the date of withdrawal or termination is the actual last date of attendance by the student.
- 4 The refund policy for students who have completed 60 percent or less of the period of attendance will be a pro-rata refund according to the refund table.
- 5 You have failed to attend classes for a three-week period with proper authorization.
- 6 The date of your withdrawal shall be deemed the last date of recorded attendance. For the purpose of determining when the refund must be paid. The student shall be deemed to have withdrawn at the end of the three-week period.
- 7 If you obtain a loan to pay for your educational program, you will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.(CEC 94911(f))
- 8 If the student defaults on a federal or state loan, both the following may occur::
- a) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
- b) You may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.. (CEC 94911(g)(1)(2))
- 9 If the student received federal student financial aid funds, the student is entitled to a refund of moneys no paid from federal student financial aid program funds.

#### **Definitions**

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are
  called to active military duty, are international students that leave the United States or do not have a visa allowing
  employment in the United States, or are continuing their education in an accredited or bureau-approved
  postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the
  applicable educational program are gainfully employed, whose employment has been reported, and for whom the
  institution has documented verification of employment. For occupations for which the state requires passing an
  examination, the six months period begins after the announcement of the examination results for the first examination
  available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

#### STUDENT'S RIGHT TO CANCEL

If the student is rejected from training by the administration of INTECH College, the student will receive a 100% refund of all monies paid. Students who are accepted into their chosen course, have a right to withdraw from a program of instruction at any time. You may cancel your training without any penalty or obligation at any time.

#### Calculation of Prorated Refund:

The refund shall be calculated as follows:

- 1. Deducting the registration fee of \$150.00 from the total cost of training.
- 2. Dividing the tuition by the number of hours in the program.
- 3. The quotient is the hourly charge for the program.
- 4. The amount owed by the student for the purposes of calculating a refund is derived by Multiplying+ the total hours attended by the hourly charge for instruction.
- 5. The refund will be any amount in excess that was paid by the student's third-party.

The following example, is a refund calculation for a student attending a total of 300 hours of training:

 Amount Paid (Total): \$6,000.00 Less Equipment Costs: (if equipment was returned) 0.00 Less Non-Refundable Registration Fee: 150.00 Total Amount Paid for Instruction (Tuition): \$5,850.00

 Total Hours of Instruction Paid For: 640 Hours of Instruction Completed: 300 Hours of Instruction Paid For But Not Received: 340

 Tuition divided by Total Hours=Cost Per Hour \$ 9.375

 Total Cost of Instruction Paid For \$5.850.00 Less Tuition for Hours Received and Paid For \$2,812.50

(300 x \$9.375)

Total Refund: \$3.037.50

#### TUITION REFUNDS AND CREDIT:

The Institution shall pay or credit refunds due within 45 days following the date upon which the student withdrawal has been determined.

#### MATERIALS AND TOOLS:

The student must return the equipment in good condition, allowing for reasonable wear and tear, within 45 days following the date of the student's withdrawal. The Institute will refund the charge for the equipment paid by the student. If the student fails to return the equipment in good condition, allowing for reasonable wear and tear, within 45 days following the date of the student's withdrawal, the Institute will offset against the refund calculated

TUITION REFUNDS TO THIRD-PARTY STUDENTS: Tuition refunds for students whose training is paid by a third-party (i.e. workers compensation insurance carrier, The South Bay Work Source Investment Board (SBWIB) workforce Centers, etc.), refunds shall be made to that third party first. Any excess refunds, if any, will be made to the student. Their respective Vocational Counselor will receive a Notice of Refund stating the amount of the refund and to whom the refund was made with a copy of the check.

#### **TUITION REFUND AFTER CLASSES BEGIN:**

School shall refund 100% of the amount paid by institutional charges, less a registration fee not to exceed \$250.00, if notice of cancelation is made thru attendance of the first-class session or the seventh(7th) day after enrollment, whichever is later.

