MISSION STATEMENT

We believe in providing the strongest foundation possible so that our students can move forward to reach their goals in life and career. We strive and focus on setting expectations for so that all students feel safe and look forward to learning the basic course materials created for them to become Emergency Medical Technicians (EMT's) specialists and earn their EMT-B-I Certificate.

OBJECTIVE

The objective of Fire Future's educational program is to produce confident and competent field ready individuals through high quality instruction. Classroom lecture is provided to students by experienced and qualified instructors, these instructors align their practical experience, knowledge, and classroom teaching with student learning outcome(s). We strive for strong academic programs within a social and emotional learning environment that enables students to complete the EMT certificate program. This focus will provide students the opportunities to develop academic and social skills that will be a personal benefit in their career, society, and personal life.

DESCRIPTION of PROGRAMS

Emergency Medical Technician—Basic (EMT-B-I) Classroom Version

Course offers instruction in a classroom setting for national curriculum EMT-B-I course required for county and national registry certification. After successful completion of this course, students will be allowed to register and take the National Registry Emergency Medical Technician (NREMT) Exam.

Prerequisites: Students must be 18 years of age or older, have a high school diploma, GED or passage of the California high school proficiency and have a valid Basic Life Support (BLS CPR) card. At time of enrollment your high school diploma, GED or passage of the California high school proficiency exam will be required. BLS CPR card will be required prior to taking the final exam.

Classroom Training: Program fulfills 164 hours of required classroom training consisting of lectures, quizzes, and skills training. Evaluation of skills and final exam are within this time period. To successfully complete this classroom training students must receive 80% or better on all quizzes and final exam.

Internship: Twenty-four hours of ambulance ride-along for skills evaluation. Students must have a minimum of ten (10) patient contacts and 24 clinical hours. Student must coordinate with instructors to set-up ride-along arrangements with one of Fire Future providers. Any student who turns in a falsified clinical hour form will be disqualified and fail the course **WITHOUT** refund and will not be eligible to enroll in future courses. Students must successfully complete both ride-along and classroom instructional training, pass all quizzes with 80% or better, before a course completion certificate is issued.

DEGREE PROGRAM

Fire Future does not have a degree program and is not accredited. Successful completion of our EMT Basic Course will allow student to take the National Registry Emergency Medical Technician (NREMT) Exam only. Students enrolled in an unaccredited institution such as Fire Future will not be eligible for federal financial aid programs. A degree program that is unaccredited or a degree from an unaccredited institution is not recognized for some employment positions, including but not limited to position with the State of California.

Emergency Medical Technician (EMT) -- Refresher

Course offers continuing education hours/credits in a classroom setting for national curriculum EMT-B course required for county and National Registry Emergency Medical Technician (NREMT) re-certification**.**

Prerequisite: Student must be 18 years of age or older at time of registration and have a valid EMT license. Proof of EMT license must be provided at time of enrollment.

Classroom Training: Includes classroom and skills training and final exam. Class days, hours, and lunch breaks are announced on first day of class. Student must receive 80% or better on the final exam to be considered eligible to earn the EMT-B-I course completion certificate, which is issued on the last day of class.

Psychomotor Exam Only

This exam fulfills all state and National Registry Emergency Medical Technician (NREMT) skills requirements. Exam will take approximately one hour to complete.

Prerequisites: Student must be 18 years of age or older at the time of registration and have a valid EMT license or letter to test from NREMT.

At time of enrollment, proof of EMT license or letter to test from NREMT must be provided.

Classroom Training: Psychomotor exams are held on the 1st and 3rd Saturday of every month and student must register with their instructor in advance to be placed in a psychomotor exam session. Students must successfully perform all items on skills sheet.

24 Hours of Emergency Medical Technician (EMT) Continuing Education

Course is a comprehensive and active review of the new Education Standards, providing both an overview of new information contained within the Education Standards at the EMT level and a source of continuing education. 24-hour course includes the following topics: preparatory—1-hour, airway—2 hours, patient assessment—3 hours, OB/infants/children—2 hours, trauma—4

hours, medical/behavioral—4 hours, elective—8 hours and elective—8 hours.
Prerequisites: Student must be 18 years of age or older at time of registration and have a valid EMT license. At time of enrollment, proof of EMT license must be provided.
Classroom Training: Includes classroom and skills training and final exam. Class days, hours, and lunch breaks are announced on first day of class. Student must receive 80% or better on the final exam before the EMT course certificate is issued.

