Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who canceled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- "First Available Exam Date" is the date for the first available exam after a student completed a program.
 - "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
 - "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
 - "Salary" is as reported by graduate or graduate's employer.
 - "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

Student's right to cancel: An initial deposit is required prior to contracting. All funds paid will be returned if the student is rejected for enrollment. You have the right to cancel the agreement for a course of instruction, including any equipment such as books, materials and supplies or any other goods related to the instruction included in this agreement, until the end of the first class session, or the seventh day after enrollment, whichever is later. All monies paid designated for tuition will be refunded less the processing fee if the contract is cancelled within this timeframe. The date by which you must cancel this contract and receive a refund of all monies paid designated for tuition less the processing fee will be stated on your enrollment agreement.

NOTE: *If a student withdraws, federal regulations may require that federal funds used to cover institutional expenses be returned to their respective program sources. Balances of unpaid charges are the responsibility of the student. If the student defaults on a loan guaranteed by the federal or state government, both the following may occur: The federal or state government or loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. The student may not be eligible for any other government financial assistance at another institution until the loan is repaid.*

Cancellation Procedure: Shall occur when you give written notice of cancellation at the institution's address. You can do this by mail, hand delivery, or telegram. The written notice of cancellation, if sent by mail, is effective when it is deposited in the mail properly addressed with prepaid postage (postmarked). The written notice of cancellation need not take any particular form, however expressed; it is effective if it shows that you no longer wish to be bound by the enrollment agreement. You can use any written notice that you may wish. You do not cancel the contract by just not attending classes.

Equipment Policy: If the school has given you any equipment which was stated as returnable when it was issued, you must return it to the school within 30 days following the date of your notice of cancellation or last date of attendance if no notice is given. If you fail to return this equipment, in as issued condition within the 30-day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Beauty supplies, smocks and equipment are not returnable items due to sanitary reasons. Once you have received beauty equipment, its cost is charged to your account. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee, tuition and equipment received.

Refund Policy: The School's cancellation, withdrawal and refund policy complies with the California Private Postsecondary Education Act of 2009 Article 13 Section 94919 and the NACCAS Withdrawal and Settlement Policy. After the cancellation period, the institution provides a pro rata refund of nonfederal student financial aid program moneys paid for tuition charges to students who have completed 60 percent or less of the period of attendance. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid programs. Once more than 60 percent of the scheduled attendance has incurred, there will be no refund to the student. The \$100.00 registration fee is a non-refundable item. Equipment will be refunded in accordance with the Equipment Policy. Once received by the student it will belong to the student and will represent a liability to the student. The Schools Refund Policy applies to all terminations for any reason, by either party, including student decision, program cancellation, or school closure. If the school closes before you graduate, you may be entitled to a refund. Contact the address and phone number below for information.

If you have any complaints, questions, or problems which you cannot work out with the school, write or call the Bureau for Private Postsecondary Education at the address or phone number listed below. Read the Notice of Cancellation form for an explanation of your "Cancellation rights and responsibilities". Bureau for Private Postsecondary Education, 1747 N. Marketing Blvd Ste 225, Sacramento, CA 95834, PO Box 980818, West Sacramento, CA 95798-0818, Phone: 1(888) 370-7589 Fax: (916) 263-1897 www.bppe.ca.gov. The School maintains evidence that institutional refunds are received by the recipient in a timely manner, such as a cancelled check, signed receipt of delivery, or documentation that funds were disposed of in accordance with applicable federal or state regulations.

Withdrawal from course: you have the right to withdraw from a course of instruction at any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, which is until the end of the first class session, or the seventh day after enrollment, whichever is later, the school will remit a refund within 45 days following your official cancellation or withdrawal. You are obligated to pay only for educational services rendered and equipment issued. The refund shall be the amount you paid for instruction multiplied by a fraction, the numerator of which is the number of hours of instruction which you have not received but for which you have paid, and the denominator of which is the total number of hours of instruction for which you have paid. If you obtain equipment as specified in the agreement as a separate charge and return it in accordance with the Equipment Policy, the school shall refund the charge to you. If you fail to return the equipment in good condition within the 30-day period, the school may offset against the refund the documented cost to the school of that equipment. You shall be liable for the amount, if any, by which the documented cost for equipment exceeds the prorated refund amount. The documented cost of the equipment may be less than the amount the school has charged in the contract. For a list of these charges, see addendum agreement. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official or unofficial withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange to pay it. The official withdrawal date is the last day the student attended and will reflect on the student's notification or school's determination on the Return to Title IV calculations.

Hypothetical refund example according to the California State pro rata policy: Assume that a student, upon enrollment in a 1,600-hour course, pays \$6,800.00 for tuition, \$75.00 for registration, and \$525.00, (documented cost to the school) for equipment as specified in the enrollment agreement and withdraws after 600 hours of scheduled attendance (this includes class days not attended by the student) without returning (in accordance with the Equipment Policy) the equipment they obtained. The pro rata refund to the student would be \$4,250.00 based on the calculation stated below. If the student returns the equipment (if it was returnable) in as issued condition within 30 days following his/her withdrawal, the school would refund the charge for the equipment returned.

Total paid	\$7,400.
Less processing fee (not refundable)	75.
Less cost of unreturnable equipment	525.
Equals amount paid for instruction	\$6,800.

Tuition cost	\$6,800.00
Hours in the course	1,600
Hourly charge	4.25

Paid for instruction	\$6,800.
Hours attended	600
Tuition owed 600 x \$4.25	\$2,550.
Refund due	\$4,250.

Additional VA Refund requirements: This school has and maintains a policy for the refund of the unused portion of tuition, fees and other charges in the event the veteran or eligible person fails to enter the course or withdraws or is discontinued therefrom at any time prior to completion. The amount charged to the veteran or eligible person for tuition, fees and other charges does not exceed the approximate pro-rata portion of the total charges for tuition, fees and other charges, that the length of the completed portion of the course should bear to its total length

Note: The maximum non-refundable registration fee allowed by VA is \$10.00 for non-accredited courses.

****The cancellation, withdrawal and refund rights are also present in the enrollment agreement and signed by the student upon enrollment.***

Official Withdrawal Process: If a student wishes to withdraw from school, they must notify the Director of the school. The notification may be in writing or orally. The date the notification is received is the date of determination. The Director must begin the withdrawal process.

For unofficial withdrawals, a student's withdrawal date at a school that is required to take attendance is their last day of physical attendance. Their date of determination is 14 days after they cease attendance

The federal formula requires a Return of Title IV calculation if the student received or could have received (based on eligibility criteria) federal financial assistance in the form of Pell Grants, Direct Loans or Direct PLUS Loans, FSEOG, TEACH, and Iraq Afghanistan Service Grants (IASG) during the payment period. The percentage of Title IV aid earned is equal to the percentage of the payment period that was completed as of the withdrawal date if this occurs on or before the 60% point of time. After the 60% point of the payment period (or period of enrollment depending on what your school uses) the student is considered to have earned 100% of the aid for the period. The percentage that has not been earned is calculated by subtracting the percentage of Title IV aid earned from 100%.

The percentage of the payment period completed is calculated by the hours scheduled in the payment period as of the withdrawal date divided by the scheduled hours in the payment period.

The amount to be returned is calculated by subtracting the amount of Title IV assistance earned from the amount of Title IV aid that was or could have been disbursed as of the withdrawal date.

If a credit balance still exists on the student's account after the R2T4 and institutional refund calculations are done, that credit balance must be used to pay any grant overpayment that exists based on the current withdrawal within 14 days from the date that the R2T4 (calculation was performed. The overpayment must be eliminated prior to offering a credit balance to a student.

The following Title IV return distribution is used for all FSA students.

1. Unsubsidized Direct Loan
2. Subsidized Direct Loan
3. Direct PLUS Loan (Parent)
4. Federal Pell Grant
5. Iraq Afghanistan Service Grant

Returns must be made as soon as possible to the federal programs but no later than 45 days after the date of determination. The law requires that a student is responsible for all unearned Title IV program assistance that the school is not required to return. This is determined by subtracting the amount returned by the school from the total amount of unearned Title IV funds to be returned.

Determination of withdrawal from school: The withdrawal date shall be the last date of recorded attendance. The student would be determined to have withdrawn from school on the earliest of:

The date you notify the school administration of your intent to withdraw. Only administration is authorized to accept a notification of intent to withdraw.
<p>Termination by Institution</p> <p>Termination Policy-Termination of a student is defined as no longer receiving credit, either by voluntary withdraw, dismissal by the school as disciplinary action or failure to meet school regulations and financial requirements.</p> <p>The following conduct will subject a student to termination:</p> <ol style="list-style-type: none"> 1. Altering or forging timecards. 2. Causing extreme or willful disruption of school. 3. Use of ethnic, racial or sexual slurs, or abusive language toward any client, staff member or fellow student. 4. Committing an obscene act or engaging in vulgarity or profanity. 5. Failure to follow one's own contract with the school. 6. Willfully not following school rules or guidelines. 7. Caused, attempted to cause, or threatened to cause physical injury to another person. 8. Possessed, sold, or furnished any firearm, knife, explosive or other dangerous object. 9. Possessed, used, sold, furnished or been under the influence of any controlled substance, alcoholic beverage or intoxicant. If a staff member suspects a student of being under the influence, they will be subject to testing at the Sacramento Occupational Medical Group. Students are required to report immediately and submit to medical testing. If a student refuses or does not immediately report to the testing facility, the student will be terminated. Students will not be allowed to return to school until the test results have been reviewed by the Administration and a decision is made. 10. Caused or attempted to cause damage to school or private property. 11. Students shall not steal or attempt to steal school or private property. 12. Disrupted school activities or otherwise defied the valid authority of school personnel. 13. Committed or attempted to commit a sexual assault or committed a sexual battery. 14. Students shall not engage in conduct which may be considered discriminatory, retaliatory, or sexual harassment.
The date the school terminates your enrollment due to academic failure or for violation of its rules and policies stated in the catalog.
The date you fail to attend classes for a two-week period and fail to inform the school that you are not withdrawing.
For CA School: If you are absent for a period of 14 consecutive calendar days and not on an approved LOA, you will be deemed a withdrawal, even if that was not your intent.
The date you failed to return as scheduled from an approved LOA. The withdrawal date shall be the last date of attendance. The determination date of withdrawal will be the scheduled date of return from LOA.

Collection Policy: Delinquent accounts could be assigned to collection agencies. Collection costs will be added to any outstanding balance. Collection correspondence from third parties attempting to collect debits on The School's behalf will clearly acknowledge the withdrawal and settlement policy. Promissory notes or contracts for tuition are not sold or discounted to third parties.

Graduation Requirements: When a student has completed the required clock hours, theory hours and practical operations for his/her course of study with a GPA (Grade Point Average) of "C" (70%) or better and paid all tuition/fees, (according to your signed Enrollment Agreement) he/she receives a Diploma certifying his/her graduation of the appropriate course of study. The school assists the students in completing the necessary documents to file for the appropriate California State Board Barbering and Cosmetology Examination.

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who canceled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

 - "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

Student's right to cancel: An initial deposit is required prior to contracting. All funds paid will be returned if the student is rejected for enrollment. You have the right to cancel the agreement for a course of instruction, including any equipment such as books, materials and supplies or any other goods related to the instruction included in this agreement, until the end of the first class session, or the seventh day after enrollment, whichever is later. All monies paid designated for tuition will be refunded less the processing fee if the contract is cancelled within this timeframe. The date by which you must cancel this contract and receive a refund of all monies paid designated for tuition less the processing fee will be stated on your enrollment agreement.

NOTE: *If a student withdraws, federal regulations may require that federal funds used to cover institutional expenses be returned to their respective program sources. Balances of unpaid charges are the responsibility of the student. If the student defaults on a loan guaranteed by the federal or state government, both the following may occur: The federal or state government or loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. The student may not be eligible for any other government financial assistance at another institution until the loan is repaid.*

Cancellation Procedure: Shall occur when you give written notice of cancellation at the institution's address.

You can do this by mail, hand delivery, or telegram. The written notice of cancellation, if sent by mail, is effective when it is deposited in the mail properly addressed with prepaid postage (postmarked). The written notice of cancellation need not take any particular form, however expressed; it is effective if it shows that you no longer wish to be bound by the enrollment agreement. You can use any written notice that you may wish. You do not cancel the contract by just not attending classes.

Equipment Policy: If the school has given you any equipment which was stated as returnable when it was issued, you must return it to the school within 30 days following the date of your notice of cancellation or last date of attendance if no notice is given. If you fail to return this equipment, in as issued condition within the 30-day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Beauty supplies, smocks and equipment are not returnable items due to sanitary reasons. Once you have received beauty equipment, its cost is charged to your account. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee, tuition and equipment received.

Refund Policy: The School's cancellation, withdrawal and refund policy complies with the California Private Postsecondary Education Act of 2009 Article 13 Section 94919 and the NACCAS Withdrawal and Settlement Policy. After the cancellation period, the institution provides a pro rata refund of nonfederal student financial aid program moneys paid for tuition charges to students who have completed 60 percent or less of the period of attendance. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid programs. Once more than 60 percent of the scheduled attendance has incurred, there will be no refund to the student. The \$100.00 registration fee is a non-refundable item. Equipment will be refunded in accordance with the Equipment Policy. Once received by the student it will belong to the student and will represent a liability to the student. The Schools Refund Policy applies to all terminations for any reason, by either party, including student decision, program cancellation, or school closure. If the school closes before you graduate, you may be entitled to a refund. Contact the address and phone number below for information. If you have any complaints, questions, or

problems which you cannot work out with the school, write or call the Bureau for Private Postsecondary Education at the address or phone number listed below. Read the Notice of Cancellation form for an explanation of your "Cancellation rights and responsibilities". Bureau for Private Postsecondary Education, 1747 N. Marketing Blvd Ste 225, Sacramento, CA 95834, PO Box 980818, West Sacramento, CA 95798-0818, Phone: 1(888) 370-7589 Fax: (916) 263-1897 www.bppe.ca.gov. The School maintains evidence that institutional refunds are received by the recipient in a timely manner, such as a cancelled check, signed receipt of delivery, or documentation that funds were disposed of in accordance with applicable federal or state regulations.

