## "STUDENT'S RIGHT TO CANCEL" - INSTITUTIONAL REFUND/DROP POLICY

This is a state mandated policy following the Bureau for Private Postsecondary Education Code of Regulation 71750. This policy applies to all students and programs.

- ① Any monies due the student shall be refunded within 30 days of official cancellation or withdrawal. Official cancellation or withdrawal shall occur on the earlier of the dates that:
  - a. A student is not accepted by the school. This student shall be entitled to a refund of all monies paid to the school except a non-refundable application fee of \$25.00.
  - b. A student (or in the case of a student under legal age, his/her parent or guardian) cancels his/her enrollment agreement and demands his/her money back in writing, through attendance of the first day of class or the seventh (7) calendar day of signing the enrollment agreement, whichever is later. In this case all monies collected by the school shall be refunded except a non-refundable application fee. This policy applies regardless of whether or not the student has actually started training.
  - c. A student who cancels his/her enrollment agreement through attendance of the first day of class or the seventh (7) calendar day of signing the enrollment agreement is entitled to a refund of all monies paid to the school less an application fee of \$25.00.
  - d. A student notifies the institution of his/her official withdrawal in writing.
  - e. A student is expelled by the institution.
  - f. For official cancellations as defined in paragraphs b, c, d, or e, the cancellation date will be determined by the postmark on written notification at the following address: *Paul Mitchell The School Costa Mesa, 3309 Hyland Avenue, Suite J, Costa Mesa, CA 92626*, or by the date said information is delivered to the school administrator/owner in person. Written cancellations need not take any particular form.
  - g. Monies paid for student kits are refundable.
  - h. A student' on a leave of absence date of withdrawal determination shall be the earlier of the scheduled date of return from the leave of absence or the date the student notifies the school that the student will not be returning.
- ② You have the right to cancel your enrollment agreement and obtain a refund of charges paid through attendance of the first day of class or the seventh (7) calendar day of signing the enrollment agreement, whichever is later. **YOU MUST CANCEL IN WRITING.** Students do not have the right to cancel by telephoning the school or by not coming to class.
- ③ Any monies due a student who unofficially withdraws from the institution shall be refunded within 45 days of a determination by the institution that the student has withdrawn without notifying the institution. Unofficial withdrawals are monitored every 15 days and a determination is made to withdraw a student who has been absent from school for 14 or more consecutive calendar days; the withdrawal date that will be used in this calculation is the student's actual last date of attendance.
- ④ When situations of mitigating circumstances are in evidence, such as serious illness, a disabling accident, or death in the immediate family, the school may make a settlement that is reasonable and fair to both parties.
- ⑤ All extra costs, such as books, equipment, graduation fees, application fee, rentals, and other such charges, are not considered in the tuition adjustment computation if the charges are itemized separately in the enrollment agreement.
- ⑥ Monies paid for supplies and equipment are refundable through attendance of the first day of class or the seventh (7) calendar day of signing the enrollment agreement, whichever is later.

- 7 If a course and/or program is cancelled subsequent to a student's enrollment, and before instruction in the course and/or program has begun, the school shall either provide a full refund of all monies paid or provide completion of the course and/or program.
- 8 If a course and/or program is cancelled and ceases to offer instruction after the student has enrolled and instruction has begun, the school shall either provide a full refund of all monies paid or provide completion of the course and/or program.
- 9 A student's account may be sent to collections for nonpayment.
- 10 If an institution closes or discontinues a program prior to the completion of the contracted services, the institution shall provide a pro-rata refund only if the Bureau determines the school made provisions for students enrolled at the time of default to complete a comparable educational program at another institution at no additional charge to the student beyond the amount of the total charges in the original enrollment agreement. If the institution does not make that provision, the institution shall provide students a full refund of all institutional charges.
- 11 A student is entitled to a refund of monies not paid from federal student aid program funds.

Students are responsible for the amount owed. If a student obtains a student loan, he/she is responsible for repaying the loan amount, plus interest, less the amount of any refund. The institution shall also provide a pro rata refund of non-federal student financial aid program monies paid for institutional charges to students who have completed 60 percent or less of the period of attendance.

If you are eligible for a loan guaranteed by the federal or state government and you default on the loan, both of the following may occur:

- 1 The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.

  - b. A student (or in the case of a student under legal age, their parent or guardian) cancels the enrollment agreement and demands his/her money back in writing, through attendance of the first day of class or the seventh (7) calendar day of signing the enrollment agreement, whichever is later. In this case all monies collected by the school shall be refunded except a non-refundable application fee. This policy applies regardless of whether or not the student has actually started training.
  - c. A student who cancels the enrollment agreement through attendance of the first day of class or the seventh (7) calendar day of signing the enrollment agreement is entitled to a refund of all monies paid to the school less an application fee of \$25.00.
  - d. A student notifies the institution of his/her official withdrawal in writing.
  - e. A student is expelled by the institution.
  - f. For official cancellations as defined in paragraphs b, c, d, or e, the cancellation date will be determined by the postmark on written notification at the following address: *Paul Mitchell The School San Diego 410 A St., San Diego, CA 92101*, or by the date said information is delivered to the school administrator/owner in person. Written cancellations need not take any particular form.
  - g. Monies paid for student kits are non-refundable after cancellation period.
  - h. A student' on a leave of absence date of withdrawal determination shall be the earlier of the scheduled date of return from the leave of absence or the date the student notifies the school that the student will not be returning.

- ③ Any monies due a student who unofficially withdraws from the institution shall be refunded within 45 days of a determination by the institution that the student has withdrawn without notifying the institution. Unofficial withdrawals are monitored every 15 days and a determination is made to withdraw a student who has been absent from school for 14 or more consecutive calendar days; the withdrawal date that will be used in this calculation is the student's actual last date of attendance.
- ④ When situations of mitigating circumstances are in evidence, such as serious illness, a disabling accident, or death in the immediate family, the school may make a settlement that is reasonable and fair to both parties.
- ⑤ All extra costs, such as books, equipment, graduation fees, application fee, rentals, and other such charges, are not considered in the tuition adjustment computation if the charges are itemized separately in the enrollment contract.
- ⑥ Monies paid for supplies and equipment are non-refundable after cancellation period.

- 7 If a course and/or program is cancelled subsequent to a student's enrollment, and before instruction in the course and/or program has begun, the school shall either provide a full refund of all monies paid or provide completion of the course and/or program.
- 8 If a course and/or program is cancelled and ceases to offer instruction after the student has enrolled and instruction has begun, the school shall either provide a full refund of all monies paid or provide completion of the course and/or program.

If the institution does not make that provision, the institution shall provide students a full refund of all institutional charges.
- 11 A student is entitled to a refund of monies not paid from federal student aid program funds.

The institution shall also provide a pro rata refund of non-federal student financial aid program monies paid for institutional charges to students who have completed 60 percent or less of the period of attendance.

If you are eligible for a loan guaranteed by the federal or state government and you default on the loan, both of the following may occur:
