Biblical Foundation (Statement of Faith)

We Believe:

1. The Holy Scriptures : We believe the Holy Scriptures of the Old and New Testaments to be the verbally inspired Word of God, the final authority for faith and life, inerrant in every matter in the original writing, infallible and God-breathed (2 Timothy 3:16-17).

2. The Godhead : We believe in one Triune God, eternally existing in three persons- Father, Son, and Holy Spirit-co-eternal in being, co-identical in nature, co-equal in power and glory, and having the same attributes and perfections (Deuteronomy 6:4; 2 Corinthians 13: 14).

3. The Person and Work of Christ : We believe that the Lord Jesus Christ, eternally God, became man, without ceasing to be God, having been conceived by the Holy Spirit and born of the Virgin Mary, in order that He might reveal God and redeem sinful men (Luke 1:35; John 1:1,2, 14). We believe that the Lord Jesus Christ accomplished our redemption through His death on the cross as a representative, vicarious, substitution sacrifice; and that our justification is made sure by His literal, physical resurrection from the dead (Romans 3:24-25; Ephesians 1:7; 1 Peter 1:3-5; 2:24). We believe that the Lord Jesus Christ ascended to heaven, and is

now exalted at the right hand of God, where, as our High Priest, He fulfills the ministry of Representative, Intercessor, and Advocate (Acts 1: 9-11; Romans 8:34; Hebrews 7:25; 9:24; 1 John 2:1-2).

4. The Person and Work of the Holy Spirit: We believe that the Holy Spirit is a person who convicts the world of sin, of righteousness, and of judgment; revealing Christ to men and enabling them to believe; and, that He is the supernatural agent in regeneration, baptizing all believers into the body of Christ, indwelling and sealing them unto the day of redemption (John 16:8-11; Romans 8:9; 1 Corinthians 12:12-14; 2 Corinthians 3:6; Ephesians 1:13-14).

We believe that He guides believers into all truth, anoints and teaches them, and that it is the privilege and duty of all the saved to be filled with the Spirit (John 16:13; Ephesians 5:18; 1 John 2:20, 27).

5. The Creation and Man: We believe that the book of Genesis presents a historically accurate account of the origin of man, the fall of Adam and Eve, and consequently the entire human race, the worldwide flood, the call of Abraham, and the origin of God's chosen people, Israel. Included in this is our belief that special creation of the existing universe, consisting of time, space, and matter, was accomplished in six literal, twenty-four hour days, as detailed in Genesis chapter one. We believe that man was created in the image and likeness of God, but that when man sinned the human race fell and became alienated from God. Man, thus, is totally depraved and of himself, utterly unable to remedy his lost condition. (Genesis 1:26-27; 5:2; Psalm 51; Romans 3:22-23; 5:12; Ephesians 2: 1-3, 12).

6. Salvation : We believe that salvation is the gift of God brought to man by grace and received by personal and purposeful faith in the death and resurrection of the Lord Jesus Christ, whose precious blood was shed on Calvary for the forgiveness of sins (1 Corinthians 15:1-5; Ephesians 1:7; 2:8-10; 1 Peter 1:18-19). We believe that while the death and resurrection of Christ is sufficient provision for the salvation of all men, only those who exercise saving faith will have forgiveness of sin and receive eternal life. Those who so exercise faith are then regenerated, baptized by the Holy Spirit into Christ, and granted every spiritual blessing in Christ (Romans 6:3-4; 1 Corinthians 12:13; Ephesians 1:3-4; 2:8-9; Philippians 2:13; Titus 3:5; 1 John 2:2).

7. The Eternal Security and Assurance of Believers : We believe that all the justified, once saved, are kept by God's power and are thus secure in Christ forever (John 6:37-40; 10:27-30; Romans 8: 1, 38; 1 Corinthians 1:4-8; 1 Peter 1:5). We believe that it is the privilege of believers to rejoice in the assurance of their salvation through the testimony of God's Word; which, however, clearly forbids the use of Christian liberty as an occasion to the flesh (Romans 13: 13-14; Galatians 5: 13; Titus 2: 11-15; 1 John 5: 10-13).

8. The Two Natures of the Believer : We believe that the regenerated person retains his corrupt, sinful, depraved nature, but at the moment of salvation also becomes a partaker of the divine nature, capable of pleasing God through the ministries of the indwelling Holy Spirit (Romans 6:13; 8:12-13; Galatians 5:16-25; Ephesians 4:22-24; Colossians 3:9-10; 1 Peter 1:14-16; 1 John 3:5-9).