Withdrawal from course: you have the right to withdraw from a course of instruction at any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, which is until the end of the first class session, or the seventh day after enrollment, whichever is later, the school will remit a refund within 45 days following your official cancellation or withdrawal. You are obligated to pay only for educational services rendered and equipment issued. The refund shall be the amount you paid for instruction multiplied by a fraction, the numerator of which is the number of hours of instruction which you have not received but for which you have paid, and the denominator of which is the total number of hours of instruction for which you have paid. If you obtain equipment as specified in the agreement as a separate charge and return it in accordance with the Equipment Policy, the school shall refund the charge to you. If you fail to return the equipment in good condition within the 30-day period, the school may offset against the refund the documented cost to the school of that equipment. You shall be liable for the amount, if any, by which the documented cost for equipment exceeds the prorated refund amount. The documented cost of the equipment may be less than the amount the school has charged in the contract. For a list of these charges, see addendum agreement. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official or unofficial withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange to pay it. The official withdrawal date is the last day the student attended and will reflect on the student's notification or school's determination on the Return to Title IV calculations.

Hypothetical refund example according to the California State pro rata policy: Assume that a student, upon enrollment in a 1,600-hour course, pays \$6,800.00 for tuition, \$75.00 for registration, and \$525.00, (documented cost to the school) for equipment as specified in the enrollment agreement and withdraws after 600 hours of scheduled attendance (this includes class days not attended by the student) without returning (in accordance with the Equipment Policy) the equipment they obtained. The pro rata refund to the student would be \$4,250.00 based on the calculation stated below. If the student returns the equipment (if it was returnable) in as issued condition within 30 days following his/her withdrawal, the school would refund the charge for the equipment returned.

Total paid	\$7,400.
Less processing fee (not refundable)	75.
Less cost of unreturnable equipment	525.
Equals amount paid for instruction	\$6,800.

Tuition cost	\$6,800.00
Hours in the course	1,600
Hourly charge	4.25

Paid for instruction	\$6,800.
Hours attended	600
Tuition owed 600 x \$4.25	\$2,550.
Refund due	\$4,250.

Additional VA Refund requirements: This school has and maintains a policy for the refund of the unused portion of tuition, fees and other charges in the event the veteran or eligible person fails to enter the course or withdraws or is discontinued therefrom at any time prior to completion. The amount charged to the veteran or eligible person for tuition, fees and other charges does not exceed the approximate pro-rata portion of the total charges for tuition, fees and other charges, that the length of the completed portion of the course should bear to its total length

Note: The maximum non-refundable registration fee allowed by VA is \$10.00 for non-accredited courses.

****The cancellation, withdrawal and refund rights are also present in the enrollment agreement and signed by the student upon enrollment.***

Official Withdrawal Process: If a student wishes to withdraw from school, they must notify the Director of the school. The notification may be in writing or orally. The date the notification is received is the date of determination. The Director must begin the withdrawal process.

For unofficial withdrawals, a student's withdrawal date at a school that is required to take attendance is their last day of physical attendance. Their date of determination is 14 days after they cease attendance

The federal formula requires a Return of Title IV calculation if the student received or could have received (based on eligibility criteria) federal financial assistance in the form of Pell Grants, Direct Loans or Direct PLUS Loans, FSEOG, TEACH, and Iraq Afghanistan Service Grants (IASG) during the payment period. The percentage of Title IV aid earned is equal to the percentage of the payment period that was completed as of the withdrawal date if this occurs on or before the 60% point of time. After the 60% point of the payment period (or period of enrollment depending on what your school uses) the student is considered to have earned 100% of the aid for the period. The percentage that has not been earned is calculated by subtracting the percentage of Title IV aid earned from 100%.

The percentage of the payment period completed is calculated by the hours scheduled in the payment period as of the withdrawal date divided by the scheduled hours in the payment period.

The amount to be returned is calculated by subtracting the amount of Title IV assistance earned from the amount of Title IV aid that was or could have been disbursed as of the withdrawal date.

If a credit balance still exists on the student's account after the R2T4 and institutional refund calculations are done, that credit balance must be used to pay any grant overpayment that exists based on the current withdrawal within 14 days from the date that the R2T4 (calculation was performed). The overpayment must be eliminated prior to offering a credit balance to a student.

The following Title IV return distribution is used for all FSA students.

1. Unsubsidized Direct Loan
2. Subsidized Direct Loan
3. Direct PLUS Loan (Parent)
4. Federal Pell Grant
5. Iraq Afghanistan Service Grant

Returns must be made as soon as possible to the federal programs but no later than 45 days after the date of determination. The law requires that a student is responsible for all unearned Title IV program assistance that the school is not required to return. This is determined by subtracting the amount returned by the school from the total amount of unearned Title IV funds to be returned.

Determination of withdrawal from school: The withdrawal date shall be the last date of recorded attendance. The student would be determined to have withdrawn from school on the earliest of:

The date you notify the school administration of your intent to withdraw. Only administration is authorized to accept a notification of intent to withdraw.
<p>Termination by Institution</p> <p>Termination Policy-Termination of a student is defined as no longer receiving credit, either by voluntary withdraw, dismissal by the school as disciplinary action or failure to meet school regulations and financial requirements.</p> <p>The following conduct will subject a student to termination:</p> <ol style="list-style-type: none"> 1. Altering or forging timecards. 2. Causing extreme or willful disruption of school. 3. Use of ethnic, racial or sexual slurs, or abusive language toward any client, staff member or fellow student. 4. Committing an obscene act or engaging in vulgarity or profanity. 5. Failure to follow one's own contract with the school. 6. Willfully not following school rules or guidelines. 7. Caused, attempted to cause, or threatened to cause physical injury to another person. 8. Possessed, sold, or furnished any firearm, knife, explosive or other dangerous object. 9. Possessed, used, sold, furnished or been under the influence of any controlled substance, alcoholic beverage or intoxicant. If a staff member suspects a student of being under the influence, they will be subject to testing at the Sacramento Occupational Medical Group. Students are required to report immediately and submit to medical testing. If a student refuses or does not immediately report to the testing facility, the student will be terminated. Students will not be allowed to return to school until the test results have been reviewed by the Administration and a decision is made. 10. Caused or attempted to cause damage to school or private property. 11. Students shall not steal or attempt to steal school or private property. 12. Disrupted school activities or otherwise defied the valid authority of school personnel. 13. Committed or attempted to commit a sexual assault or committed a sexual battery. 14. Students shall not engage in conduct which may be considered discriminatory, retaliatory, or sexual harassment.
The date the school terminates your enrollment due to academic failure or for violation of its rules and policies stated in the catalog.
The date you fail to attend classes for a two-week period and fail to inform the school that you are not withdrawing.
For CA School: If you are absent for a period of 14 consecutive calendar days and not on an approved LOA, you will be deemed a withdrawal, even if that was not your intent.
The date you failed to return as scheduled from an approved LOA. The withdrawal date shall be the last date of attendance. The determination date of withdrawal will be the scheduled date of return from LOA.

