STUDENT'S RIGHT TO CANCEL

STUDENT'S RIGHT TO CANCEL

There is a grace period when the student has the right to cancel the enrollment agreement and obtain a full refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

PROCEDURE TO CANCEL

Cancellation occurs when the institution receives written notice of cancellation from the student directed to the attention of the School Director at USA Academy Beauty School 801 1515 E Shaw Ave Fresno CA 93710 Phone: 559-391-7997 info@usaacademybeautyschool.com. The student can do this by mail, email or in person, or by fax. The notice, if mailed is effective by postmark date.

This notice need not take any form; it need only to state that the student wishes to cancel the enrollment agreement. If the student cancels the enrollment agreement, USA Academy Beauty School shall refund 100 percent of the amount paid for institutional charges, less the application fee of \$100.00 if a notice of cancellation is received by the first class session, or the seventh day after the enrollment agreement is signed, whichever is later.

WITHDRAWAL FROM COURSE

After the grace period the institutional refund policy for students who have completed up to 60 percent or less of the course of instruction is pro rata refund. Students have a right to terminate their studies at any time and have the right to receive a refund for the part of the program they have paid for and did not receive.

A withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

If a student withdraws or is terminated from a program after the grace period allowed for cancellation, the college will remit a refund, less the registration fee of \$100.00, within 45 days following the withdrawal date. A student is obligated to pay only for educational services rendered and for unreturned books or equipment.

PRO-RATA REFUND CALCULATION

- (A) Deduct a registration fee (\$100) from the total tuition charge.
- (B) Divide this figure by the number of hours in the program.
- (C) The quotient is the hourly charge for the program.
- (D) The amount owed by you for purposes of calculating a refund is derived by multiplying the total days attended by the daily charge for instruction.
- (E) The refund would be any amount in excess of the figure derived in (D) that was paid by you.
- (F) The refund amount shall be adjusted for equipment, if applicable.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student defaults on a federal or state loan, both the following may occur:

- (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
- (2) The student may not be eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.