48 Hours of Emergency Medical Technician (EMT) Continuing Education

Course is designed to be an active and comprehensive review of the new Education Standards., providing both an overview of new information contained within the Education Standards at the EMT level and a source of continuing education. 48-hour course includes the following topics: preparatory—3 hours, airway—8 hours, medical/behavioral—15 hours, trauma—11 hours, OB/infants/children—5 hours, and elective 6 hours.
Prerequisites: Student must be 18 years of age or older at time of registration and have a valid EMT license. At time of enrollment, proof of EMT license must be provided.
Classroom Training: Includes classroom and skills training and final exam. Class days, hours, and lunch breaks are announced on first day of class. Student must receive 80% or better on the final exam before course certificate is issued.

Basic Life Support CPR (BLS CPR)

Course is designed to certify students in basic life support CPR based on American Heart Association 2024 protocols.
Prerequisites: Student must be 18 years of age or old at time of registration.
Classroom Training: Four (4) hours which includes skills and classroom training and final exam. Student must receive 80% or better on written exam and pass skills testing.

TOTAL PROGRAM CHARGES

Emergency Medical Technician—Basic (EMT-B-I) Classroom Version: $1200.00 for class. Course textbook and materials included. No additional fees are required for this class.

Student who has completed 60% or less of the period of attendance shall be issued a prorate refund as follows: Student who cancel with 30% of calls (Class Days 1-2) will be refunded 75% of tuition, student who cancels with 60% of class (Class Days 3-4) will be refunded 50% of tuition. Student who has attended and completed more than 60% of class (after Class Day 4) will not receive a refund.

Basic Life Support CPR (BLS CPR)

$15.00 non-refundable registration fee. Student who has completed 60% or less of the period of attendance shall be issued a prorate refund. Student who has attended first day of class will not receive a refund.

STUDENT TUITION RECOVERY FUND (STRF)

"The State of California established the Student Tuition Recovery Fund (STRF) *Student Tuition Recovery Fund* - Students enrolled at the time of school closure (or within 120 days of the school's closure) may be eligible for reimbursement through the Student Tuition Recovery Fund (STRF). The STRF exists to relieve or mitigate economic losses suffered by a student in an educational program at a qualifying institution if the student was a California resident (or was enrolled in a residency program)."

Application for STRE can be obtained from: Applicable STRF Regulation is 76020 - Student Tuition Recovery Fund (STRF).

Reference: https://www.bppe.ca.gov/students/strf.shtml

PROBATION & DISMISSAL POLICIES

Any Student found violating any of the following will be immediately removed from the course WITHOUT a refund:

1. Cheating on ANY exam(s) and/or quiz, assessments
2. Inappropriate behavior (sexual harassment, violence, intoxication, drug use, etc.) in the classroom or during ride-along.
3. Turning in falsified clinical hours on the ride-along forms
4. Violation of attendance policies
5. Violation of academic policies

ATTENDANCE POLICY

In order to be successful, student should make every effort to physically (meaning face-to-face) attend each classroom session. The following is the Attendance Policy for each program:

Emergency Medical Technician (EMT)—Basic EMT-B-I Classroom Version:

Student may miss no more than 12 hours of classroom time. Student is required to notify instructor at least one-hour in advance prior to class start time. This notification MUST be via text **and** email. The student will be assigned "make-up" work to complete what was missed and it MUST be submitted to the instructor by the next class date. Attendance is mandatory on class dates that include skills testing, ride-along, and final exam. Failure to attend on those dates are grounds for immediate dismissal from course WITHOUT refund. Extended "Leaves of Absence" are not permitted.

Emergency Medical Technician—Refresher

Student MUST be present at ALL classroom times to complete this course. No absences are permitted.

Psychomotor Exam Only

Exam date must be scheduled between Instructor (or) Director and student. Rescheduling must be communicated to instructor via email at least 24 hours in advance.

24 Hours of EMT Continuing Education

Student MUST be present at ALL classroom times to complete this course. No absences are permitted.

48 Hours of EMT Continuing Education

Student MUST be present at ALL classroom times to complete this course. No absences are permitted.

