A Letter from Our School President

May 10, 2024

Dear Student:

Welcome to Modern Beauty Academy, we thank you for selecting Modern Beauty Academy to obtain your training in the beauty field of your choice. You are entering a learning experience that will give you the opportunity to be successful in the beauty industry.

At Modern Beauty Academy, it is our goal to offer you the basic training to improve your opportunities to take and pass the licensure examination required by the Board of Barbering and Cosmetology under the California Department of Consumer Affairs.

We emphasize the importance to teach you how to be successful in the marketplace, and how to gain experience from each of the operations that you will perform during your training. The operations are an element necessary for you to take the required state license examination. The state license is required in order to obtain employment as a cosmetologist or as a manicurist. Your training will take place within an environment similar to that of your prospective employers. This means that you will be expected to be punctual, respectful toward your instructor, your fellow students and your patrons. It also means hard work, dedication, and lots of practical work on your part. Your training will consist of theory classes, applications of subject matters studied in the theory classes, salon management, business concepts, and the elements of personal success.

The training you will receive will allow you to obtain an entry-level position in the beauty, manicuring or barbering industry. The real experience and the advancements in this industry will depend on your own efforts once you work in the selected field.

It is a pleasure to have you join us at Modern Beauty Academy. The degree of your success will depend on the effort you are willing to apply during the entire course of your training.

Again, welcome to Modern Beauty Academy. The entire staff wishes you a successful career in the beauty, manicuring or the barbering business world.

Sincerely,

Linda M. Davis

All estimates of available funds from financial aid will be first used to cover institutional charges; if funds remain available, they will be disbursed directly to the student. For information on the aid programs, please contact the financial aid office. The entire educational expenses need to be included in planning the student's ability to meet those expenses. Satisfy all financial obligations to the school or make payment arrangements for any outstanding balance.

INSTITUTIONAL REFUND POLICY

Student's Right to Cancel: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first-class session (**first day of classes**), or the seventh calendar day after enrollment (**seven calendar days from the date when enrollment agreement was signed**), whichever is later.

The notice of cancellation shall be in writing and submitted directly to the Financial Aid Office, a withdrawal may be initiated by the student's written notice or by the institution due to student's academics or conduct, including, but not necessarily limited to student's lack of attendance.

Refund Policy: After the cancellation period, the institution provides a pro rata refund of **ALL** funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. Once more than 60 percent of the enrollment period in the entire course has elapsed (**including absences**), there will be no refund to the student. If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds.

A registration fee of \$200.00 is a **non-refundable item**. Supplies and any other items **issued and received by the student** would not be returnable. Once received by the student it will belong to the student and will represent a liability to the student.

- If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and equipment received. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. See Refunds section below. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance. Official withdrawal date is on the student's notification or school's determination.

Withdrawal from Course: The withdrawal date shall be the last date of recorded attendance. - The date you failed to return as scheduled from an approved leave of absence. The withdrawal date shall be the last date of recorded attendance. The date of the determination of withdrawal will be the scheduled date of return from LOA.

Return of Title IV: Special note to students receiving Unsubsidized, Subsidized, PLUS, Perkins loans, ACG, National SMART/Pell/SEOG grants or other aid, if you withdraw from school prior to the completion of the equivalent to **60 percent** of the workload in any given payment period, a calculation using the percentage completed will be applied to the funds received or that could have been received that will determine the amount of aid the student earned. Unearned funds would be returned to the program in the order stated below by the school and/or the student. Student liability to loan funds will continue to be paid in accordance with the original promissory note terms. Funds owed by the student to the Grant programs are limited to 50% of the gross award per program received. Sample Calculation, completion of 25% of the payment period or enrollment period earns only 25% of the aid disbursed or that could have been disbursed. If applicable, this would be the first calculation to determine the amount of aid that the student would be eligible for from the Title IV Financial Aid programs. A second calculation would take place to determine the amount earned by the institution during the period of enrollment. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

(1) The federal or state government or a loan guarantee agency may take action against the student, including garnishing any income tax refund to which the person is entitled, to reduce the balance owed on the loan.

