Institutional Employment

Advanced Security Officer - 80 Hours

Calendar Year	Graduates Employed in the Field who are Employed by the Institution, an Employer Owned by the Institution, or an Employer who shares Ownership with the Institution	Total Graduates Employed in the Field
2023	0	64
2024	0	67

¹ “Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

² “Number of Graduates” is the number of students who have completed the program within 100% of the published program length.

³ “Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

⁴ “Graduates employed in the field” means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

⁵ “Placement Rate” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

License Examination Passage Rates (Includes data for the two calendar years prior to reporting)

Advanced Security Officer - 80 Hours

Calendar Year	Number of Graduates in Calendar Year ¹	Number of Graduates Taking Exam ²	Number who passed First Available Exam	Number who Failed First Available Exam	Passage Rate ³
2023	68	68	68	0	100%
2024	69	69	69	0	100%

Licensure examination passage data is not available from the state agency administering the examination. We are unable to collect data from 37 graduates.

¹Number of Students Taking Exam is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time.

²Number Who Passed First Exam Taken is the number of students who took and passed the licensing exam in the reported calendar year on the first attempt.

³Passage Rate is calculated by dividing the number of graduates who pass the exam the first time that they take it by the number of graduates who took the licensing exam for the first time after completion of the program.

Salary and Wage Information (Includes data for the two calendar years prior to reporting)

Advanced Security Officer - 80 Hours

Calendar Year	Grads Avail for Employment ¹	Grads Employed in Field ²	Annual Salary and Wages Reported Graduates Employed in the Field ³				
			\$15,000 to \$20,000	\$20,001 to \$25,000	\$25,001 to \$30,000	\$30,001 to \$35,000	\$35,001 to \$40,000
2023	68	64	0	12	14	18	20
2024	69	67	0	15	18	24	10

A list of sources used to substantiate salary disclosures is available from the school. Contact our employment specialist for further information.

Cost of Educational Program

Total charges for the program for students completing on-time in 2023: \$3495 and 2024: \$3495. Additional charges may be incurred if the program is not completed on-time.

Initials: _____ Date: _____ I have read and understand the above completion rates.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.

- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
 - “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information

Initials: _____ Date: _____ I have read and understand the above completion rates.

STUDENT'S RIGHT TO CANCEL & REFUND POLICY

In the event a student elects to withdraw from attendance, that student will have rights to a full refund if cancellation is initiated formally as follows:

To cancel the course and be eligible for a refund, a student must submit in writing their notice to cancel through attendance of the first class session, or the seventh (7th) day after enrollment, whichever is later. If the cancellation is mailed in rather than hand-delivered, the letter must be submitted to 3355 Myrtle Ave Ste 200, North Highlands, CA, 95660, and the postmark must be prior to the first day of class, or the seventh (7th) day after enrollment, whichever is later.

Should a student withdrawal from the course and be eligible for a refund, the refund will be paid to the student, department, or agency that paid the course fees. In the event that a student withdrawal prior to the completion of 60 percent of the course, refunds will be dispersed on a pro rata basis. Should a student withdrawal after 60 percent completion, no refunds will be dispersed.

If any portion of your tuition was paid from the proceeds of a loan, then the refund will be sent to the lender or to the agency that guaranteed the loan, if any. Any remaining amount of refund will first be used to repay any student financial aid programs from which you received benefits, in proportion to the amount of the benefits received. Any remaining amount will be paid to you. If there is a balance due, you will be responsible to pay that amount.

If the student obtained a loan to pay for an educational program, the student has the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.

If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur: 1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; 2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

If a student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

¹ “Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

² “Number of Graduates” is the number of students who have completed the program within 100% of the published program length.

³ “Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

⁴ “Graduates employed in the field” means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

⁵ “Placement Rate” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

STUDENT'S RIGHT TO CANCEL & REFUND POLICY

In the event a student elects to withdraw from attendance, that student will have rights to a full refund if cancellation is initiated formally as follows:

To cancel the course and be eligible for a refund, a student must submit in writing their notice to cancel through attendance of the first class session, or the seventh (7th) day after enrollment, whichever is later. If the cancellation is mailed in rather than hand-delivered, the letter must be submitted to 3355 Myrtle Ave Ste 200, North Highlands, CA, 95660, and the postmark must be prior to the first day of class, or the seventh (7th) day after enrollment, whichever is later.