A student must withdraw or cancel by or before the date that the student completes 60 percent of the attendance period, in order to receive the pro-rate refund according the Refund Table.

A student will not be eligible for a refund, if the student withdraws or cancels after the 60.1 percent of the attendance period.

For the purpose of determining the amount you owe for the time you attended, you shall be deemed to have withdrawn from the program when any of the following occurs:

- 1 Cancellation must be done in writing, and the Student shall be refunded all monies paid within 45 days after receipt of the notice.
- 2 If a Student is rejected for training or if a course is canceled, the Student will receive a refund of all monies paid within 45 days.
- 3 For computation purposes, the date of withdrawal or termination is the actual last date of attendance by the student.
- 4 The refund policy for students who have completed 60 percent or less of the period of attendance will be a pro-rata refund according to the refund table.
- 5 You have failed to attend classes for a three-week period with proper authorization.
- 6 The date of your withdrawal shall be deemed the last date of recorded attendance. For the purpose of determining when the refund must be paid. The student shall be deemed to have withdrawn at the end of the three-week period.
- 7 If you obtain a loan to pay for your educational program, you will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.(CEC 94911(f))
- 8 If the student defaults on a federal or state loan, both the following may occur::
- a) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
- b) You may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.. (CEC 94911(g)(1)(2))
- 9 If the student received federal student financial aid funds, the student is entitled to a refund of moneys no paid from federal student financial aid program funds.

#### STUDENT'S RIGHT TO CANCEL

If the student is rejected from training by the administration of INTECH College, the student will receive a 100% refund of all monies paid. Students who are accepted into their chosen course, have a right to withdraw from a program of instruction at any time. You may cancel your training without any penalty or obligation at any time.

#### Calculation of Prorated Refund:

The refund shall be calculated as follows:

- 1. Deducting the registration fee of \$150.00 from the total cost of training.
- 2. Dividing the tuition by the number of hours in the program.
- 3. The quotient is the hourly charge for the program.
- 4. The amount owed by the student for the purposes of calculating a refund is derived by Multiplying+ the total hours attended by the hourly charge for instruction.
- 5. The refund will be any amount in excess that was paid by the student's third-party.

The following example, is a refund calculation for a student attending a total of 300 hours of training:

Amount Paid (Total): \$6,000.00
Less Equipment Costs: (if equipment was returned) \$0.00
Less Non-Refundable Registration Fee: \$150.00

#### TUITION REFUNDS AND CREDIT :

The Institution shall pay or credit refunds due within 45 days following the date upon which the student withdrawal has been determined.

#### MATERIALS AND TOOLS:

The student must return the equipment in good condition, allowing for reasonable wear and tear, within 45 days following the date of the student's withdrawal. The Institute will refund the charge for the equipment paid by the student. If the student fails to return the equipment in good condition, allowing for reasonable wear and tear, within 45 days following the date of the student's withdrawal, the Institute will offset against the refund calculated

TUITION REFUNDS TO THIRD-PARTY STUDENTS: Tuition refunds for students whose training is paid by a third-party (i.e. workers compensation insurance carrier, The South Bay Work Source Investment Board (SBWIB) workforce Centers, etc.), refunds shall be made to that third party first. Any excess refunds, if any, will be made to the student. Their respective Vocational Counselor will receive a Notice of Refund stating the amount of the refund and to whom the refund was made with a copy of the check.

#### TUITION REFUND AFTER CLASSES BEGIN:

School shall refund 100% of the amount paid by institutional charges, less a registration fee not to exceed \$250.00, if notice of cancelation is made thru attendance of the first-class session or the seventh(7th) day after enrollment, whichever is later.

A student must withdraw or cancel by or before the date that the student completes 60 percent of the attendance period, in order to receive the pro-rate refund according the Refund Table.

A student will not be eligible for a refund, if the student withdraws or cancels after the 60.1 percent of the attendance period.