(2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

Refunds of Title IV: If any refunds are due based on the Return of Title IV calculation or based on the institutional refund policy calculation, any refunds will be made as soon as possible but not later than 45 days from the determination of withdrawal date in the order stated in section CFR 34 section 668.22. The order of payment of refunds is, 1) Unsubsidized Loans from FFELP or Direct Loan, 2) Subsidized Loans from FFELP or Direct Loan, 3) Perkins Loans, 4) PLUS (Graduate Students) FFELP or Direct Loan, 5) PLUS (Parent) FFELP or Direct Loan, 6) Pell Grant, 7) Academic Competitiveness Grant (ACG), 8) National SMART Grant, 9) Federal SEOG, 10) Other. This order would apply in accordance with the aid programs available at the institution.

Accrediting Commission Formula: This institution is required to follow the California State refund formula in calculating refunds. Therefore, since the calculations under the state refund policy results at all times more favorable to the student than the calculations under the accrediting commission refund policy formula, the accrediting commission refund policy formula is not followed by this institution.

School Closure: If the school closes subsequent to a student's enrollment and before instruction has begun, the school has its options: 1. Provide a full refund of all monies paid, or 2. Provide for completion of the course at schools in the neighborhood.

***Crimes of murder, manslaughter, arson, forcible rape and aggravated assault that show evidence of prejudice based on race, religion, sexual orientation, ethnicity or disability as prescribed by the Hate Crimes Statistical Act.**

Burglary vs. Larceny: An incident must meet three conditions to be classified as a burglary. 1. There must be evidence of unlawful entry (trespass). Both forcible entry and unlawful entry- no force are counted. 2. The unlawful entry must occur within a structure, which is defined as having four walls, a roof, and a door. 3. The unlawful entry into a structure must show evidence that the entry was made in order to commit a felony or theft. If the intent was not to commit a felony or theft, or if the intent cannot be determined, the proper classification is Larceny.

Arrest and referral for disciplinary action may occur for violations in regard to weapons (carrying or possessing), drug abuse violations and liquor law violations.

1. This institution does not employ campus security personnel but encourages both its employees and students to immediately report suspected criminal activity or other emergencies to the nearest available institutional official. This can be the Administrator or your instructor/coach and/or in the event of emergency to directly contact local law enforcement or other emergency response agencies by dialing 911.
2. All students and employees are required to report any crime or emergency to their institutional Director promptly. If a student or employee wishes to report a crime that they were involved in or witnessed, on a voluntary or confidential basis, the Director, Angelica Garcia, will be prepared to record and report the crime, but not the name of the informant. The student or employee may, in order to maintain confidentiality, submit the information in writing to his/her institutional official without signature. If the student wishes not to maintain confidentiality, the student will contact his/her teacher or school official who in turn will contact the Director to report criminal actions or emergencies to the appropriate agency by calling Law Enforcement or (911). Modern Beauty Academy will provide the student or employee with written explanation of the student's or employee's rights and options.
3. Only students & employees and other parties having business with this institution should be on institutional property. All visitors, clients or maintenance personnel must check in at the front desk and identify their purpose of visit or the person to be visited. Any maintenance personnel such as air conditioning repair or exterminators will be announced to the director before given permission to be in the facility. All rear access doors leading to the campus are closed and locked during evening hours starting at 10 PM. When the school closes for the night, the school's official or supervisor will inspect each classroom and bathroom to see that it is empty prior to getting ready to lock up. We set the alarms then lock down the campus at the end of each day. Other individuals present on institutional property at any time without the express permission of the appropriate institutional official(s) shall be viewed as trespassing and may as such be subject to a fine and/or arrest. In addition, students and employees present on institutional property during periods of non-operation without the express permission of the appropriate institutional official(s) shall also be viewed as trespassing and may also be subject to a fine and/or arrest.
4. Current policies concerning campus law enforcement and professional counseling are as follows:

- A) Institution's officials have no powers of arrest other than the Citizens Arrest Law and are required in the event of a crime or emergency to call the correct agency or dial (911) for the police and emergency services. The Citizens Arrest Law will be invoked only as a last resort, and after all other possibilities have been explored.
 - B) Employees shall contact their immediate or nearest ranking supervisor to report any criminal action or emergency to the appropriate agency by calling (911). If possible, in the interim, the institutional official shall attempt to non-violently deal with the crime or emergency. Individual discretion must be used, as undue risk should not be taken.
 - C) The institution does not have pastoral or professional counselors on staff. We encourage victims to seek outside counseling, if and when they deem it appropriate, to inform the persons they are counseling of any procedures to report crimes on a voluntary basis for inclusion in the annual disclosure of the crime statistics.
5. Students are encouraged to exercise proper care in seeing to their personal safety and the safety of others. The following is a description of policies, rules and programs designed to inform students and employees about the prevention of crimes on campus.

 - h. Information regarding any crimes committed on the campus or leased/attached properties (parking lot) will be available and posted in a conspicuous place within two (2) business days after the reporting of the crime and be available for sixty (60) business days during normal business hours, unless the disclosure is prohibited by law, would jeopardize the confidentiality of the victim or an ongoing criminal investigation, would jeopardize the safety of an individual, would cause a suspect to flee or evade detection, or would result in the destruction of evidence. Once the reason for the lack of disclosure is no longer in force, the institution must disclose the information. If there is a request for information that is older than sixty 60 days, that information must be made available within two (2) business days of the request.
6. All incidents shall be recorded in the Crime Incident Log in the staff office. The log includes the date, time, location, incident reported, and disposition of incident and the name of the person who took the report. It is important to preserve all possible evidence for future conviction of the assailant. This institution has zero tolerance and prohibits crimes of dating violence, domestic violence, sexual assault, and stalking. Any violation of this policy by students or employees may result in expulsion, while investigations are being followed, termination and/or arrest.
11.  - Both parties shall be informed of their options to notify law enforcement
 - Survivors shall be informed of their options to notify law enforcement
 - Survivors shall be notified of counseling services
 - Both the accuser and the accused have the right to be advised of the outcome of any institutional disciplinary proceedings brought alleging a sex offense or other crime. This will disclose the alleged victim of the crime. The school will notify you, but you may also make a request in writing to Angelica Garcia in

Administration. If the victim is deceased, then the next of kin shall be treated as the victim if they choose.

13. Bystander intervention includes recognizing situations of potential harm, recognize if a crime is being committed, if safe you can approach and help the victim, take action and intervene, if the situation is unsafe call the police or 911 and enlist the help of others around you.
14. Risk reduction is provided so that students and employees may recognize warning signs of abusive behavior and how to avoid potential attacks. Risk reduction means options designed to decrease perpetration and bystander inaction, and to increase empowerment for survivors in order to promote safety and to help individuals and communities address conditions that facilitate violence. Modern Beauty Academy continues to monitor the facility and parking area to assure that lighting and space is free of any threats or potential unsafe areas.

Responding to Sexual Violence, Stalking, or Dating or Domestic Violence

Modern Beauty Academy strongly encourages individuals to report incidents of sexual misconduct to the Title IX Coordinator. All Modern Beauty Academy employees are obligated to report sexual misconduct of which they become aware to a Title IX Coordinator, unless they have a recognized confidentiality privilege. Whether or not a survivor decides to report an incident to the police, the survivor is encouraged to immediately seek medical treatment and access counseling resources. Modern Beauty Academy has procedures in place that are sensitive to those who report sexual assault, domestic violence, dating violence, and stalking, which include informing individuals about their right to file criminal charges as well as written information on the availability of medical, counseling and support services (victim advocacy, legal assistance, visa and immigration assistance, etc.), and additional remedies to prevent contact between a complainant and an accused party, such as, academic, and working accommodations, if reasonably available.

Medical Attention

It is important to seek immediate and follow-up medical attention to assess and treat any physical injuries, determine the risk of sexually transmitted diseases or pregnancy, and gather evidence that could aid criminal prosecution. Even if a survivor has not been physically hurt, the medical examination (associated with reported sexual violence) is strongly recommended to maintain all legal options. After the evidence is collected, it can be stored in case criminal charges are pressed at some later date.

It is important that a survivor of sexual assault not bathe, douche, smoke, change clothing or clean the bed/linen area where they were assaulted if the offense occurred within the past 96 hours so that evidence, as may be necessary to the proof of criminal activity, may be preserved. In circumstances of sexual assault, if survivors do not opt for forensic evidence collection, health care providers can still treat injuries and take steps to address concerns of pregnancy and/or sexually transmitted disease. Survivors of sexual assault, domestic violence, stalking, and dating violence are encouraged to also preserve evidence

by saving text messages, instant messages, social networking pages, other communications, and keeping pictures, logs or other copies of documents, if they have any, that would be useful to Modern Beauty Academy investigators or police.

As time passes, evidence may dissipate or become lost or unavailable, thereby making investigation, possible prosecution, disciplinary proceedings, or obtaining protection from abuse orders related to the incident more difficult. If a survivor chooses not to make a complaint regarding an incident, he or she nevertheless should consider speaking with law enforcement to preserve evidence in the event that the survivor changes her/his mind at a later date.

Reporting Incidents to Modern Beauty Academy

Modern Beauty Academy strongly encourages individuals to report incidents of sexual misconduct to the Title IX Coordinator, Angelica Garcia. An incident report will be filled out and the coordinator can offer counseling and facilitate support resources.

Notifying the police

The survivor has the right to choose whether to file a police report. Notifying the Police is a separate and distinct process from notifying the school and Title IX coordinator. The Police can assist in reviewing options and identifying and facilitating support resources that include medical attention; legal procedures (including no contact or restraining orders). Timely reporting to the police is an important factor in successful investigation and prosecution of sexual violence cases.

Reporting sexual violence to the police will assist in gaining information that may lead to the arrest of an offender or aid in the investigation of other incidents. The investigation and prosecution, or discipline, of the offender may help prevent future incidents. Reporting the incident does not mean a sexual violence survivor is obligated to take the offender to court (i.e., prosecute). In addition to, or instead of, possible criminal prosecution, a survivor may also choose to pursue a complaint through applicable Modern Beauty Academy procedures. Although Modern Beauty Academy strongly encourages all members of its community to report violations of this policy to law enforcement, it is the survivor's choice whether or not to make such a report and survivors have the right to decline involvement with the police.

Modern Beauty Academy Procedures for Investigating and Resolving a Complaint

The procedures set forth below are intended to afford a prompt response to charges of sexual assault, domestic or dating violence, and stalking, to maintain confidentiality and fairness consistent with applicable legal requirements, and to impose appropriate sanctions on violators of this policy. Please report domestic violence, dating violence, sexual assault, or stalking promptly to the Title IX Coordinator, Angelica Garcia-699 South "C" Street, Oxnard, CA 93030 (805) 483-4994.

The trained Title IX coordinator handles investigation and resolution of complaints against students or staff under this policy. Consultation with the appropriate offices will investigate and work to resolve the matter. The Title IX coordinate will undergo annual training on these issues.

Whether or not criminal charges are filed, the school or a person may file a complaint under the Policy on Sexual Misconduct, Stalking, and Dating and Domestic Violence. Reports of all domestic violence, dating violence, sexual assault and stalking made to Modern Beauty Academy will automatically be reported to the Title IX Coordinator regardless of whether the complainant chooses to pursue criminal charges.

Modern Beauty Academy disciplinary process will include a prompt, fair, and impartial investigation and resolution by the Title IX coordinator and the board of directors. All parties involved along with witnesses will be interviewed. Procedures in cases of alleged domestic violence, dating violence, sexual assault, and stalking provide that:

1. The accuser and the accused individual each have the opportunity to make statements to the Title IX coordinator their account of the incident.
2. The accuser and the accused individual each have the opportunity to be accompanied by an advisor of their choice at any stage of the process and to be accompanied by that advisor at any meeting. An advisor may only consult and advise his or her advisee, but not speak for the advisee at any meeting.
3. A decision is based on the preponderance of evidence standard, i.e., “more likely than not to have occurred” standard. In other words, the conduct process asks: “is it more likely than not that the accused individual violated Modern Beauty Academy policy?”
4. The accuser and the accused will be notified simultaneously in writing within 30 days of the outcome of any disciplinary proceeding, as well as any changes to those results or disciplinary actions prior to the time that such results become final, and they will also be made aware when such results become final. Disciplinary action could be a change of schedule, suspension or termination from school.

Confidentiality

Modern Beauty Academy will protect the identity of persons who report having been victims of sexual assault, domestic violence, dating violence, or stalking to the best of its ability. All reports and information concerning conduct that is inconsistent with this policy will be handled discreetly, with facts made available to those who need to know to respond, investigate, and/or resolve the matter.

When a complainant does not consent to the disclosure of his or her name or other identifiable information of the alleged perpetrator, Modern Beauty Academy’s ability to respond to the complaint may be limited. In cases when a complainant requests anonymity or does not wish to proceed with an investigation, the Title IX Coordinator will determine whether Modern Beauty Academy has an obligation to proceed with the investigation against the complainant’s wishes based on concern for the safety or well-being of all the students and staff at Modern Beauty Academy. Additionally, personal identifiable information about the victim will be treated as confidential and only shared with persons with a specific need to know who are investigating/adjudicating the complaint or delivering resources or support services to the complainant (for example, publicly available record-keeping for purposes of Clery Act reporting and disclosures will be made without inclusion of identifying information about the victim, as defined in 42 USC 1395 (a) (20).) Further, the institution will maintain as confidential, any accommodations or protective measures provided to the victim to the extent that maintaining such confidentiality would not impair the ability of the institution to provide the accommodations or protective measures. Modern Beauty Academy does not publish the name of crime victims.

Protective Measures and Sanctions

Regardless of whether a survivor chooses to report a crime to Modern Beauty Academy or local law enforcement, the Title IX Coordinator, will determine whether interim interventions and protective measures should be implemented, and, if so, take steps to implement those protective measures as soon as possible. Examples of interim protective measures include but are not limited to: an order of no contact, safe-space zones, adjustment of course schedules, a leave of absence. These remedies may be applied to one, both, or multiple parties involved. Violations of these directives and/or protective measures will constitute violations that may lead to disciplinary action. Protective measures imposed may be temporary pending the results of an investigation or may become permanent as determined by Modern Beauty Academy.

Written notice of these accommodations will be issued.

In all cases, investigations that result in a finding that, more likely than not, a violation of the Policy on Sexual Misconduct, Stalking, and Dating and Domestic Violence occurred will lead to the initiation of disciplinary procedures against the accused individual.

Disciplinary sanctions that may be imposed for violations of the Policy on Sexual Misconduct, Stalking, and Dating and Domestic Violence include, but are not limited to written warnings, loss of privileges, mandatory training or counseling, probation, suspension, expulsion, for a staff member or student. And termination of employment of a staff member. Sexual assault, domestic violence, dating violence, and stalking are criminal acts, which also may subject the perpetrator to criminal and civil penalties under federal and state law.

Students and employees should refer to the following person or agency when reporting or seeking help on a criminal incident. Please note that any emergency that requires immediate attention should not wait to report to the school's officer but rather should contact the appropriate agency by calling (911).

Presented differently, financial aid is money made available to help students meet the cost of college attendance. Financial aid offered at Modern Beauty Academy consists of grants and loans, grants do not have to be repaid. Financial aid is awarded to students who have “need”. AWARD CONCEPT, SELECTION OF RECIPIENTS & PACKAGING CRITERIA

This institution does not receive enough Campus-Base funds to satisfy all the student financial needs. Therefore, the school emphasizes the SELF-HELP CONCEPT of student financial assistance. The SELF-HELP CONCEPT is on a first come, first-served basis when awarding eligible applicants. The SELF-HELP CONCEPT lists types of financial assistance in the following order:

1. Family contributions
2. Other resources
3. Federal PELL Grant

The school awards from the Federal Supplemental Educational Opportunity Grants in accordance with the following policy: The institutional participation in the Federal Educational Opportunity Grant is limited to the amount of funds given to the institution for an entire award year. (July 1 to June 30).