Should a student withdrawal from the course and be eligible for a refund, the refund will be paid to the student, department, or agency that paid the course fees. In the event that a student withdrawal prior to the completion of 60 percent of the course, refunds will be dispersed on a pro rata basis. Should a student withdrawal after 60 percent completion, no refunds will be dispersed.

If any portion of your tuition was paid from the proceeds of a loan, then the refund will be sent to the lender or to the agency that guaranteed the loan, if any. Any remaining amount of refund will first be used to repay any student financial aid programs from which you received benefits, in proportion to the amount of the benefits received. Any remaining amount will be paid to you. If there is a balance due, you will be responsible to pay that amount.

If the student obtained a loan to pay for an educational program, the student has the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.

If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur: 1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; 2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

If a student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Cost of Educational Program

Total charges for the program for students completing on-time in 2023: \$5995 and 2024: \$5995. Additional charges may be incurred if the program is not completed on-time.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully

employed in the field by the number of graduates available for employment.

- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
 - “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information

STUDENT'S RIGHT TO CANCEL & REFUND POLICY

In the event a student elects to withdraw from attendance, that student will have rights to a full refund if cancellation is initiated formally as follows:

To cancel the course and be eligible for a refund, a student must submit in writing their notice to cancel through attendance of the first class session, or the seventh (7th) day after enrollment, whichever is later. If the cancellation is mailed in rather than hand-delivered, the letter must be submitted to 3355 Myrtle Ave Ste 200, North Highlands, CA, 95660, and the postmark must be prior to the first day of class, or the seventh (7th) day after enrollment, whichever is later.

Should a student withdrawal from the course and be eligible for a refund, the refund will be paid to the student, department, or agency that paid the course fees. In the event that a student withdrawal prior to the completion of 60 percent of the course, refunds will be dispersed on a pro rata basis. Should a student withdrawal after 60 percent completion, no refunds will be dispersed.

If any portion of your tuition was paid from the proceeds of a loan, then the refund will be sent to the lender or to the agency that guaranteed the loan, if any. Any remaining amount of refund will first be used to repay any student financial aid programs from which you received benefits, in proportion to the amount of the benefits received. Any remaining amount will be paid to you. If there is a balance due, you will be responsible to pay that amount.

If the student obtained a loan to pay for an educational program, the student has the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.

If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur: 1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; 2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

If a student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
 - “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information

STUDENT'S RIGHT TO CANCEL & REFUND POLICY

In the event a student elects to withdraw from attendance, that student will have rights to a full refund if cancellation is initiated formally as follows:

To cancel the course and be eligible for a refund, a student must submit in writing their notice to cancel through attendance of the first class session, or the seventh (7th) day after enrollment, whichever is later. If the cancellation is mailed in rather than hand-delivered, the letter must be submitted to 3355 Myrtle Ave Ste 200, North Highlands, CA, 95660, and the postmark must be prior to the first day of class, or the seventh (7th) day after enrollment, whichever is later.

Should a student withdrawal from the course and be eligible for a refund, the refund will be paid to the student, department, or agency that paid the course fees. In the event that a student withdrawal prior to the completion of 60 percent of the course, refunds will be dispersed on a pro rata basis. Should a student withdrawal after 60 percent completion, no refunds will be dispersed.

If any portion of your tuition was paid from the proceeds of a loan, then the refund will be sent to the lender or to the agency that guaranteed the loan, if any. Any remaining amount of refund will first be used to repay any student financial aid programs from which you received benefits, in proportion to the amount of the benefits received. Any remaining amount will be paid to you. If there is a balance due, you will be responsible to pay that amount.

If the student obtained a loan to pay for an educational program, the student has the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.

If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur: 1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; 2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

If a student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

¹ “Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

² “Number of Graduates” is the number of students who have completed the program within 100% of the published program length.

³ “Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

⁴ “Graduates employed in the field” means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

⁵ “Placement Rate” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Cost of Educational Program

Total charges for the program for students completing on-time in 2023: \$160 and 2024: \$179. Additional charges may be incurred if the program is not completed on-time.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully

STUDENT'S RIGHT TO CANCEL & REFUND POLICY

In the event a student elects to withdraw from attendance, that student will have rights to a full refund if cancellation is initiated formally as follows:

To cancel the course and be eligible for a refund, a student must submit in writing their notice to cancel through attendance of the first class session, or the seventh (7th) day after enrollment, whichever is later. If the cancellation is mailed in rather than hand-delivered, the letter must be submitted to 3355 Myrtle Ave Ste 200, North Highlands, CA, 95660, and the postmark must be prior to the first day of class, or the seventh (7th) day after enrollment, whichever is later.