For the purpose of determining the amount you owe for the time you attended, you shall be deemed to have withdrawn from the program when any of the following occurs:

- 1 Cancellation must be done in writing, and the Student shall be refunded all monies paid within 45 days after receipt of the notice.
- 2 If a Student is rejected for training or if a course is canceled, the Student will receive a refund of all monies paid within 45 days.
- 3 For computation purposes, the date of withdrawal or termination is the actual last date of attendance by the student.
- 4 The refund policy for students who have completed 60 percent or less of the period of attendance will be a pro-rata refund according to the refund table.
- 5 You have failed to attend classes for a three-week period with proper authorization.
- 6 The date of your withdrawal shall be deemed the last date of recorded attendance. For the purpose of determining when the refund must be paid. The student shall be deemed to have withdrawn at the end of the three-week period.
- 7 If you obtain a loan to pay for your educational program, you will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.(CEC 94911(f))
- 8 If the student defaults on a federal or state loan, both the following may occur::
- a) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
- b) You may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.. (CEC 94911(g)(1)(2))
- 9 If the student received federal student financial aid funds, the student is entitled to a refund of moneys no paid from federal student financial aid program funds.

#### **Definitions**

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are
  called to active military duty, are international students that leave the United States or do not have a visa allowing
  employment in the United States, or are continuing their education in an accredited or bureau-approved
  postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the
  applicable educational program are gainfully employed, whose employment has been reported, and for whom the
  institution has documented verification of employment. For occupations for which the state requires passing an
  examination, the six months period begins after the announcement of the examination results for the first examination
  available after a student completes an applicable educational program.

#### STUDENT'S RIGHT TO CANCEL

If the student is rejected from training by the administration of INTECH College, the student will receive a 100% refund of all monies paid. Students who are accepted into their chosen course, have a right to withdraw from a program of instruction at any time. You may cancel your training without any penalty or obligation at any time.

#### Calculation of Prorated Refund:

The refund shall be calculated as follows:

- 1. Deducting the registration fee of \$150.00 from the total cost of training.
- 2. Dividing the tuition by the number of hours in the program.
- 3. The quotient is the hourly charge for the program.
- 4. The amount owed by the student for the purposes of calculating a refund is derived by Multiplying+ the total hours attended by the hourly charge for instruction.
- 5. The refund will be any amount in excess that was paid by the student's third-party.

The following example, is a refund calculation for a student attending a total of 300 hours of training:

Amount Paid (Total): \$6,000.00
Less Equipment Costs: (if equipment was returned) \$ 0.00
Less Non-Refundable Registration Fee: \$ 150.00

#### TUITION REFUNDS AND CREDIT:

The Institution shall pay or credit refunds due within 45 days following the date upon which the student withdrawal has been determined.

#### MATERIALS AND TOOLS:

The student must return the equipment in good condition, allowing for reasonable wear and tear, within 45 days following the date of the student's withdrawal. The Institute will refund the charge for the equipment paid by the student. If the student fails to return the equipment in good condition, allowing for reasonable wear and tear, within 45 days following the date of the student's withdrawal, the Institute will offset against the refund calculated

TUITION REFUNDS TO THIRD-PARTY STUDENTS: Tuition refunds for students whose training is paid by a third-party (i.e. workers compensation insurance carrier, The South Bay Work Source Investment Board (SBWIB) workforce Centers, etc.), refunds shall be made to that third party first. Any excess refunds, if any, will be made to the student. Their respective Vocational Counselor will receive a Notice of Refund stating the amount of the refund and to whom the refund was made with a copy of the check.

#### **TUITION REFUND AFTER CLASSES BEGIN:**

School shall refund 100% of the amount paid by institutional charges, less a registration fee not to exceed \$250.00, if notice of cancelation is made thru attendance of the first-class session or the seventh(7th) day after enrollment, whichever is later.