Collection Policy: Delinquent accounts could be assigned to collection agencies. Collection costs will be added to any outstanding balance. Collection correspondence from third parties attempting to collect debits on The School's behalf will clearly acknowledge the withdrawal and settlement policy. Promissory notes or contracts for tuition are not sold or discounted to third parties.

Graduation Requirements: When a student has completed the required clock hours, theory hours and practical operations for his/her course of study with a GPA (Grade Point Average) of "C" (70%) or better and paid all tuition/fees, (according to your signed Enrollment Agreement) he/she receives a Diploma certifying his/her graduation of the appropriate course of study. The school assists the students in completing the necessary documents to file for the appropriate California State Board Barbering and Cosmetology Examination.

The documented cost of the equipment may be less than the amount the school has charged in the contract. For a list of these charges, see addendum agreement. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official or unofficial withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange to pay it. The official withdrawal date is the last day the student attended and will reflect on the student's notification or school's determination on the Return to Title IV calculations.

Hypothetical refund example according to the California State pro rata policy: Assume that a student, upon enrollment in a 1,600-hour course, pays \$6,800.00 for tuition, \$75.00 for registration, and \$525.00, (documented cost to the school) for equipment as specified in the enrollment agreement and withdraws after 600 hours of scheduled attendance (this includes class days not attended by the student) without returning (in accordance with the Equipment Policy) the equipment they obtained. The pro rata refund to the student would be \$4,250.00 based on the calculation stated below. If the student returns the equipment (if it was returnable) in as issued condition within 30 days following his/her withdrawal, the school would refund the charge for the equipment returned.

Total paid	\$7,400.
Less processing fee (not refundable)	75.
Less cost of unreturnable equipment	525.
Equals amount paid for instruction	\$6,800.

Tuition cost	\$6,800.00
Hours in the course	1,600
Hourly charge	4.25

Paid for instruction	\$6,800.
Hours attended	600
Tuition owed 600 x \$4.25	\$2,550.
Refund due	\$4,250.

Additional VA Refund requirements: This school has and maintains a policy for the refund of the unused portion of tuition, fees and other charges in the event the veteran or eligible person fails to enter the course or withdraws or is discontinued therefrom at any time prior to completion. The amount charged to the veteran or eligible person for tuition, fees and other charges does not exceed the approximate pro-rata portion of the total charges for tuition, fees and other charges, that the length of the completed portion of the course should bear to its total length.

Note: The maximum non-refundable registration fee allowed by VA is \$10.00 for non-accredited courses.

**The cancellation, withdrawal and refund rights are also present in the enrollment agreement and signed by the student upon enrollment.*

Official Withdrawal Process: If a student wishes to withdraw from school, they must notify the Director of the school. The notification may be in writing or orally. The date the notification is received is the date of determination. The Director must begin the withdrawal process.

For unofficial withdrawals a student's withdrawal date at a school that is required to take attendance is their last day of physical attendance. Their date of determination is 14 days after they cease attendance.

The federal formula requires a Return of Title IV calculation if the student received or could have received (based on eligibility criteria) federal financial assistance in the form of Pell Grants, Direct Loans or Direct PLUS Loans, FSEOG, TEACH, and Iraq Afghanistan Service Grants (IASG) during the payment period. The percentage of Title IV aid earned is equal to the percentage of the payment period that was completed as of the withdrawal date if this occurs on or before the 60% point of time. After the 60% point of the payment period (or period of enrollment depending on what your school uses) the student is considered to have earned 100% of the aid for the period. The percentage that has not been earned is calculated by subtracting the percentage of Title IV aid earned from 100%.

The percentage of the payment period completed is calculated by the hours scheduled in the payment period as of the withdrawal date divided by the scheduled hours in the payment period.

The amount to be returned is calculated by subtracting the amount of Title IV assistance earned from the amount of Title IV aid that was or could have been disbursed as of the withdrawal date.

If a credit balance still exists on the student's account after the R2T4 and institutional refund calculations are done, that credit balance must be used to pay any grant overpayment that exists based on the current withdrawal within 14 days from the date that the R2T4 (calculation was performed). The overpayment must be eliminated prior to offering a credit balance to a student.

The following Title IV return distribution is used for all FSA students.

1. Unsubsidized Direct Loan
2. Subsidized Direct Loan
3. Direct PLUS Loan (Parent)
4. Federal Pell Grant
5. Iraq Afghanistan Service Grant

Returns must be made as soon as possible to the federal programs but no later than 45 days after the date of determination. The law requires that a student is responsible for all unearned Title IV program assistance that the school is not required to return. This is determined by subtracting the amount returned by the school from the total amount of unearned Title IV funds to be returned.

Determination of withdrawal from school: The withdrawal date shall be the last date of recorded attendance. The student would be determined to have withdrawn from school on the earliest of:

The date you notify the school administration of your intent to withdraw. Only administration is authorized to accept a notification of intent to withdraw.
<p>Termination by Institution</p> <p>Termination Policy-Termination of a student is defined as no longer receiving credit, either by voluntary withdraw, dismissal by the school as disciplinary action or failure to meet school regulations and financial requirements.</p> <p>The following conduct will subject a student to termination:</p> <ol style="list-style-type: none"> 1. Altering or forging timecards. 2. Causing extreme or willful disruption of school. 3. Use of ethnic, racial or sexual slurs, or abusive language toward any client, staff member or fellow student. 4. Committing an obscene act or engaging in vulgarity or profanity. 5. Failure to follow one's own contract with the school. 6. Willfully not following school rules or guidelines. 7. Caused, attempted to cause, or threatened to cause physical injury to another person. 8. Possessed, sold, or furnished any firearm, knife, explosive or other dangerous object. 9. Possessed, used, sold, furnished or been under the influence of any controlled substance, alcoholic beverage or intoxicant. If a staff member suspects a student of being under the influence, they will be subject to testing at the Sacramento Occupational Medical Group. Students are required to report immediately and submit to medical testing. If a student refuses or does not immediately report to the testing facility, the student will be terminated. Students will not be allowed to return to school until the test results have been reviewed by the Administration and a decision is made. 10. Caused or attempted to cause damage to school or private property. 11. Students shall not steal or attempt to steal school or private property. 12. Disrupted school activities or otherwise defied the valid authority of school personnel. 13. Committed or attempted to commit a sexual assault or committed a sexual battery. 14. Students shall not engage in conduct which may be considered discriminatory, retaliatory, or sexual harassment.
The date the school terminates your enrollment due to academic failure or for violation of its rules and policies stated in the catalog.
The date you fail to attend classes for a two-week period and fail to inform the school that you are not withdrawing.
For CA School: If you are absent for a period of 14 consecutive calendar days and not on an approved LOA, you will be deemed a withdrawal, even if that was not your intent.
The date you failed to return as scheduled from an approved LOA. The withdrawal date shall be the last date of attendance. The determination date of withdrawal will be the scheduled date of return from LOA.

Collection Policy: Delinquent accounts could be assigned to collection agencies. Collection costs will be added to any outstanding balance. Collection correspondence from third parties attempting to collect debits on The School's behalf will clearly acknowledge the withdrawal and settlement policy. Promissory notes or contracts for tuition are not sold or discounted to third parties.