9. Separation: We believe that all the saved should live in such a manner as not to bring reproach upon their Savior and Lord; and, that separation from all religious apostasy, all worldly and sinful pleasures, practices and associations is commanded by God (Romans 12: 1-2, 14: 13; 2 Corinthians 6:14-7:1; 2 Timothy 3:1-5; 1 John 2:15-17; 2 John 9-11).

10. Missions : We believe that it is the obligation of the saved to witness by life and by word to the truths of Holy Scripture and to seek to proclaim the Gospel to all mankind (Matthew 28: 19-20; Mark 16: 15; Acts 1 :8; 2 Corinthians 5: 19-20).

Educational Philosophy

An educational philosophy of California Victor University has fourfold: (1) to inspire students to cultivate their intellectual area to understand the will of God with God-provided wisdom and God-written word; (2) to encourage students to sharpen their mind and body to produce good behavior as Christian; (3) to guide students to develop their spirituality to live holy for their intimate relationship with God; and (4) to aid students to build a sense of sociability to make a gracious relationships with their family and neighboring members.

the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.

If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

- (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.

 - The school terminates your enrollment
 - You fail to attend classes for ten (10) consecutive school days.

Determination of the Withdrawal Date

The student's withdrawal is the last date of academic attendance as determined by the institution from its attendance records. The withdrawal date for a student who does not return from an approved leave of absence is set retroactively to the last date of attendance, as determined by the institution's attendance records.

Unsatisfactory Financial Progress Requirements

Violation of any of the condition set forth in the signed Enrollment Agreement may lead to dismissal from the school and/ or probation. Failure to meet all financial obligations to the school may also lead to dismissal from school and/ or probation.

Student and Budget

In addition to the direct costs of your education, it is important that you develop a budget to identify other financial obligations that you may incur when attending school. These expenses may include transportation, childcare, personal expenses, etc. Our student service representative will assist you with this budget.

Payment Methods

Students must pay the required registration fee and tuition on or before the beginning of each semester. Tuition of each degree program does not cover the cost of registration, books, and other related expenses. Students are responsible for acquiring the textbooks. At present, CVU is not able to offer federal financial aid to students, such as the Pell Grant and Stafford Student Loan Programs. However, California Victor University may award a limited number of partial tuition scholarships on the basis of high scholastic achievement, and the financial need of the student. Applications for scholarship assistance should be made to the Director of Admissions.

Academics

Faculty and Curriculum

The faculty of California Victor University are selected not only for their education, credentials, work experience, but also for their dedication, enthusiasm and ability to motivate students to their highest level of academic achievement. Students are urged to meet with their instructor for assistance when needed. Curricula for all programs have been designed not only to provide career skills, but to also qualify students for immediate employment opportunities in a relatively short period of time.

Each curriculum's description indicates a standard program and/ or course length. Hours are devoted to lecture and research dependent upon the educational requirements of the program, and these hours are converted to semester units.

Degree Programs and Number of Units Required for Graduation

California Victor University offers Master of Divinity and Master of Business programs. Units to be completed for graduations are as follows: Master of Divinity 96 semester credit hours (units), and Master of Business Administration 42 semester credit hours (units).

Class Scheduling

California Victor University publishes the class schedule prior to the beginning of each term of study. The class schedule lists every section of each class to be offered for the impending term, including the class name and number, days, time, instructor, meeting dates, and units.

Policy and Program Modification

Hayfield reserves the right to modify the course content, structure, and schedule without additional charges to the student and within the regulatory guidelines. We reserve the right to amend the catalog and program(s).

Attendance

Attendance is essential to the overall effectiveness of the training a student receives at California Victor University. This process is as important as learning, since future employers emphasize punctuality and attendance as top job requirements. A student is required to attend all scheduled classes regularly and punctually.

Attendance Probation

California Victor University recognizes that there are times when a student is unable to attend class, arrives late or leaves early. The attendance policy allows for these circumstances, while ensuring that each student attends class a sufficient amount of time to master their subject material. A student will be placed on attendance probation if he or she is below 85% attendance in any given subject/class. Frequent tardiness and/or unexcused absences will result in placing the student on probationary status.

Attendance Requirements

Students are required to call the Register as soon as partial on the first day of absence and give an estimate of the duration of the absence.

Re-entry Policy

Students who have been terminated for violating the attendance policy may be re-entered through the appeal process.