A student must withdraw or cancel by or before the date that the student completes 60 percent of the attendance period, in order to receive the pro-rate refund according the Refund Table.

A student will not be eligible for a refund, if the student withdraws or cancels after the 60.1 percent of the attendance period.

For the purpose of determining the amount you owe for the time you attended, you shall be deemed to have withdrawn from the program when any of the following occurs:

- 1 Cancellation must be done in writing, and the Student shall be refunded all monies paid within 45 days after receipt of the notice.
- 2 If a Student is rejected for training or if a course is canceled, the Student will receive a refund of all monies paid within 45 days.
- 3 For computation purposes, the date of withdrawal or termination is the actual last date of attendance by the student.
- 4 The refund policy for students who have completed 60 percent or less of the period of attendance will be a pro-rata refund according to the refund table.
- 5 You have failed to attend classes for a three-week period with proper authorization.
- 6 The date of your withdrawal shall be deemed the last date of recorded attendance. For the purpose of determining when the refund must be paid. The student shall be deemed to have withdrawn at the end of the three-week period.
- 7 If you obtain a loan to pay for your educational program, you will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.(CEC 94911(f))
- 8 If the student defaults on a federal or state loan, both the following may occur::
- a) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
- b) You may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.. (CEC 94911(g)(1)(2))
- 9 If the student received federal student financial aid funds, the student is entitled to a refund of moneys no paid from federal student financial aid program funds.

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are
  called to active military duty, are international students that leave the United States or do not have a visa allowing
  employment in the United States, or are continuing their education in an accredited or bureau-approved
  postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the
  applicable educational program are gainfully employed, whose employment has been reported, and for whom the
  institution has documented verification of employment. For occupations for which the state requires passing an
  examination, the six months period begins after the announcement of the examination results for the first examination
  available after a student completes an applicable educational program.

#### STUDENT'S RIGHT TO CANCEL

If the student is rejected from training by the administration of INTECH College, the student will receive a 100% refund of all monies paid. Students who are accepted into their chosen course, have a right to withdraw from a program of instruction at any time. You may cancel your training without any penalty or obligation at any time.

#### Calculation of Prorated Refund:

The refund shall be calculated as follows:

- 1. Deducting the registration fee of \$150.00 from the total cost of training.
- 2. Dividing the tuition by the number of hours in the program.
- 3. The quotient is the hourly charge for the program.
- 4. The amount owed by the student for the purposes of calculating a refund is derived by Multiplying+ the total hours attended by the hourly charge for instruction.
- 5. The refund will be any amount in excess that was paid by the student's third-party.

The following example, is a refund calculation for a student attending a total of 300 hours of training:

Amount Paid (Total): \$6,000.00
Less Equipment Costs: (if equipment was returned) \$ 0.00
Less Non-Refundable Registration Fee: \$ 150.00

#### TUITION REFUNDS AND CREDIT:

The Institution shall pay or credit refunds due within 45 days following the date upon which the student withdrawal has been determined.

#### **MATERIALS AND TOOLS:**

The student must return the equipment in good condition, allowing for reasonable wear and tear, within 45 days following the date of the student's withdrawal. The Institute will refund the charge for the equipment paid by the student. If the student fails to return the equipment in good condition, allowing for reasonable wear and tear, within 45 days following the date of the student's withdrawal, the Institute will offset against the refund calculated

TUITION REFUNDS TO THIRD-PARTY STUDENTS: Tuition refunds for students whose training is paid by a third-party (i.e. workers compensation insurance carrier, The South Bay Work Source Investment Board (SBWIB) workforce Centers, etc.), refunds shall be made to that third party first. Any excess refunds, if any, will be made to the student. Their respective Vocational Counselor will receive a Notice of Refund stating the amount of the refund and to whom the refund was made with a copy of the check.

#### **TUITION REFUND AFTER CLASSES BEGIN:**

School shall refund 100% of the amount paid by institutional charges, less a registration fee not to exceed \$250.00, if notice of cancelation is made thru attendance of the first-class session or the seventh(7th) day after enrollment, whichever is later.