Due to the **limited** amount of funds available to the institution, it is literally impossible to award FSEOG to all students applying for aid. Therefore, the institutional policy to select FSEOG recipients is as follows:

This institution has a continuing enrollment process in which students may start each Tuesday of each week or Wednesday when Tuesday is an observed Holiday. In order to ensure a fair distribution of funds through the entire award year, the institution will make \$400.00 SEOG awards using data from the year proceeding the current year, by using student enrollment, EFC and Pell Grant data to determine how to distribute the SEOG funds available. Based on last year's data, the institution expects an enrollment of 40 new students meeting the "exceptional need" criteria to be enrolled during the 7/1/2022 to 6/30/2023 period, the first selection of SEOG recipients will be made from students with "exceptional need". Students with "exceptional need students" are defined by this institution as students that have an expected family contribution (EFC) of zero and that will otherwise be eligible for the FPELL Grant Program during the same award year. If enrollment figures change, and/or additional funds become available to the institution, a second selection will be made from those students' ineligible for the FPELL Grant Program with the lowest expected family contribution.

Both selections will be made from students, whose file has been completed, with no issues pending regarding the students' eligibility for Federal Aid. Incomplete files will not be considered in the selection criteria due to possible lack of documentation. Awards will be made as long as funds are available throughout the award year.

FEDERAL WILLIAM D. FORD DIRECT LOAN PROGRAM

Funds received from either of the loan programs are subjected to repayment from the student. Before a loan document is submitted to the USDE, students must be fully aware of the financial responsibilities under these loan programs, the rights that the student has under the individual loan program conditions, and the consequences of failing to meet the repayment obligations.

FEDERAL DIRECT SUBSIDIZED LOAN

Federal Direct Subsidized Loans are made directly to students from the U.S. Department of Education. Subsidized loans are need based. Students may borrow up to the amount of the student's cost of attendance less other expected financial assistance (not to exceed annual loan limits).

The Federal Government pay interest subsidies while the student is enrolled or during periods of deferment. Student would pay a combined origination/guaranty fee of a variable percentage but not to exceed 3% rebated directly to the U.S. Department of Education. Students may receive both subsidized and Unsubsidized loans provided the combined amount borrowed does not exceed applicable loan limits and that the student's eligibility for a subsidized Federal Stafford Loan be determined prior to determining eligibility for the Unsubsidized loan. The law also stipulates that borrowers may apply for both subsidized and unsubsidized loans using a single application and that such borrowers must be given a single repayment schedule.

Maximum Annual Award: First level \$3,500, Second level \$4,500, Third level \$5,500 (Max aggregate \$23,000). These loans are subject to a maximum eligibility of up to 150% of the length of the program of study. Previous loans obtained could affect the student 150% eligibility.

FEDERAL DIRECT STAFFORD UNSUBSIDIZED LOAN

These loans expand the ability of the U.S. Department of Education to make “Unsubsidized” Federal Stafford Loans to students. These loans carry many of the same terms and conditions associated with subsidized Federal Stafford Loans with the following two exceptions:

- (1) Unsubsidized loans are not need based. Students may borrow up to the amount of the student’s cost of attendance less other expected financial assistance (not to exceed annual loan limits).
- (2) The Federal Government does not pay interest subsidies to the lender while the student is enrolled or during periods of deferment. Interest must be paid or capitalized, i.e., added to the principal.

Deadlines: Applications need to be submitted at least 30 days before the end of the loan period for which the loan has been requested.

Maximum Annual Award:

Dependent student: **with Parent** loan first year \$2,000, second year \$2,000, third year and beyond undergraduates \$2,000.

Dependent student **without Parent** loan or **independent** students: first year \$6,000, second year \$6,000, third year and beyond undergraduates \$7,000.

Aggregate Limits for Sub/Unsub Loans Subsidized Total (subsidized & unsubsidized):

Dependent Undergraduates (excluding those whose parents can’t borrow PLUS)
\$23,000 \$31,000

Independent Undergrads & Dependent Students whose parents can’t get PLUS)
\$23,000 \$57,500

Disbursement: Checks are issued to the school and credited to the student’s tuition account. It is the student’s responsibility to submit all required forms and documentation to the financial aid office before disbursement. **For additional information, read the pamphlet “Direct loan Entrance Counseling Guide.”**

APPLICATION DEADLINES

Applications need to be submitted at least 30 days before the end of the loan period for which:

- Repayment starts after last disbursement in the award year
- Interest rate may not be higher than 8.5%
- Borrower credit must not have a negative credit report
- Limited to student cost of attendance minus any other aid
- No minimum amount
