Aveda Institutes' Founder - Horst M. Rechelbacher

Aveda Corporation founder Horst M. Rechelbacher has redefined the face of beauty worldwide. For nearly four decades, he was a major motivating force in hair care and the beauty industry. As a world-renowned hair stylist, artist, entrepreneur and educator, he was a master of innovation: moved by a keen intelligence, artistic talent and quest for knowledge, he invented and perfected cutting-edge techniques, trends, products and treatments imbued with the multiple benefits of pure flower and plant ingredients.

His beliefs in the powers of nature and his efforts to preserve the environment, combined with his lifelong commitment to excellence, have spawned a new sense of beauty that goes far beyond surface image. Reflected in Aveda's expanding global network of educational institutes, salons, spas and Environmental Lifestyle Stores, the Aveda concept of beauty encompasses a complete system of care, using plant-based products, treatments and simple rituals to enhance appearance, well-being and the quality of life. In turn, this approach also advocates more environmentally responsible business practices and lifestyles.

Horst's dynamic vision and ideas are embodied in the Aveda Institutes, which he founded in 1976. Under his vital leadership, the Aveda Institutes have become an internationally acclaimed center of learning for professionals in cosmetology, esthiology, manicuring, spa body care and massage. The very essence of Horst's vision and ideas, The Aveda Institutes are a stimulating, interactive learning center that offers a comprehensive program that blends basic theory with practical experience in real-life salon and spa environments.

- Students meeting minimum requirements are considered to be making Satisfactory Academic Progress until the next scheduled evaluation.

ATTENDANCE PROGRESS EVALUATIONS

All students are required to attend a minimum of **70%** of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least **70%** cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

MAXIMUM TIME FRAME

The maximum time (which does not exceed 143% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below:

COURSE	MAXIMUM TIME ALLOWED	SCHEDULED HOURS
Cosmetology (Full time, 30 hrs. /wks.) - 1600 Hours	78 Weeks	2340
Esthetics (Full time, 30 hrs./wks.) – 600 Hours	29 Weeks	858
Cosmo/Barber Cross (Full time, 30 hrs. /wks.) – 1800 Hours	86 Weeks	2574

Esthetics & Beauty Therapy (CIDESCO) (Full time, 30 hrs. /wks.) - 1200	57 Weeks	1716

*The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 143% of the scheduled hours. Students who exceed their Maximum time frame are subject to termination.

ACADEMIC PROGRESS EVALUATIONS

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of **80%** and pass a FINAL written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments.

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

Your progress at the Cinta Aveda Institute will be evaluated for the purposes of SAP at the required intervals stated above for each course offered, throughout your scheduled hours. The maximum time (which does not exceed 143% of the course length) allowed for students to complete each course at satisfactory academic progress. Students are required to attend a minimum of **70%** of the hours possible on the applicable attendance schedule per contract enrollment. Students are also required to maintain a written grade average at a minimum of **80%**.

WARNING

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student still has not met both the attendance and academic requirements, students may be deemed not making satisfactory progress and are ineligible to receive Title IV funds.

APPEAL PROCEDURE

If it is determined that the student is not making satisfactory academic progress, the student may appeal **prior** to being placed on probation. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

PROBATION

Students will be placed on probation only if the student prevails upon his/her appeal of a negative progress. If the student is granted the appeal the student will be deemed to have met Satisfactory Progress and Title IV will be reinstated during the probationary period. Only students who have the ability to meet Satisfactory Academic Progress standards by the end of the next evaluation period will be allowed to appeal their satisfactory progress determination. An academic and attendance plan will be developed to assure the student can achieve satisfactory progress by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain

satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

Students may re-establish satisfactory academic progress, VA educational benefits, and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the probationary period.

INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory progress status as at the time of withdrawal.

NONCREDIT AND REMEDIAL COURSES

Noncredit and remedial courses do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

TRANSFER HOURS

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the

purpose of determining when the allowable maximum time frame has been exhausted.

VETERANS

Students certified to receive veteran benefits whose grade point average (GPA) falls below **80%** attendance for students who scheduled hours will be placed on probation and reported to the VA. Failure for students to achieve the minimum cumulative GPA of 80% and a

cumulative rate of attendance of **80%** after two consecutive terms on probation will have their veteran benefits interrupted.

Students certified to receive veteran benefits conditions for reentrance after dismissal for unsatisfactory progress/re-enrollment policy is as follows: pay outstanding balances and re-enroll with Admissions.

Satisfactory Progress Evaluation Results: Students have a portal in the Cinta Aveda Institute's Smart Student Software which allows each student to their progress at any time. Students who are not making SAP at any one of the hour check point are advised on their status and what needs to be done to come into Satisfactory Progress status.

Student Records Policy

Records of students' attendance, grades, hours and progress records will be kept permanently on file in the business office of the school. Students (or parents/guardian of dependent minors) may request an appointment to review their records at any time. These records are only for the students' knowledge, unless a guardian/ parent of a dependent minor makes a written request to the Director of the school for an appointment to view these with the student order or subpoena, and persons who need to know for health or safety emergencies are all exempt from obtaining written permission.

Family Educational Rights and Privacy Act (FERPA) (20)

Grievance Policy & Procedures

The Cinta Aveda Institute has put in place a systematic approach for both disabled and non-disabled students to file a grievance and to begin the resolution process. Evidence of final resolution of all complaints will be retained in school files in order to determine the frequency, nature and patterns of complaints for the institution. The information will be used in evaluating institutional effectiveness and outcomes. The following procedure outlines the specific steps of the complaint process:

1. The student should register the complaint in writing on the designated form provided by the institution within 7 days of the date that the act which is the subject of the grievance occurred.
2. The complaint form will be mailed to the corporate office at the address listed in the current student handbook, or delivered personally to the Director.
3. The complaint will be reviewed by the management team and a response will be sent in writing to the student within 14 days of receiving the complaint. The initial response may not provide for final resolution of the problem, but will notify the student of the continued investigation and/or actions being taken regarding the complaint.
4. If the complaint is of such nature that it cannot be resolved by the management team, it will be referred to an appropriate agency if applicable.
5. Depending on the extent and nature of the complaint, interviews with appropriate staff and other students may be necessary to reach a final resolution of the complaint.
6. In cases of extreme conflict, it may be necessary to conduct an informal hearing regarding the complaint. Violation Policy (Minor & Major)

Minor Standard Violations

Minor violations include assigned area violations, property misuses, guest service violations, unprofessional behavior and any disruptive behaviors determined by instructors and team leaders as interrupting or preventing the regular operation of the school or interrupting or preventing the education of other students.

Anytime during the student's program the violation of a minor standard may result in lost hours, and repeated violations may result in suspension from the school or termination.

All minor standard violations will result in a student being put on probation for that infraction. A student will receive 4 probation notices for each similar violation before dismissal occurs. On the fourth probationary notice a final warning will be given, on the fifth infraction of the same violation a student will be dismissed from the program.

Major Standard Violations

Major standards include using controlled substances/alcohol, defacing or destroying property, stealing, falsifying documents, committing fraud, abusing and/or threatening to cause physical harm to others and violating local, state and federal laws. Verdict of the appeal hearing will be given within 30 days of the hearing to the student.

Leave of Absence (LOA) Policy

This Policy applies for all student requests for a leave of absence from the Cinta Aveda Institute.

An authorized leave of absence (LOA) is a temporary interruption in a student's program of study. LOA refers to the specific time period during a program when a student is not in attendance. An LOA is not required if a student is not in attendance only for an institutionally scheduled break. However, a scheduled break may occur during an LOA.

An LOA must meet certain conditions to be counted as a temporary interruption in a student's education instead of being counted as a withdrawal requiring the Cinta Aveda Institute to perform a refund calculation.

