**STUDENT'S RIGHT TO CANCEL**

**CANCELLATION AND REFUND POLICIES: STUDENT'S RIGHT TO CANCEL AND SCHOOL'S RIGHT TO CANCEL**

To cancel this *Enrollment Agreement* and obtain a refund, the student must provide written notice to: Student Services Team, Meridian University, 47 Sixth Street, Petaluma, California, 94952 or [studentservices@meridianuniversity.edu](mailto:studentservices@meridianuniversity.edu). If the student is entitled to a refund, the refund will be mailed within 45 days. However, if the student owes monies, the refund amount will first be applied towards any outstanding financial aid debts following the Return of Title IV Funds policy or Meridian University, whichever is applicable. For the purpose of determining a refund under this section, students shall be deemed to have withdrawn from a program of instruction when any of the following occurs:

- The student notifies the University, in writing, of the student's withdrawal. (See Refundable Tuition Policy below)
- The University terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the University; absences in excess of maximum set forth by the University; and/or failure to meet financial obligations to the University. (See the Student Handbook for a full description of Administrative Withdrawal.)
- The student fails to return from a Leave of Absence.

**Refundable Tuition Policy**

The student has a right to a full refund of all charges for instruction if the student cancels this Enrollment Agreement prior to the first day of class or the seventh day after enrollment, whichever is later. In addition, the student may withdraw or take an approved Leave of Absence (in accordance with the University's Leave of Absence policy) from the program after instruction has started and receive a prorated/partial refund for the unused portion of the tuition and other refundable charges (through 60% of class of each quarter).

**Tuition Refund Calculation**

- On or before the first day of class of the quarter\* .....100% refunded
- Day 2 to day 29 of class of the quarter..... \*\*See note
- Day 30 and beyond of class of the quarter.....0% refunded

\*Or within 7 days of signing the Enrollment Agreement.

\*\*Note: Refund calculations from day 2 to day 29 of class of the quarter are calculated as follows: The number of days of class of the quarter in which the student was enrolled is divided by the total number of scheduled days of class per quarter, in accordance with Meridian academic policy. This calculation produces the percentage of tuition that the student owes, and therefore their refund amount is the complementary percentage.

**Doctoral Project Refund Policy**

Students who withdraw while inside a doctoral project clock must submit a written request to: Student Services Team, Meridian University, 47 Sixth Street, Petaluma, California, 94952 or [academicrecords@meridianuniversity.edu](mailto:academicrecords@meridianuniversity.edu). The date of withdrawal will be determined by the date written notification is received by the Student Services Team. If a student withdraws after the first day of a quarter, the student will be charged based on the quarterly breakdown of their doctoral project fee, including charges applicable to the current quarter. Any excess payment will be refunded within forty-five (45) days of notification of withdrawal, or as required by state and federal regulations. Students are not approved to take a leave of absence during the doctoral clock enrollment period. However, the student does have the option to withdraw from their degree program. For example, if a student withdraws in the

**STUDENT'S RIGHT TO CANCEL**

**CANCELLATION AND REFUND POLICIES: STUDENT'S RIGHT TO CANCEL AND SCHOOL'S RIGHT TO CANCEL**

To cancel this *Enrollment Agreement* and obtain a refund, the student must provide written notice to: Student Services Team, Meridian University, 47 Sixth Street, Petaluma, California, 94952 or [studentservices@meridianuniversity.edu](mailto:studentservices@meridianuniversity.edu). If the student is entitled to a refund, the refund will be mailed within 45 days. However, if the student owes monies, the refund amount will first be applied towards any outstanding financial aid debts following the Return of Title IV Funds policy or Meridian University, whichever is applicable. For the purpose of determining a refund under this section, students shall be deemed to have withdrawn from a program of instruction when any of the following occurs:

- The student notifies the University, in writing, of the student's withdrawal. (See Refundable Tuition Policy below)
- The University terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the University; absences in excess of maximum set forth by the University; and/or failure to meet financial obligations to the University. (See the Student Handbook for a full description of Administrative Withdrawal.)
- The student fails to return from a Leave of Absence.

**Refundable Tuition Policy**

The student has a right to a full refund of all charges for instruction if the student cancels this Enrollment Agreement prior to the first day of class or the seventh day after enrollment, whichever is later. In addition, the student may withdraw or take an approved Leave of Absence (in accordance with the University's Leave of Absence policy) from the program after instruction has started and receive a prorated/partial refund for the unused portion of the tuition and other refundable charges (through 60% of class of each quarter).