Graduation Requirements: When a student has completed the required clock hours, theory hours and practical operations for his/her course of study with a GPA (Grade Point Average) of "C" (70%) or better and paid all tuition/fees, (according to your signed Enrollment Agreement) he/she receives a Diploma certifying his/her graduation of the appropriate course of study. The school assists the students in completing the necessary documents to file for the appropriate California State Board Barbering and Cosmetology Examination.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who canceled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

STUDENT'S RIGHT TO CANCEL

Student's right to cancel:An initial deposit is required prior to contracting. All funds paid will be returned if the student is rejected for enrollment. You have the right to cancel the agreement for a course of instruction, including any equipment such as books, materials and supplies or any other goods related to the instruction included in this agreement, until the end of the first class session, or the seventh day after enrollment, whichever is later. All monies paid designated for tuition will be refunded less the processing fee if the contract is cancelled within this timeframe. The date by which you must cancel this contract and receive a refund of all monies paid designated for tuition less the processing fee will be stated on your enrollment agreement.

NOTE: *If a student withdraws, federal regulations may require that federal funds used to cover institutional expenses be returned to their respective program sources. Balances of unpaid charges are the responsibility of the student. If the student defaults on a loan guaranteed by the federal or state government, both the following may occur: The federal or state government or loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. The student may not be eligible for any other government financial assistance at another institution until the loan is repaid.*

Cancellation Procedure: Shall occur when you give written notice of cancellation at the institution's address.

You can do this by mail, hand delivery, or telegram. The written notice of cancellation, if sent by mail, is effective when it is deposited in the mail properly addressed with prepaid postage (postmarked). The written notice of cancellation need not take any particular form, however expressed; it is effective if it shows that you no longer wish to be bound by the enrollment agreement. You can use any written notice that you may wish. You do not cancel the contract by just not attending classes.

Equipment Policy: If the school has given you any equipment which was stated as returnable when it was issued, you must return it to the school within 30 days following the date of your notice of cancellation or last date of attendance if no notice is given. If you fail to return this equipment, in as issued condition within the 30-day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Beauty supplies, smocks and equipment are not returnable items due to sanitary reasons. Once you have received beauty equipment, its cost is charged to your account. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee, tuition and equipment received.

Refund Policy: The School's cancellation, withdrawal and refund policy complies with the California Private Postsecondary Education Act of 2009 Article 13 Section 94919 and the NACCAS Withdrawal and Settlement Policy. After the cancellation period, the institution provides a pro rata refund of nonfederal student financial aid program moneys paid for tuition charges to students who have completed 60 percent or less of the period of attendance. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid programs. Once more than 60 percent of the scheduled attendance has incurred, there will be no refund to the student. The \$100.00 registration fee is a non-refundable item. Equipment will be refunded in accordance with the Equipment Policy. Once received by the student it will belong to the student and will represent a liability to the student. The Schools Refund Policy applies to all terminations for any reason, by either party, including student decision, program cancellation, or school closure. If the school closes before you graduate, you may be entitled to a refund. Contact the address and phone number below for information. If you have any complaints, questions, or

problems which you cannot work out with the school, write or call the Bureau for Private Postsecondary Education at the address or phone number listed below. Read the Notice of Cancellation form for an explanation of your "Cancellation rights and responsibilities". Bureau for Private Postsecondary Education, 1747 N. Marketing Blvd Ste 225, Sacramento, CA 95834, PO Box 980818, West Sacramento, CA 95798-0818, Phone: 1(888) 370-7589 Fax: (916) 263-1897 www.bppe.ca.gov. The School maintains evidence that institutional refunds are received by the recipient in a timely manner, such as a cancelled check, signed receipt of delivery, or documentation that funds were disposed of in accordance with applicable federal or state regulations.

Withdrawal from course: you have the right to withdraw from a course of instruction at any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, which is until the end of the first class session, or the seventh day after enrollment, whichever is later, the school will remit a refund within 45 days following your official cancellation or withdrawal. You are obligated to pay only for educational services rendered and equipment issued. The refund shall be the amount you paid for instruction multiplied by a fraction, the numerator of which is the number of hours of instruction which you have not received but for which you have paid, and the denominator of which is the total number of hours of instruction for which you have paid. If you obtain equipment as specified in the agreement as a separate charge and return it in accordance with the Equipment Policy, the school shall refund the charge to you. If you fail to return the equipment in good condition within the 30-day period, the school may offset against the refund the documented cost to the school of that equipment. You shall be liable for the amount, if any, by which the documented cost for equipment exceeds the prorated refund amount. The documented cost of the equipment may be less than the amount the school has charged in the contract. For a list of these charges, see addendum agreement. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official or unofficial withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange to pay it. The official withdrawal date is the last day the student attended and will reflect on the student's notification or school's determination on the Return to Title IV calculations.

Hypothetical refund example according to the California State pro rata policy: Assume that a student, upon enrollment in a 1,600-hour course, pays \$6,800.00 for tuition, \$75.00 for registration, and \$525.00, (documented cost to the school) for equipment as specified in the enrollment agreement and withdraws after 600 hours of scheduled attendance (this includes class days not attended by the student) without returning (in accordance with the Equipment Policy) the equipment they obtained. The pro rata refund to the student would be \$4,250.00 based on the calculation stated below. If the student returns the equipment (if it was returnable) in as issued condition within 30 days following his/her withdrawal, the school would refund the charge for the equipment returned.

Total paid	\$7,400.
Less processing fee (not refundable)	75.
Less cost of unreturnable equipment	525.
Equals amount paid for instruction	\$6,800.

Tuition cost	\$6,800.00
Hours in the course	1,600

Additional VA Refund requirements: This school has and maintains a policy for the refund of the unused portion of tuition, fees and other charges in the event the veteran or eligible person fails to enter the course or withdraws or is discontinued therefrom at any time prior to completion. The amount charged to the veteran or eligible person for tuition, fees and other charges does not exceed the approximate pro-rata portion of the total charges for tuition, fees and other charges, that the length of the completed portion of the course should bear to its total length

Note: The maximum non-refundable registration fee allowed by VA is \$10.00 for non-accredited courses.

****The cancellation, withdrawal and refund rights are also present in the enrollment agreement and signed by the student upon enrollment.***

Official Withdrawal Process: If a student wishes to withdraw from school, they must notify the Director of the school. The notification may be in writing or orally. The date the notification is received is the date of determination. The Director must begin the withdrawal process.

For unofficial withdrawals, a student's withdrawal date at a school that is required to take attendance is their last day of physical attendance. Their date of determination is 14 days after they cease attendance

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available foremployment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

-
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
 - “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
 - “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
 - “Salary” is as reported by graduate or graduate’s employer.
 - “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

Student's right to cancel: An initial deposit is required prior to contracting. All funds paid will be returned if the student is rejected for enrollment. You have the right to cancel the agreement for a course of instruction, including any equipment such as books, materials and supplies or any other goods related to the instruction included in this agreement, until the end of the first class session, or the seventh day after enrollment, whichever is later. All monies paid designated for tuition will be refunded less the processing fee if the contract is cancelled within this timeframe.

The date by which you must cancel this contract and receive a refund of all monies paid designated for tuition less the processing fee will be stated on your enrollment agreement.

NOTE: *If a student withdraws, federal regulations may require that federal funds used to cover institutional expenses be returned to their respective program sources. Balances of unpaid charges are the responsibility of the student. If the student defaults on a loan guaranteed by the federal or state government, both the following may occur: The federal or state government or loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. The student may not be eligible for any other government financial assistance at another institution until the loan is repaid.*

Cancellation Procedure: Shall occur when you give written notice of cancellation at the institution's address. You can do this by mail, hand delivery, or telegram. The written notice of cancellation, if sent by mail, is effective when it is deposited in the mail properly addressed with prepaid postage (postmarked). The written notice of cancellation need not take any particular form, however expressed; it is effective if it shows that you no longer wish to be bound by the enrollment agreement. You can use any written notice that you may wish. You do not cancel the contract by just not attending classes.

Equipment Policy: If the school has given you any equipment which was stated as returnable when it was issued, you must return it to the school within 30 days following the date of your notice of cancellation or last date of attendance if no notice is given. If you fail to return this equipment, in as issued condition within the 30-day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Beauty supplies, smocks and equipment are not returnable items due to sanitary reasons. Once you have received beauty equipment, its cost is charged to your account. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee, tuition and equipment received.

Refund Policy: The School's cancellation, withdrawal and refund policy complies with the California Private Postsecondary Education Act of 2009 Article 13 Section 94919 and the NACCAS Withdrawal and Settlement Policy. After the cancellation period, the institution provides a pro rata refund of nonfederal student financial aid program moneys paid for tuition charges to students who have completed 60 percent or less of the period of attendance. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid programs. Once more than 60 percent of the scheduled attendance has incurred, there will be no refund to the student. The \$100.00 registration fee is a non-refundable item. Equipment will be refunded in accordance with the Equipment Policy. Once received by the student it will belong to the student and will represent a liability to the student. The Schools Refund Policy applies to all terminations for any reason, by either party, including student decision, program cancellation, or school closure. If the school closes before you graduate, you may be entitled

to a refund. Contact the address and phone number below for information. If you have any complaints, questions, or problems which you cannot work out with the school, write or call the Bureau for Private Postsecondary Education at the address or phone number listed below. Read the Notice of Cancellation form for an explanation of your "Cancellation rights and responsibilities". Bureau for Private Postsecondary Education, 1747 N. Marketing Blvd Ste 225, Sacramento, CA 95834, PO Box 980818, West Sacramento, CA 95798-0818, Phone: 1(888) 370-7589 Fax: (916) 263-1897 www.bppe.ca.gov. The School maintains evidence that institutional refunds are received by the recipient in a timely manner, such as a cancelled check, signed receipt of delivery, or documentation that funds were disposed of in accordance with applicable federal or state regulations.

Withdrawal from course: you have the right to withdraw from a course of instruction at any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, which is until the end of the first class session, or the seventh day after enrollment, whichever is later, the school will remit a refund within 45 days following your official cancellation or withdrawal. You are obligated to pay only for educational services rendered and equipment issued. The refund shall be the amount you paid for instruction multiplied by a fraction, the numerator of which is the number of hours of instruction which you have not received but for which you have paid, and the denominator of which is the total number of hours of instruction for which you have paid. If you obtain equipment as specified in the agreement as a separate charge and return it in accordance with the Equipment Policy, the school shall refund the charge to you. If you fail to return the equipment in good condition within the 30-day period, the school may offset against the refund the documented cost to the school of that equipment. You shall be liable for the amount, if any, by which the documented cost for equipment exceeds the prorated refund amount. The documented cost of the equipment may be less than the amount the school has charged in the contract. For a list of these charges, see addendum agreement. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official or unofficial withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange to pay it. The official withdrawal date is the last day the student attended and will reflect on the student's notification or school's determination on the Return to Title IV calculations.

Hypothetical refund example according to the California State pro rata policy: Assume that a student, upon enrollment in a 1,600-hour course, pays \$6,800.00 for tuition, \$75.00 for registration, and \$525.00, (documented cost to the school) for equipment as specified in the enrollment agreement and withdraws after 600 hours of scheduled attendance (this includes class days not attended by the student) without returning (in accordance with the Equipment Policy) the equipment they obtained. The pro rata refund to the student would be \$4,250.00 based on the calculation stated below. If the student returns the equipment (if it was returnable) in as issued condition within 30 days following his/her withdrawal, the school would refund the charge for the equipment returned.

Total paid	\$7,400.
Less processing fee (not refundable)	75.
Less cost of unreturnable equipment	525.
Equals amount paid for instruction	\$6,800.

Tuition cost	\$6,800.00
Hours in the course	1,600
Hourly charge	4.25

Paid for instruction	\$6,800.
Hours attended	600
Tuition owed 600 x \$4.25	\$2,550.
Refund due	\$4,250.

Additional VA Refund requirements: This school has and maintains a policy for the refund of the unused portion of tuition, fees and other charges in the event the veteran or eligible person fails to enter the course or withdraws or is discontinued therefrom at any time prior to completion. The amount charged to the veteran or eligible person for tuition, fees and other charges does not exceed the approximate pro-rata portion of the total charges for tuition, fees and other charges, that the length of the completed portion of the course should bear to its total length.

Note: The maximum non-refundable registration fee allowed by VA is \$10.00 for non-accredited courses.

****The cancellation, withdrawal and refund rights are also present in the enrollment agreement and signed by the student upon enrollment.***

Official Withdrawal Process: If a student wishes to withdraw from school, they must notify the Director of the school. The notification may be in writing or orally. The date the notification is received is the date of determination. The Director must begin the withdrawal process.

For unofficial withdrawals a student's withdrawal date at a school that is required to take attendance is their last day of physical attendance. Their date of determination is 14 days after they cease attendance.

The federal formula requires a Return of Title IV calculation if the student received or could have received (based on eligibility criteria) federal financial assistance in the form of Pell Grants, Direct Loans or Direct PLUS Loans, FSEOG, TEACH, and Iraq Afghanistan Service Grants (IASG) during the payment period. The percentage of Title IV aid earned is equal to the percentage of the payment period that was completed as of the withdrawal date if this occurs on or before the 60% point of time. After the 60% point of the payment period (or period of enrollment depending on what your school uses) the student is considered to have earned 100% of the aid for the period. The percentage that has not been earned is calculated by subtracting the percentage of Title IV aid earned from 100%.

The percentage of the payment period completed is calculated by the hours scheduled in the payment period as of the withdrawal date divided by the scheduled hours in the payment period.

The amount to be returned is calculated by subtracting the amount of Title IV assistance earned from the amount of Title IV aid that was or could have been disbursed as of the withdrawal date.

If a credit balance still exists on the student's account after the R2T4 and institutional refund calculations are done, that credit balance must be used to pay any grant overpayment that exists based on the current withdrawal within 14 days from the date that the R2T4 (calculation was performed). The overpayment must be eliminated prior to offering a credit balance to a student.

The following Title IV return distribution is used for all FSA students.

