Full Time Students will be contracted for 35 hours per week but may attend 40 hours per week to accumulate hours that will accelerate their graduation date or be used towards future absences.

ORIENTATION CLASS: An Orientation class for students is held prior to a student starting class. All new students, transfers and re-enrollment students are required to attend prior to admission.

STUDENT CLOCK HOUR POLICY: The Board of Barbering and Cosmetology will only recognize time-clock punched hours of attendance, as a result of this requirement this school can only give clock hour credit to students who record their attendance by using the automated time keeper which each student must clock in and out at the start and end of their class day and lunch period. You will be given up to seven (8) minutes to clock in and receive credit for the quarter (1/4) hour. This seven minute period applies to starting of the class day. A thirty (30) minute lunch break shall be taken when a student attends more than a 6 hour class day. Once theory classes have been started no one will be allowed to enter the theory classroom. At the completion of the day, your time card is prepared from the current weekly time card. The daily theory hours and operations

These cumulative figures are then entered in the prior column on the weekly time card. The time card must be signed by the student and the instructor daily. *Instructors may not sign a student in or out and if a student does not clock in or out at lunch, 30 minutes for lunch will be deducted.* After clocking in you are required to maintain applied effort, personnel grooming, leaving the building, reading material not related to your training or activity not related to your training is not tolerated. If this occurs you will be asked to stop such activity or to punch out for the remainder of the day. Continued activities of this nature could result in your termination. Record cards reflect the student's daily record of theory and practical operations. It is important that all of your hours and operations are recorded properly and accurately. The attendance personnel must be able to read your record card so that the hours and operations are transferred correctly. The record cards are the property of the school and must remain in the school at all times. Time cards must be retained/stored in their entirety for 5 years by the school.

TIME CARD CREDIT:

The following is a guideline for the instructor to issue credits.

- ① Each Theory must be initiated in the proper category. If that category is complete, the instructor may issue credit in a comparative category.
- ② The portion of the time card reflecting hours are in the Theory hours earned and any classes the instructor has demonstrated.
- ③ The portion of the time card concerning operations is to be applied to the efforts of the students as they manually perform practical subjects.

PROGRESS POLICY: Considering the varied capabilities of individual students, some may progress from one phase of training to another at a more rapid pace. However, all students must satisfactorily complete all subject matter prior to graduation unless credit has been allowed for previous training or experience in a particular subject area. Successful graduates will be awarded an appropriate diploma upon completion of their training program.

HEALTH AND PHYSICAL CONSIDERATIONS: Generally, the professional in the beauty/barber field must be in good physical health for he/she will be working in direct contact with patrons. In most aspects of the beauty culture field there is a great deal of standing, walking, pushing, bending and stretching, and sometimes for long periods of time. A person must consider his/her physical limitations in terms of making a career choice that involves extensive training. We promote the acceptance of students with physical limitations or disabilities if these students believe they can fulfill training demands. If a female student is pregnant prior to enrollment, she must furnish a letter from her Doctor, stating she can work around chemicals and withstand the long hours of standing. This letter must be furnished to enrollment personal prior to her enrollment. In the case whereas a currently enrolled female student becomes pregnant, she must inform the school and furnish a letter from her Doctor stating she can continue in the course and work around chemicals and withstand the long hours of standing.

CAREER COUNSELING AND PERSONAL ATTENTION:

Students are counseled individually, as often as necessary at least every six weeks to review the student's progress and adjustment. Successful Salon/Barbershop Owners and Stylists are scheduled into the school regularly to give demonstrations and discuss career goals, etc. with the students. This activity supplements the daily counseling carried out by the instructors and supervisor. Students may request additional counseling sessions at any time. Students are given personal attention assistance at every stage of training from the first day of enrollment to the day of graduation. At predetermined intervals, measuring instruments are utilized to evaluate the rate and quality of the student and remedial assignments are made when required. Particular attention is given to preparation for the Board of Barbering & Cosmetology Examination.

PLACEMENT:

Job placement assistance is provided to graduates and students at no additional charge. Upon graduation, the student's name is recorded in the student registrar and the process of follow-up begins. When students take the licensing examination, it is recorded as a pass or fail.

Students are encouraged to return for placement assistance by reviewing the listings of salons seeking employees and the requirements, salary, and other pertinent information. Students are sent on interviews and the results of these interviews are recorded in the student register. The school may show prospective students this register upon request. Ivan Contreras or Eduardo Bello will assist students in placements as often as needed; however, the school does not guarantee placement to any student.