**Tuition Refund Calculation**

- On or before the first day of class of the quarter\*.....100% refunded
- Day 2 to day 29 of class of the quarter.....\*\*See note
- Day 30 and beyond of class of the quarter.....0% refunded

\*Or within 7 days of signing the Enrollment Agreement.

\*\*Note: Refund calculations from day 2 to day 29 of class of the quarter are calculated as follows: The number of days of class of the quarter in which the student was enrolled is divided by the total number of scheduled days of class per quarter, in accordance with Meridian academic policy. This calculation produces the percentage of tuition that the student owes, and therefore their refund amount is the complementary percentage.

**Doctoral Project Refund Policy**

Students who withdraw while inside a doctoral project clock must submit a written request to: Student Services Team, Meridian University, 47 Sixth Street, Petaluma, California, 94952 or [academicrecords@meridianuniversity.edu](mailto:academicrecords@meridianuniversity.edu). The date of withdrawal will be determined by the date written notification is received by the Student Services Team. If a student withdraws after the first day of a quarter, the student will be charged based on the quarterly breakdown of their doctoral project fee, including charges applicable to the current quarter. Any excess payment will be refunded within forty-five (45) days of notification of withdrawal, or as required by state and federal regulations. Students are not approved to take a leave of absence during the doctoral clock enrollment period. However, the student does have the option to withdraw from their degree program. For example, if a student

withdraws in the middle of their second quarter of their eight-quarter dissertation clock, they would be refunded all but two-quarters worth of their dissertation fee, which covers eight-quarters. Any financial aid would be canceled, and a Return of Title IV Aid calculation would be completed.

**Continuation Fee Refund Policy**

Continuation students who graduate or withdraw from Meridian University will receive a refund of the Continuation Fee, prorated on a quarterly basis, based on their date of degree conferral or effective date of withdrawal. Continuation students who complete their program or withdraw on or after June 1 of an academic year will not receive a prorated Continuation Fee refund. The proration calculation will include charges for the current quarter as of the effective date.

**ONLINE LEARNING PLATFORM AND REFUND POLICY**

Once login credentials are provided to the student, it is the student's responsibility to engage course materials on a timely basis.

Students have the right to cancel the Enrollment Agreement and receive a full refund as long as the student cancels prior to receiving the online credentials and the launch of the courses in the Online Learning Platform where lessons and materials are found. Cancellation is effective on the date that written notice of cancellation is received.

**STUDENT’S RIGHT TO CANCEL**

**CANCELLATION AND REFUND POLICIES: STUDENT’S RIGHT TO CANCEL AND SCHOOL’S RIGHT TO CANCEL**

To cancel this *Enrollment Agreement* and obtain a refund, the student must provide written notice to: Student Services Team, Meridian University, 47 Sixth Street, Petaluma, California, 94952 or [studentservices@meridianuniversity.edu](mailto:studentservices@meridianuniversity.edu). If the student is entitled to a refund, the refund will be mailed within 45 days. However, if the student owes monies, the refund amount will first be applied towards any outstanding financial aid debts following the Return of Title IV Funds policy or Meridian University, whichever is applicable. For the purpose of determining a refund under this section, students shall be deemed to have withdrawn from a program of instruction when any of the following occurs:

- The student notifies the University, in writing, of the student’s withdrawal. (See Refundable Tuition Policy below)
- The University terminates the student’s enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the University; absences in excess of maximum set forth by the University; and/or failure to meet financial obligations to the University. (See the Student Handbook for a full description of Administrative Withdrawal.)
- The student fails to return from a Leave of Absence.

**Refundable Tuition Policy**

The student has a right to a full refund of all charges for instruction if the student cancels this Enrollment Agreement prior to the first day of class or the seventh day after enrollment, whichever is later. In addition, the student may withdraw or take an approved Leave of Absence (in accordance with the University’s Leave of Absence policy) from the program after instruction has started and receive a prorated/partial refund for the unused portion of the tuition and other refundable charges (through 60% of class of each quarter).

**Tuition Refund Calculation**

- On or before the first day of class of the quarter\* .....100% refunded
- Day 2 to day 29 of class of the quarter..... \*\*See note
- Day 30 and beyond of class of the quarter.....0% refunded

\*Or within 7 days of signing the Enrollment Agreement.

