1. Maintain a cumulative academic average of "C" (70%) or better on all tests, work projects (operations) and other required course work.
2. Maintain a cumulative average attendance level of at least 70% of the scheduled hours indicated on their enrollment contract.

Students that are attending the course programs whom have more than 2 weeks (14 calendar days) of consecutive absences will be dismissed. This standard shall apply to all students except those on a medical approved Leave-of-Absence (see LOA policy). Students who expect to be absent 14 or more days will be dismissed. In addition to attendance standards relating to Satisfactory Academic Progress (SAP), students are also required to adhere to certain other general institutional policies relating to attendance and tardiness. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 70% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed. These policies are outlined elsewhere in this catalog.

3. Complete the course within one and one-half (1-1/2) times the length of the course as defined in the enrollment agreement. For example, if the student has contracted to complete the course within 40 weeks, he or she must complete within 60 weeks.
4. Students must meet minimum academic (70%) and attendance (70%) requirements at the end of each payment period of the course to be considered as meeting satisfactory progress until the next evaluation period.
5. All students will be provided a copy of their completed SAP evaluation form after their SAP counseling.

EVALUATION PERIODS:

Satisfactory Academic Progress will be assessed at the following benchmarks of actual attended hours:

Cosmetology 1600 hours	Barbering 1500 hours	Esthetician 600 hours	Manicuring 400 hours	Teacher Training 600 hours
450 hours	450 hours	300 hours	200 hours	300 hours
900 hours	900 hours	600 hours	400 hours	600 hours
1200 hours	1200 hours			
1600 hours	1500 hours			

For transfer students, the SAP will take place at 50% of the contracted time.

Determination of Student Progress Status: Students meeting the minimum requirements (70%) for academics and attendance at the evaluation point are considered to be making Satisfactory Academic Progress until the next scheduled evaluation. Students will receive a hard-copy of their Satisfactory Progress Determination at the time of each evaluation periods.

WARNING: Students who fail to meet the minimum (70%) requirements for attendance or academic progress are placed on warning and considered to be making satisfactory progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period the student has still not met both the attendance and academic requirements, he/she may be placed on probation.

PROBATION: Students who fail to meet minimum requirements for attendance or academic progress after the warning period may be placed on probation and considered to be making satisfactory progress while during the first probationary period, **if the student appeals the decision, and prevails upon appeal.** Additionally, only students who have the ability to meet the Satisfactory Progress Policy standards by the end of the evaluation period may be placed on probation. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements, he/she will be determined as NOT making satisfactory academic progress.

DISMISSAL: After the completion of the currently enrolled term, the student will have two additional terms to bring his or her grade point average up to or exceeding the minimum standard of the institution. Thereafter, the student's failure to achieve satisfactory academic progress may result in dismissal from the program. The Director will offer assistance in locating a suitable tutor, should such service be requested by the student. Any student seeking a tutor is personally financially responsible for the cost of all such tutoring.

APPEAL PROCEDURES: Students must initiate the Appeal Process. Students who wish to appeal the decision that they are not making Satisfactory Academic Progress must submit a written request to the institution's administrator. The letter should be received within (15) days prior to the start of the probationary period (for the evaluation period in question) and must describe any circumstances related to the student's academic standing which the student believes deserve special consideration. The basis that a student can file an appeal: The death of a relative of your immediate family, an injury or illness of the student or a relative of your immediate family. Immediate family relative defined as Grandparents, Parents, Brother(s), Sister(s), Spouse and Children or other special circumstances. To file an appeal, you have to have experienced a death in the family, an injury or illness (supported by a physician statement) or other special circumstance that can be documented. The appeal must also state your own explanation describing the reasons for your failure to make SAP and changes made to those circumstances that would allow you to

focus and regain your satisfactory status. The administrator shall evaluate the appeal within a reasonable time frame (5-10) days and notify the student in writing of the administrator's decision prior to the beginning of the current probationary period. Should the student's appeal be denied, he or she may appear before a school committee to present his or her case. The committee shall provide written notice to the student of its decision (a copy of the decision will also be retained in the students file) within a reasonable time frame (5-10 days). The decision of the committee shall be final. A student that prevails upon the appeal process, re-entering the program after an interruption of training, or having re-established satisfactory progress, and determined to be making satisfactory progress will be re-entered in the course and financial aid funds will be reinstated to the student. Students accepted for re-entering the program that previously were not making satisfactory progress must attain a satisfactory progress status by the next scheduled evaluation.