Leave of Absence

Students may be granted one leave of absence (LOA) per 12-month period for certain specific and acceptable reasons. Student may also request an administrative leave when a course that is needed is not available. A LOA shall be reasonable in duration, not to exceed 120 calendar days. All LOA's must be in documented in official writing and addressed to the Department Director, and/or the President to be approved. The request must be accompanied by written documentation from the appropriate person and/ or agency. The President will approve or deny the request in writing. If a student fails to return on the scheduled return date, then he or

She will be terminated from the training program as a result. One subsequent leave of absence may be granted if the leave of absence does not exceed thirty (30) days and the school determines that it is necessary due to unforeseen circumstances. Subsequent leaves of absence may be granted for jury duty, military reasons, or circumstances covered under the Family and Medical Leave Act (1993). The school must document the reason for each subsequent leave of absence.

Effects of Leave of Absence on Satisfactory Academic Progress

Students who are contemplating a leave of absence should be cautioned that one or more of the following factors might affect their eligibility to graduate within the maximum program competition time:

- Students returning from leave of absence are not guaranteed that the course required to maintain the normal progression in their training program will be available at the time of re-entry.
- Students may have to wait for the appropriate course to be offered.
- Students may be required to repeat the entire course from which they elected to withdraw prior to receiving a final grade.

Grading Policies

Evaluation of student achievement will be based on meeting the objectives for each class. At the beginning of each class, the instructor will provide the student with a syllabus identifying the objectives and grade determination criteria. Students must achieve a cumulative grade point average of at least 70%. A student who fails a class is permitted to continue in his or her studies as long as satisfactory progress is maintained. In a course in which a failing grade has been received, a student who has feasible reasons may ask the professor to grant permission to take a re-examination, or complete a reassignment of sufficient quality to raise the grade to a passing score. Such work must be completed twenty one (21) days after notification of the failing grade, or in the case of spring semester courses, between the opening of the semester and September 25 of the following academic year. If the grade is raised to a passing grade, the student receives credit for the course, but no grade points are counted into the calculation of the student's GPA. If the student repeats a course after having received an F grade initially, the previous F grade remains factors into the GPA, as does the new grade.

Grade Point

The following systems of grade points are used to evaluate a student's level of achievement. A student's general standing is the result of the total number of grade points earned, divided by the total number of semester hours taken.

Grade	Points	Grade	Points
A	4.0	I	Incomplete
A-	3.75	WP	Withdraw Passing
B+	3.50	WF	Withdraw Failing
B	3.0	P	Pass (Challenge)
B-	2.7	AU	Audit (No Credit)
C+	2.50	CR	Credit
C	2.0		
C-	1.75		
D	1.0		
F	0		

An incomplete grade may be given for incomplete class assignments and/ or examinations only with permission from the instructor. Then I grade will be Converted to an F if the incomplete is not made up within one week after the following class begins.

Incomplete Grades

Any course that has an assignment due and has not been turned in by the time of final examination or failure to take the final examination will be assigned the grade of “F”. A student who obtains an approval from the faculty in charge to turn in the required work within a stipulated later time or take a late final examination may receive the grade of “I”. The “I” grade is awarded for compelling reasons such as medical or deemed appropriate by the faculty in charge of the course. All course requirements that are due must be completed no later than the end of the next semester. Otherwise, the “I” grade will be changed to an “F” grade automatically.

Passing Grade

A student who receives a “D” grade in a course must repeat the course. The course in which the “D” grade was earned cannot be counted towards the degree major.

Repeating Courses to Raise Grade Point Average

A student who receives a grade of “C” or lower may repeat courses to raise the grade point average. Whenever a course is repeated in an attempt to raise the grade point average, only the highest grade earned will be recorded as the official grade and the lower grades will be removed from the student’s record. A course may be repeated one time.

Satisfactory Academic and Progress Requirement

Academic Progress

All student(s) must maintain satisfactory academic progress in order to remain eligible to continue as student in the college. All students are considered to be making satisfactory progress when they begin school and during any probationary period. This includes, but is not limited to: meeting minimum standard for grades, work projects, etc.

Requirements

Students must show satisfactory academic progress. In order to maintain satisfactory academic progress, students must:

- The minimum cumulative grade point average attempted at California Victor University is 3.0 for the graduate programs.
- Units of credit that are transferred from other institution must be at least 3.0 average on a 4.0 scale.