\*\*Note: Refund calculations from day 2 to day 29 of class of the quarter are calculated as follows: The number of days of class of the quarter in which the student was enrolled is divided by the total number of scheduled days of class per quarter, in accordance with Meridian academic policy. This calculation produces the percentage of tuition that the student owes, and therefore their refund amount is the complementary percentage.

**Doctoral Project Refund Policy**

Students who withdraw while inside a doctoral project clock must submit a written request to: Student Services Team, Meridian University, 47 Sixth Street, Petaluma, California, 94952 or [academicrecords@meridianuniversity.edu](mailto:academicrecords@meridianuniversity.edu). The date of withdrawal will be determined by the date written notification is received by the Student Services Team. If a student withdraws after the first day of a quarter, the student will be charged based on the quarterly breakdown of their doctoral project fee, including charges applicable to the current quarter. Any excess payment will be refunded within forty-five (45) days of notification of withdrawal, or as required by state and federal regulations. Students are not approved to take a leave of absence during the doctoral clock enrollment period. However, the student does have the option to withdraw from their degree program. For example, if a student

withdraws in the middle of their second quarter of their eight-quarter dissertation clock, they would be refunded all but two-quarters worth of their dissertation fee, which covers eight-quarters. Any financial aid would be canceled, and a Return of Title IV Aid calculation would be completed.

**Continuation Fee Refund Policy**

Continuation students who graduate or withdraw from Meridian University will receive a refund of the Continuation Fee, prorated on a quarterly basis, based on their date of degree conferral or effective date of withdrawal. Continuation students who complete their program or withdraw on or after June 1 of an academic year will not receive a prorated Continuation Fee refund. The proration calculation will include charges for the current quarter as of the effective date.

**ONLINE LEARNING PLATFORM AND REFUND POLICY**

Students have the right to cancel the Enrollment Agreement and receive a full refund as long as the student cancels prior to receiving the online credentials and the launch of the courses in the Online Learning Platform where lessons and materials are found. Cancellation is effective on the date that written notice of cancellation is received.

**STUDENT'S RIGHT TO CANCEL**

**CANCELLATION AND REFUND POLICIES: STUDENT'S RIGHT TO CANCEL AND SCHOOL'S RIGHT TO CANCEL**

To cancel this *Enrollment Agreement* and obtain a refund, the student must provide written notice to: Student Services Team, Meridian University, 47 Sixth Street, Petaluma, California, 94952 or [studentservices@meridianuniversity.edu](mailto:studentservices@meridianuniversity.edu). If the student is entitled to a refund, the refund will be mailed within 45 days. However, if the student owes monies, the refund amount will first be applied towards any outstanding financial aid debts following the Return of Title IV Funds policy or Meridian University, whichever is applicable. For the purpose of determining a refund under this section, students shall be deemed to have withdrawn from a program of instruction when any of the following occurs:

- The student notifies the University, in writing, of the student's withdrawal. (See Refundable Tuition Policy below)
- The University terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the University; absences in excess of maximum set forth by the University; and/or failure to meet financial obligations to the University. (See the Student Handbook for a full description of Administrative Withdrawal.)
- The student fails to return from a Leave of Absence.

**Refundable Tuition Policy**

The student has a right to a full refund of all charges for instruction if the student cancels this Enrollment Agreement prior to the first day of class or the seventh day after enrollment, whichever is later. In addition, the student may withdraw or take an approved Leave of Absence (in accordance with the University's Leave of Absence policy) from the program after instruction has started and receive a prorated/partial refund for the unused portion of the tuition and other refundable charges (through 60% of class of each quarter).

**Tuition Refund Calculation**

- On or before the first day of class of the quarter\* .....100% refunded
- Day 2 to day 29 of class of the quarter..... \*\*See note
- Day 30 and beyond of class of the quarter.....0% refunded

\*Or within 7 days of signing the Enrollment Agreement.

\*\*Note: Refund calculations from day 2 to day 29 of class of the quarter are calculated as follows: The number of days of class of the quarter in which the student was enrolled is divided by the total number of scheduled days of class per quarter, in accordance with Meridian academic policy. This calculation produces the percentage of tuition that the student owes, and therefore their refund amount is the complementary percentage.