A student must withdraw or cancel by or before the date that the student completes 60 percent of the attendance period, in order to receive the pro-rate refund according the Refund Table.

A student will not be eligible for a refund, if the student withdraws or cancels after the 60.1 percent of the attendance period.

For the purpose of determining the amount you owe for the time you attended, you shall be deemed to have withdrawn from the program when any of the following occurs:

- 1 Cancellation must be done in writing, and the Student shall be refunded all monies paid within 45 days after receipt of the notice.

#### STUDENT'S RIGHT TO CANCEL

If the student is rejected from training by the administration of INTECH College, the student will receive a 100% refund of all monies paid. Students who are accepted into their chosen course, have a right to withdraw from a program of instruction at any time. You may cancel your training without any penalty or obligation at any time.

#### Calculation of Prorated Refund:

The refund shall be calculated as follows:

- 1. Deducting the registration fee of \$150,00 from the total cost of training.
- 2. Dividing the tuition by the number of hours in the program.
- 3. The quotient is the hourly charge for the program.
- 4. The amount owed by the student for the purposes of calculating a refund is derived by Multiplying+ the total hours attended by the hourly charge for instruction.
- 5. The refund will be any amount in excess that was paid by the student's third-party.

The following example, is a refund calculation for a student attending a total of 300 hours of training:

 Amount Paid (Total): \$6,000.00 Less Equipment Costs: (if equipment was returned) 0.00 Less Non-Refundable Registration Fee: 150.00 Total Amount Paid for Instruction (Tuition): \$5.850.00

 Total Hours of Instruction Paid For: 640 Hours of Instruction Completed: 300 Hours of Instruction Paid For But Not Received: 340

 Tuition divided by Total Hours=Cost Per Hour 9.375

 Total Cost of Instruction Paid For \$5,850.00 Less Tuition for Hours Received and Paid For \$2,812.50 (300 x \$9.375)

Total Refund:

#### **Definitions**

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are
  called to active military duty, are international students that leave the United States or do not have a visa allowing
  employment in the United States, or are continuing their education in an accredited or bureau-approved
  postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

#### STUDENT'S RIGHT TO CANCEL

If the student is rejected from training by the administration of INTECH College, the student will receive a 100% refund of all monies paid. Students who are accepted into their chosen course, have a right to withdraw from a program of instruction at any time. You may cancel your training without any penalty or obligation at any time.

#### Calculation of Prorated Refund:

The refund shall be calculated as follows:

- 1. Deducting the registration fee of \$150,00 from the total cost of training.
- 2. Dividing the tuition by the number of hours in the program.
- 3. The quotient is the hourly charge for the program.
- 4. The amount owed by the student for the purposes of calculating a refund is derived by Multiplying+ the total hours attended by the hourly charge for instruction.
- 5. The refund will be any amount in excess that was paid by the student's third-party.

The following example, is a refund calculation for a student attending a total of 300 hours of training:

· Amount Paid (Total): \$6,000,00 Less Equipment Costs: (if equipment was returned) 0.00 • Less Non-Refundable Registration Fee: 150.00 Total Amount Paid for Instruction (Tuition): \$5.850.00

 Total Hours of Instruction Paid For: 640 Hours of Instruction Completed: 300 Hours of Instruction Paid For But Not Received: 340

 Tuition divided by Total Hours=Cost Per Hour 9.375

 Total Cost of Instruction Paid For \$5.850.00 Less Tuition for Hours Received and Paid For \$2,812.50

(300 x \$9.375)

Total Refund: \$3.037.50

#### TUITION REFUNDS AND CREDIT:

The Institution shall pay or credit refunds due within 45 days following the date upon which the student withdrawal has been determined.