LEAVE OF ABSENCE POLICY

Due to the structure of course material no leaves of absence are permitted.

TRANSFERABILITY OF CREDITS & CREDENTIALS

The transferability of credits you earn at Fire Future (FF) is at the complete discretion of the institution to which you may seek to transfer. Acceptance of the certificate you earn in our EMT Program is also at the complete discretion of the institution to which you may seek to transfer. If the certificate that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, the student should make certain that their attendance at the Fire Future institution will meet the student's educational goals. This may involve contacting the institution to which the student may seek to transfer to after attending Fire Future to determine if the earned certificate will transfer.

ARTICULATION OR TRANSFER AGREEMENT
Fire Future has not entered into an articulation or transfer agreement.

EXPERIENTIAL CREDIT
Fire Future offers a certificate program that does not participate in experiential credit such as a university and/or degree program. Fire Future does not grant credit for prior personal and/or professional experiential.

STUDENTS FROM OTHER COUNTRIES
Fire Future does not admit students from other countries and the primary language for instruction is English

LIBRARY
Fire Future does not have a library. All necessary learning materials are provided to the student as part of the purchased price for each class.

CORRESPONDENCE INSTRUCTION
Fire Future does not offer correspondence instruction.

STUDENT SERVICES
No additional student services are provided by Fire Future.

PLACEMENT SERVICES
Fire Future does not provide placement services.

HOUSING
Fire Future does not offer any student housing facilities on- or off-campus. There are no dormitory facilities under Fire Future's control and is not responsible to find or assist a student in finding housing. There are however numerous hotels in the area which charge anywhere from $66-$195 a night.

NOTICE OF STUDENT RIGHTS/GRIEVANCES PROCEDURES
If a student has any complaints and/or needs to notify Fire Future of any problems, please contact the following by the provided means:
Email: firefuturemt@gmail.com (emails are responded to within 48 hours).
Student will be notified that grievance was received within 48 hours of email. Grievance will be investigated and responded to within 7 days of email notification.
A student or any member of the public may file a complaint about this institution with the Bureau for Private Postsecondary Education by calling (888) 370-7589 or by completing a complaint form, which can be obtained on the bureau's internet web site (www.bppe.ca.gov).

RECORDS

Fire Future maintains a student records/file for each student that enrolls in their program, regardless of completion. These records/files are in a Cloud based application and as well as on two (2) hard drives, these records/files are maintained for five (5) years from the date of course completion. The records/files contain the following:

1. Copies of all documents signed by the student, including their contract(s) information.
2. Record of dates of enrollment and certification(s) earned. If applicable, withdrawal from the Fire Future institution, leaves of absence and any other data related to student's association with and Fire Future.
3. Proof of high school diploma, GED or passage of the California high school proficiency exam.
4. Documents pertaining to each course a student is enrolled in. If applicable, copy of student's BLS CPR card or equivalent, skills testing, forms, final exam(s), course average score sheet, signed ride-along forms, and issued certificate number and date mailed to student.
5. A documentation showing dates and the total amount of money received from (or on-behalf of the) student.
6. If applicable, documentation specifying the amount of a refund, the method of calculating the refund, the date, the refund was made, and the name and address of the person or entity to which the refund was sent.
7. Transcripts shall be kept indefinitely.

To receive a copy of student records, please contact in writing via email to the following,
Email: admin@firefuture.com

ENGLISH PROFICIENCY

Students must have the ability to read and write English at the level of a graduate of an American High school as demonstrated by the possession of a high school diploma, GED or passage of the California high school proficiency exam.
Fire Future does not provide English language services such as translator or ESL classes.

FINANCIAL AID

Fire Future does not participate in federal and/or state financial aid programs.

REQUIREMENTS FOR STUDENT ACHIEVEMENT

All students must pass both a Final Written Exam and Skills exam.
Students must have a cumulative average of at least 80% on their coursework to be eligible to take the Course Final Written Exam. If a student has not attained the required cumulative

average prior to the date of the Final Exam, the student will not be allowed to sit for the exam. A minimum score of 80% is required on the Final Exam to be considered a passing score. If a student does not pass the Final Written exam on the first attempt, the student will be given ONE opportunity to retake the exam within two weeks after the first attempt.