**Doctoral Project Refund Policy**

Students who withdraw while inside a doctoral project clock must submit a written request to: Student Services Team, Meridian University, 47 Sixth Street, Petaluma, California, 94952 or [academicrecords@meridianuniversity.edu](mailto:academicrecords@meridianuniversity.edu). The date of withdrawal will be determined by the date written notification is received by the Student Services Team. If a student withdraws after the first day of a quarter, the student will be charged based on the quarterly breakdown of their doctoral project fee, including charges applicable to the current quarter. Any excess payment will be refunded within forty-five (45) days of notification of withdrawal, or as required by state and federal regulations. Students are not approved to take a leave of absence during the doctoral clock enrollment period. However, the student does have the option to withdraw from their degree program. For example, if a student

withdraws in the middle of their second quarter of their eight-quarter dissertation clock, they would be refunded all but two-quarters worth of their dissertation fee, which covers eight-quarters. Any financial aid would be canceled, and a Return of Title IV Aid calculation would be completed.

**Continuation Fee Refund Policy**

Continuation students who graduate or withdraw from Meridian University will receive a refund of the Continuation Fee, prorated on a quarterly basis, based on their date of degree conferral or effective date of withdrawal. Continuation students who complete their program or withdraw on or after June 1 of an academic year will not receive a prorated Continuation Fee refund. The proration calculation will include charges for the current quarter as of the effective date.

## **STUDENT'S RIGHT TO CANCEL (Continued)**

### **Doctoral Project Refund Policy**

Students who withdraw while inside a doctoral project clock must submit a written request to: Student Services Team, Meridian University, 47 Sixth Street, Petaluma, California, 94952 or [academicrecords@meridianuniversity.edu](mailto:oracademicrecords@meridianuniversity.edu). The date of withdrawal will be determined by the date written notification is received by the Student Services Team. If a student withdraws after the first day of a quarter, the student will be charged based on the quarterly breakdown of their doctoral project fee, including charges applicable to the current quarter. Any excess payment will be refunded within forty-five (45) days of notification of withdrawal, or as required by state and federal regulations. Students are not approved to take a leave of absence during the doctoral clock enrollment period. However, the student does have the option to withdraw from their degree program. For example, if a student withdraws in the middle of their second quarter of their eight-quarter dissertation clock, they would be refunded all but two-quarters worth of their dissertation fee, which covers eight-quarters. Any financial aid would be canceled, and a Return of Title IV Aid calculation would be completed.

### **Continuation Fee Refund Policy**

Continuation students who graduate or withdraw from Meridian University will receive a refund of the Continuation Fee, prorated on a quarterly basis, based on their date of degree conferral or effective date of withdrawal. Continuation students who complete their program or withdraw on or after June 1 of an academic year will not receive a prorated Continuation Fee refund. The proration calculation will include charges for the current quarter as of the effective date.

### **ONLINE LEARNING PLATFORM AND REFUND POLICY**

At Meridian, courses are either fully online or include a residency requirement in addition to online coursework. Once login credentials are provided to the student, it is the student's responsibility to engage course materials on a timely basis.

Students have the right to cancel the Enrollment Agreement and receive a full refund as long as the student cancels prior to receiving the online credentials and the launch of the courses in the Online Learning Platform where lessons and materials are found. Cancellation is effective on the date that written notice of cancellation is received.

Any excess payment will be refunded within forty-five (45) days of notification of withdrawal, or as required by state and federal regulations. Students are not approved to take a leave of absence during the doctoral clock enrollment period. However, the student does have the option to withdraw from their degree program. For example, if a student withdraws in the middle of their second quarter of their eight-quarter dissertation clock, they would be refunded all but two-quarters worth of their dissertation fee, which covers eight-quarters. Any financial aid would be canceled, and a Return of Title IV Aid calculation would be completed.

**Continuation Fee Refund Policy**

Continuation students who graduate or withdraw from Meridian University will receive a refund of the Continuation Fee, prorated on a quarterly basis, based on their date of degree conferral or effective date of withdrawal. Continuation students who complete their program or withdraw on or after June 1 of an academic year will not receive a prorated Continuation Fee refund. The proration calculation will include charges for the current quarter as of the effective date.

**STUDENT’S RIGHT TO CANCEL**

To cancel this Enrollment Agreement and obtain a refund, the student must provide written notice to: Student Services Team, Meridian University, 47 Sixth Street, Petaluma, California, 94952 or academicrecords@meridianuniversity.edu. If the student is entitled to a refund, the refund will be mailed within 45 days. However, if the student owes monies, the refund amount will first be applied towards any outstanding financial aid debts following the Return of Title IV Funds policy or Meridian University, whichever is applicable. For the purpose of determining a refund under this section, students shall be deemed to have withdrawn from a program of instruction when any of the following occurs:

- The student notifies the University, in writing, of the student’s withdrawal. (See *Refundable Tuition Policy* below)
- The University terminates the student’s enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the University; absences in excess of maximum set forth by the University; and/or failure to meet financial obligations to the University. (See the *Student Handbook* for a full description of Administrative Withdrawal.)
- The student fails to return from a Leave of Absence.