1. Unsubsidized Direct Loan
2. Subsidized Direct Loan
3. Direct PLUS Loan (Parent)
4. Federal Pell Grant
5. Iraq Afghanistan Service Grant

Returns must be made as soon as possible to the federal programs but no later than 45 days after the date of determination. The law requires that a student is responsible for all unearned Title IV program assistance that the school is not required to return. This is determined by subtracting the amount returned by the school from the total amount of unearned Title IV funds to be returned.

Determination of withdrawal from school: The withdrawal date shall be the last date of recorded attendance. The student would be determined to have withdrawn from school on the earliest of:

The date you notify the school administration of your intent to withdraw. Only administration is authorized to accept a notification of intent to withdraw..
<p>Termination by Institution</p> <p>Termination Policy-Termination of a student is defined as no longer receiving credit, either by voluntary withdraw, dismissal by the school as disciplinary action or failure to meet school regulations and financial requirements.</p> <p>The following conduct will subject a student to termination:</p> <ol style="list-style-type: none"> 1. Altering or forging timecards. 2. Causing extreme or willful disruption of school. 3. Use of ethnic, racial or sexual slurs, or abusive language toward any client, staff member or fellow student. 4. Committing an obscene act or engaging in vulgarity or profanity. 5. Failure to follow one's own contract with the school. 6. Willfully not following school rules or guidelines. 7. Caused, attempted to cause, or threatened to cause physical injury to another person. 8. Possessed, sold, or furnished any firearm, knife, explosive or other dangerous object. 9. Possessed, used, sold, furnished or been under the influence of any controlled substance, alcoholic beverage or intoxicant. If a staff member suspects a student of being under the influence, they will be subject to testing at the Sacramento Occupational Medical Group. Students are required to report immediately and submit to medical testing. If a student refuses or does not immediately report to the testing facility, the student will be terminated. Students will not be allowed to return to school until the test results have been reviewed by the Administration and a decision is made. 10. Caused or attempted to cause damage to school or private property. 11. Students shall not steal or attempt to steal school or private property. 12. Disrupted school activities or otherwise defied the valid authority of school personnel. 13. Committed or attempted to commit a sexual assault or committed a sexual battery. 14. Students shall not engage in conduct which may be considered discriminatory, retaliatory, or sexual harassment.
The date the school terminates your enrollment due to academic failure or for violation of its rules and policies stated in the catalog.
The date you fail to attend classes for a two-week period and fail to inform the school that you are not withdrawing.
For CA School: If you are absent for a period of 14 consecutive calendar days and not on an approved LOA, you will be deemed a withdrawal, even if that was not your intent.
The date you failed to return as scheduled from an approved LOA. The withdrawal date shall be the last date of attendance. The determination date of withdrawal will be the scheduled date of return from LOA.

Collection Policy: Delinquent accounts could be assigned to collection agencies. Collection costs will be added to any outstanding balance. Collection correspondence from third parties attempting to collect debits on The School's behalf will clearly acknowledge the withdrawal and settlement policy. Promissory notes or contracts for tuition are not sold or discounted to third parties.

Graduation Requirements: When a student has completed the required clock hours, theory hours and practical operations for his/her course of study with a GPA (Grade Point Average) of "C" (70%) or better and paid all tuition/fees, (according to your signed Enrollment Agreement) he/she receives a Diploma certifying his/her graduation of the appropriate course of study. Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who canceled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

-
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
 - “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
 - “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
 - “Salary” is as reported by graduate or graduate’s employer.
 - “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

Student's right to cancel:An initial deposit is required prior to contracting. All funds paid will be returned if the student is rejected for enrollment. You have the right to cancel the agreement for a course of instruction, including any equipment such as books, materials and supplies or any other goods related to the instruction included in this agreement, until the end of the first class session, or the seventh day after enrollment, whichever is later. All monies paid designated for tuition will be refunded less the processing fee if the contract is cancelled within this timeframe. The date by which you must cancel this contract and receive a refund of all monies paid designated for tuition less the processing fee will be stated on your enrollment agreement.

NOTE: *If a student withdraws, federal regulations may require that federal funds used to cover institutional expenses be returned to their respective program sources. Balances of unpaid charges are the responsibility of the student. If the student defaults on a loan guaranteed by the federal or state government, both the following may occur: The federal or state government or loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. The student may not be eligible for any other government financial assistance at another institution until the loan is repaid.*

Cancellation Procedure: Shall occur when you give written notice of cancellation at the institution's address.

You can do this by mail, hand delivery, or telegram. The written notice of cancellation, if sent by mail, is effective when it is deposited in the mail properly addressed with prepaid postage (postmarked). The written notice of cancellation need not take any particular form, however expressed; it is effective if it shows that you no longer wish to be bound by the enrollment agreement. You can use any written notice that you may wish. You do not cancel the contract by just not attending classes.

Equipment Policy: If the school has given you any equipment which was stated as returnable when it was issued, you must return it to the school within 30 days following the date of your notice of cancellation or last date of attendance if no notice is given. If you fail to return this equipment, in as issued condition within the 30-day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Beauty supplies, smocks and equipment are not returnable items due to sanitary reasons. Once you have received beauty equipment, its cost is charged to your account. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee, tuition and equipment received.

Refund Policy: The School's cancellation, withdrawal and refund policy complies with the California Private Postsecondary Education Act of 2009 Article 13 Section 94919 and the NACCAS Withdrawal and Settlement Policy. After the cancellation period, the institution provides a pro rata refund of nonfederal student financial aid program moneys paid for tuition charges to students who have completed 60 percent or less of the period of attendance. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid programs. Once more than 60 percent of the scheduled attendance has incurred, there will be no refund to the student. The \$100.00 registration fee is a non-refundable item. Equipment will be refunded in accordance with the Equipment Policy. Once received by the student it will belong to the student and will represent a liability to the student. The Schools Refund Policy applies to all terminations for any reason, by either party, including student decision, program cancellation, or school closure. If the school closes before you graduate, you may be entitled to a refund. Contact the address and phone number below for information. If you have any complaints, questions,

problems which you cannot work out with the school, write or call the Bureau for Private Postsecondary Education at the address or phone number listed below. Read the Notice of Cancellation form for an explanation of your "Cancellation rights and responsibilities". Bureau for Private Postsecondary Education, 1747 N. Marketing Blvd Ste 225, Sacramento, CA 95834, PO Box 980818, West Sacramento, CA 95798-0818, Phone: 1(888) 370-7589 Fax: (916) 263-1897 www.bppe.ca.gov. The School maintains evidence that institutional refunds are received by the recipient in a timely manner, such as a cancelled check, signed receipt of delivery, or documentation that funds were disposed of in accordance with applicable federal or state regulations.

Withdrawal from course: you have the right to withdraw from a course of instruction at any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, which is until the end of the first class session, or the seventh day after enrollment, whichever is later, the school will remit a refund within 45 days following your official cancellation or withdrawal. You are obligated to pay only for educational services rendered and equipment issued. The refund shall be the amount you paid for instruction multiplied by a fraction, the numerator of which is the number of hours of instruction which you have not received but for which you have paid, and the denominator of which is the total number of hours of instruction for which you have paid. If you obtain equipment as specified in the agreement as a separate charge and return it in accordance with the Equipment Policy, the school shall refund the charge to you. If you fail to return the equipment in good condition within the 30-day period, the school may offset against the refund the documented cost to the school of that equipment. You shall be liable for the amount, if any, by which the documented cost for equipment exceeds the prorated refund amount. The documented cost of the equipment may be less than the amount the school has charged in the contract. For a list of these charges, see addendum agreement. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official or unofficial withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange to pay it. The official withdrawal date is the last day the student attended and will reflect on the student's notification or school's determination on the Return to Title IV calculations.