LOANS

Fire Future does not offer any loans to pay for any educational programs.
If a student obtains a loan to pay for an educational program, it is the student's responsibility to re-pay the full amount of the loan plus interest, less the amount of any refund, and if the student has received federal student financial aid funds, the student is entitled a refund of the money not paid from federal student financial aid program funds.

BANKRUPTCY

Fire Future does not have a pending petition for bankruptcy, is not operating as a debtor in possession, has not filed a petition within the preceding five years, has not had a petition in bankruptcy filed against it within the preceding five years that resulted in reorganization under Chapter 11 of the United States Bankruptcy Code (11 U.S.C. Sec 1101 et seq.).

DEGREE PROGRAM

Fire Future does not have a degree program and is not accredited. Successful completion of our EMT Basic Course will allow student to take the National Registry Emergency Medical Technician (NREMT) Exam only.
Students enrolled in a unaccredited institution such as Fire Future will not be eligible for federal financial aid programs. A degree program that is unaccredited or a degree from an unaccredited institution is not recognized for some employment positions, including but not limited to position with the State of California.

4. Must pass NREMT certification exam

EQUIPMENT

The equipment utilized in the EMT course is per Title 22 EMT Training guidelines. Contents are as follows:

I AIRWAYS

A. Oropharyngeal Airways

Adult, Child & Infant Sizes

B. Nasopharyngeal Airway

Adult, Child & Infant Sizes

C. Bag—Valve Mask Resuscitators

Adult, Child & Infant Sizes

D. Oxygen Delivery Devices

1. High Concentration Masks

Adult & Pediatric

2. Nasal Cannulas

a. Adult & Pediatric

3. Simple Masks

a. Adult & Pediatric

4. Venturi Masks

5. Oxygen Supply Tubing

6. Pocket Masks

7. Portable Oxygen Tanks w/ Regulators

8. Suction Units

9. Suction Catheters
a. Soft and Rigid
b. Various Sizes
10. Suction Tubing
11. Bag Valve Masks
a. Various Sizes
II. CARDIAC
A. AED Trainer w/pads
III. BANDAGES AND DRESSINGS
A. Abdominal Pads
B. Elastic Bandages
1. Various Sizes
C. Adhesive Bandages w/a non-stick center
D. Elastic Gauze
E. Burn Sheets or Clean Wrapped Sheets
1. Sterile
F. Gauze Pads
1. Sterile and Non-Sterile 4X4 and 2X2
G. Multi-Trauma Dressings
H. Scissors
I. Sterile Eye Pads
J. Triangular Bandage
K. Petroleum Gauze
L. Adhesive Tape - Assorted Sizes
IV. IMMOBILIZATION
a. Splints ---Arm and leg (various types)
b. Cervical Collars ---Assorted sizes or adjustable
c. Head Stabilization Devices
d. Long Spine Boards w/3 straps
e. Scoop Stretcher
f. Short Immobilization Device (Vest type)
g. Pediatric Immobilization Device
Page of 19
14h. Traction Splint (Adult and Pediatric)
Page of 19
15V. Pharmacological

a. Poison Antidote Kit w/
Activated Charcoal b.
b. Epi---Pen Trainer
VI. Diagnostic
a. Blood Pressure Cuffs (Infant,
Child, Adult, and Large Adult)
b. Stethoscope and Trainer
Stethoscope
c. Glucose Monitoring Device w/
strips
d. Pulse Oximeter
e. Penlight
VII. Body Substance Isolation a.
a. Gloves---Assorted sizes (latex
and latex---free)
b. Face and Eye Protection
c. HEPA and N95 Masks
d. Gowns---Assorted sizes
VIII. Mannequins/Simulators
a. Airway Mannequins---(Infant,
Child, and Adult sizes)
b. CPR Mannequins (Infant, Child,
and Adult sizes)
c. OB Mannequin
d. Defibrillation Mannequins
e. Anatomical Charts and Models
f. Moulage Kit
IX. Weapons of Mass Destruction
a. Mark I Auto---Injector Trainers
b. Escape Hoods/PAPR's
c. Disaster Tags
X. Communications
a. Portable Radios(Two---way)
XI. Miscellaneous
a. Alcohol Prep Sponge
b. Aluminum Foil
c. Ambulance Patient Care
Reports (PCR's)
d. Bite Stick
e. Blankets
f. Blood Lancets
g. Cold and Hot Chemical Packs
h. Sharps Container

i. Cotton Swabs
j. Emesis Container
k. Flashlight
l. Water Based Lubricant
m. Jump Kit
n. Linen
o. Positive Pressure Ventilation Device
p. Motorcycle Helmet (Open & Closed)
q. Multi---level Stretcher w/ straps to include shoulder harness and pediatric device
r. OB Kit
s. Pillow
t. Pneumatic Anti---Shock Trousers
u. Restraints---1 set (Ankle and Wrist)
v. Stair Chair
w. Syringe (Bulb)