RE-ESTABLISHMENT OF SATISFACTORY PROGRESS & TRANSFER HOURS:

Students may re-establish satisfactory progress by meeting minimum attendance and academic requirements by the end of the probationary period. Transfer hours from another institution that are accepted towards your current educational program will not impact your current SAP as they are counted as both attempted and completed hours.

INTERRUPTIONS, COURSE IN-COMPLETES, WITHDRAWALS:

Course incompletes, repetitions and non-credit remedial courses have no effect upon the student's satisfactory academic progress. If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

ATTENDANCE STATUS: Full time: Any student scheduled to attend 29 hours or more per week are considered to be full-time students. Part-time enrollment is defined as at least 20 hours per week.

GRADING SYSTEM: Students are evaluated on a regular basis on theory, practical and clinical work. The evaluations are measured on a standard percentile basis and the percentage equated to a letter grade. Evaluation forms are issued to the students at the end of each evaluation period. The evaluation form reflects the overall Attendance (measured in actual hours & weeks) and Academic progress of the student. Students must maintain a "**C**" (**70%**) average to maintain satisfactory academic status. The system detailed below is the system utilized in the school

THEORY: Theory or Technical Instructions is the instruction student receive through demonstration, lecture, classroom participation and examination. Theory work will be graded as follows:

Grade	Level

Grade	Level
70%-100%	Satisfactory
0-69%	Unsatisfactory

STUDENT CLOCK HOUR POLICY:

The Board of Barbering and Cosmetology will only recognize time-clock punched hours of attendance. As a result of this requirement, this school can only give clock hour credit to students who record their attendance by using the time clock to punch in and out at the start and end of the class day and lunch period. A thirty (30) minute lunch break shall be taken when a student attends a 6-hour class day or more. If you are attending less than a 6-hour class day and desire to take a lunch break (30 minutes), then the half hour must be deducted from your daily total and you must clock in/out on your time card for the lunch break.

At the completion of the day, your time card is prepared from the current weekly time card. The daily hours and operations earned are added to the totals in the prior column and final totals transferred to the cumulative column. These cumulative figures are then entered in the prior column on the weekly time card. The time card must be signed by the student and the instructor daily. **Instructors may not sign a student in or out and if a student does not clock in our out at lunch, 30 minutes for lunch will be deducted.** After clocking in you are required to maintain theory/demonstration class or be in applied effort. Time cards reflect the student’s daily record of hours and operations. It is important that all your hours and operations are recorded properly and accurately. The attendance personnel must be able to read your time card so that the hours and operations are transferred correctly to the roster. **The time cards are the property of the school and must remain in the school at all times.** Time cards must be retained/stored in their entirety for 6 years by the school.

TIME CARD CREDIT: The following is a guideline for the instructor to issue credits.

1. Each Theory must be initialed in the proper category. If that category is complete, the instructor may issue credit in a comparative category.
2. The portion of the time card reflecting hours are in the Theory hours earned and any classes the instructor has demonstrated.
3. The portion of the time card concerning operations are to be applied efforts of the students as they manually perform practical subject.
4. Some practical operations may take longer to perform according to the student's skills. Note the following time frame the Program gives for each operation: Scalp Treatment = 1/2 to 1 hour, Permanent Wave = 2 to 2 1/2 hours, Facial = 1 1/2 to 2 hours, Hair cut = 1/2 to 1 hour

Using the above, the Board would understandably not consider a student capable of performing more than three permanent waves per day.

Personal grooming, leaving the building, reading material not related to your training or activity not related to your training are not tolerated. If any of these occur, you will be asked to stop such activity or to punch out for the remainder of the day. Continued activities of this nature could result in your probation or termination.

PROGRESS POLICY: Considering the varied capabilities of individual students, some may progress from one phase of training to another at a more rapid pace. However, all students must satisfactorily complete all subject matter prior to graduation unless credit has been allowed for previous training or experience in a particular subject area. Successful graduates will be awarded an appropriate diploma upon completion of their training program.

RECORD KEEPING

Students records for all students are kept for six years. Transcripts are kept permanently. Students may inspect and review their educational records. To do so, a student should submit a written request identifying the specific information to be reviewed. Should a student find, upon review, that records that are inaccurate or misleading, the student may request that errors be corrected. In the event that a difference of opinion exists regarding the existence of errors, a student may ask that a meeting be held to resolve the matter. Each student file will contain student's records, including transcript of grades earned.

PROOF OF TRAINING & TRANSCRIPT:

The first official Proof of Training (POT) or transcript is provided at no charge. Subsequent copies are available upon advance payment of the POT or transcript fee of \$25.00 for two copies. POTs and Transcripts will only be released to the student upon receipt of a written request bearing the student's live signature. No transcript will be issued until all tuition and other fees due to the institution are paid.

ATTENDANCE POLICY

ABSENCES

Absences will be considered excused under the following conditions:

1. Illness of the student
2. Illness or death in the student's family
3. Documented emergency

TARDINESS

Day school starts at 8:30 a.m. and night school starts at 5:00 p.m. There is a 7-minute grace period. After the grace period the student may not clock in or attend class until 9:00 a.m./7:00 p.m.-Clocking in at 9:00 a.m. or 7:00 p.m. is considered being late. However, the student must make up all hours missed.

MAKEUP HOURS

Upon signing your enrollment agreement, your tuition covers all fees up to your anticipated graduation date. Students may makeup any missed hours at the discretion of their instructor as long as there is space in the classroom. However, after the scheduled completion date for your program, **LETTY'S BARBERING AND COSMETOLOGY COLLEGE** will continue to train student toward completion for an additional 20 hours at no additional cost. Once the student has exhausted the additional 20 hours of training, each additional hour will cost \$5 per hour. Sick days and personal days are subjected to this charge. Approved documented medical emergencies, court days, pre-arranged days off, or funerals are not subject to this charge.

LEAVE OF ABSENCE (LOA): Students may experience extended personal, medical or other problems which make it difficult to attend class. This institution may allow a student under such circumstances to take a Leave of Absence, (LOA), from the program. Students needing an LOA for medical, health, welfare or travel must do so in writing and submit it in advance of the leave. Occasionally, unforeseen circumstances prevent the student from requesting a LOA in advance, (e.g.: the student was injured in an automobile accident and hospitalization or recovery required an extended absence). When certain exceptions apply (as with examples given), notification to the Admissions office (by phone, fax or email) must be done as soon as possible for documentation purposes. In such cases, upon return, documentation to verify the need for the LOA may be requested, and signatures will be required in order to extend the anticipated completion date equally to absence.

Students who are granted LOA's will not be assessed any additional charges while they are on LOA. No refund calculations will be performed during the LOA.

A student may request more than one LOA during their contracted time frame, however, the cumulative total (number of days) of extended absence days must not exceed one hundred eighty (180) days in any 12-month period. Students who fail to return from a LOA will be considered dismissed (dropped), as of the last class day of attendance prior to the start of the leave.

Several field trips are planned each year to Hair Shows and Association meetings. You are requested to use your own transportation. During this time, you are not covered by school insurance. If you choose to give a ride to another student you do so at your own risk.

METHODS EMPLOYED TO HELP THE STUDENT LEARN

One hour lecture, three hours of laboratory per week. The lecture section consists of demonstrations in teaching with the student participating in both lectures of related information and practical trade demonstrations. The laboratory period involves the student in the teaching of practical operations.