In order for an LOA to qualify as an approved LOA:

- All requests must be submitted in writing by the student and include a documented reason for the LOA.
- The Cinta Aveda Institute may grant an LOA to a student who may have unforeseen circumstances that prevents the student from applying writing prior to the LOA. Example: Student is hospitalized and cannot sign until they can return to classes.
- LOA must be at least for 7 days and cannot be longer than 180.
- Students may have more than 1 LOA as long as any combination does not exceed 180 day in a year from the end date of the students last LOA
- The Cinta Aveda Institute reserves the right to require additional documentation from outside sources in order to substantiate an LOA request.
- The Cinta Aveda Institute shall not assess the student any additional institutional charges as a result of the LOA.
- The Cinta Aveda Institute shall extend the student's maximum time frame and the contract enrollment period by the same number of days taken in the LOA. Changes to the contract period shall be documented in an enrollment agreement addendum that must be signed and dated by the student and an authorized representative of the Cinta Aveda Institute.
- A student granted an LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at that time.
- In the event that a student does not return or call from his/her leave of absence at the expiration of an approved LOA, that student shall be considered terminated. The withdrawal date for the purpose of calculating a refund is the student's last day of attendance, as evidenced by attendance records.

Grounds for Termination

The student enrollment may be terminated for non compliance with Cinta Aveda institution rules and regulations as set forth by enrollment agreement and the course catalog; conduct that reflects unfavorably upon Cinta Aveda Institute or the students, creating a safety hazard to other students, unsatisfactory academic progress, excessive absences or tardiness, failure to pay fees when due, cheating, falsifying records, breach of the enrollment agreement, disobedient or disrespectful behavior to faculty or other students, unprofessional or potentially dangerous weapon, sexual harassment or harassment of any kind, including intimidation and discrimination. Terms of the refund policy will apply.

For any violation of the enrollment or the Cinta Aveda Institute's rules and policies set forth in this catalog or a student manual, including attendance and academic requirements the student will be terminated by the Cinta Aveda Institute's discretion by following the procedure set forth below:

REFUND POLICY AND NOTICE OF STUDENT'S RIGHTS AND OBLIGATIONS.

- (e) **Method of Calculating Refund.** For Students who have completed 60 percent or less of the scheduled hours for the period of attendance, the tuition refund to be paid to the Student shall be calculated as follows:
- The total tuition charge is divided by the number of hours in the program.
 - The quotient is the hourly charge for the program.
 - The amount owed by the Student for purposes of calculating a refund is equal to the hourly charge for instruction multiplied by the number of hours the student was scheduled to attend prior to withdrawal.
 - The refund is equal to any amount in excess of the figure derived in the bullet point above that was paid by the Student.
 - The refund amount shall be adjusted as provided below for equipment, if applicable.

- (g) **Determination of Withdrawal Date.** For the purposes of this Agreement, the Student shall be deemed to have withdrawn from the program of instruction when any of the following occurs:
- i. The Student or the Cinta Aveda Institute gives notification of termination.
 - ii. In the event of a Deemed Withdrawal, the Termination Date shall be the date on which the Cinta Aveda Institute determines that a Withdrawal has occurred. In the event of a Student who is on an approved leave of absence and notifies the school in writing that he or she will not be returning, the Termination Date shall be the earlier of the date of expiration of the leave or the date on which the student gives notice. The withdrawal date, for refund computations purposes, is the last day of actual attendance by the student.  - iii. The Cinta Aveda Institute monitors clock hour attendance every 30 days.

Return of unearned funds from the Title IV Programs.

The Cinta Aveda Institute will determine the amount of any Title IV aid to be returned in accordance with the Department of Education Guidelines. An eligible Title IV aid recipient who fails to complete over 60% of a payment period is considered to have not earned all the federal aid that may have been previously awarded. A required calculation will be performed to determine the portion of the unearned federal student aid that must be returned to the U.S. Department of Education. In many cases, this policy may also result in the student owing a refund to the Department of Education. The following is the distribution of unearned aid that must be returned: Federal Family Education Loan Programs, Federal Pell Grants & FSEOG. If there are any funds left over after having returned the stated programs listed above, the student may then receive the credit balance. All refunds will be made within 45 days of the determination of withdrawal.

Return of Unearned Funds from Non-title IV loans. If any portion of the total fee is funded through a loan other than a Title IV. Loan, then student and any responsible guardian, hereby, authorizes the Cinta Aveda Institute to pay any refunds directly to the lender, up to the outstanding loan amount.