**Refundable Tuition Policy**

The student has a right to a full refund of all charges for instruction less the amount of \$250 for application or deposit if the student cancels this Enrollment Agreement prior to the first day of class or the seventh day after enrollment, whichever is later. In addition, the student may withdraw or take an approved Leave of Absence (in accordance with the University’s Leave of Absence policy) from the program after instruction has started and receive a prorated/partial refund for the unused portion of the tuition and other refundable charges (through 60% of class of each quarter).

**Tuition Refund Calculation**

- Day 2 to day 29 of class of the quarter.....\*\*See note
- Day 30 and beyond of class of the quarter.....0% refunded

\*Or within 7 days of signing the Enrollment Agreement.

\*\*Note: Refund calculations from day 2 to day 29 of class of the quarter are calculated as follows: The number of days of class of the quarter that the student was enrolled is divided by the total number of scheduled days of class per quarter, in accordance with Meridian academic policy. This calculation produces the percentage of tuition that the student owes, and therefore their refund amount is the complementary percentage.

### **Doctoral Project Refund Policy**

Students who withdraw while inside a doctoral project clock must submit a written request to: Student Services Team, Meridian University, 47 Sixth Street, Petaluma, California, 94952 or [academicrecords@meridianuniversity.edu](mailto:oracademicrecords@meridianuniversity.edu). The date of withdrawal will be determined by the date written notification is received by the Student Services Team. If a student withdraws after the first day of a quarter, the student will be charged based on the quarterly breakdown of their doctoral project fee, including charges applicable to the current quarter. Any excess payment will be refunded within forty-five (45) days of notification of withdrawal, or as required by state and federal regulations. Students are not approved to take a leave of absence during the doctoral clock enrollment period. However, the student does have the option to withdraw from their degree program. For example, if a student withdraws in the middle of their second quarter of their eight-quarter dissertation clock, they would be refunded all but two-quarters worth of their dissertation fee, which covers eight-quarters. Any financial aid would be canceled, and a Return of Title IV Aid calculation would be completed.

### **Continuation Fee Refund Policy**

Continuation students who graduate or withdraw from Meridian University will receive a refund of the Continuation Fee, prorated on a quarterly basis, based on their date of degree conferral or effective date of withdrawal. Continuation students who complete their program or withdraw on or after June 1 of an academic year will not receive a prorated Continuation Fee refund. The proration calculation will include charges for the current quarter as of the effective date.

STUDENT'S RIGHT TO CANCEL

To cancel this Enrollment Agreement and obtain a refund, the student must provide written notice to: Student Services Team, Meridian University, 47 Sixth Street, Petaluma, California, 94952 or academicrecords@meridianuniversity.edu. If the student is entitled to a refund, the refund will be mailed within 45 days. However, if the student owes monies, the refund amount will first be applied towards any outstanding financial aid debts following the Return of Title IV Funds policy or Meridian University, whichever is applicable. For the purpose of determining a refund under this section, students shall be deemed to have withdrawn from a program of instruction when any of the following occurs:

- The student notifies the University, in writing, of the student's withdrawal. (See Refundable Tuition Policy below)
The University terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the University; absences in excess of maximum set forth by the University; and/or failure to meet financial obligations to the University. (See the Student Handbook for a full description of Administrative Withdrawal.)
The student fails to return from a Leave of Absence.

Refundable Tuition Policy

The student has a right to a full refund of all charges for instruction less the amount of \$250 for application or deposit if the student cancels this Enrollment Agreement prior to the first day of class or the seventh day after enrollment, whichever is later. In addition, the student may withdraw or take an approved Leave of Absence (in accordance with the University's Leave of Absence policy) from the program after instruction has started and receive a prorated/partial refund for the unused portion of the tuition and other refundable charges (through 60% of class of each quarter).

Tuition Refund Calculation

- On or before the first day of class of the quarter\* .....100% refunded
- Day 2 to day 29 of class of the quarter.....\*\*See note
- Day 30 and beyond of class of the quarter.....0% refunded

\*Or within 7 days of signing the Enrollment Agreement.