LIBRARY RESOURCES:

LIBRARY RESOURCES ConBello Academy has a library resource area in which current magazines , barber and cosmetology reference textbooks and workbooks are maintained. These are the exact copies (Milady's) books consist of the same material used in our curriculum to teach in the course of barber and cosmetology programs and also given to a student in barber or cosmetology kit and materials. In a scenario that a student does not have their textbook the facility will provide extra copies for students to have access located on a bookshelf . Most of these materials can be checked out overnight. Your barber or cosmetology instructor is in charge of this. These extra books will enforce the student not to miss important information given by the curriculum lesson for the day for both cosmetology or barber programs. It will also benefit students to access further information in a subject they feel the need to enhance more and embodies the principles of 'learner agency' – students having the independence to choose their own reading, and to find resources that help them develop their interests and strengths at their own pace.

SATISFACTORY ACADEMIC PROGRESS POLICY (SAP) The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at Bello's Barber Beauty College. It is printed in our catalog and on our website to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

1. Students are required to attend a minimum of 67% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 67% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

2. Students that are attending the course programs who have more than 2 weeks (14 calendar days) of consecutive absences will be dismissed. This standard shall apply to all students except those on a medical approved Leaveof-Absence (see LOA policy). Students who expect to be absent 14 or more days will be dismissed and need to contact the F.A. office. In addition to attendance standards relating to Satisfactory Academic Progress (SAP), students are also required to adhere to certain other general institutional policies relating to attendance and tardiness. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 67% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed. These policies are outlined elsewhere in this catalog School Rules pages 11-12'.

3. Complete the course within one and one-half (1-1/2) times the length of the course as defined in the enrollment agreement. For example, if the student has contracted to complete the course within 40 weeks, he or she must complete within 60 weeks. Students that do not complete their course of study within the 150% time frame will be dismissed.

4. Students must meet minimum academic (70%) and attendance (67%) requirements at the end of each

payment period of the course to be considered as meeting satisfactory progress until the next evaluation period.

5. All students will be provided a hard copy of their completed SAP evaluation form at the conclusion of their SAP counseling.

EVALUATION PERIODS: Evaluations will be performed for all students based on the US Department of Education Regulations and definition of an Academic Year and will be performed at: Barber: PP (1) 250 hours & 7 calendar weeks & PP (2) 500 hours & 14 calendar weeks, PP (3) 750 hours & 21 calendar weeks and PP (4) 1000 hours & 25 calendar weeks. Based on Full-time enrollment Cosmetology: PP (1) 250 hours & 7 calendar weeks & PP (2) 500 hours & 14 calendar weeks, PP (3) 750 hours & 21 calendar weeks and PP (4) 1000 hours & 25 calendar weeks.

Based on Full-time enrollment

WARNING: Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds. At this time the student will be told of the steps to take to initiate an appeal process.

(32) PROBATION: Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS: Students may re-establish satisfactory academic progress by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

TRANSFER HOURS: Transfer hours from another institution that are accepted towards your current educational program will not impact your current SAP as they are counted as both attempted and completed hours for the purpose of determining when the allowable maximum time-frame has been exhausted. SAP evaluation periods are based on actual contracted hours of the institution. ConBello Academy has not entered into an articulation or transfer agreement with any other college or university.

INTERRUPTIONS, COURSE IN-COMPLETES, WITHDRAWALS: Course in-completes, repetitions and non-credit remedial courses have no effect upon the student's satisfactory academic progress. If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

NON-CREDIT, REMEDIAL COURSES, REPETITIONS: Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

(33) LEAVE OF ABSENCE: There may be times when a student may experience personal, medical, or other problems which will make it difficult for them to attend classes for a period that extends beyond 14 days. In such case, the school may allow a student to take a LOA (Leave of Absence) from the program. A student requesting a LOA are required to apply in advance in writing, and must include the reason for the request, an include the student's signature. A student is required to apply in advance for an LOA unless unforeseen circumstances prevent the student from doing so. For example, if a student were injured in a car accident and needed a few weeks to recover before returning to school, the student would not have been able to request the LOA in advance. Because of the situation, the school may grant a LOA to the student who did not provide the request prior to the LOA due to "unforeseen circumstances", if the school documents the reason for its decision and collects the request from the student at a later date. In this example, the beginning date of the approved LOA would be determined by the school to be the first date the student was unable to attend the school because of the accident.

The start and end date of LOA must be included in the written request. There must be a reasonable expectation that the student will return from the given LOA. The school's administration will review and determine the requested LOA for approval. A leave of absence may be granted for up to 180 days within a 12 month period. These 12 months initiate from the first day the student goes on the first leave. ***Students will not be assessed additional tuition charges while on their leave of absence.*** Students returning from an authorized LOA, the student must report to the school administration.

The school must extend the students contract period and maximum time frame period by the same number of calendar days taken in the LOA.