16x. Tongue Depressor
y. Irrigation Fluid (may be expired)

FACULTY

Edward Cook - Lead Instructor, Lead Lecturer

Captain Cook was promoted to the position as a Captain with the Montclair Fire department in August
2013 He is a California licensed Paramedic, meeting all the regulation requirements by the California
Emergency Medical Services Authority (EMSA). His Paramedic education builds on an Emergency
Medical Technician (EMT) foundation. He completed the programs required 450 hours for the state of
California in the combined areas of didactic instruction and skills laboratory and over 1,090 hours of the
assessing readiness for paramedic and clinical training. In addition to his basic training, he spent over 160
internship hours in hospital emergency departments and in the field emergency care services. He was
deployed to assist with various national disasters, such as the Malibu fire, Katrina, and other rescue
missions throughout the nation.
He has been facilitating EMT instructional classes for Fire Future L.L.C., since 2000. He completed the
California State Fire Instruction Course and is a registered instructor with the Office of the State Fire
Marshal. He has over 27 years of paramedic and fire rescue experience, as well as being a clinical
emergency care expert as an EMT. Captain Cook attended Mount San Antonio College (Mt. SAC)
enrolled in their Basic Fire Academy.

Amber McIntire - Assistant Lead, Instructor/Assistant Lecturer

Ms. McIntire, has been instructing students for Future Fire LLC, since 2007 and is a current Emergency
Medical Technician (EMT) and Emergency Medical Services (EMS), Phlebotomy Technician, who holds
a valid Advanced EMT wallet-sized certificate card issued by California Code of Regulations, Title 22,
Division 9, Chapter 3. She has over 12 years of experience in the field of health and safety and clinical
emergency care as an EMT and (EMS).
She attended George Washington University for her Medical Laboratory Sciences with a Post Baccalaureate Certificate. She has her BS from CSULA in Biology.
Reference: Authority cited: Sections 1797.107 and 1797.171, Health and Safety Code. Reference: Sections 1797.82 and 1797.171, Health and Safety Code.

Steve Ward - Assistant Lecturer, Assistant Instructor
Mr. Ward has been instructing students for Future Fire LLC, since 2000 and is a current Emergency
Medical Technician (EMT) and Emergency Medical Services (EMS). He completed the California State
Fire instruction Course and is a registered instructor with the Office of the State Fire Marshal. He has
over 20 years of experience in EMT and EMS field and clinical emergency care as a Fire Fighter. He
attended Mount San Antonio College (Mt. SAC), enrolled in their Basic Fire Academy, studying fire
protection organization, fire prevention technology, fire protection equipment & systems, building
construction for fire protection, fire behavior & combustion, and fire and emergency service safety and
survival technology.
Reference**:** https://www.mtsac.edu/firetech/**academy**.html

Lorena Cardenas - Assistant Lecturer, Assistant Instructor
Ms. Cardenas is a RN and has been instructing students for Future Fire LLC, since 2009. She has over 10 years of experience in the field of clinical emergency care as a RN.
She attended Western Governors University, earning her BS in Nursing.

Faculty's commitment to Continued Education

All faculty members are committed to present the latest industry standards by maintain their continued
education requirements related to their field of expertise. Their continued educational experiences offer
new learning skills for changes in their field of expertise, career, and promotes benefits to those they
teach.

FACILITIES

Classroom and Training Location

5494 Arrow Highway
Montclair, CA 91763

Facility consist of 7,000 square feet, with 2,000 square feet for instructional classroom usage that accommodates 40 students.

The classroom area has two (2) co-ed restrooms and a break room that contains of water cooler, vending machines, refrigerator, and microwave.