#### MATERIALS AND TOOLS:

The student must return the equipment in good condition, allowing for reasonable wear and tear, within 45 days following the date of the student's withdrawal. The Institute will refund the charge for the equipment paid by the student. If the student fails to return the equipment in good condition, allowing for reasonable wear and tear, within 45 days following the date of the student's withdrawal, the Institute will offset against the refund calculated

TUITION REFUNDS TO THIRD-PARTY STUDENTS: Tuition refunds for students whose training is paid by a third-party (i.e. workers compensation insurance carrier, The South Bay Work Source Investment Board (SBWIB) workforce Centers, etc.), refunds shall be made to that third party first. Any excess refunds, if any, will be made to the student. Their respective Vocational Counselor will receive a Notice of Refund stating the amount of the refund and to whom the refund was made with a copy of the check.

#### TUITION REFUND AFTER CLASSES BEGIN:

School shall refund 100% of the amount paid by institutional charges, less a registration fee not to exceed \$250.00, if notice of cancelation is made thru attendance of the first-class session or the seventh(7th) day after enrollment, whichever is later.

A student must withdraw or cancel by or before the date that the student completes 60 percent of the attendance period, in order to receive the pro-rate refund according the Refund Table.

A student will not be eligible for a refund, if the student withdraws or cancels after the 60.1 percent of the attendance period.

For the purpose of determining the amount you owe for the time you attended, you shall be deemed to have withdrawn from the program when any of the following occurs:

- 1 Cancellation must be done in writing, and the Student shall be refunded all monies paid within 45 days after receipt of the notice.
- 2 If a Student is rejected for training or if a course is canceled, the Student will receive a refund of all monies paid within 45 days.
- 3 For computation purposes, the date of withdrawal or termination is the actual last date of attendance by the student.
- 4 The refund policy for students who have completed 60 percent or less of the period of attendance will be a pro-rata refund according to the refund table.
- 5 You have failed to attend classes for a three-week period with proper authorization.
- 6 The date of your withdrawal shall be deemed the last date of recorded attendance. For the purpose of determining when the refund must be paid. The student shall be deemed to have withdrawn at the end of the three-week period.
- 7 If you obtain a loan to pay for your educational program, you will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.(CEC 94911(f))
- 8 If the student defaults on a federal or state loan, both the following may occur::

#### **TUITION REFUND AFTER CLASSES BEGIN:**

School shall refund 100% of the amount paid by institutional charges, less a registration fee not to exceed \$250.00, if notice of cancelation is made thru attendance of the first-class session or the seventh(7th) day after enrollment, whichever is later.

A student must withdraw or cancel by or before the date that the student completes 60 percent of the attendance period, in order to receive the pro-rate refund according the Refund Table.

A student will not be eligible for a refund, if the student withdraws or cancels after the 60.1 percent of the attendance period.

For the purpose of determining the amount you owe for the time you attended, you shall be deemed to have withdrawn from the program when any of the following occurs:

- 1 Cancellation must be done in writing, and the Student shall be refunded all monies paid within 45 days after receipt of the notice.
- 2 If a Student is rejected for training or if a course is canceled, the Student will receive a refund of all monies paid within 45 days.
- 3 For computation purposes, the date of withdrawal or termination is the actual last date of attendance by the student.
- 4 The refund policy for students who have completed 60 percent or less of the period of attendance will be a pro-rata refund according to the refund table.
- 5 You have failed to attend classes for a three-week period with proper authorization.
- 6 The date of your withdrawal shall be deemed the last date of recorded attendance. For the purpose of determining when the refund must be paid. The student shall be deemed to have withdrawn at the end of the three-week period.
- 7 If you obtain a loan to pay for your educational program, you will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.(CEC 94911(f))
- 8 If the student defaults on a federal or state loan, both the following may occur::
- a) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
- b) You may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.. (CEC 94911(g)(1)(2))
- 9 If the student received federal student financial aid funds, the student is entitled to a refund of moneys no paid from federal student financial aid program funds.