Unsatisfactory Academic and Progress Requirement*** A student who fails a course, or whose cumulative fall or spring term grade point average falls below C will be placed on academic probation. In this circumstance, the student will receive written correspondence from the Register outlining a plan of study

designed to improve his or her academic performance. Such a plan of study may include a reduction in non-academic activities, special tutoring, remedial work in reading and writing, or such other provisions as may seem appropriate in each case. The student is automatically removed from probation upon successfully completing an academic term in which none of the conditions listed in the first sentence of this statement occurs.

Probation Status

The following provision describes Academic Probation:

- A student with a GPA of 1.75 or lower, after completion in his or her first semester with less than 24 credit hours completed, will be on academic probation.
- A student whose cumulative GPA is between 1.76 and 1.80 after the completion of 24 credit hours will be on academic probation.
- A student on academic probation will be required to meet with the Registrar before the beginning of the following semester or withdrawal will result.

Program Changes

Students wishing to add or drop a course after registration must obtain a “Request for Course Change” form from Registrar, and secure a signature from the instructor teaching the course. Changes must be made by the deadline for program changes not posted in the academic calendar. Course dropped in this matter will **not** be recorded on the student’s permanent record.

For dropped courses, refunds are calculated from the date the ADD/DROP form is postmarked, if mailed, or received by the Registrar. The institution shall also provide a pro rata refund paid for institutional charges for students who have completed 60 percent or less of the period of attendance. No refund is made after 60 percent of the attendance period is complete. Then, the refund shall be made to the student within 45 days following CALIFORNIA VICTOR UNIVERSITY’s receipt of the cancellation notice.

The difference in tuition resulting from a reduction in the number of units registered will be refunded to the student in accordance with the posted refund schedule. Conversely, the student will pay the difference in tuition when the number of units is increased.

After the deadline for program changes, students may drop a course only with the permission of the instructor of the course, and will receive a “W” grade. After the end of the deadline for program changes, all requests for dropping courses must be in writing and approved by the Registrar in order to receive a “W” grade. Students who do not officially drop a registered course, and do not attend the course, are subject to a failing “WF” grade.

Audit to Credit

Once registered as an auditor, a student may not change to credit status unless such a change is requested prior to the deadline for adding a course specified in the academic calendar. A student, who is enrolled in a course for credit, may not change to audit status after the last day of class to add or drop courses.

Repetitions

Repetition of courses for which substandard work has not been recorded shall be permitted only upon advance petition of the student, and with the permission of the college president, or designee based on a

finding that circumstances exist which justify such repetition. In such repetition, under special circumstances, the student's permanent academic record shall be annotated in such a manner that all work remains legible. Grades awarded for repetition under special circumstances shall not be counted in calculating a student's grade point average.

Students may petition for approval to repeat courses up to a total of 15 units in which substandard grades (less than "C") were awarded. Students may repeat the same course only once for this purpose. Upon completion of a course repetition, the best grade earned will be computed in the grade point average, and the student academic record so annotated. No specific course or categories of courses shall be exempt from course repetition.

Course Challenge Examination

Students may challenge courses by taking examinations designed to verify the student's knowledge of the subject matter. In order to earn credits by challenged examinations, students must first obtain the "Petition for Credit Examination" approval from the Registrar, who will assign a faculty member to administer the challenge examination. Students must also pay the course challenge examination fee prior to taking the examination.

Petition for Credit by Examination will be granted to regularly enrolled students to obtain credit by challenge examination in subject matters in which they are qualified through non-traditional education or experience, and for which credit has not yet previously been granted for any similar or advanced course.

The examination may include written, oral technical skills, or a combination of each, and will be sufficiently comprehensive to determine that the student possesses essentially the same knowledge and/or skills as those students who successfully completed a similar course offered at California Victor University. The letter grade of "P" will be awarded to those who pass the course challenge examination. However, those students who fail will not receive a grade, and there will be no record of the non-passing of the course challenge examination on the student's permanent record.

Credit by challenge examination shall not be allowed for the purpose of earning a higher grade for courses previously taken. The only way to earn a higher grade for earlier attended courses is to repeat the course and pay the normal course unit fee.

Summary of Termination/Reinstatement Policies

Examples include, but are not limited to, the following:

A student may petition in writing for reinstatement within one year of dismissal. The petition must be filed at least two weeks before the beginning of a module. The Committee will review the student's previous academic admission records and his/her current situation in making a decision for reinstatement. The student will then be notified of the Committee's decision.