Should a student withdrawal from the course and be eligible for a refund, the refund will be paid to the student, department, or agency that paid the course fees. In the event that a student withdrawal prior to the completion of 60 percent of the course, refunds will be dispersed on a pro rata basis. Should a student withdrawal after 60 percent completion, no refunds will be dispersed.

If any portion of your tuition was paid from the proceeds of a loan, then the refund will be sent to the lender or to the agency that guaranteed the loan, if any. Any remaining amount of refund will first be used to repay any student financial aid programs from which you received benefits, in proportion to the amount of the benefits received. Any remaining amount will be paid to you. If there is a balance due, you will be responsible to pay that amount.

If the student obtained a loan to pay for an educational program, the student has the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.

If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur: 1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; 2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

If a student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

2024	N/A	N/A

¹ “Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

² “Number of Graduates” is the number of students who have completed the program within 100% of the published program length.

³ “Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

⁴ “Graduates employed in the field” means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

⁵ “Placement Rate” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

STUDENT'S RIGHT TO CANCEL & REFUND POLICY

In the event a student elects to withdraw from attendance, that student will have rights to a full refund if cancellation is initiated formally as follows:

To cancel the course and be eligible for a refund, a student must submit in writing their notice to cancel through attendance of the first class session, or the seventh (7th) day after enrollment, whichever is later. If the cancellation is mailed in rather than hand-delivered, the letter must be submitted to 3355 Myrtle Ave Ste 200, North Highlands, CA, 95660, and the postmark must be prior to the first day of class, or the seventh (7th) day after enrollment, whichever is later.

Should a student withdrawal from the course and be eligible for a refund, the refund will be paid to the student, department, or agency that paid the course fees. In the event that a student withdrawal prior to the completion of 60 percent of the course, refunds will be dispersed on a pro rata basis. Should a student withdrawal after 60 percent completion, no refunds will be dispersed.

If any portion of your tuition was paid from the proceeds of a loan, then the refund will be sent to the lender or to the agency that guaranteed the loan, if any. Any remaining amount of refund will first be used to repay any student financial aid programs from which you received benefits, in proportion to the amount of the benefits received. Any remaining amount will be paid to you. If there is a balance due, you will be responsible to pay that amount.

If the student obtained a loan to pay for an educational program, the student has the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.

If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur: 1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; 2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

If a student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

¹ “Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

² “Number of Graduates” is the number of students who have completed the program within 100% of the published program length.

³ “Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

⁴ “Graduates employed in the field” means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

⁵ “Placement Rate” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Cost of Educational Program

Total charges for the program for students completing on-time in 2023: \$5995 and 2024: \$5995. Additional charges may be incurred if the program is not completed on-time.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully

STUDENT'S RIGHT TO CANCEL & REFUND POLICY

In the event a student elects to withdraw from attendance, that student will have rights to a full refund if cancellation is initiated formally as follows:

To cancel the course and be eligible for a refund, a student must submit in writing their notice to cancel through attendance of the first class session, or the seventh (7th) day after enrollment, whichever is later. If the cancellation is mailed in rather than hand-delivered, the letter must be submitted to 3355 Myrtle Ave Ste 200, North Highlands, CA, 95660, and the postmark must be prior to the first day of class, or the seventh (7th) day after enrollment, whichever is later.

Should a student withdrawal from the course and be eligible for a refund, the refund will be paid to the student, department, or agency that paid the course fees. In the event that a student withdrawal prior to the completion of 60 percent of the course, refunds will be dispersed on a pro rata basis. Should a student withdrawal after 60 percent completion, no refunds will be dispersed.

If any portion of your tuition was paid from the proceeds of a loan, then the refund will be sent to the lender or to the agency that guaranteed the loan, if any. Any remaining amount of refund will first be used to repay any student financial aid programs from which you received benefits, in proportion to the amount of the benefits received. Any remaining amount will be paid to you. If there is a balance due, you will be responsible to pay that amount.

If the student obtained a loan to pay for an educational program, the student has the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.

If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur: 1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; 2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

If a student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.