\*\*Note: Refund calculations from day 2 to day 29 of class of the quarter are calculated as follows: The number of days of class of the quarter that the student was enrolled is divided by the total number of scheduled days of class per quarter, in accordance with Meridian academic policy. This calculation produces the percentage of tuition that the student owes, and therefore their refund amount is the complementary percentage.

### **Doctoral Project Refund Policy**

Students who withdraw while inside a doctoral project clock must submit a written request to: Student Services Team, Meridian University, 47 Sixth Street, Petaluma, California, 94952 or [academicrecords@meridianuniversity.edu](mailto:oracademicrecords@meridianuniversity.edu). The date of withdrawal will be determined by the date written notification is received by the Student Services Team. If a student withdraws after the first day of a quarter, the student will be charged based on the quarterly breakdown of their doctoral project fee, including charges applicable to the current quarter. Any excess payment will be refunded within forty-five (45) days of notification of withdrawal, or as required by state and federal regulations. Students are not approved to take a leave of absence during the doctoral clock enrollment period. However, the student does have the option to withdraw from their degree program. For example, if a student withdraws in the middle of their second quarter of their eight-quarter dissertation clock, they would be refunded all but two-quarters worth of their dissertation fee, which covers eight-quarters. Any financial aid would be canceled, and a Return of Title IV Aid calculation would be completed.

### **Continuation Fee Refund Policy**

Continuation students who graduate or withdraw from Meridian University will receive a refund of the Continuation Fee, prorated on a quarterly basis, based on their date of degree conferral or effective date of withdrawal. Continuation students who complete their program or withdraw on or after June 1 of an academic year will not receive a prorated Continuation Fee refund. The proration calculation will include charges for the current quarter as of the effective date.

STUDENT'S RIGHT TO CANCEL

To cancel this Enrollment Agreement and obtain a refund, the student must provide written notice to: Student Services Team, Meridian University, 47 Sixth Street, Petaluma, California, 94952 or academicrecords@meridianuniversity.edu. If the student is entitled to a refund, the refund will be mailed within 45 days. However, if the student owes monies, the refund amount will first be applied towards any outstanding financial aid debts following the Return of Title IV Funds policy or Meridian University, whichever is applicable. For the purpose of determining a refund under this section, students shall be deemed to have withdrawn from a program of instruction when any of the following occurs:

- The student notifies the University, in writing, of the student's withdrawal. (See Refundable Tuition Policy below)
The University terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the University; absences in excess of maximum set forth by the University; and/or failure to meet financial obligations to the University. (See the Student Handbook for a full description of Administrative Withdrawal.)
The student fails to return from a Leave of Absence.

Refundable Tuition Policy

The student has a right to a full refund of all charges for instruction less the amount of \$250 for application or deposit if the student cancels this Enrollment Agreement prior to the first day of class or the seventh day after enrollment, whichever is later. In addition, the student may withdraw or take an approved Leave of Absence (in accordance with the University's Leave of Absence policy) from the program after instruction has started and receive a prorated/partial refund for the unused portion of the tuition and other refundable charges (through 60% of class of each quarter).

Tuition Refund Calculation

- On or before the first day of class of the quarter\* .....100% refunded
- Day 2 to day 29 of class of the quarter.....\*\*See note
- Day 30 and beyond of class of the quarter.....0% refunded

\*Or within 7 days of signing the Enrollment Agreement.

\*\*Note: Refund calculations from day 2 to day 29 of class of the quarter are calculated as follows: The number of days of class of the quarter that the student was enrolled is divided by the total number of scheduled days of class per quarter, in accordance with Meridian academic policy. This calculation produces the percentage of tuition that the student owes, and therefore their refund amount is the complementary percentage.

### **Doctoral Project Refund Policy**

Students who withdraw while inside a doctoral project clock must submit a written request to: Student Services Team, Meridian University, 47 Sixth Street, Petaluma, California, 94952 or [oracademicrecords@meridianuniversity.edu](mailto:oracademicrecords@meridianuniversity.edu). The date of withdrawal will be determined by the date written notification is received by the Student Services Team. If a student withdraws after the first day of a quarter, the student will be charged based on the quarterly breakdown of their doctoral project fee, including charges applicable to the current quarter. Any excess payment will be refunded within forty-five (45) days of notification of withdrawal, or as required by state and federal regulations. Students are not approved to take a leave of absence during the doctoral clock enrollment period. However, the student does have the option to withdraw from their degree program.