Hypothetical refund example according to the California State pro rata policy: Assume that a student, upon enrollment in a 1,600-hour course, pays \$6,800.00 for tuition, \$75.00 for registration, and \$525.00, (documented cost to the school) for equipment as specified in the enrollment agreement and withdraws after 600 hours of scheduled attendance (this includes class days not attended by the student) without returning (in accordance with the Equipment Policy) the equipment they obtained. The pro rata refund to the student would be \$4,250.00 based on the calculation stated below. If the student returns the equipment (if it was returnable) in as issued condition within 30 days following his/her withdrawal, the school would refund the charge for the equipment returned.

Total paid	\$7,400.
Less processing fee (not refundable)	75.
Less cost of unreturnable equipment	525.
Equals amount paid for instruction	\$6,800.

Tuition cost	\$6,800.00
Hours in the course	1,600
Hourly charge	4.25

Paid for instruction	\$6,800.
Hours attended	600
Tuition owed 600 x \$4.25	\$2,550.
Refund due	\$4,250.

Additional VA Refund requirements: This school has and maintains a policy for the refund of the unused portion of tuition, fees and other charges in the event the veteran or eligible person fails to enter the course or withdraws or is discontinued therefrom at any time prior to completion. The amount charged to the veteran or eligible person for tuition, fees and other charges does not exceed the approximate pro-rata portion of the total charges for tuition, fees and other charges, that the length of the completed portion of the course should bear to its total length

Note: The maximum non-refundable registration fee allowed by VA is \$10.00 for non-accredited courses.

****The cancellation, withdrawal and refund rights are also present in the enrollment agreement and signed by the student upon enrollment.***

Official Withdrawal Process: If a student wishes to withdraw from school, they must notify the Director of the school. The notification may be in writing or orally. The date the notification is received is the date of determination. The Director must begin the withdrawal process.

For unofficial withdrawals, a student's withdrawal date at a school that is required to take attendance is their last day of physical attendance. Their date of determination is 14 days after they cease attendance

The federal formula requires a Return of Title IV calculation if the student received or could have received (based on eligibility criteria) federal financial assistance in the form of Pell Grants, Direct Loans or Direct PLUS Loans, FSEOG, TEACH, and Iraq Afghanistan Service Grants (IASG) during the payment period. The percentage of Title IV aid earned is equal to the percentage of the payment period that was completed as of the withdrawal date if this occurs on or before the 60% point of time. After the 60% point of the payment period (or period of enrollment depending on what your school uses) the student is considered to have earned 100% of the aid for the period. The percentage that has not been earned is calculated by subtracting the percentage of Title IV aid earned from 100%.

The percentage of the payment period completed is calculated by the hours scheduled in the payment period as of the withdrawal date divided by the scheduled hours in the payment period.

The amount to be returned is calculated by subtracting the amount of Title IV assistance earned from the amount of Title IV aid that was or could have been disbursed as of the withdrawal date.

If a credit balance still exists on the student's account after the R2T4 and institutional refund calculations are done, that credit balance must be used to pay any grant overpayment that exists based on the current withdrawal within 14 days from the date that the R2T4 (calculation was performed. The overpayment must be eliminated prior to offering a credit balance to a student.

The following Title IV return distribution is used for all FSA students.

1. Unsubsidized Direct Loan
2. Subsidized Direct Loan
3. Direct PLUS Loan (Parent)
4. Federal Pell Grant
5. Iraq Afghanistan Service Grant

Returns must be made as soon as possible to the federal programs but no later than 45 days after the date of determination. The law requires that a student is responsible for all unearned Title IV program assistance that the school is not required to return. This is determined by subtracting the amount returned by the school from the total amount of unearned Title IV funds to be returned.

Determination of withdrawal from school: The withdrawal date shall be the last date of recorded attendance. The student would be determined to have withdrawn from school on the earliest of:

The date you notify the school administration of your intent to withdraw. Only administration is authorized to accept a notification of intent to withdraw.
<p>Termination by Institution</p> <p>Termination Policy-Termination of a student is defined as no longer receiving credit, either by voluntary withdraw, dismissal by the school as disciplinary action or failure to meet school regulations and financial requirements.</p> <p>The following conduct will subject a student to termination:</p> <ol style="list-style-type: none"> 1. Altering or forging timecards. 2. Causing extreme or willful disruption of school. 3. Use of ethnic, racial or sexual slurs, or abusive language toward any client, staff member or fellow student. 4. Committing an obscene act or engaging in vulgarity or profanity. 5. Failure to follow one's own contract with the school. 6. Willfully not following school rules or guidelines. 7. Caused, attempted to cause, or threatened to cause physical injury to another person. 8. Possessed, sold, or furnished any firearm, knife, explosive or other dangerous object. 9. Possessed, used, sold, furnished or been under the influence of any controlled substance, alcoholic beverage or intoxicant. If a staff member suspects a student of being under the influence, they will be subject to testing at the Sacramento Occupational Medical Group. Students are required to report immediately and submit to medical testing. If a student refuses or does not immediately report to the testing facility, the student will be terminated. Students will not be allowed to return to school until the test results have been reviewed by the Administration and a decision is made. 10. Caused or attempted to cause damage to school or private property. 11. Students shall not steal or attempt to steal school or private property. 12. Disrupted school activities or otherwise defied the valid authority of school personnel. 13. Committed or attempted to commit a sexual assault or committed a sexual battery. 14. Students shall not engage in conduct which may be considered discriminatory, retaliatory, or sexual harassment.
The date the school terminates your enrollment due to academic failure or for violation of its rules and policies stated in the catalog.
The date you fail to attend classes for a two-week period and fail to inform the school that you are not withdrawing.
For CA School: If you are absent for a period of 14 consecutive calendar days and not on an approved LOA, you will be deemed a withdrawal, even if that was not your intent.
The date you failed to return as scheduled from an approved LOA. The withdrawal date shall be the last date of attendance. The determination date of withdrawal will be the scheduled date of return from LOA.

Collection Policy: Delinquent accounts could be assigned to collection agencies. Collection costs will be added to any outstanding balance. Collection correspondence from third parties attempting to collect debits on The School's behalf will clearly acknowledge the withdrawal and settlement policy. Promissory notes or contracts for tuition are not sold or discounted to third parties.

Graduation Requirements: When a student has completed the required clock hours, theory hours and practical operations for his/her course of study with a GPA (Grade Point Average) of "C" (70%) or better and paid all tuition/fees, (according to your signed Enrollment Agreement) he/she receives a Diploma certifying his/her graduation of the appropriate course of study. The school assists the students in completing the necessary documents to file for the appropriate California State Board Barbering and Cosmetology Examination.
